## Stonehenge Road Closure Will Continue into the Fall

CHRIS PAUL  
LONDONDERRY TIMES

For just about the entire summer, residents and commuters that use Stonehenge Road have been inconvenienced by the off sight improvements that have been happening in association with the MacGregor Cut housing project on that road.

Stonehenge Road, which is only

about a mile long, has had half the roadway shut down to through traffic since just before July 4, and is currently still in that state.

According to John Trottier, Londonderry's Assistant Director of Public Works and Engineering, the project has hit a few snags. Most of which involve the fact that the crews working on supplying gas, water and

## Town Planners Talk Water Study, Zoning Change Review Process

MIKE BYERLY  
LONDONDERRY TIMES

Chairman of the Conservation Commission, Marge Badois, attended a recent Planning Board meeting to review plans for an updated water management plan focused on getting a sense of the underground water supply in Londonderry.

According to Badois, "Our [current] water management plan was done as part of the Town's 1991 Master Plan, when Londonderry's population was 17,105. Now, 28 years later, there are roughly 10,000 more people drawing on the same sources of water. The Conserva-

tion Commission intends to fund an update to the 1991 plan; a request for proposals is ready to be released this month."

"The objectives of this plan remain the same as in 1991: identify sources, understand threats, project future demand, analyze the adequacy of water supplies now and future, and recommend ways to keep our water clean and plentiful."

Badois pointed out that this study will focus on the quantity of water available. She also mentioned that Londonderry's water supply is heavily reliant on replenishment from precipitation

because there are no large underground aquifers in town. Another study, approved and funded by voters this spring, is distinct from this Management Plan update and is focused on water quantity. Together, the two efforts will create a comprehensive approach to managing our water resources.

Badois shared that the implementation of the study will be with the assistance of town staff and through a working group to be appointed by the Town Manager that will include staff and representatives from the

## Capital Improvement Plan Reviewed by Planning Board

MIKE BYERLY  
LONDONDERRY TIMES

During its meeting on Sept. 12 the Planning Board reviewed the town's proposed Capital Improvement Plan (CIP). The CIP prioritizes and sets a tentative timeline for major capital projects for Londonderry. In most cases, the proposed projects end up on the ballot as questions for voters to approve or reject. Often the funding is a bond, but for smaller projects they can be investments paid for in a single year.

The Planning Board gets recommendations from the CIP Committee and can adjust it before

passing it onto the Town Council for their review. This year's CIP includes six projects, two minor ones for the town and four major ones for the school district.

The CIP process rates projects on a 1-4 scale and recommends a year for each project to be funded within a six-year window. A one rating means the project is urgent for public safety. Two means the project maintains a basic level of public service and should be done within three years. A three rating means that the project is desirable and should be done within the next 4-6 years. A rating of four means that it can be deferred at least six years,

although the committee has the discretion to suggest that such projects be done earlier than that

The town projects include \$235K for drainage improvements for the town common and \$175K for a new backup generator for the police department. The drainage improvements were rated a two and proposed for

## Stonehenge Road Closure

Continued from page 1

sewer to the project, have hit large sections of ledge.

Trottier said, "They should be laying the 'Box-Cut' by the end of September to the middle of September." Thus ending the inconvenience that area residents have had to endure all summer. The box cut, is the stripping away of old material, and laying new material and pavement.

Along with the problem of not being able to use the road, residents on Hardy Road have seen a huge increase in the amount of traffic because of the road closure, the

biggest of which includes the trucks that are being deviated from their normal path headed to the airport.

When contacted, local residents say they're not happy about the situation.

One of the abutters to the project, David Nease, who lives on Faye Lane, commented, "These are the same concerns residents brought up at dozens of Planning and ZBA meetings and the town ignored. It started with daily blasting over the summer, road closures, and the constant sound of heavy equipment and jack hammers.

The developer paid for studies that said the buildings wouldn't be seen from the neighboring streets so they could build them taller and maximize his profits, but the buildings are clearly visible from Meetinghouse and Parrish Hill. Where's the town oversight? Next the taxpayers will be footing the bill to build a new elementary school. None of this should be a surprise."

Hardy Road residents have been directly affected by the summer-long road closure also, with much of the traffic being re-routed down their street.

Kerry Stanley, who lives on Hardy Road is not

Stonehenge Road has been closed to through traffic for much of the summer, which will continue to be the case until the middle of October.

## Planning

Continued from page 1

Town Council, Planning Board and Conservation Commission and the public. Board Member Peter Commerford volunteered to be the Planning Board representative.

Badois said that the Request for Proposals and Statement of Work are ready to be released once approved with work anticipated to begin prior to December 1 and goal to finish the study before the budgeting process begins for next fiscal year.

Board Members Scott Benson asked if a potential outcome of the study might be a recommendation for an expansion of town water. Badois

replied that it was impossible to predict at this point, but that it could potentially be a study finding.

Board Member Al Sypek asked what other recommendations might come from the study. Referring to examples from the 1991 study, Badois cited potential recommendation to conserve sensitive areas, programs to improve management of private septic systems, water conservation ideas. She also said it will be very helpful for planning purposes to understand how the boundaries of major wetlands have shifted over time.

The Board was very supportive of the need for an update the earlier

study citing some well issues in town, periodic issues from droughts and the rapid growth in residents and businesses tapping the water supply.

In other business, Town Planner Colleen Mailloux updated the Board on plans to review proposed commercial zoning changes and a restructuring of the zoning ordinance guidelines with the public and other town boards.

The commercial zoning changes would create a Commercial Performance Zone (CPZ) that would replace the existing Route 102 and Route

28 Performance Overlay Zones and subsume the current C-I and C-II commercial districts into this new zone. Mailloux plans to invite impacted landowners to a public information session in October, although some owners have already reached out to the planning department to learn about the changes. She shared that in total a few hundred landowners would be impacted by the changes.

After this session, the proposed changes would go back to the Planning Board in November and a public hearing in December.

insult to injury by prolonging the construction. What month are we on now with having to reroute around? Two? Three? I've lost track. It's like Stonehenge East doesn't even exist anymore. When it finally does open, we will get to deal with the onslaught of more traffic as occupancy of the apartments begins. We are already seeing it at

the Mammoth/Stonehenge/Litchfield intersection. I guess you really can put a square peg into a round hole after all, when you force it."

Also compounding the issue is the ongoing I-93 expansion project that will continue for the foreseeable future as the state widens the bridges at the opposite end of Stonehenge Road.

## Autumn, The Comfort Season

The fall season is the time of year between summer and winter during which temperatures gradually decrease. It is often called fall in the United States because leaves fall from the trees at that time. Autumn is usually defined in Europe as the period between the Autumnal equinox (equal in length of day and night), and the Winter solstice (shortest day of the year).

Autumn is one of the most packed holiday seasons. There's the back to school rush, Halloween, Thanksgiving. Of course Christmas, is just four days into Winter. These holidays, are all very, family orientated holidays.

This is a season to be thankful, to make memories and to be surrounded by the people you love.

It's a perfect time to change up your decorations, add orange, red and yellow colors and pull out the spice-scented candles and let's not forget the foods. You generally eat really well during this season compared to the rest of the year. Autumn is the best time of year, because, it's also the most scenic if you love being outdoors. It is all about family, food and creating memories.

Fall rolls around and it creates a flood of memories and reminds me of being home, warmth, a sense of peace and thankfulness that I hope to convey to those around me.

With cooler temperatures rolling in, saying goodbye to summer's and hello to fall is not a hard thing to do especially after this summer's heat.

All the leaves from the trees and plants change into multi-colored works of art and fall away. It creates bare, and vulnerable branches, revealing the true scenery underneath. The maple trees are especially vibrant with colors of red, golden yellow and combinations of both. Autumn represents a beautiful cycle of loss, regeneration and re-growth once the spring season comes around.

The dead leaves and branches on the ground disintegrate and turn into part of the soil, which are used as seeds and fertilizer later once the cold welcomes the warmer weather.

Nothing can relax and rejuvenate one more than enjoying nature and the surrounds. This season is perfect for taking for time to go camping, fishing, go on a road trip or anything else where you can spend quality time with family and eat good food. Make hot cocoa, light a fire in the fire-pit or fireplace telling stories or just taking it all in. This season creates a sense of comfort, warmth and reflection.

There are many reasons why I love fall and why I think it's the best season, but here were just a few.

## Londonderry Historical Society Thanks You!

Thank you all for your support of the Londonderry Historical Society through our 2018 Primary Voting Day's \$300 Gift Card Raffle, purchasing our delicious baked goods and Historical Society items, or offering a monetary donation!

We also can't thank enough the area's wonderful businesses that generously gave for the Gift Card Raffle: Harrington Flowers, dunkin donuts, Puritan Backroom, Coach Stop Restaurant & Tavern, Harold Square, Talia's Breakfast & Eatery, T-Bones/ Cactus Jack's, Applebees, and Windham Junction Kitchen & Country Store!

The polls closed at 8:00pm and soon after, one of Londonderry's finest, Londonderry Police Lieutenant Jason Breen, pulled the winning ticket...and our Congratulations go to Gregory Smull of Londonderry!

Dr. Smull was presented his \$300 in Gift Cards at Derry's Parkland Hospital, right beside a beautiful picture of the Londonderry Historical Society's c.1859 Parmenter Barn that is being displayed on a feature wall in their main lobby area. Thank you, Parkland Hospital, for showing your pride in Londonderry's History at your main entrance for all to see!

From all of us at the Londonderry Historical Society, we thank you for donating, stopping by our tables to see what we

have to offer, or to talk a little Londonderry History. And please remember, the funds raised by your generosity go towards our reassembly efforts of Londonderry's Historic c.1725 Rev. William Morrison House.

Sincerely,  
Ann Chiampa  
Curator  
Londonderry  
Historical Society

## Navy In Dire Straits

To the editor:

As a former Navy enlisted and Naval officer who served on 13 ships, including destroyers, radar pickets, aircraft carriers and auxiliary ships, I am concerned with the lack of readiness of the Fleet.

Former Secretary of the Navy, John Lehman, under President Reagan, surged U.S. Naval power into Soviet Union ocean domains, and this helped to end the Cold War. A similar situation currently exists with China in the South China Sea, but we have too few ships available to patrol the area.

The July 8, 2018 issue of USA Today—The Arizona Republic points out the dire condition of the Pacific 7th Fleet ships. It stated "from 2015 to 2016 the pace of operations for 7th Fleet cruisers and destroyers increased 40 percent, from 116 days underway to 162 days." This is without any increase in ships and personnel, and it continues today.

Starting in 1990 our Navy went from 600 to

283 ships today, and the missions have significantly increased during this time. A minimum of 300 ships are needed to project U.S. Naval power around the world, complete missions, and conduct safe operations. Probably an additional 50,000 Naval personnel are needed.

Our Navy is in dire straits.

Donald Moskowitz  
Londonderry, NH

## Thank You for Your Votes

To the editor:

Thank you to all who came out to vote for me in the primary. It was a long day but I enjoyed talking to those who stopped by and chatted. Our state has made many advances this last term and I'm proud to be a part of our lowest poverty rate in the country and the fourth lowest (best in New England) unemployment rate of 2.7%. Our budget is balanced and responsible and our rainy day fund is fully funded to ensure the best bond rating. The lower Business Enterprise Tax/Profits taxes have helped our small businesses and enticed new ones to come in. In particular, I forced a change to a bill that would have caused property taxes to increase. But we can still do more. I look forward to meeting you at the polls in November.

Doug Thomas  
State Representative,  
Londonderry

# Proposed Conservation Restrictions at Cross Farm Discussed

MIKE BYERLY  
LONDONDERRY TIMES

Developers of the Cross Farm project that can be seen along Route 102 came to the Conservation Commission to review plans to conserve major portions of property where they are building single-family 55+ houses.

As part of the tentative project approval with the state Department of Environmental Services (DES), the developers must protect three ecologically sensitive parts of the property with conservation deed restrictions. These parts of the proper-

ty make up the bulk of the 81 acres on the property planned as open space.

Because the Cross Farm development is impacting wetlands in other area of the property, they are required to compensate for that either by contributing to the New Hampshire Aquatic Resources Mitigation Fund or protecting other areas to offset their wetland impact.

At the urging of the Conservation Commission, Cross Farm chose the land protection option. Had they made a financial contribution to the ARM fund, that money could

have been used by the state for conservation anywhere in New Hampshire.

The Commission reviewed the draft of the proposed Declaration of Covenants and Restrictions prior to Cross Farm reviewing the latest draft with DES. According to the agreement the areas to be conserved are "critical wildlife habitat, which includes fields, wetland and upland habitats that provide significant habitat for numerous species."

The conservation areas, totaling 50 acres, are permanently protected from development. An 8-acre parcel on the east-

ern part of the property is potential habitat for the endangered New England Cottontail rabbit. In addition to development restrictions, this area will not be open for passive recreation.

A 26-acre property to the west (parcel B) contains a lot of wetlands and is prime habitat for endangered Blanding's turtles, as is a 16-acre (parcel C). Parcel C is a finger of wetlands running through the center of the property. In both parcels, passive recreation will be allowed for Cross Farm residents and their guests but will not be open to the public.

Cross Farm shared that discussions with DES may lead to parcel C being divided into two parts, C and D, in the agreement because a planned road will bisect it.

Both DES and the town will hold enforcement rights on the easements if Cross Farm or neighboring abutters do anything that violates the conservation agreement. Commission Chairman Marge Badois suggested that Cross Farm notify abutters of the restrictions within the protected areas.

In other business, Badois informed the Commission that the purchase

of 66.9 acres on Griffin Road for \$720K had been closed. This property was approved by the Town Council in March and was paid for from the conservation fund.

The Commission expressed concern that the deed they saw in their meeting did not contain a clear statement that the property was to be conserved. They also had not voted to expend the funds. This procedural oversight and a request to see if the conservation restrictions where covered in another document were forwarded to Town Manager Kevin Smith for clarification.

## CIP

Continued from page 1

FY2020 and the backup generator was rated a one and placed in FY 2020. On the school side, \$62M in projects are proposed to improve schools, expand schools and build a new elementary school.

The school projects include improvements

and expansion of Moose Hill School (\$10.9M, two rating, FY2021); District-wide renovations (\$15M, two rating, FY2023); a new elementary school (\$26M, three rating, FY2025); and an auditorium (\$10M, four rating, FY2024).

Discussion at the meeting focused on the school projects with School District Business Manager Peter Curro mak-

ing an opening statement and answering questions from the Board. In his opening, Curro explained the distinction between physical capacity as defined what a fire official would say is a building's capacity and the functional capacity of a building.

Functional capacity considers how the space is used. In past meetings, Curro said that special education programs typically require more space than a standard program. In the Planning Board meeting, he used a cafeteria as an example. Its functional capacity would differ when used for lunch versus hosting as play or musical performance.

He shared that there was some uncertainty in the requests because the district is waiting for a facilities study committee looking at enrollment and program needs to finish their work in October. For now, the requests represent a worst-case scenario from a cost point of

view and the project list could be revised after the facilities study committee reports out.

According to Curro, the most pressing need is to expand capacity for kindergarten students with Moose Hill School being at capacity. He went on to note that the elementary schools are nearing capacity with North School closest to being full and South School not far behind. Matthew Thornton has some additional capacity at this point with 531 stu-

dents now and a total functional capacity of 638. Curro added that in addition to these proposed projects the school district would also consider redistricting as a part of the solution.

The district-wide renovations include classroom upgrades across several schools and an upgrade to the core facilities at the middle school. In the past, the middle school classrooms were upgraded, but areas like the cafeteria, gym, library and multi-purpose room

were untouched.

Board Member Mary Wing Soares tried to make a case for increasing the priority of the 800-seat auditorium project from a four to a three, contending that increasing the priority would make it easier to privately raise money for a shared privately/publicly funded approach. On a 6-2 vote, the Board rejected her proposal citing the higher importance of the other projects. Overall, the Board made no changes to the CIP plan.

## OBITUARY

### Anthony Iodice

Anthony F. Iodice, 56, of Londonderry passed away Friday Sept. 7, 2018 at his residence after a lengthy illness. He was born February 6, 1962 in Derry and was the son of the late Anthony and Doris (Ferris) Iodice.

Anthony was a resident of Londonderry and was the owner of Tony's Auto Salvage. He enjoyed working on cars and will forever be remembered as a devoted father to his beloved daughter EzaBella. He also leaves behind his sister Susan, a niece and a nephew.

At Tony's request, there will be no services. The Peabody Funeral Homes of Derry and Londonderry are assisting the family with arrangements. To send a condolence, please visit [www.peabodyfuneralhome.com](http://www.peabodyfuneralhome.com).

# Londonderry Offering Access to Numerous Senior Assistance Programs

ALEX GUITTARR  
LONDONDERRY TIMES

Life for senior citizens can have its ups and down. Physically or financially, may face numerous challenges while living their day-to-day lives. Londonderry town staff recognizes this, and offer a number of programs and services that can make life easier for elderly residents in town. Here are some of these services that are provided through the Senior Affairs Department.

For those suffering

financially, Londonderry offers a number of options that help alleviate these problems. They can take advantage of Greater Derry Community Health Services. Located on 14 Tsienneto Road, the group assists all residents struggling in one fashion or another; but seniors are more than welcome to take advantage of these services as well. The group provides assistance for behavioral health issues, free case management (that allows you to explore what programs are best for you

and your family), emergency aid, and community health initiatives. Town staff also recommends that you take advantage of the Fuel Assistance Program through the Community Action Program in Salem. Funded federally through Community Action offices in New Hampshire, those interested can call 893-9172 on Monday through Friday from 9 a.m. to 4:30 p.m. to see if they qualify.

There are also a wide range of other services that can make getting

through the day easier for seniors. There is the Servicelink Resource Center. It helps aging residents establish connections with health care professionals, receive options about counseling, find caregivers, and understand their Medicare and Medicaid options. The Rockingham Community Action Program that can provide fuel and electric assistance programs, as well as help with senior housing. The Retired and Senior Volunteer Program can help elderly

communities organize neighborhood watches, assist victims of natural disasters, and tutor and mentor disadvantaged or disabled youth. The Rockingham Visiting Nurse Association (VNA) and Hospice provide home and hospice care for those in the last stages of their lives. The Center for Life Management specializes in helping cope with the numerous emotional issues that can plague elderly residents. Resident can use a series of websites that may help locate sources

for elder care, assisted living communities, and independent living communities.

For commuting around town and beyond, the Cooperative Alliance for Regional Transportation, helps all residents, including seniors, travel around the towns of Chester, Derry, Hampstead, Salem and Londonderry. For more information on these services, go to [londonderrynh.org](http://londonderrynh.org) and access the Senior Affairs Department through the "Departments" tab near the top of the screen.

## NH DHHS Issues Public Health Threat Declaration for West Nile Virus

Governor Christopher T. Sununu and the New Hampshire Department of Health and Human Services (DHHS) have issued a public health threat declaration in the southern part of the State for West Nile Virus (WNV) and Eastern Equine Encephalitis (EEE). The declaration will make it easier for the approximately 30 municipalities to take mosquito population control measures during a season with

the highest number of mosquito batches testing positive for WNV in the past five years. To increase community awareness and expedite the municipal mosquito control permitting process for those jurisdictions that do not currently hold a permit, the declaration has been issued through 2018 for the following cities and towns: Amherst, Atkinson, Auburn, Bedford, Brentwood, Candia, Chester,

Danville, Derry, Epping, Fremont, Goffstown, Hampstead, Hollis, Hooksett, Hudson, Kingston, Litchfield, Londonderry, Manchester, Merrimack, Nashua, Newton, Pelham, Plaistow, Raymond, Salem, Sandown and Windham. Under the declaration, these municipalities will be able to implement mosquito population control measures including spraying after obtaining the appropriate permits. The declaration

is due in part to the 16 mosquito batches that have tested positive for WNV in New Hampshire since the beginning of July: nine in Manchester, three in Nashua, and one each in Salem, Keene, North Hampton and Rye. The risk level for human illness in Manchester is now at "High" given the number of mosquito batches that have tested positive there. Additionally there have been three hawks and one crow that have tested positive in the area of the threat declaration. There have been no detections of EEE in New Hampshire yet this year. "Based on our surveillance information, we believe there is an increased risk for human illness in the southern part of the state," said Jeffrey A. Meyers, DHHS Commissioner. "Neighboring states have reported cases in humans, including one in Maine and four in Massachu-

setts. We are being proactive in New Hampshire, especially as we head into the fall, when mosquito-borne illnesses are most common." WNV and EEE, are arboviruses that are transmitted from the bite of an infected mosquito. Residents and visitors to New Hampshire should protect themselves and their family members by using an effective mosquito repellent that contains 30% DEET, wearing long sleeves and pants at dawn and dusk when mosquitoes are most active, and removing standing water from around your home so mosquitoes do not have a place to breed. Repellents with picaridin, IR3535 and some oil of lemon eucalyptus and para-menthane-diol products also provide protection against mosquito bites. Symptoms of WNV usually appear within a week after a person is bitten by an infected mosquito, although many peo-

ple can be infected and not develop any symptoms, or only develop very mild symptoms. Symptoms can include flu-like illness including fever, muscle aches, headaches, and fatigue. A very small percentage of individuals infected with WNV can go on to develop more serious central nervous system disease, including meningitis or encephalitis. If you or someone you know is experiencing flu-like symptoms, including fever and headache, contact your local medical provider. Anyone with questions about WNV/EEE can call the New Hampshire Bureau of Infectious Disease Control at 603-271-4496. More information is available on the DHHS website at [www.dhhs.nh.gov/dphs/cdcs/arboviral/index.htm](http://www.dhhs.nh.gov/dphs/cdcs/arboviral/index.htm) and on the Centers for Disease Control and Prevention website [www.cdc.gov/westnile/](http://www.cdc.gov/westnile/)

# Crawl for a Cause: Local Nonprofit Fundraises for Mothers in Crisis

MELISSA BETH RUIZ  
LONDONDERRY TIMES

Gianna Francesca Beretta Molla (nee Beretta in 1922) was many things: A pediatrician, a wife, a mother, a woman of great faith, and more recently, a patron saint.

In 1962, when Molla was expecting her fourth child, she would tragically be diagnosed with a tumor which threatened her health and her pregnancy. Molla refused surgery that would have saved her, but would also result in the termination of her child. Instead she opted for a more risky procedure in an attempt to save her unborn baby.

On April 21, Good Friday of that year, Molla would be admitted to the hospital to deliver her baby, stating that this time, "...they may have to save one or the other..."

Gianna's daughter and namesake would be successfully delivered that day, however, mother Gianna would pass away a week later.

On May 16, 2004, Molla would be canonized as modern Saint Gianna Beretta Molla, Patron Saint of Doctors, Mothers, and Unborn Children. In 2016, four women would come together through serendipity and their shared calling to help pregnant women in crisis. They would begin setting in motion the makings of a safe haven for mothers in need, with the Patron Saint as, "The ideal protectress of our home for pregnant women in need."

The mission of St. Gianna's Place is to provide a safe harbor for expectant mothers in crisis and their babies. In addition to providing a secure home, St. Gianna's Place will also offer its residents job and life skills training, counsel-

ing, and other assistance to foster independence and self worth among the mothers they serve.

Though it does not have a place to call home just yet, members of St. Gianna's Place are well on their way to making this happen.

The organization is currently 75% of the way towards meeting their monetary goal for obtaining a property to make their vision a reality. To help raise the rest of the funds, St. Gianna's Place will be hosting a "Baby Crawl," a family-friendly 5k race on Oct. 6 at the Londonderry Town Common.

The event is open to runners and walkers of all ages and abilities and features a safe off-road route winding behind Moose Hill Kindergarten, Matthew Thornton Elementary, and Londonderry High School. Participants are invited to stay after the race for food, raffles, music, and games.

"Our hope is that this event will not only raise money, but also raise awareness about our mission," said St. Gianna's Place Board of Directors' president, Laura Gandia. "Not everyone in the community realizes how great the need is for a home solely dedicated to pregnant women in crisis in the southern part of the state."

According to Kelly McIntire, Communications Support Specialist for St. Gianna's Place, there are currently only 2 homes that are solely devoted to assisting pregnant women in crisis, neither of which are located in or around the Southern New Hampshire area.

While St. Gianna's Place is temporary housing, the program seeks to maintain

long-term relationships with its clients. The organization allows mothers to stay up to one year after the birth of their children, ensuring that mother and baby will be able to flourish independently outside of the home.

"The vision is to nurture both of them," said McIntire. "We want to set them on the path for long term success."

Once St. Gianna's place finds a welcoming property either in Derry or Londonderry, the organization plans to be able to accommodate between 8 and 10 women at a time, fostering a welcoming, at-home environment for its residents.

McIntire stated that the home will be a place "Where moms and babies alike can get the support they need to live joy-filled, independent, and productive lives."

For those unable to participate in the Baby Crawl next month, but would like to contribute to the organization's efforts, McIntire mentioned that there are many other ways to help St. Gianna's Place meet their goals.

"Once we open our doors, we'll need help with

(transportation) for the residents, and helping with babysitting," McIntire stated, adding that the organization will be diligent in following all state laws for background checks. She further mentioned that volunteers for events are always welcomed.

McIntire went on to say that people will be able to donate to St. Gianna's Place's home fund via the program's website, [stgiannasplace.org](http://stgiannasplace.org). And last but

not least, potential donors need not wait for official St. Gianna's Place fundraisers for more engaging ways to raise funds.

"We would love to see people in the community do mini fundraisers," McIntire said, explaining that the program has had local kids who put on a lemonade stand to benefit St. Gianna's Place.

For those interested, McIntire suggested hosting bingo nights or bake sales

among friends and family as a fun way to help the program reach its goal.

Registration for the Baby Crawl will open at 8:30 AM on the day of the event, and the race will begin at 10:30 AM. Parking will be available at Orchard Christian Church, located at 136 Pillsbury Rd.

To pre-register for the Baby Crawl, or for more information about the race and St. Gianna's Place, visit [www.stgiannasplace.org](http://www.stgiannasplace.org).

# Londonderry Public Works Hosts Collection Day for Hazardous Wastes

ALEX GUITTARR  
LONDONDERRY TIMES

Under the certain circumstances, many leftover household products can pose a major threat to one's home and the safety of one's family. Even the act of disposing of these products can be harder than expected. Throwing away toxic products can lead to them potentially causing fires. Placing them in landfills can contaminate surrounding soil and groundwater. To save residents the trouble of having to figure out how to dispose of these products, the Londonderry Department of Public Works and Engineering will be hosting a Household Hazardous Waste Collection Day on Nov. 17.

This will take place

from 9 a.m. until Noon. The event will be held at the Nelson Fields, off of Sargent Road and behind the Central Fire Station. In terms of what content residents are advised to bring, there are quite a few products. For yard materials, you can bring fertilizers with pesticides, fungicide, insect spray, lighter fluid, pest strips and traps, pesticides, poisons, and pool chemicals. Applicable materials usually found in garages include acids, antifreeze, car waxes and polish, creosote, driveway sealer, flea powder, gasoline, radiator flush, and roofing tar. For materials found within the house, you can bring bathroom cleaner, disinfectants, furniture polish, metal polish, mothballs, oven cleaner,

photo chemicals, rug cleaner, and thermometers. Finally, in terms of materials typically found on a workbench, you can bring brush cleaner, corrosives, oil-based paint and stain, rust preventative, solvents, thinner or turpentine, wood preservatives, and wood stripper. They request that you DO NOT bring batteries, explosives, infectious waste, latex paints, radioactive materials, or asbestos.

If you wish to dispose of these materials on your own, there are several tips for keeping safe while doing so. Be sure to follow any instructions for use and storage provided on the product's labels. Use instructions for disposal on the products to reduce the risk of prod-

ucts exploding, igniting, leaking, mixing with other chemicals, or posing any other hazards. Do not store hazardous products in food containers. Make sure that they remain in their original containers and labeled. Never mix leftovers with other products. They may be incom-

patible and react with one another. Check with local environmental agencies for other option for managing and disposing of hazardous waste in your area. Finally, even empty containers can pose a threat due to residual chemicals that are left behind, so handle with

care.

For more information, contact Robert Kerry with the Department of Public Works and Engineering at 432-1100, extension 137, or RKerry@LondonderryNH.org. You can also visit: londonderry nh. Pages/Londonderry NH org/ Public Works/solid\_.

**All Aboard** The Leadership Londonderry group met for the first time on Thursday evening, Sept. 13 at the Londonderry Town Hall. The aim of the group is to be taught the inner workings of local town government. The first meeting included an informative tour on a school bus around Londonderry. Group leader Pollyann Winslow, at right hands out cookies to members of the group boarding the bus.

# Grange Continues Fund Raising Efforts with Mums for Meals

Members of the Grange No. 44 held their fourth annual Mums for Meals fundraiser for the New Hampshire Food Bank. The group was able to make a slightly larger donation to that organization through the plants that they sold this year. Also that weekend, members continued their efforts to put a new roof on the Grange with their "Raise the Roof" campaign. Bundles of shingles are being sold for \$30 and the community is encouraged to sign a shingle and help with this effort. That weekend, Crafters were also selling their creations inside the building. Pictured are members Joe Adams, Larry Pierce and Bill Perry. Inside Eve Huston demonstrated the nearly lost art of fiber felting.

## Kindness Start

The Londonderry Middle School started their school year with a visit from Jamal Burke who gave students a presentation on Being Kind to those around you. Burke, a Massachusetts native who grew up in Brockton explained to students treating those around you as you would like to be treated goes a long way. Burke was a professional football player who spent time on the Atlanta Falcons, Dallas Cowboys and Buffalo Bills. He explained how he was able to rise above some the barriers put in front of him to succeed.

# LONDONDERRY SPORTS

## LHS Girls' Soccer Crew Moves Perfect Record to 6-0

CHRIS PANTAZIS  
LONDONDERRY TIMES

Through its first half-dozen matches of the 2018 season, the Londonderry High girls' soccer squad has come out of the 2018 gate like a veritable juggernaut.

Outscoring its opponents by the jaw-dropping tally of 41-2 through those first six contests, the Lady Lancers were a perfect 6-0 and looking forward to extending their season-starting winning skein this week.

Last week the Londonderry crew outscored three opponents by a huge 23-1 margin, with shutouts of Winnacunnet of Hampton and struggling Spaulding from Rochester coming before a decisive downing of

Nashua North at the end of the work week.

In the 2-0 nipping of Winnacunnet in Hampton on the big state-wide voting day of Tuesday, Sept. 11, the Lady Lancers landed a single goal in each half in advancing to 4-0 on the still-young season.

Alyssa Anderson bagged what would prove to be the winning goal in minute number 28 of the opening half with Kelly Calawa garnering the assist.

Anderson also netted an insurance goal for her crew just one minute into the second half on a set-up by point machine Olivia Stowell.

LHS goalie Jasmine Richard contributed seven stops to her team's shutout success as the

locals handed their hosts their first loss of 2018.

Coach Dane was then able to get his entire squad some quality playing time in its 14-0 hammering of the weak Spaulding squad at LHS on Thursday, Sept. 13. And the Lady Lancers scored seven more goals in a 7-1 trouncing of North in Londonderry the very next afternoon.

In that latter blowout, LHS led 4-0 at the half and outscored its guest by a 3-1 tally in half number two.

Stowell wound up scoring no less than five times for her victorious side, Anderson scored once and dealt out two assists, Darby Dupuis contributed four helpers, and Delaney O'Leary and Ari Dumaine each scored

once. Calawa and Carly Morse each registered a single assist. Once again, Londonderry keeper Richards was good for seven stops in a momentous win over the 1-4 opponent.

This week's schedule had the Lancer girls facing off with Bedford's Lady Bulldogs at home on Tuesday, Sept. 18 - after Londonderry Times press time - followed by their always highly-anticipated Mack Plaque match with the Pinkerton Lady Astros this Saturday morning. Pinkerton's season record going into this week stands at a somewhat mediocre 3-2. The Mack Plaque game will be on Londonderry's home field and will get rolling at 11:30 a.m.

*Olivia Stowell continues to be a regular point machine for the tough Lady Lancer soccer squad.  
Photo by Chris Paul*

## Lancers Take Aim at Ending PA Mack Plaque Win Streak

CHRIS PANTAZIS  
LONDONDERRY TIMES

Depending on if you look at the Mack Plaque facts from the Pinkerton Academy perspective or the Londonderry High School perspective, you likely have a very different take on the series of fall varsity sports games between the two rival schools, which began in the autumn of 1983.

Pinkerton claimed the coveted plaque for the 16th consecutive year late last September by winning each of the eight match-ups, though much of the play was quite com-

petitive and exciting for the many spectators in attendance.

Hence, if you attended or are an alumnus of the Derry school you likely feel every reason to stride with pride regarding the overwhelming success your Astro teams have enjoyed. And if you bleed LHS Lancer red white and blue your attitude is perhaps - with seemingly never-ending but somewhat halting optimism - "Well, maybe next year."

Rolling into the weekend's 2018 games, Pinkerton and Londonderry sit tied at 1-1 where the team win tally is concerned

after the cross-country teams split decisions at LHS on Tuesday, Sept. 4.

The golf teams face off this Wednesday, Sept. 19 - after Nutfield Publishing press time - but Friday night and Saturday should feature enough exciting action to keep any Lancer or Astro fan occupied.

It certainly appears that Londonderry High has a legit chance to end Pinkerton's long-held and tight grasp on the Mack Plaque.

Pinkerton should perhaps be favored to win golf and girls' volleyball - perhaps - but field hockey,

the two soccer matches, and YES football could all hold "pick-em" status as all of the squads at the two schools in their sports look strong and have enjoyed plenty of success early in their respective seasons.

The Mack Plaque slate of weekend games - all to be played at LHS this year after the 2017 events were played in Derry - begin with Friday night football at 7 p.m.

The next day fans can go from game to game and cheer on their school, with the volleyball squads spiking up at 10 a.m. that morning, girls' soccer kicking off at 11:30, field hockey getting sticking at 1 p.m. that afternoon, and boys' soccer booting out the final match of the day at 2:30 p.m.

Should a tie-breaker be required once the eight events are in the rear-view mirror it would

come down to the spirit championships later this autumn.

The now 35-year-old Mack Plaque games were named for Londonderry's Mack family in honor of its many contributions to both local schools. Londonderry won the plaque in 1990, 1996, 1997, 1999, and 2000. The rivals tied for the plaque in 1986, 1992, and 2001, leaving the trophy at the school which won it last.

# LHS Field Hockey Wins Two Close Ones, Falls in Shutout

CHRIS PANTAZIS  
LONDONDERRY TIMES

Sometimes an athletic team wins in a blanking, and sometimes it gets blanked.

The Londonderry High field hockey squad is a recent case in point as last week it dealt Manchester Memorial's Lady Crusaders a whitewashing but several days later was held scoreless in a shutout at the hands of the Dover High Green Wave.

The Lady Lancers tallied their first shutout of the season and bumped their season record up to 4-1 with a 2-0 blanking of the Manchester Memorial mob at LHS last Wednesday, Sept. 12.

day, Sept. 12.

The locals knocked home one goal in the first half when Alivia Proulx whacked a rebound, but she and her teammates smacked a total of 13 shots on Memorial goalie Stephanie Millios.

Proulx scored again in the second half to give her team a little bit of insurance, and LHS keeper Morgan Brutus wound up contributing four saves to her squad's shutout performance. Memorial goalie Millios finished the match with some 22 saves.

Londonderry then aimed to continue its winning ways at home against Dover on Friday, Sept. 14, but the visiting Green Wave had other plans.

The visitors got the game's only goal at the 51 second mark of the second half and made that goal stand in a 1-0 shutout.

The Lancers put seven shots on Dover keeper Kylie Nelson-Marois, who turned all of the blasts aside. At the other end of the field, Londonderry had its keeper Brutus collect four stops.

Londonderry then rolled into this busy week looking at another home match, with the Bishop Guertin Lady Cardinals making the trip from Nashua to LHS for this one.

It took overtime in that contest, but the hosts bagged a 2-1 victory thanks to a goal by Lauren Mullen - set up by Courtney Shay - at the 2:31 mark of the extra period.

Guertin snagged a 1-0 lead at the 13:19 mark of half number one, and that advantage remained until the second half when Shay was set up by teammate Mullen at 14:59. And those two LHS players later flipped positions in connecting on the game-deciding goal.

The Lady Lancers thumped some 15 shots on the Guertin net while the Nashuans' offense only put seven on LHS keeper Brutus.

Courtney Shea (11) and Lauren Mullen combined for both goals in the Monday win. Photo by Chris Paul

# Lancer Football Moves to 3-0 With Trouncing of Timberlane

CHRIS PANTAZIS  
LONDONDERRY TIMES

On paper, it looked as though the undefeated Londonderry High football squad would have a relatively easy time with a winless Timberlane Regional troop in Plaistow when those two contingents met up last Friday night, Sept. 14. And as everything worked out, what was on paper played out in real life.

in real life.

Paced by senior quarterback Evan Cormier for a second straight week, the LHS gridders simply pummeled their hosts by a 44-14 margin to advance to 3-0 on the season with a much-anticipated Mack Plaque meeting with 3-0 Pinkerton coming at LHS this Friday night.

The Lancer signal-caller passed for two touchdowns and ran for one other in leading his contingent, which also received some 104 rushing yards from senior back Mason Marquis on 14 carries - an exceptional average of 10 yards per run - and scoring sprints from Jeff Wiedenfeld, Jake Holland, and Jake McEachern. All in all the winning side produced some 259 yards via its ground game and another 99 through the air.

Defensively, Londonderry held the struggling Timberlane offense to just 180 total yards. And the locals picked off two passes attempted by Owls' quarterback Dan Hayes. Matt Pemberton and Ethan May had those picks.

The now 0-3 hosts tallied the first points of the evening but then the LHS side collect the next 21 points in that opening period.

The Lancers led 37-6 at halftime and held the Owls scoreless in the second and third quarters, after which Londonderry led by an overwhelming 44-6 margin.

Coach Jimmy Lauzon

Jeff Weidenfeld and his teammates hope to win their Mack Plaque game.

some work to do to get as good as they can be.

"I think we have some things to work on," he said. "There were more positives than negatives, but we aren't where I think we can be yet. We'll keep plugging away to get better every week and focus on the next opponent."

Rolling into the forthcoming Mack Plaque match-up with a 3-0 Pinkerton squad which downed Exeter by a 17-7 margin while the Lancers were busy taking care of business in Plaistow, Londonderry looks to keep its 2018 winning streak rolling in a big game which the academy squad usually wins. However, on paper....

# Lancer Boys' Soccer Team Finds its Record Even at 3-3

CHRIS PANTAZIS  
LONDONDERRY TIMES

A win over the Winnacunnet High Warriors followed by consecutive losses to Nashua North and Manchester Central last week left the Londonderry High boys' soccer squad contemplating a 2018 record which had slipped right to the .500 mark at 3-3.

The Lancers were a goal better than the visiting Winnacunnet Warriors from Hampton at LHS last Tuesday, Sept. 11 in a 2-1 decision in which the hosts bagged the two goals they'd need to be victorious in the first half.

Coach Todd Ellis had his Lancers receive tallies from Brady Hanley (assist to Pete Misiaszek) in the 32nd minute of the first period, with Hunter Smith

getting set up by Tyler VanAvery for goal number two six minutes later.

The Warriors didn't squash Londonderry's shutout hopes until minute 72 when they potted a penalty kick. But 2-1 was as close as the 1-3 seacoast side would get to a full comeback.

Lancer goalies Alex Hufford and Colby DiMaggio only had to make one save between them.

"I thought this was our best game to date," said coach Ellis. "Our communication, movement off the ball, and decision-making were quick and fun to watch. We played that way for about 80 percent of the game, but unfortunately we were not able to get that third and fourth goal. The last 15 (minutes) we weren't as sharp and gave up a PK

with nine to go that made the remainder for the game a little more interesting than it needed to be. I will take this though. This effort is something we can build on."

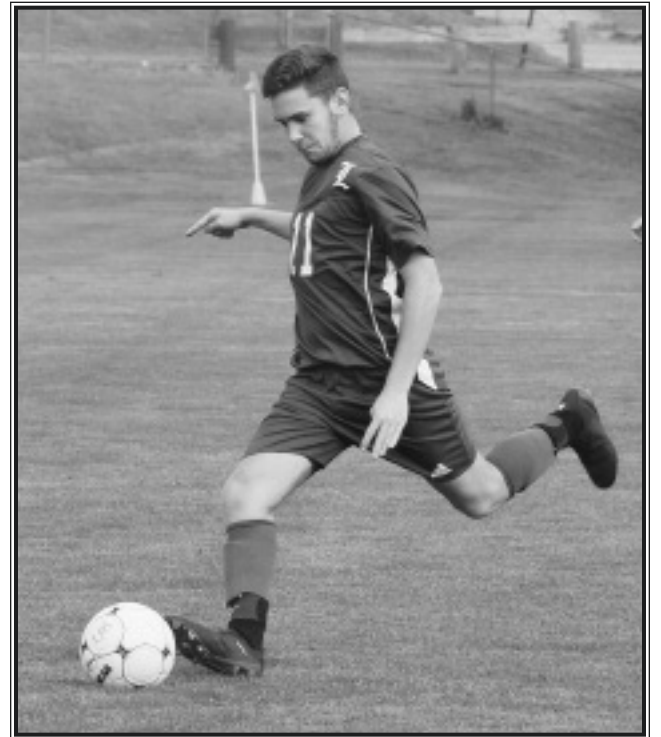

The injury-addled Lancers then needed to take a road trip over to Nashua on Thursday the 13th to take on a North crew that evening. And the undefeated Nashuans wound up netting the long game's only goal in a second overtime stanza off of a direct kick.

"I thought the players that were available to go today did a great job," said coach Ellis. "We really controlled the tempo of the game and had the better of the possession. Unfortunately, that did not result in a goal despite some close scoring chances. We will need

to be better with our upcoming games against Bedford and Central. Hopefully, we will get some players healthier for those contests."

However, the unbeaten Central squad was just too much for the Lancers in the Queen City on Saturday night the 15th. The hosts bagged a 3-0 victory to move to 5-0 on 2018.

Londonderry had to take to the road again this Tuesday the 18th - after Londonderry Times press time - when it traveled to Bedford to battle the host Bulldogs. And following that contest the locals had to turn their attention to their annual Mack Plaque meeting with the Pinkerton Academy Astros - coached by LHS alumnus Kerry Boles - this coming Saturday afternoon.

Tyler VanAvery tallied an assist for his Londonderry High boys' soccer squad during its tight, 2-1 victory over Winnacunnet at LHS Tuesday, Sept. 11. The Lancers came into this, Mack Plaque week, with a .500 record. Photo by Chris Paul

# LHS Girls' Volleyball Wins Some and Falls Some, Reaches 4-2

CHRIS PANTAZIS  
LONDONDERRY TIMES

After enjoying more ups than downs through the first several weeks of its 2018 season, the Londonderry High girls' volleyball squad strode into this week having won four of their five previous matches and grasping a very solid 4-2 overall record.

The Lady Lancers had a superb three-match win-

ning streak come to an end with a 3-0 match loss to the visiting Timberlane Regional High Lady Owls from Plaistow at LHS last Wednesday, Sept. 12.

The guests grabbed individual set victories of 25-18, 25-20, and 25-21 in moving to 3-2 on the still-young 2018 campaign.

Aiming to return to the winning track and perhaps beginning another winning skein, the Lady

Lancers played host to the Winnacunnet High Lady Warriors from Hampton on Friday the 14th. And win the local ladies did, handing the visiting seacoast squad a 3-1 defeat.

With its winning ways recovered, the Londonderry contingent looked at this week's schedule of matches which included a lengthy drive out to Rochester to take on the host Spaulding High Lady

Red Raiders this Wednesday, Sept. 19 - after Londonderry Times press time - followed by the big Mack Plaque battle with Pinkerton this coming Saturday morning.

Coach Todd Royce's PA Lady Astros started their 2018 campaign with four straight wins but then dropped a pair of decisions last week in scuffling a bit.

# Londonderry Cross-Country Crews Fare Well at a Pair of Events

CHRIS PANTAZIS  
LONDONDERRY TIMES

Londonderry High School's boys' and girls' cross-country squads both put in considerable efforts to three-team meets and an invitational last week, with some pretty pleasing results.

The two Londonderry squads performed exceptionally well in three-team

races at Alvirne High School in Hudson on Tuesday, Sept. 11, with the Lancer males and Lady Lancers both simply pummeling the competition where team scores were concerned.

The LHS boys finished with the low team score of 21 to defeat Dover (54) and the host Alvirne Broncos (63) handily.

Coach Matt Smith's

Lancers had no less than seven of the top 10 finishers, and that determined group was paced by the victorious Matt Griffin who crossed the finish line in 17 minutes and 20 seconds.

Eric Nowak finished third overall (17:41), Dylan Hotter was fourth (17:51), Ben Palumbo wound up sixth (18:03), Ryan Young ended up seventh (18:31), Kerry Daley placed eighth (18:38), and Christian Smith was ninth (18:45).

"We've gotten off to a great start," said coach Smith. "Matt Griffin, Eric Nowak, Ben Palumbo, really that whole group have been running very well. The guys felt really good about beating Pinkerton in our first meet, and we're excited to get into our invitational schedule beginning on Saturday in Nashua. Saturday will be a great barometer for us. There will be a lot of good teams there, and we're excited to see how we stack up."

There on the Alvirne course that day, LHS girls' coach Ed Burgess saw his Lady Lancers win easily by scoring 26 points to Alvirne's 50 and Dover's 56.

Veteran Caitlin Boufford finished first for her team and second overall

Cailin Borovicka placed seventh (22:58), and Jasmine Brown ended up eighth overall (23:03).

Both LHS crews then took part in the Nashua North Invitational at Mines Falls Park on Saturday the 15th with great results for the males and more modest ones for the Lady Lancers.

In the boys' varsity race, Londonderry finished a distant second to Concord - which scored an excellent 24 - by bagging a team tally of 72. Pinkerton came in third with a 96.

The locals had Griffin place eighth overall (16:18), Nowak get 12th (16:31), Høglund finish 16th (16:37), and Daley wind up 18th (16:44).

In the boys' JV race, the Lancers finished third behind Pinkerton and

Concord with Chris Burpeau (seventh) and Carter Letalien (10th) both finishing among the top 10 line-crossers.

In the girls' races, the Londonderry varsity group placed seventh out of nine teams with Boufford placing 20th and the JV group got sixth out of 10 teams with Abigail Rollinson finishing a strong seventh.

The Londonderry boys took care of business in a big way in their Mack Plaque race with Pinkerton recently and thus had already contributed to the LHS plaque push which continues Saturday. While Londonderry's other teams are playing Pinkerton squads that day the LHS boy and girl harriers will be at the annual Manchester Invitational.

Will Heenan finished second for his LHS boys in their annual Mack race recently.

(21:06), Grace McDonough placed fourth (21:23), Cailey McDonough was fifth (22:46),

## Athletes of the Week

Week of Sept. 10

Cailey McDonough, Junior, Girls' Cross-Country

This talented 11th grader ran for a personal record in the 5K at the Nashua Invitational and was over two minutes faster than last year. She leads by her infectious positive attitude during practices and races.

Matt Griffin, Sophomore, Boys' Cross-Country

This skilled harrier is off to a great start this season, including winning the Londonderry Jamboree and the dual meet with Alvirne and Dover. He has led the team in every race and has become a leader on and off the course.

Student Athletes Supplied by Athletic Department

## Londonderry Golfers Get Second Spot in a Three-Team Home Match

CHRIS PANTAZIS  
LONDONDERRY TIMES

Coach Dan Grant saw his Londonderry High School boys' golf squad grab second place in a three-team match on their home links during the middle of last week before embarking on a competitive break of nearly a week.

The Lancers finished right in the middle of a three-team contest where

scoring was concerned on their home course at the Passaconaway Country Club last Wednesday, Sept. 12, posting a team score of 224 to end up behind victorious Hanover (200) but well ahead of the Manchester Memorial Crusaders (280).

Londonderry, which moved to 4-7 overall on the campaign, then took a competitive break until this Tuesday the 18th

when they traveled to the Nashua Country Club to face the Bishop Guertin High Cardinals and those tough Hanover High Marauders again. That match occurred after Londonderry Times press time. The next afternoon the locals were slated to be back on their home greens in their Mack Plaque match with the rival Pinkerton Academy Astros.

## MEET DIXIE!

Dixie is a 2 year old, 55 pound, all around great pup! She has good kennel manners and has shared her kennel with many different dogs. She loves the water and a good game of fetch. Dixie is one of our base dogs in playgroups as she gets along with all dogs that she meets. Her game of choice is playing chase, and she can be a bit of a vocal player when she gets excited. She walks well on a leash and knows some basic commands.

# Free Car Seat Check and Recycling Program Happens Sept. 29

Residents will have the opportunity to make sure their children are as safe as they can be during a Child Passenger Safety Checkpoint on Saturday, Sept. 29 from 10 a.m. to 12 p.m. in the Walmart parking lot, at 11 Ashleigh Drive in Derry. The checkpoint is a free, and hosted by Safe Kids New Hampshire and the Injury Prevention Center at Dartmouth, the Derry Police Department, the Buckle Up New Hampshire Coalition and the Community Alliance for

Teen Safety. This is a drop-in event, intended to raise awareness of the dangers of improperly installed car seats and to provide an opportunity for parents to bring their used car seats for proper disposal.

Incorrect use of child safety seats can put children at risk. "Car seats and boosters provide protection for infants and children in a crash, yet car crashes are a leading cause of death for children ages 1 to 13. That's why it is so important to

choose and use the right car seat correctly every time your child is in the car." (National Highway Traffic Safety Administration) NHTSA also reports that children's car seats are used incorrectly 59% of the time.

According to the National Highway Traffic Safety Administration (NHTSA), if your car seat has been in any kind of accident - except for minor crashes that meet certain strict criteria - it cannot be reused.

Determine whether your car seat is still safely usable by checking its expiration date. This will be stamped onto the seat, on the tag, or in the user manual. If you do not know when the seat expires, you will need to safely dispose of it. Once a car seat is expired or damaged, it is no longer safe to use. Setting a car seat out for trash pick-up is dangerous because someone may see the seat and decide to use it, not realizing the car seat is unsafe. Proper disposal of an old car seat is crucial to prevent further use and in keeping children safe.

On Sept. 29 certified child passenger safety

technicians will be on-hand at the checkpoint to show parents and caregivers how to properly install a car seat. Bring your child and the owner's manuals for your vehicle and your car seat. "Think of it as a private lesson in the correct use

of your child's car seat," says Officer Jeff Pike of the Derry Police.

Safe Kids New Hampshire, Derry Police, CATS and BUNH members have been working together to address local safety issues including seat belt usage.

Safe Kids New Hamp-

shire provides car seat inspections throughout the year as well. To find a car seat inspection site or certified technician near you visit <https://www.safekids.org/coalition/safe-kids-new-hampshire>. An inspection is free and usually only takes about 45 minutes.

Derry Police Officer Jeff Pike directs a driver during last years Child Passenger Safety Checkpoint held in the Walmart parking lot. Photo by Chris Paul

## Local Singer Wins Derry Contest

The Londonderry singer/pianist Carleigh McRitchie took to the stage at the Greater Derry's Got Talent contest last week and won first place in that competition. Earlier this summer McRitchie won the Londonderry Sings contest during Old Home Day. In the Derry event she sang and played piano to the song "Jealous" by Labyrinth. McRitchie also performed in Classical All-State recently, and it showed; as the judges thought she had great stage presence and performed fantastically. McRitchie then performed during Derryfest on Saturday afternoon, Sept 15.

# AROUND TOWN

**Around Town Policy:** This section is meant to be used to announce free events to the communities. If your group or non-profit is receiving money for what they are publicizing, there will be a charge of \$40.00/week per paper. All Around Town/Calendar Items will be held to 100 words maximum; anything over will incur a charge of \$40.00/week for up to another 50 words. All free announcements in the Around Town/Calendar section can run a maximum of 3 weeks. Deadline for submissions is Monday at 5 p.m.

: We will run the full versions of any calendar items online free of charge at [www.nutpub.net](http://www.nutpub.net). Please send items to [londonderrytimes@nutpub.net](mailto:londonderrytimes@nutpub.net).

## Bake Sale At Mack's Apples

On Sunday, Sept. 23, from 9 a.m.-4 p.m., the Londonderry High School Cross Country and Track Club will be hosting a bake sale at Mack's Apples, 230 Mammoth Rd., Londonderry. Proceeds will help provide scholarships to graduating seniors. Please come support our athletes and enjoy a tasty treat!

## Quilt Guild

The Hannah Dustin Quilt Guild, will meet Monday, Oct. 1, the monthly meeting will be held at the Hudson Community Center, 12 Lions Avenue, Hudson. The regular business meeting starts at 9 a.m. Following the business meeting, speaker Cyndi Catt will present a trunk show titled "New Friends, Quilts, and Needle Felting." Cyndi is the creative force behind Yarn and Fiber in Derry. After her trunk show, Cyndi will lead a needle felting workshop. She will have kits for purchase (ranging from \$25 to \$35) and the choices include gnomes, sheep, foxes, owls, and more. There is also a \$25 class fee. If you'd like more information about this workshop, please call Susan Schiff at 603-889-3492. New members are always welcome. Meetings are generally held the first Monday of the month from September through June. For more information, please visit our website at [hannahdusting.org](http://hannahdusting.org).

## Republican Meeting

Londonderry Republican Committee Monthly Meeting meets this Thursday, Sept. 20, at 6:30 p.m., at the Victory Baptist Church, 78 Litchfield Road, Londonderry. This is a very important meeting and I urge all of you to come if possible. Good News - The Primary Elections are over! Bad News - Poor voter turnout!

Worse News - If this was the General Elections, we would have lost four, yes 4, State Representative seats to the other Party! We plan on discussing strategies for the general elections. We need to energize our voter base and get people out to the poles on election day. So much is at stake! If you like the low unemployment rate we are experiencing today in New Hampshire, if you want to maintain your second amendment rights, if you want to keep taxes and spending down, and you want to avoid a sales and income tax in New Hampshire, then we all have to work on getting republicans elected. Please plan on attending this meeting. I'd love to see there!

## Derry Garden Club Meeting

The Derry Garden Club will hold it's Oct. 5 meeting at The Boys and Girls Club of Greater Derry, 40 Hampstead Road, Derry, at 10 a.m. The program will entail a discussion about orchids by Norm Carrier. Carrier is a past president of the N.H. Orchid Society, a tour guide at their annual shows and has years of experience doing orchid presentations at garden clubs. Members are encouraged to bring their own orchids for a consult. Lunch will be provided by committee members sandwiches, chips, dessert, and beverages. We will also be collecting food and other goods for the local soup kitchen and/or food pantry. New or potential members are always welcome

## Londonderry Voter Information

The Supervisors of the Voter Checklist will meet at the Town Clerk's Office to correct the checklist and register voters on: Tuesday, Oct. 9, & Monday, Oct. 15, From 6 - 7 p.m. To register to vote, one must provide: Proof of Londonderry

residency, Proof of citizenship (passport, birth certificate, naturalization papers), Photo ID. Applicants for registration who possess proof of identity, age, citizenship, and domicile should bring that proof when they come to register. Qualified applicants who do not possess proof or who do not bring proof with them may register if they sign an affidavit attesting to their qualifications for identity, age, and citizenship. More than 30 days before an election, applicants without proof of domicile will be asked to retrieve proof and return to register. Within 30 days of an election and on Election Day, applicants without proof of domicile with them may register to vote if they sign an affidavit attesting to their domicile and either agreeing to bring or send in proof or attesting that they are not aware of possessing proof of domicile. Contact: Kristin Grages, Supervisor of the Checklist, Chairman, Town of Londonderry 603-682-0259.

## Sept. - Oct. Library Hours

Monday - Thursday, 9 a.m. - 8 p.m., Friday - Saturday, 9 a.m. - 5 p.m. The library will be closed on Monday, October 8, for Columbus Day.

## Evening with Edgar Allan Poe

On Thursday, Oct. 11, at 7 p.m., Rob Velella will present "An Evening with Edgar Allan Poe". Join us as Mr. Velella brings Edgar Allan Poe to life at Leach Library. In addition to reading from both trademark and lesser-known works, he will explain the process of writing and the meaning behind Poe's tales and poems. This program is free and open to the public with seating limited to the first 90 individuals. It will be held in the library's lower-level meeting room. Light refreshments will be served.

## Guess It Jar

The Leach Library will be offering a Guess It Jar filled with key chains beginning at 9 a.m. on Monday, Oct. 1 and ending on Wednesday, Oct. 31. Participants in grades 6-12 are invited to stop by the main desk to see the jar. The closest guess, over or under, will be entered into a drawing for a chance to win a Barnes and Noble gift certificate.

## Jack-O'-Lantern Jam-boree

Join us at the Leach Library for spooky fun on Monday, Oct. 22, and Tuesday, Oct. 23, from 4:30 - 5:30 p.m. Those who wish to may participate in a costume parade beginning at 4:15 p.m. each day. We will follow the adventures of some silly monsters as they drive around town, meet a Little Old Lady who was not afraid of anything, and be introduced to a very silly pig and pug. Participants will have a chance to help build a Jack-O'-Lantern puzzle and, after some fun Halloween songs, will say a Halloween Good Night. All participants will leave with a treat bag filled with festive prizes and a simple craft. These fun-filled programs are open to 90 participants for each session and advance registration is required. To register, stop by the Children's Room, or call 432-1127 beginning at 9 a.m. on Monday, Oct. 15.

## Renew

Renew will be open Saturday, Oct. 13, from 8 - 10:30 a.m. at Calvary Bible Church, 145 Hampstead Rd., Derry. Arrive by 10 a.m. Renew will also be open every Thursday 9 - 11:30 a.m., please arrive by 11 a.m. Derry residence not required. Renew offers free, gently-used apparel. Each household is limited to 20 of the newest items, plus a reasonable number of older items. Enter at the church marquee sign. Donations of good condition, modern clothing may be placed in the donations bin by the door at any time. No donations of money are asked or accepted. For details, search for "Renew Derry" on Facebook, email [renew-calvary@gmail.com](mailto:renew-calvary@gmail.com) or call the church secretary at 434-1516.

## Child Find

Free Community Child Find Program for all Londonderry residents ages

two half years through five years, eleven months of age who are suspected of having vision or hearing problems or developmental concerns. The Child Find Program will be held at Londonderry early education program (LEEP) Moose Hill School located at 150 Pillsbury Rd., on Oct. 4, Dec. 6, Feb. 7, and April 4. we encourage parents of preschoolers to set up an appointment if they have any concerns. For more information, or to schedule an appointment, call: Kathy Kelley 437-5855, ext. 7223 between 9 a.m. - 3 p.m. No Child Will Be Seen Without An Appointment.

## Car Seat Checkup

Is your child in the safest car seat? Stop by Derry Wal-Mart, on Sept. 29, at 10 a.m., to 12 p.m., and find out! Free Car Seat Checkup Sponsored by, Safekids NH and The Derry Police Dept. We will be accepting car seats for recycling at this event. Help us dispose of your used car seat safely. Child Safety Solutions, Inc. [www.imsafe.com](http://www.imsafe.com) o 1-877-669-7233, x205 or x206 Buckled up with Love.

## VA Bingo

September 28, Post 27 will be playing bingo with patients at the VA Hospital in Manchester from 7 - 8:30 p.m. We'll be serving pizza and diet soda as well as providing \$150 in prize money. For more information go to our website [www.alpost27.com](http://www.alpost27.com), or call us at 437-6613.

## Oktoberfest

Oktoberfest hosted by the Derry Village Rotary Club. Saturday, Sept. 29 from 12 p.m. - 6 p.m. at the Boys & Girls Club of Greater Derry. Tickets can be purchased at <https://tickets-beerfests.com/event/derry-village-rotary-oktoberfest>.

## Londonderry Rotary Calendar Sale

The Rotary Club of Londonderry has created and is selling a 2019 calendar, titled 'Living in Londonderry' highlighting the people and places that make Londonderry such a special place to live. , the calendar is offered in recognition of the 300th anniversary of the founding of our town. The calendar also includes special offers from many of the sponsors and local businesses who helped support

the development of the calendar. The calendar sells for \$10 and all funds will go to support the Rotary Club of Londonderry and the many local charities supported by the Rotary. Calendars can be purchased from any Rotarian and are available at Town Hall or at Martinelli Travel.

## Golf Tourney

The Lancer Nation Boys' Basketball Association has scheduled its fourth annual fundraising golf tournament for Sunday, Sept. 23, at the Windham Country Club. Registration will start at 12:30 p.m. that day, with a shotgun start at 1:30 p.m. The format is a four-member team scramble, with each member receiving a Lancer Nation golf towel, a backyard barbecue lunch immediately following tournament play, giveaways, and multiple opportunities to win raffle and silent auction items. The registration fee of \$120 per person covers greens fees, 18 holes of golf, the barbecue lunch, and giveaway items. And awards will go to the first and last place teams. Registration info can be obtained on the Lancer Nation Boys' Basketball Association home page at [www.lnbba.com](http://www.lnbba.com) or by contacting [lnbba18@gmail.com](mailto:lnbba18@gmail.com).

## Free Meals

Please join us for free, family-friendly meals, served in a relaxed atmosphere. Meals are generally held as posted below, but may be rescheduled for holidays. Please call the facility to check on holiday times. We look forward to seeing you! On Sept. 23, Breakfast will be served at 9 a.m., at Etz Hayim Synagogue, 1-1/2 Hood Road, Derry; on Sept. 28, a Spaghetti supper will be served from 5 - 6:30 p.m., at First Parish Congregational Church, 47 East Derry Road, East Derry; On Sept. 30, lunch is served from 1:30 - 2:30 p.m., at St. Jude Church, 435 Mammoth Road, Londonderry.

## Aviation Museum Gala and Auction

The Aviation Museum 18th Annual Gala and Auction; Fly in a cockpit through virtual reality, videos, autographs, memorabilia, unique and exciting auction items and much more. On Sept. 29, at Murphy's Taproom & Carriage

# Classified Advertising

**READERS ARE CAUTIONED** that we occasionally run ads that require an initial investment or money in advance. We urge our readers to **"do their homework"** before responding to any ad, check out the advertiser thoroughly and verify their claims to your total satisfaction. Only then should you proceed at your own risk. We try to screen ads that require you to send money before receiving a product or service. But these efforts are no substitute for your own investigation, and we don't endorse or guarantee any claims made in any of the ads we publish. If you want more information about claims made in ads on subjects such as work at home opportunities, travel or vacation specials, purchasing land or vehicles from government surplus or below wholesale, loans or other credit opportunities (including credit repair), or weight loss and other health products and services, we urge you to contact the Office of Attorney General, Consumer Protection Bureau, 33 Capitol Street, Concord, NH 03301 (603-271-3641) or the Better Business Bureau at 603-224-1991. Publisher is not responsible for any loss of business if an ad does not run, and we reserve the right to revoke any ad if deemed necessary. No refunds will be given for prepaid ads.
