## Mammoth Road Section in North Londonderry Closed with Detour

MACK LEATHURBY  
LONDONDERRY TIMES

The Londonderry Department of Public Works (DPW) not only keeps the snow off our streets and repairs roads, they maintain/repair catch basins, drainage pipes, sewers

and swales. They execute plans to keep traffic moving even when road or infrastructure construction is necessitated.

Right after Christmas, Londonderry's DPW closed a length of Mammoth Road due to a construction project occur-

ring between Hall Road and Grenier Field Road. Robert Kerry, Environmental Engineer for The Department of Public Works forecasts the closure will continue for about a month or so depending upon winter

## Town Council Extends Polling Place Hours for March Election

RACHEL CISTO  
LONDONDERRY TIMES

Beginning in March, Londonderry residents will have an extra hour to get to the polls.

On Monday, Jan. 7, Town Council voted unanimously to extend polling place hours from 6 a.m. to 8 p.m. The recommendation came from Town Moderator Tom Freda.

According to Freda, voters began arriving at the polls around 6:15 a.m. in November, despite the fact that polls did not open until 7 a.m.. He said many voters had stopped on their way in to work and he thought the extended hours would be more convenient for these voters.

Supervisor of the Checklist Kirsten Hildonen said she "heartily agreed" with Freda's proposal. "I was the one checking these voters in," she said. "If for some reason we can't change it for March, please put it through for the presidential primary."

State law says any changes to polling places must be made no less than 60 days before an election, meaning council members had to act Monday to be sure the changes were lawful. After a quick review by the town attorney, the changes were declared valid, giving voters an extra hour to cast their ballots.

Council also approved

an increase in the "Service-Connected Total Disability Tax Credit" policy. Currently, the policy allowed for a \$2,000 tax credit for residents who were "terminated from the armed forces due to a service-connected total disability" or their spouses if the veteran dies as a result of the injury.

A change in state law allowed the credit to be increased to \$4,000, and Council approved the increase unanimously. For veterans or spouses who are approved, the credit will apply to the veteran or spouse's "principal residence" and will be divided equally between each tax payment due to the town per year, allowing

## School Board Reduces Proposed FY2020 Budget

MIKE BYERLY  
LONDONDERRY TIMES

At the Dec. 13 School Board meeting, district leadership requested \$74.6M for fiscal year 2020 which is about \$750K more than the default budget. The Board asked them to propose what would be cut if the district had to stick to the lower default budget.

The default budget means the same appropriations as contained in the operating budget authorized for the previous year adjusted for debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-

time expenditures contained in the operating budget.

Superintendent Scott Laliberte and Business Administrator Peter Curro presented the potential cuts at the Jan. 3 meeting. Laliberte started by saying that in looking at what could be cut, the administration started with items that would not directly impact classroom instruction.

They would postpone or reduce the budget lines for maintenance, supplies, building and ground equipment and IT accounts to save \$225K. However, he stressed that they were trying "to avoid

reductions in equipment, especially in technology, as this area has been reduced considerably over the past several years, resulting in an impact on student access to instructional resources."

# Boy Scouts Hold 24th Annual Christmas Tree Burn at Mack's

The Boy Scouts of Troop 521 spent Saturday, Jan. 5 collecting hundreds of Christmas trees to pile up behind the Mack's Apples Farm Stand on Mammoth Road. At dusk, over 400 Christmas Trees were disposed of through a blaze of fire. The annual tree burn has been a community tradition since its inception 24 years ago when Andrew Mucculoch used the event as an Eagle Scout project. Mucculoch, pictured at right, was at the event with his son that day to help the scouts throughout the day. The scouts had a steady stream of residents dropping off trees for the bonfire.

# Filing Period Open Soon For Open Elected Positions

RACHEL CISTO  
LONDONDERRY TIMES

The filing period for open elected positions in Londonderry is set to begin on Jan. 23 this year.

According to town clerk Sherry Farrell, any town resident over the age of 18 can sign up to run for any position except Town Council. In order to run for council, the potential candidate

must be over 18 and have lived in town for at least 30 days.

The offices up for election are two three-year terms on Town Council, two three-year terms and one single-year term on the Budget Committee, a three-year term as Town Treasurer, three three-year terms as a Library Trustee and one three-year term as a Trustee of Trust Funds.

Town Council members are responsible for general town duties, including establishing policies and programs town services, approving the annual financial plan and budget and setting the property tax rate, and creating all town ordinances, rules, and regulations.

Members of the budget committee are responsible for working with school and town officials

to create a school budget and a town budget, holding public budget hearings and presenting the final budgets to voters.

The Town Treasurer is responsible for maintaining town finances and ensuring things are paid on time.

The Library Trustees manage funds and policies of the Leach Library.

The Trustees of Trust Funds manage the re-

ceipt, investment, and disbursement of money that has been paid to or donated to the town and placed in trust funds.

The filing period begins at 8 a.m. on Jan. 23 and ends at 5 p.m. on Feb. 2.

Those interested must go to the Town Clerk's office at 268B Mammoth Road to file the necessary paperwork during the filing period. The office is

open Monday through Friday from 8 a.m. to 5 p.m.

Anyone with questions about the positions or requirements should call the Town Clerk's office at 432-1100, ext. 199.

Town elections are scheduled for Tuesday, March 12, and Farrell encourages all residents to come out and cast their ballots.

## School

outside consultants to help with areas like technology, finance and others, would be reduced by \$55K. Transportation services would also be cut by \$66K including elimination of buses for summer school and ceasing operation of the multi-use bus.

Beyond that they would look to cut \$80K from after school pro-

grams outside of those required of local school districts. This would include eliminating activities that are not widely attended. It could also involve reducing access to school facilities by the town recreation programs.

Laliberte said that getting to the full \$742K reduction would require eliminating two full-time equivalent (FTE) positions, as well as forgoing

desired hiring in nursing and counseling. He said that the district is seeing more students with medical issues and that the complexity of the issues is increasing.

Forgoing the new hiring would save \$121K and cutting two FTEs would save \$100K. The FTE reduction would occur through not replacing employees who resign or retire. He added that the requested hiring is in

response to enrollment growth in the district, especially in the younger grades.

Board Member Steve Young pointed out that the requested budget was a 1.6% increase over the FY2019 budget and that the default budget would be a 0.6% increase. Peter Curro pointed out that due to a change in how the state calculates the default budget, the FY2020 default budget is

about \$300K less than what it would have been under the previous state rules.

Board Members asked Laliberte if there was any slack in the proposed where other cuts could be made. He said that there is some contingency built in to handle an unanticipated spike in enrollment and unknowns including the level of retirements and increased energy costs.

After a brief discussion among board members, Dan Lekas proposed that the proposed budget be reduced by \$150K. Young said that he wanted more cut, but the board voted 4-1 to accept Lekas' motion. The modified budget will be presented at the Budget Public Hearing on Jan. 10 where it can be modified again before being finalized for the March ballot.

weather conditions.

The Mammoth Road construction area will be open to Local traffic only with no thru traffic during January 2019. Detour signs are posted that explain where to use RTE. 28 to Mammoth Road, to Hall Road and where to use 28 and Page Road to Grenier Field Road.

The work being done is the result of an extensive replacement need for

a sewer system that had become outdated. The new system is being designed to future proof the area with a more efficient environmental sewer system design. Once the system is reconstructed Public Works will reopen Mammoth Road fully, though construction will continue in the Grenier Field Road area after that time.

Anyone with questions about the project can call the Londonderry Department of Public Works at 432-1100 x 193.

DPW's Kerry also wanted to remind us that if residents put trash and recycling bins too far out in the road during snow storms, it may impede snow removal trucks from doing their job. He strongly suggests that residents make a small notch area with snow moved away to fit trash and recycle bins, so that snowplows can get by and bins can be properly emptied.

Our DPW team is focused to effectively maintain the Town's roadways and related infra-

structure while providing technical engineering support. Additionally, the department builds and maintains public sewer infrastructure, manages the collection and disposal of solid waste, and enables effective environmental managerial practices.

DPW is responsible for timely snow and ice removal for all Town roads, Town and School facilities, as well as to perform ground maintenance along the Town's right of ways.

The Department of Public Works Department (DPW) performs a lot of different public services for the Town. They are responsible to repair and replace regulatory street signage, maintain and repair heavy equipment, DPW vehicles and Highway Department facilities. DPW is responsible for Public Works plans and records and also issues/reviews permits for excavations and drive-ways.

DPW has additional responsibilities including

the review of Planning Board projects, inspection of roadway projects, subdivision and site improvements for compliance with Town standards. DPW is also accountable for roadway maintenance and plans, and to assist in the design and preparation of costs estimates for Town projects.

DPW is a key town services department that keeps our community moving and they are busy and proud to keep our Town humming.

## Calling All Residents: Make A Stand!

Are you frustrated after stating your case and feeling no one is listening? Do you feel that your officials all have an excuse for everything or justify decisions you don't agree with?

To all the residents who stayed at home while your elected officials crafted school and town budgets, and to those who didn't offer suggestions during public hearings, we expect you are satisfied with the final numbers.

It's plain and simple: without asking questions, you will truly never know for sure what is being spent and why.

Some residents will be losing their jobs, working without raises again, struggling to stay in their town - their home.

Yet town and school budgets continue to go up, town and school employees get raises, and benefits. Officials seem to be increasing purchases and more building continues.

One must ask, are these needs or wants?

Instead of allowing town officials to behave like a spoiled child with a platinum credit card paid for by taxpayers, residents need to ask questions and look for proof of what they say to be true as needs.

When will the taxpayers discipline the spoiled children?

Until then, it is business as usual spending others hard earned money, while getting paid.

But now the hearings are for the most part over, and your next shot at participatory democracy comes at the Deliberative Session and Town Meeting. It's not too late to offer a well thought out and practical way to save money, or to offer your thanks if you

think your elected officials paid attention to the woes of the taxpayers.

Of course, there's something else you can do as well, particularly if you are ardent about fiscal and personal responsibility. You can change that by running for elected office yourself.

The filing period begins at 8 a.m. on Jan. 23 and ends at 5 p.m. on Feb. 2. for open town and school district offices. If you're willing to put in the effort (and it will definitely require considerable effort), you can sign up for a seat on the school board or town council.

If you have great love for your community, if you are truly willing to listen to others, if you can seek a middle ground among differing opinions, if you have really thick skin, and if you are willing to put in long evenings to serve your constituents, put your name in the running. No personal agendas need apply.

In a country founded on citizen participation, in a state where the voice of the individual is honored, and in towns that are still small enough to listen to individual citizens, elected office is a possibility for anyone who cares to make the effort.

You'll know what's really going on behind closed doors. You'll have a say in what happens in town, and you'll be responsible for helping your town move forward. You'll truly be part of your community, and you'll be part of democracy in action.

Don't let the apathy that brought out only one or two people to budget hearings continue into the election. Take a stand today to preserve the community tomorrow.

## Angels Out Among Us!

To the editor,

On Saturday, Dec. 22 at 11 a.m. at Market Basket in Londonderry, we helped a lovely lady in beige corduroy pants and a short black jacket

We put her groceries on the counter to be rang in. We were the next customers in line and the clerk told us that this "Angel" had left a \$100.00 gift card for our purchases.

We want to "Thank" our Angel. The gift card was greatly appreciated.

We were not able to get her name

## Planning Board Appointment

To the editor,

It was sad to see that nepotism is still alive and well on our town boards.

During the Monday night Town Council meeting, members appointed the son of one of the town councilors to planning board as a full member. Jake Butler was chosen over a sitting member who wanted to continue in her post and an alternate member who also wanted to continue as a member. Ann Chiampa, the alternate, was also interested in the full voting member spot if one opened up.

Chiampa, who has been on the board for the past four years, and from what I've seen, has done a great job. In four years on the board, I don't think she has missed a single

meeting, and she seems to be one of the few members that reviews plans before the night of the meeting.

Ann also appears to really enjoy the responsibility of serving the community.

It was disclosed that each of the councilors had dealing with Jake Butler, Councilor Jim Butlers son, who I'm sure would make a good choice if none of the sitting members wanted to be reappointed, but that was not the case.

Butler was given a full voting seat without any experience.

It was very sad to see that Ann Chiampa's name was not even mentioned during the voting process that evening, even though she was one of the first to ask to be reappointed.

## Trump's First Two Years

To the editor,

As an Independent I provide the following evaluation of Trump's first two years in office.

Positive accomplishments during the two years include: revised tax policy benefiting many Americans, elimination of some unnecessary or restrictive regulations, low unemployment, and funding the DOD to \$700-\$750 billion.

During the first two years of Trump's Presidency the following negative events transpired:

Russia has made significant in-roads into Syria in the past two

years.

President Erdogan of Turkey asked Trump if the U.S. could leave Syria, and Trump complied and unilaterally decided to pull our troops out of Syria. Trump, against the judgement of his generals, is drawing down our military in Afghanistan.

The U.S. ceased military exercises with South Korea because Kim Jong Un asked Trump to cease the exercises. We are currently in a stalemate with North Korea concerning their denuclearization.

We have alienated our allies in the world by pulling out of agreements and diluting our responsibilities in various international organizations.

China has significantly expanded its outreach in the Far East and has developed strategic bases in the South China Sea.

We are in a trade war with China and many states are losing billions of dollars in export revenue. China is a top importer of U.S. products.

The stock market tanked in December 2018 with the worst December performance since 1931, and it continues to roil primarily due to the trade war with China, some poor corporate profits, rising interest rates, the turmoil in the White House, and the government shutdown.

Trump shut down the government and put 800,000 government workers out on the street because he wants to build a border wall which is very costly and might not solve the illegal immigration problem.

# Conservation Matters: Why Conservation Easements?

MIKE SPELTZ  
LONDONDERRY CONSERVATION  
COMMISSION

Conservation easements are one of two common tools that “We, the People” use to protect our land, air, and water. The other common tool is simple land ownership. So We, The People, own places like the White Mountain National Forest, Pawtucket-away State Park, the Mathes Wildlife Management Area here in Londonderry, and over 2,000

acres of town-owned conservation land.

We, The People, also have an ownership interest in land owned by non-governmental organizations (NGOs) like the Nature Conservancy’s Manchester Cedar Swamp Preserve and the Forest Society’s Bockes-Ingersoll Forest here in Londonderry. These “public charities” hold their land “in the public trust,” so that the Attorney General, acting for We, the People, can ensure the land they

own is managed to protect the land, air, and water.

What about the other common tool, conservation easements? Why not stick with simple ownership - isn’t that less complicated? Why would anyone spend conservation funds on a piece of land, but not get the ownership of that land in return?

## Easements vs Ownership

Conservation easements can be a bit more complicated, because they are created by a property deed that spells out the purposes of the easement, the restrictions to be imposed on the land, and the rules for enforcing the easement. There are three advantages to conservation easements: they cost less than buying an entire ownership; they keep the

land in production without burdening the holder of an easement with having to run a farm or a stable; and they preserve land for services like clean air and water, outdoor recreation, flood protection, habitat, and maintaining a community’s rural look and feel.

Think of ownership as a bundle of sticks, with each stick being a property right: the right to build a house or business; the right to clear cut the trees for timber; the right to drill a well or take water from a stream; the right to fence the property off from public access; the right to mine sand or gravel.

The conservation easement buys many of those sticks, the ones associated with the right to develop, but it does not

buy the sticks associated with agriculture and forestry. The owner is free to continue to farm and harvest timber - but now it must be done in accordance with the conservation easement restrictions that require best management practices. Since the buyer of the easement is not buying “all the sticks,” it costs less than buying the land outright.

## Orchards as Easements

A conservation easement allows activities to continue on land that, while desirable, are not always ones the holder of a conservation easement would like to take on. In Londonderry, We, the People, hold conservation easements on the Sunnycrest, Moose Hill (“Mack’s”), and Merrill orchards. While we have

a talented and dedicated town staff, running orchards is not in their job description. We want to have our “apple” and eat it too: we want the orchards to remain orchards, but we do not want to add farmers to our town staff or tractors to the Public Works department.

Our orchards are the gems of Londonderry, maintaining our rural character, drawing thousands of visitors spending thousands of dollars, keeping storm water in the ground rather than flooding our streets, and giving us the opportunity to pick the food we eat and meet the people who grow it. All because we chose the right tool, in this case conservation easements, for the right job.

## OBITUARY

### Kelli Anne Foley

Kelli Anne Foley, 53, of Londonderry passed away Monday, Dec. 31, 2018, in Lahey Clinic, Burlington, Mass. She was born on Sept. 16, 1965 in Quincy, Mass., a daughter of Robert and Lamerle (Glass) Penniman. Kelli was raised and educated in Quincy and Norwell and received her Bachelor of Science in Nursing from St. Anselm College. She was a resident of Londonderry for many years.

Kelli worked as a Registered Nurse, working in many capacities, most recently at Pleasant Valley Nursing Center in Derry. She was a caring and dedicated nurse. Kelli enjoyed gardening and working around her home. She loved animals, especially her beloved dogs. Kelli will forever be remembered as a devoted wife and mother.

She is survived by her loving husband of 14 years, Michael Foley of Londonderry, her children, Gary White, Christine White, and Ashley White; one step daughter, Morgan Foley and one stepson, Brandon Foley, one brother, Robert Penniman and his wife Linda; two sisters, Amy Penniman-Downing and her husband Steve and Melisa Penniman and her wife Donna MacLean, as well as one niece, Bonnie K. Penniman and one nephew, Jake R. Penniman.

Calling hours will be held on Friday, Jan. 4, from 5 – 8 p.m. in the Peabody Funeral Homes and Crematorium, 290 Mammoth Rd., Londonderry. The burial will be in the Penniman family lot at Center Cemetery Pembroke, Mass. as a later date. Trump had the EPA weaken the Clean Air Act and the Clean Water Act, which will increase the pollution of our environment.

Trump decreased the size of a number of National Monument areas in the U.S.

Trump has lost about 25 key White House officials in his two years as President, which is a record.

Robert Mueller’s investigation into Russian collusion with the Trump campaign for President proceeded throughout 2018 and led to the prose-

cution of LT. GEN. Flynn, National Security Adviser; Paul Manafort, Trump’s campaign manager; and Michael Cohen, Trump’s personal lawyer.

Trump’s deep character flaws, including but not limited to his obnoxiousness, insults, lying, attacks on our freedoms and not understanding

the workings of our government, led to the Democratic victories in the midterm elections. The Democrats took control of the U.S. House of Representatives and the governorships of the key states of Michigan, Wisconsin and Pennsylvania. They also took control of the House and Senate in New

# Historic Londonderry Grange Renovation Moving Forward with Mission

MACK LEATHURBY  
LONDONDERRY TIMES

With a 110-year legacy and historic community tradition, Grange #44 is like an old cat prepping for a new future while keeping its traditional character. So, the Londonderry Grange building itself is undergoing an historic renovation focused to preserve the notable building character, while preparing the Grange to serve the community and youth with additional purpose for the next century.

The Grange building was originally designed for community meetings for farm owner gatherings. Grange members still have their original purpose in mind — which is to promote input for farm and agricultural interests to NH and Federal governments about laws, institutions and legal programs. Today however, the Grange is moving forward with additional purpose to deliver modern community support that includes additional youth focus.

Bill Perry, Grange Master for Grange #44 has put

forward a labor of love for the renovation process, to keep the Grange building aligned to its legacy construction. This was a promise he made to the previous Grange Master, Hank Peterson. Peterson was Grange master for more than 28 years at the Londonderry's Grange.

When fully renovated and even during the renovation, the good size building can serve as a home for a lot of different events, meetings and entertainment purposes. Any group interested to rent out the hall for an event can contact the Grange Master Bill Perry or his wife Jennifer Perry, Grange Treasurer or other members such as Cherylann Pierce. You can connect via Facebook to their Londonderry Grange Hall site.

The building's acoustical space is wonderful for artisans and community music gatherings. The Grange is currently hosting continuing weekly or monthly events for the community and will continue to host craft fair events, electronics recycling and other community meetings or fun times,

like weddings. Perry's daughter, Emily Perry is Grange Program Director, and can you help plan your event.

The Grange will play an active part for 2019 Nutfield Tricentennial and will be open with crafts and other events to tie in to the anniversary celebration. The renovation of the building will continue, though the building is in OK shape to support most event types during the year.

Grange Master Perry reports that the key sustaining group event for the Grange are the Boy Scout Troop 52 meetings that occur every Tuesday evening. Many of the Scouts have been a part of Grange efforts and have even done fundraising projects. For example, Perry's sons, Thomas and Andrew have created Eagle Scout projects to raise funds to help restore plumbing for both the bathrooms and the kitchen areas of the Grange.

The septic system of the building unfortunately dates back 110 years and has only been updated once — about 65 years ago. That system must be rebuilt, so the plumbing projects can be

*The 110-year old Londonderry Grange #44 just recently had a new roof installed, but the building is still in need of repairs.*

fully integrated with the septic. Any help from the community with funding efforts for this over the near term is welcome.

Perry reports that the renovation project is the collaborative result of 52 current members of the Grange and with funds provided by events and contributions primarily from the Londonderry Community. The initial effort was to re-shingle the main roof area to preserve the look of the building. The reroofing is about 75% completed and within budget.

Next up is some complex trim and wood repair

to preserve the original wood trimming. That will likely require board milling to align with the original building specifications.

Perry says more funding will be needed to support necessary renovations to save the Grange infrastructure and preserve the integrity of the building. The Grange has been working on a solution with the Town to help them acquire needed funds to finish the renovations.

So, at their meeting on Monday Jan 7, the Londonderry Town Council in concert with Grange Members, introduced a warrant article to "raise and appropriate" \$20,000

to support roof/infrastructure repairs to save the Grange, and make it viable for continued usage for the community.

The warrant article was worded appropriately and approved by the council, so this funding request will be on the ballot for voters in March; Grange members urge support for this request. If they can get this money, the Grange will be eligible for a matching grant so they can complete the final renovation phases. All community backing for the Grange restoration effort is welcome. Check out the Grange Facebook page or related web sites for more information.

# Town Will Hold Budget Information Session Jan. 14

RACHEL CISTO  
LONDONDERRY TIMES

**T**own officials will be holding a second information session on Monday, Jan. 14 for residents to ask questions and discuss the proposed fiscal year 2020 town budget.

The proposed general operating budget is currently at \$33,795,631.

The default budget is \$33,825,924. According to the town, the alternate budget is the same as last year's, "with certain adjustments required by previous action of the town or by law."

The budget must be approved by the voters on March 12 before it can take effect.

If passed, the operating budget would require the town of Londonderry to raise \$19,860,764 in property taxes, which would cause the rate to increase by \$4.94 in Fiscal Year 2020 based on projected assessed values.

Several other warrant

articles would also cause an increase in the tax rate.

Article 3: The Supplemental Operating Budget would give an additional \$172,952 to the Department of Public Works to cover the increased cost while providing the same level of services as last year. The increase covers an additional \$79,841 in road maintenance costs, \$50,724 in waste collection costs and \$42,837 in recycling costs. If approved, it would create a \$0.043 increase in the tax rate.

Article 8 would place \$650,000 in the Roadway Maintenance Expendable Trust Fund. \$162,500 would come from the town's Unassigned Fund Balance, but the town would have to get the other \$487,500 from taxes, causing the rate to increase \$0.121 if the article is passed.

If Article 9 passes, the town would place \$28,000 in the Geographic Infor-

mation Systems Capital Reserve Fund. Like Article 8, \$7,000 would come from the unassigned fund balance and the rest would be funded through taxes. That would cause, if passed, a \$0.005 cent impact.

Article 10, \$48,942 to allow Public Works to lease two International 6 Wheelers and a Morbark chipper, would create a \$0.012 increase.

Article 11 would add \$180,000 to the Expendable Maintenance Trust Fund - \$45,000 from unassigned fund balance and the other \$135,000 from taxes. If passed, the impact would be \$0.034.

Article 12, adding \$100,000 to the Pillsbury Cemetary Expansion Capital Reserve Fund - \$75,000 from taxes and \$25,000 from unassigned fund balance - would have an impact of \$0.19.

Article 13, \$37,500 for the Fire Department Capital Reserve Fund, which includes \$25,000 for pur-

chasing and training to add 20 defibrillators to vehicles in both the Public Works and Fire Departments, would have an impact of \$0.009.

Article 19 would add a part time Conservation Land Ranger to the Londonderry Police Department staff at a cost of \$75,000 a year. The position would be fully funded by the Conservation Fund for fiscal year 2020, half by the conservation fund and half by the general fund in fiscal 2021, and fully by the general fund beginning in fiscal 2022. There would be no tax impact in fiscal 2020, an impact of \$0.009 in 2021 and \$0.019 in 2022.

Article 20 would add a fourth School Resource Officer at a cost of \$120,720. The impact would be \$0.03.

The other warrant articles being brought forward by the town do not have an impact on the tax rate.

Article 21: Police Details

Special Revenue Fund to Purchase two Vans.

To see if the Town will vote to raise and appropriate \$64,356 for the purpose of purchasing two replacement vans for use by the Police Department's animal control and special operations divisions. The \$64,356 will be taken from the Police Details Special Revenue fund towards this appropriation.

Article 22: Nutfield 300th Anniversary Celebration. To see if the Town will vote to raise and appropriate \$25,000 for the purpose of supporting the Nutfield 300th Anniversary Celebration. This will be funded through the June 30 Unassigned Fund Balance.

Article 23: Assessing Software. To see if the Town will vote to raise and appropriate the sum of \$60,000 for the purposes of purchasing software, including licensing and implementation costs, for use by the Assessing Department. This will be funded through the June 30 Unassigned Fund Balance.

Article 24: Phases 5 and 6 of the Rail Trail. To see if the Town will vote to raise and appropriate

the sum of \$1,625,000 for the purposes of completing Phases five and six of the rail trail. This will be funded with \$600,000 of the June 30 Unassigned Fund Balance. The Londonderry Trailways Committee will provide funding in the amount of \$225,000 for the project, and the State of New Hampshire will provide a grant in the amount of \$800,000 for the project.

During the Jan. 7 Town Council meeting, chairman John Farrell said the increases in the tax rate are due to a drop in town revenue.

"We're not generating revenue at the same pace, and if we're not generating any revenue, it has to come from the homeowner," he said. "If we pass everything, the owner of a \$400,000 home could see between \$500 and \$1,000 more in taxes."

Residents who have questions or would like more information should attend the public budget information session on Jan. 14 at 7 p.m. in the Moose Hill Council Chambers in Town Hall.

The warrant articles are available to the public on the town's website at [londonderrynh.org](http://londonderrynh.org).

## Polls

**Continued from page 1**  
up to \$4,000 of tax relief annually.

Council members also approved an additional \$1,055 in expenditures from the Expendable Maintenance Trust Fund for shoveling, sanding and salting at the Town Hall, Police Department, Library and Senior Center.

Council also appointed members to town boards and commissions.

Jake Butler, son of Town Councilor Jim Butler, and Scott Benson will

serve as full-time members of the Planning Board, while Leitha Reilly will now be an alternate member.

Chris Powers was appointed as a full-time member of the Londonderry Housing and Redevelopment Authority. LHRA still has one open alternate position.

William Manning will serve as a full-time member of the Recreation Commission, while Jim Loiselle will be an alternate.

Neil Dunn has been reappointed as a full-time member of the Zoning

Board of Adjustment, and Mitchell Feig was appointed to the alternate.

Council members also introduced a new amendment to the town's zoning ordinances. According to the ordinance, the town's zoning rules contain references to "special exceptions", but do not define what these exceptions are or how they can be used. The updated ordinance includes guidelines such as "such use will not create a traffic or safety hazard," and "will not be incompatible with the surrounding neighbor-

hood."

The updated ordinance also states that applicants granted an exception must utilize the permit within two years or it will expire.

Council waived the first reading, and will hold a public hearing on the changes at its next meeting.

The next Town Council meeting will be held at 7 p.m. on Jan. 21 in the Moose Hill Council Chambers.

# Local Area Students Build STEAM Skills at Destination Imagination

MACK LEATHURBY  
LONDONDERRY TIMES

With creativity, collaboration and problem-solving skills becoming more significant for people to find great jobs today, it is important for young people to get on the right skill path as soon as they can to help them be successful in the future. Over 400 students from Southern N.H. including kids from the Greater Derry Area, Chester and Londonderry area came to build those skills at Southern New Hampshire University's main campus on Saturday, Jan. 5.

These students, from second to twelfth grade are part of Destination Imagination's (DI) competition program and they took part in STEAM (Science, Technology, Engineering, Arts and Math) workshops for specific skill trainings ahead of their March challenge tournaments.

Nearly 1,800 students on some 200 teams around the state will compete in Destination Imagination Challenge tournaments around the state in March and April, with the top teams advancing to compete with teams from 48 states and 30 countries at Destination Imagination Global Finals in May.

DI challenges are open-ended and enable

student teams to learn and experience the creative process from imagination to innovation. Academic tournaments take place around the world where teams have the opportunity to present their solutions to trained Appraisers.

Students have fun and gain confidence in their ability to solve any challenge. In working to solve our challenges, teams learn 21st century skills including creativity, critical thinking, collaboration, communication, citizenship and confidence to build on their unique strengths. "DI" is unique in that these challenge solutions must be fully solved and created by the team members alone.

New Hampshire Destination Imagination (N.H.-DI) administers a focused program for over 1,800 Granite State students from over 100 schools and community groups. Destination Imagination builds creativity, collaboration, critical thinking, and problem-solving skills around STEAM based challenges.

Each year, over 1,000 people volunteer to run DI in New Hampshire. Many of the volunteers are among out 120,000 alumni – those who have been on teams when they were in school. Globally, Destination Imagination

has 150,000 annual participants in 48 states and 30 countries.

Destination Imagination 2019 offers seven new standards-based challenges in STEAM, improvisation, visual arts, service learning, and for younger kids with early learning challenges. Teams start in the fall, compete in March to try and advance to Destination Imagination Global Finals in May.

Training sessions

includes theatrical and presentation skills, prop construction, visual arts, solution generation, technology usage, engineering principals and more.

Here is an example of a Fine Arts challenge training called "Game On."

- Create, present a story that integrates research of a team-selected game.

- Create and present a game gizmo that causes an action or event to occur.

- Design and create a container that goes through a transformation.

- Design either the game gizmo or the container to be a technical element.

- Create and present two team choice elements that show off the team's interests, skills, areas of strength, and talents.

The learning outcomes of the challenge include game design, theatrical set and prop design, technical design,

theater arts skills.

DI has events for kids and adult volunteers all year round and it is key for interested families to connect with them, if they are interested to get started. New Hampshire Destination Imagination is a Granite State based 501(c)3 non-profit and also runs Camp Gotta-like challenge. Learn more at [www.nh-di.org](http://www.nh-di.org)

## Giving Day

Dr. Brindha Natarajan from Towne Square Dental donated her hair on The Day of Giving at Londonderry High School. The person who is cutting her hair is Adhvika Arunkumar.

Dr. Brindha Natarajan expressed "It was important to give because when someone is going through something as debilitating as cancer, I hope that them seeing a person have so much kindness in their heart to give up something like there hair, would at least bring a little bit of hope and faith for them."

# Cool Winter Programs for Families at Leach Library in January

MACK LEATHURBY  
LONDONDERRY TIMES

It's not fun to get cabin fever in the winter and kids can get bored as they are get stuck inside without fun activities to share with friends. So, let Londonderry's Leach Library help you solve this winter problem by taking in several of their programs. Leach Library has some wonderful activities scheduled for our cold season in 2019.

Winter is a fun season for ducks and geese, though these birds prefer the winter better when their ponds do not freeze solid. These quackers and honkers invite you to better know about their fantastic fun activities. And kids of all ages are invited to waddle in for duck, duck, goose festivities at the Leach Library on Monday Jan. 14, from 4-5 p.m. for a program about these fine feathered friends. You will learn what makes ducks and geese different from other animals.

This program is designed to celebrate our waterfowl friends with interesting duckie stories, and during the program a rubber ducky will need your help to find his tub.

Attendees will receive a delightful inflatable ducky beach ball for participation.

The program is open for up to 90 people of all ages, though advanced registration is required. Register at the Leach Library Children's room or call 432-1127 and tell them you will be there for the duck tales.

During the month of January, all kids in Londonderry may want to head down to the Leach library to participate in their Winter Activity matching game. These games are available at the Children's Room desk.

Also, in Jan., the public library is supporting a fun craft project for children to develop each week. The library will provide supplies for new, creative crafts and the librarians will place materials in a box on a spotlight shelf for kids to use for their creations. New craft projects may be picked up starting at 9 a.m. on Monday Jan. 14, Tuesday Jan. 22 and Monday Jan. 28.

The library also sponsors a weekly trivia challenge for kids to answer special questions. Kids can use books or the

internet to help them solve the challenge, and all answers can be entered into a drawing for chance to win a cool price. Trivia challenges are available at the beginning of each week in January. Note the Library will be close Monday Jan. 21 for Martin Luther King Day.

There will be a magical mystery show in Londonderry as Fred "Magic Fred" Carter will be at the Leach Library on Monday, Jan. 28 from 4 - 5 p.m., for a program of prestidigitiation (magic tricks). During this mystifying, energetic performance - filled with astounding magical illusions, young and old alike should be prepared to be thrilled and amused by the amazing "Magic Fred."

The show, filled with comedy, is an interactive performance including volunteer audience participation, so everyone may find a smile on their face as they witness fascinating feats of magic involving audience members.

The program is open for up to 90 people of all ages, though advanced registration is required. Register for the program

at the Leach Library Children's room or call 432-1127 beginning on 9 a.m. Tuesday, Jan. 22 and let

them know you want to be there to see the "Magic Fred" Show on Monday, Jan. 28.

A splendid time is guaranteed for all and of course "Magic Fred" is topping the bill!

# Community Caregivers Host 14th Annual Potter's Bowl Feb. 2

RACHEL CISTO  
LONDONDERRY TIMES

On Saturday, Feb. 2, the Community Caregivers of Greater Derry will be hosting their 14th Annual Potter's Bowl fundraiser at the Pinker-

ton Academy Freshman Cafeteria in Derry from 5 to 8 p.m.

For \$40, patrons are able to pick a handcrafted pottery bowl donated by New Hampshire professional artisans and stu-

dent artists, and enjoy countless different soups donated from restaurants in the Derry and Londonderry area as well as delicious breads & desserts.

In an effort to encourage more families with

children, kids under 12 will be admitted for just \$10.

A pottery wheel demonstration will be occurring in the hour prior to the event for waiting patrons.

The Caregivers of Greater Derry will also have a 50/50 raffle, musical entertainment, a silent auction, and again the world famous Red Star Twirlers will be serving at

the event.

Auction items donated from other New England artists and craftsmen include oil, acrylic and water color paintings, matted photography, wooden crafts, clothing and handcrafted jewelry. The value of all art donated amounts to over \$5,000. It is not too late to donate your fine art, pottery or homemade craft to a good cause.

This event is an artistic community event full of fun and lots of great food to help support a local nonprofit organization dedicated to serving the elderly and disabled in our area.

To purchase tickets to the event, please call Caregivers at 432-0877 ext. 1 or drop by 1B Commons Drive, Unit 10, Londonderry, during the business day.

## Lancers Boys Hoops Team Get Two 54-52 Victories

IDAN VINITSKY  
LONDONDERRY TIMES

It was a crazy week for the Londonderry High School Boys' Varsity Basketball team, as Nate Stanton's players got back-to-back 54-52 wins, first over Bishop Guertin on Wednesday, Jan. 2, and then one over Concord on Friday, Jan. 4. Both victories were managed on the road, and the team improved its season start to a 3-1 record.

In the Bishop Guertin Cardinals game in Nashua, on Jan. 2, the team had two wild finishes. After an extremely slow first quarter (4-3 in favor of LHS), the visitors were able to build a 20-14 lead by halftime. The Cardinals

came back to trail in the game by just one point, with eight minutes to go in regulation (31-30). The game went to overtime with the teams tied at 47 after LHS came back from a five point deficit in the last 20 seconds of regulation thanks to a three-pointer and two successful free throws from senior guard Ethan May.

In overtime, with just 10.8 seconds on the clock, the locals tied the game at 52 with one good free throw attempt. The Cardinals had control of the ball when but Jackson Cox stole it, and went coast to coast in just four seconds, avoided the offensive foul and scored a very tough buzzer beat-

er to win the game in dramatic fashion. Cox finished the night with 17 points, May had 13.

At the Friday night game in Concord, Londonderry was down by 18 points in the first quarter, as the Lancers got off to a slow start.

The visitors' comeback began in the second quarter and they were still down 12 points by halftime, but completed the job in the second half to get another 54-52 win. May scored 13 again and Cox had 10, while Cole Keegan finished with 12 points and Max DesRosiers finished with 9.

"Everyone contributed in different times of the game to help us", coach Stanton said, "Will

Reyes was huge for us on the defensive end and in getting offensive rebounds. He scored 6 points. I am very proud of my guys and how resilient this group is. They never quit and fought through many obstacles this week to get us the wins. They are playing for a purpose and rise up to the occasion, which is what we go over every day".

After hosting Spaulding High (2-1) on Tuesday night, Jan. 8, after the Londonderry Times went to print, the Lancers will have a week off. They return to face Alvirne High School at home on Tuesday, Jan. 15 (tip off at 7 p.m.). Alvirne currently has the same 3-1 record as LHS.

# LHS Girls Basketball Team Gets First Win of Season

IDAN VINITSKY  
LONDONDERRY TIMES

It has been a month long wait, but last Friday, Jan. 4, the Londonderry High School Girls Varsity Basketball team finally got its first win of the 2018-19 season, putting an end to a three game losing streak.

The Lancers hosted two games last week. First, on Wednesday, Jan. 2, they lost a one-sided home game to the DI State Champion Bishop Guertin Cardinals, 66 to 33. The visiting team led 20-12 after a good run in the last minutes of the first quarter and a buzzer beating three-pointer. The Lady Cardinals finished the first half with a fairly commanding 23-point lead, 42-19. The undefeated BG team kept pressing on defense after the break and although the Lancers' defense got better, they

could not find the basket, scoring only 14 points in the entire second half. Sophomore Ashley Rourke scored 11 points for the Lady Lancers, Courtney Shay had 9 and Colleen Furlong 5.

The Lady Cardinals have two players from Londonderry playing for them, Brianna Wilcox, who scored six points in the game and Charlotte Sullivan, who played but did not score.

"They are talented at every position and lay at a pace that nobody can keep up to", admitted coach Nick Theos after the game, "Plus, they are so deep and have fresh legs, while the opposition is starting to fade. They are impressive, long, athletic and skilled. We stayed disciplined for a while and hung in there, but they just overpowered us. It will take a team

willing to slow it down for four quarters to beat them, and even then, they have so many options to beat you with. I was just pleased we were not intimidated. We came out strong and competed. We made mistakes, but the effort was there".

Two days later, that effort was enough to get an easy 57-35 victory over the Concord Crimson Tide. The Lady Lancers looked good from the tip off, building a double digit lead by the end of the first quarter (19-9) and using a 16-4 third quarter to make their big run and secure the lead. Rourke was great, with 15 points, including three three-pointers and 5 rebounds. Shay scored 13 and collected 5 rebounds and Michelle Marino had 10 points and 4 steals, while Katy Sullivan scored 7.

"We came to play",

commented Theos, "The girls started the game very disciplined, moving the ball against their 1-3-1 defense and looking for the open girl. Defensively, we were so small, we needed to close the paint and force them to shots from behind the arc and the girls did a great job. In the fourth quarter, Katy Sullivan, Sophie Scarfo and Delaney McGurn carried the offense by pushing the ball in transition and making foul shots. It was a total team win, everyone played and contributed. We needed to get our first win in our division and I am glad we did it as a team".

The Lancers' three away games week began on Tuesday (Jan. 8) against Nashua North. On Friday they face Trinity (6:30 p.m.) and next Tuesday (Jan. 15, 6:30), they play Alvirne.

# LHS Wrestlers Finish Sixth in Chelmsford Invitational

IDAN VINITSKY  
LONDONDERRY TIMES

The best way to forget a tough loss is to quickly have a strong performance and that was exactly what the Londonderry High School Varsity Wrestling team did last week.

The Lancers week began with an almost impossible trip to Timberlane Regional on Jan. 2. LHS is the only program other than Timberlane to win a title this millennium, but this time it was not close, and the hosts won the duel meet 69-12, using nine falls.

Points for the

Lancers came from Vincent DelSignore, who had a tight, 4-0 win over Copper Kelly in the 170 lbs bout; Josh Bean, got a 5-0 win over Mitchell Hammond in the 182 lb. weight and team captain Ben Psaledas, was able to pin Brendan Young, a minute and 46 seconds into his 195 lbs match.

Three days later, on Saturday, Jan. 5, the LHS wrestlers continued their season with a trip to Chelmsford, Mass., for the Chelmsford Invitational, where they finished sixth overall, out of 21 participating school. The Lancers

scored 128.5 points, missing the fifth spot, taken by Danvers, by only two points. Framingham High School was the winning team, thanks to 217.5 points.

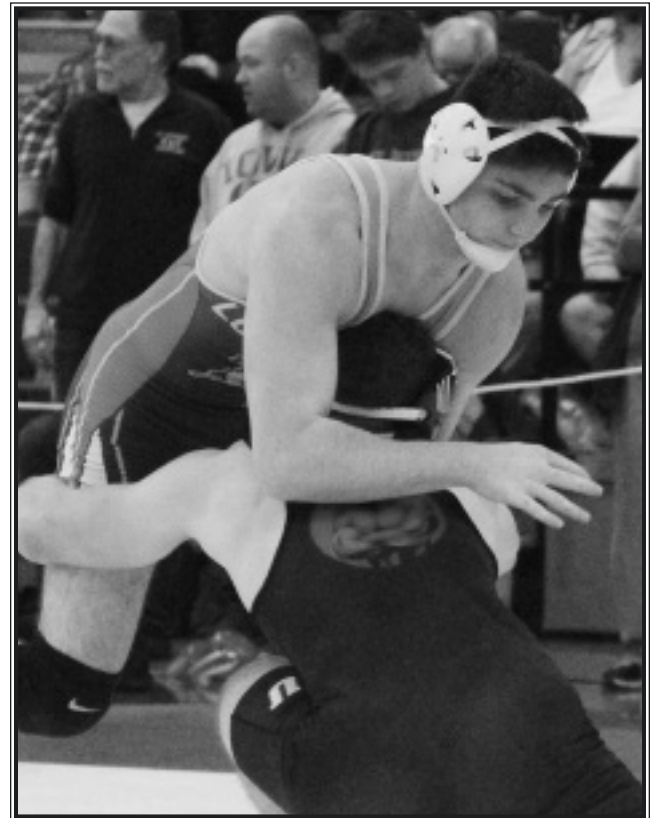

Jordan Marion lost his two matches in the 106 lbs. category and so did Damian Saunders in the 113 lbs. Sean Wilson had two wins and two losses at 120 lbs, while a four win, two losses day got Aiden O'Loughlin the fourth spot in the 126 lbs category.

Third seed Brandon Drake had two wins and two losses in the 132 lbs, Alex Jeanty lost twice in the 138 and so did Dylan Barnes in the 145. Johnny McKinnon finished with one win in three 152 lbs matches, John Kelley lost his two 160 lbs matches and DelSignore had a great day, winning

four out of five and getting the fourth place overall.

Josh Bean's day didn't end until his finals match, where after three wins he lost a close 13-8 match to local Jeremy Ware in the 182 lbs category. Psaledas also made it all the way to the finals and after three victories, lost 7-1 to Conor Maslanek from Pelham in the 195 lbs category. In the 220, Nicholas Walter finished third, winning four and losing just one and in the 285, David Kichler had one win in three matches.

The Lancers hosted rivals Pinkerton Academy on Wednesday, after the Londonderry Times went to press. They will take part in the Kellenberg Duals on Saturday, Jan. 12.

## Athletes of the Week

Week of Dec. 31

### Courtney Shay - Junior Girls Varsity Basketball

Courtney helped lead the Lady Lancers to their first divisional win Friday night vs. Concord. Not only is Courtney leading the team in scoring early on in the season but she is also setting a tone with her strong defense and leadership.

### Will Reyes - Sophomore Boys Varsity Basketball

Reyes was huge for the Lancers this week getting rebounds on both ends of the floor, taking charges and hitting a key lay up at the end of both the BG and Concord games to put LHS on top.

## Lancer Hockey Team Drops Two Games

IDAN VINITSKY  
LONDONDERRY TIMES

It was a disappointing week for the Londonderry High School Varsity Ice Hockey team, as the boys lost two games on their home ice.

On Wednesday, Jan. 2, the Lancers lost 6-3 at home against Salem High. They finished the first period trailing the Blue Devils 2-1, with freshman Brandon Savage continuing his good first season and scoring the local's goal. The score remind the same

during a scoreless second period, but the game quickly tipped in Salem's favor as Lancers gave up three more goals and scored just two in the last period.

The next night, the LHS crew had its Alumni Hockey game, with some past players enjoying the reunion at the Saturday, Jan. 5 game. At that game, the host Lancer's lost 4-3 to Trinity High

School, only three weeks after defeating the Pioneer team on the road. A couple of goals by freshman Noah Malcolm made it a promising 2-0 lead for the Lancers at the end of the first period, but Trinity answered with two second period goals to level the score and scored twice more in the third. A Nicolas Pitarys goal in the last period proved not to be

enough for LHS.

The Lancers came into this week with a three game losing streak, and played an away game against Salem on Wednesday, after the Londonderry Times went to press. They host Bishop Guertin on Saturday, Jan. 12, puck drops at 1:50 p.m. at the Tri-Town Ice Arena.

# Over 1,500 Runners Finish Annual Millennium Mile Race

IDAN VINITSKY  
LONDONDERRY TIMES

Over 1,500 runners, the youngest just two years olds and the oldest 89, enjoyed some pleasant temperatures on Tuesday, Jan. 1, and entered 2019 by participating in the annual Millennium Mile Race. The race, first held back in 1999, is a one-mile downhill run on Mammoth Road, starting in front of the Londonderry High School.

The winner in the Men's Open category was 25-year-old Reid Buchanan, who came all the way from Mammoth Lakes, California to Londonderry, New Hampshire and finished the course in 3:49.3 minutes.

Buchanan was the leader at the half-mile and

Reid Buchanan

the three-quarter mile marks, while Jojta Ripa led the race after the first quarter of a mile.

The first local to cross the finish line was Dylan Lafond from Manchester, who came in second, thanks to a time of 3:51.4 minutes. Warren Bartlett from Loudon took third place with 3:52.0.

The fastest runner from Londonderry was 17-year-old Eric Nowak.

Rachel Schneider

He took the 25th overall spot with a time of 4:33.8 minutes. Christian Smith (18-years-old), also from Londonderry, finished 30th overall with 4:39.5 and Ian French had a time of 4:40.9 minutes, third among the Londonderry runners and 32nd overall. 89-year-old William Blood, from Londonderry, finished his race after 14:33.8 minutes, waiving to the crowd.

The winner in the women race was Rachel Schneider, who also came from afar (Flagstaff, Arizona). She ran a 4:28.3 minute race and was 20th overall. Kassandra Marin, from Merrimack was the second fastest woman

with 4:55.5 minutes (50th overall). Marie Morrier from Chelmsford, Mass. came in third in the Female Open category thanks to a time of 5:01.1.

The best Londonderry female runner was 13-year-old Drea Dwyer, who

finished 172nd overall with 5:59.2 minutes. Katharine Chagnon, 37, took the 190th place overall with 6:07.2 and 12-year-old Linsey Gregoire was Londonderry's third fastest female finisher with 6:09.8.

# LHS Indoor Track & Field Teams Take Fifth at UNH Meet

IDAN VINITSKY  
LONDONDERRY TIMES

Both boys' and girls' Londonderry High School Varsity Indoor Track and Field finished in the fifth place in

last Sunday's meet at UNH, less than a month before the Division I State Championship meet. The boys competed against six schools and scored 22 points and the girls, in an eight school competition,

got 23 points, three less than Hanover, who finished fourth overall.

## Boys

Damon MacLeod gave the Lancers three points with the fourth-place in the 55-meter dash (7.14) and Justin Cassidy finished fifth in the 300-meter run (39.34). William Heenan had a time of 2:46.94 minutes and took the fifth place in the 1,000-meter run, while Matthew Griffin finished sixth in the 1,500 (4:21.94).

Kerry Daley was close to winning the 3,000-meter run. He finished second with 9:32.84. Eric Nowak came in fourth (9:54.64) and Patrick

Patrick Hagearty

Hagearty continued his strong season and won the Shot Put with 51'11", more than eight feet from his runner-up.

## Girls

Caitlin Boufford got the girls' team two points, thanks to a fifth place fin-

ish in the 600-meter run (1:52.24). Grace McDonough finished second in the 3,000 meter (11:36.54) and some good results came in the realys: The 4x160 team finished third with freshmen Brynn Foster and Retta Hatin and juniors Gia Komst and Alexandria Perry stopping the clocks at 1:35.14 and the 4x400 team (Cailin Borovicka, Boufford, Cailey McDonough and Grace McDonough) finishing fourth with a time of 4:47.64.

Komst also took the third place in the Shot Put event (28'10.75"). "We have a lot of young kids that are putting some energy and excitement in the team and we love it", told the girls' team coach, Suzanne Johnson mentioned after the meet con-

cluded.

Prior to the meet, the girls' team also took part in the Wildcat Relays, also held at UNH on Wednesday, Jan. 2.

In the 4x800, Boufford, Borovicka, Cailey McDonough and Grace McDonough ran a combined time of 10:57.81. The same team was the faster out of the two who competed in the 4x400 meter relay, thanks to a time of 4:51.09. In the Shuttle 50-meter run, LHS had four teams, with the best one (Erica Waters, Tara Wright, Alexandria Perry and Brittany Fernandez) setting a time of 31.14 seconds. The best LHS team (out of four) in the 4x160 was Wright, Fernandez, Alex Perry and Retta Hatin, as they stopped the clocks after 1:34.74 minutes.

# Lancers Swimmers Sweep Fourth Meet of the Season

IDAN VINITSKY  
LONDONDERRY TIMES

Coming back from the Christmas break, Friday, Jan. 4, the Londonderry High School Varsity Swimming teams hosted their fourth meet of the season at the Workout Club in Londonderry, as they continue to prepare for the NHIAA Division I Championships, now only one month ahead of us.

This time, Londonderry faced Concord, Campbell and Alvirne high schools, sweeping the meet with three wins in the boys' competition and three more in the girls' competition, including a tight 86-79 for the boys and 86-80 for the girls over Alvirne.

The Lancer girls (Elizabeth Allen, Lilly Law, Julia Ethier and Jazzy Brown) won the 200-yard medley relay with 2:12.97 minutes. Another team (Riley Walter, Joanna Davis, Hannah Gagnon and Alyssa Carpentier) finished fourth with a time of 2:39.99. The boys' teams took first and third, with Brandon White, Minsoo

Kim, Cole Tridenti and Luc Lafond stopping the clocks at 1:59.29 and Kevin Moscat, Stephen Bompastore, Theo McKnight and Hunter Turek getting a time of 2:25.28.

Law finished third in the 200-yard Freestyle swim (2:29.22), Avery Crimmins fourth (2:45.33) and Sarah Gerardi fifth (2:57.99). White was first among the boys (1:56.20), Kim fifth (2:24.29) and Tridenti sixth (2:32.16). Ethier took second place in the 200 yard individual medley (2:46.09), Skylar Pelletier was sixth (3:24.27) and Walter seventh (3:39.34). For the boys, it was Devin Janas at number three (2:42.04) and Harry Feig at four (2:45.51).

Brown finished third in the 50-yard Freestyle (28.42 seconds), Davis seventh (31.06) and Gagnon eighth (31.58). Lafond was the second fastest boy (26.20), Turek finished fifth (30.22) and Moscat sixth (31.48). In the 100 yard Butterfly, it was Ethier with the second spot (1:22.15), Adrienne Lafond with the

fourth (1:27.09) and Gerardi at number six (1:37.56). Tridenti finished third in the boys swim (1:08.67), Janas fifth (1:16.12).

Allen took the second place in the 100-yard girls Freestyle swim (1:05.03), Gagnon finished fourth (1:12.98) and Walter seventh (1:27.35). Chris Byrne got the third spot in the boys swim (58.33) and Turek was sixth (1:09.15). In the 500 yard Freestyle, Brown finished second (6:53.80) and Pelletier fourth (7:54.14), while White was the boys' winner (5:23.95) and Moscat was fifth (8:15.65).

The girls' 200-yard Freestyle relay teams got

second (Allen, Isabella McKnight, Gagnon and Brown - 2:02.08) third (Law, Lafond, Crimmins and Gerardi - 2:14.56) and fifth (Alexa Calligandes, Carpentier, Pelletier and Walter - 2:41.89) places; The boys' team finished third with Janas, Bompastore, Feig and Byrne getting a time of 1:48.65.

Allen won her 100-yard Backstroke swim (1:11.09) and Davis finished fourth (1:26.38). Byrne got second place in the boys' event (1:09.45) and Feig was fourth (1:22.13). In the 100 yard Breaststroke, it was Law at second place (1:30.34), and Kim (1:15.66) and Lafond (1:22.46) taking the 1-2

spots between the boys. The final event was the 400 yard Freestyle relays: Ethier, Crimmins, McKnight and Davis got the girls' second place (4:34.98), Gerardi, Calligandes, Pelletier and Lafond the fourth (5:26.30), Janas, Byrne, Luc Lafond and White finished with the second

place in the boys swim (3:53.02) and Feig, Bompastore, Theo McKnight and Kim took the fourth (4:18.55).

The Lancers will host rivals Pinkerton Academy, as well as Campbell and Bedford high schools this Friday (Jan. 11, meet begins at 5 p.m.).

# Classified Advertising

**READERS ARE CAUTIONED** that we occasionally run ads that require an initial investment or money in advance. We urge our readers to “**do their homework**” before responding to any ad, check out the advertiser thoroughly and verify their claims to your total satisfaction. Only then should you proceed at your own risk. We try to screen ads that require you to send money before receiving a product or service. But these efforts are no substitute for your own investigation, and we don't endorse or guarantee any claims made in any of the ads we publish. If you want more information about claims made in ads on subjects such as work at home opportunities, travel or vacation specials, purchasing land or vehicles from government surplus or below wholesale, loans or other credit opportunities (including credit repair), or weight loss and other health products and services, we urge you to contact the Office of Attorney General, Consumer Protection Bureau, 33 Capitol Street, Concord, NH 03301 (603-271-3641) or the Better Business Bureau at 603-224-1991. Publisher is not responsible for any loss of business if an ad does not run, and we reserve the right to revoke any ad if deemed necessary. No refunds will be given for prepaid ads.
