Londonderry Police To Hold Opioid Addiction Forum

MELISSA BETH RUIZ
LONDONDERRY TIMES

The Londonderry Police Department will be holding an important community forum on Thursday, May 16, at 6:30pm in the Londonderry High School cafeteria. ?

One in seven Ameri-

cans will face substance addiction in their lifetime, says Jerome Adams, United States Surgeon General in his report titled, "Facing Addiction in America: The Surgeon General's Report on Alcohol, Drugs and Health." Furthermore, approximately every 19 minutes, one

American will die from opioid or heroin overdose.

According to the National Institute on Drug Abuse, New Hampshire is among the top five states with the highest rate of opioid-involved deaths. In 2017 there were 424 drug

Town Asked to Add 300K More to Intersection Improvement Funding

IDAN VINITSKY
LONDONDERRY TIMES

Back in 2017, when the Executive Council of the New Hampshire Department of Transportation (DOT) was building its 10-year planning process, officials from Londonderry asked that council to consider adding to the highway plan improvement to the intersection of Stonehenge Road and Route 28.

This improvement project was not in the original 10-year plan, but was accepted in by the Executive Council. The fact that at the same time Londonderry received a highway grant from the New Hampshire Governor

Office and offered to put that money into the intersection project and funding a portion of it, helped to make it part of the 10 year plan and that decision was supposed to accelerate the project.

Now, the town finds itself short on funds to being the project, and is being asked by the State Department of Transportation to add over \$300,000 in order to keep this project going.

This subject was discussed during the last Town Council, held at the Londonderry Town Hall on Monday, May 6.

Town Manager Kevin Smith explained that the grant that the town

received in 2017 was for \$519,000. This amount was almost 50 percent of the original estimated cost of the project, which was made by the Southern New Hampshire Planning Board, based on their rough estimate.

The Department of Transportation's estimate was much different and put the total cost of the project at \$1,695,188 and in a letter that was recently received by Mr. Smith, the Department of Transportation said it had not received any input from the town as to how Londonderry wants to proceed after the costs jumped. The DOT also

Officials Get More Updates on Exit 4A at Chamber Event

IDAN VINITSKY
LONDONDERRY TIMES

At the regional transportation meeting, held on Tuesday morning, May 7, at Brookstone Park in Derry, local officials provided an update regarding the Exit 4A project in Londonderry and Derry. The Exit 4A was incorporated into the state's 10-year Transportation Improvement Plan of New Hampshire Department of Transportation (NHDOT).

The new exit would be located approximately a mile north of the existing Exit 4 on Interstate 93. The planning for this project began over three decades ago, back in 1985. The goal is to

reduce traffic congestion on Route 102, which crosses the towns of Derry and Londonderry on the south side. Route 102 connects Nashua to the south-west and Route 101 to the north-east.

At the meeting, Nicole Fox represented Fuss & O'Neill, the engineering company in charge of the project. Fox said that the anticipated design-build schedule is a possible award in June 2020, followed by construction beginning late in the summer of that year and completing by the end of 2023. Phase 1 of the constructions will be new roadways (Interchange and connector road) and Phase 2 will include the

upgrade of existing roadways (Folsom Road, Tsienneto Road, Route 28, Route 28 Bypass, Route 102 and other local roads).

The NHDOT believes that the addition of Exit 4A to I-93 would not only reduce congestion, but also improve safety and promote economic vitality for the two towns.

South Elementary School Holds Annual Talent Show

The annual Talent Show at South Elementary School hosted by the school's student council was presented on Friday, May 3 and prizes were given through student voting. First place was taken Gretchen Murray, for her baton twirling ability. She will get to be Principal later in the year. Second place went to the singer Emerson Dodge, she will take the place of Special Ed Director Deb Setterlund for a half day. Third place was awarded to Logan Thompson for his comedy act. Thompson will get to be Custodian. The "All School Favorites" were Marleigh Talbot, Isabel DeVlaminck, and Laila D'Anna, and they will all take the role of assistant principal Chelsea Hunnewell for the day with their hula hooping performance.

Concord to Host Drinking Water Protection Event on May 16

IDAN VINITSKY
LONDONDERRY TIMES

The 2019 New Hampshire Department of Environmental Services (NHDES) Drinking Water Source Protection Conference will be held on Thursday, May 16 (8:30 a.m. – 4 p.m.), at the Grapone Conference Center in Concord. The event is the largest drinking water source protection conference in New England.

This year's conference will feature scientists, state and federal officials and water supply managers. These professionals will present their work and views on a range of

topics, including the statewide private well sampling initiative, the New Hampshire Drinking Water and Groundwater Trust Fund, the drinking water source protection priorities (at the national, regional and state level), projects related to lake management, land conservation, public health and updates regarding New Hampshire's overall drinking water source protection strategy.

Over 200 participants usually attend the annual event, which provides an information exchange opportunity for water supply professionals,

town officials, boards and committees, with responsibility for planning and delivery of safe drinking water. The event's website states that it is a "forum for presenting innovative water resources research, sharing information on local protection projects, and training municipal and water professionals."

The event, which is organized by the NHDES in partnership with American Ground Water Trust, begins with a morning plenary session, which is then followed by small group afternoon sessions. At 10 a.m., Rick Ellsmore,

USDA/NRCS NH State Conservationist will give his lecture, entitled "Understanding the Farm Bill's Focus on Protecting Drinking Water".

The New Hampshire Drinking Water and Groundwater Advisory Commission also announced last week that it is targeting up to \$2 million from the Drinking Water and Groundwater Trust Fund for grants to protect public water supply sources in 2019. The grant process, which is administered by the commission through the NHDES, will begin on Jun. 28 with the submissions

of brief eligibility applications, followed by submission of more extensive funding application by September 13th.

Paul Susca, from the New Hampshire Department of Environmental Services Drinking Water Source Protection Program says that last year, 22 applications were submitted and 15 of them were approved. The commission provided \$2.4 million for those 15 projects, to protect 4,744 acres of water supply land. It also provided \$24 million in loans and grants to 19 New Hampshire communities for water quality

projects, mainly water supply infrastructure.

Projects eligible for funding under the program involve permanent protection of land from which water flows to public water supply sources, specifically wellhead protection areas and land designated as "hydrologic areas of concern" within water supply watersheds. The commission announced that projects that involve the protection of land for future water supply sources shall be reviewed on a case-by-case basis.

Addiction

Continued from page 1

overdose deaths involving opioids in the state, which according to the NIDA adjusts to about 34 deaths per 100,000 people.

In that same year, while speaking to a group of business leaders, current New Hampshire Governor Chris Sununu reportedly had this to say regarding the opioid and substance abuse epidemic in the Granite State:

"Our prevention programs for substance abuse in this state? They

stink. You can quote me on that."

The May 16th forum will work to change this, and to address and prevent the tragic aforementioned statistics from repeating, or worse. ?

The forum, titled, "Living With An Addiction Or Substance Abuse Disorder—Problems And Possibilities," will be open to all town residents to attend, as well as residents of surrounding towns.

The purpose and mission of this assembly is to provide prospective and offer subject matter expertise on the preven-

tion, treatment, and recovery of substance abuse disorders, as well as providing resources to those struggling or those with loved ones who are struggling, and to provide the public with the opportunity to meet with relevant partners from the region.

Speakers will include Chief William Hart of the Londonderry Police Department, Chief Daniel Goonan of the Manchester Fire Department, Licensed Mental Health Clinician Jim Gamache, Representative of NH Healthy Families Andrea Rancatore, Peter Burke of

The Farnum Center, and Kim Haney of Granite Pathways.

The Farnum Center is a private, non-profit organization located in Manchester, NH committed to providing effective care and support for adults seeking recovery from alcohol and other drugs. It seeks to help those battling addiction by helping these individuals and their families find their own way to a life free of the effects of substance abuse through comprehensive treatment and recovery services.

Granite Pathways is another self-help based

Manchester organization providing an array of services for those dealing with mental illness or substance abuse disorders. It also incorporates a peer supported recovery model, with people who have also, "Traveled the pathway to recovery," and who thereby understand the challenges of the journey leading the recovery process.

Invited panel participants will also include the parent of an individual lost to substance abuse disorder, as well as an individual currently living with addiction.

The widespread trou-

ble with opioid and substance abuse has plagued the Granite State for the better part of a decade. It will be a big undertaking, but this forum will work to be a step forward in helping to solve the issue and save hundreds, if not thousands, of lives.

For more information on this forum, please email Londonderry Police Department Officer Tara Koski at tkoski@londonderryhpd.org. For more statistics regarding the opioid and substance abuse epidemic in New Hampshire, visit www.drugabuse.gov and select New Hampshire.

Remember To Tell Mom You Love Her

“All I am I owe to my mother. I attribute my success in life to the moral, intellectual and physical education I received from her.”

— George Washington

What a mother Mary Bell Washington must have been, to have, had such a profound influence on her son.

As we celebrate Mother's Day this weekend, we honor the women who shaped us, nurtured us, taught us and showed us what life and love are about. True, fathers do all of those things, too, but in different ways. It's not about whose role is bigger or better, and it's not even about conforming to the specific gender roles. It is simply acknowledging that both parents influence our lives through the choices they make with us, and each one's influence is distinct from the other.

But has their role really changed so much?

Their job is still tireless and often thankless. When it is done right, the job is still about unconditional love, even when that means tough love.

It remains a lifelong commitment. Even after a child is grown, mom is still mom, and moms will always worry. They cut the umbilical cord at birth, but there are other bonds that stay intact.

And when the world is harsh, when life pokes us in the eye and laughs at us, it is often our first instinct to seek comfort in a moth-

er's love.

We hope you are surrounded by family today. If they can't make it home, we hope they at least call. Flowers would be nice. In my house I ask for a plant to put in our family garden. As you can imagine by now it is quite large. I remember getting each plant and which child gave it to me. After all, for us moms, it is about the memory. If they take you out to eat, let them pay, even if that goes against your maternal instinct.

We hope at least one person doesn't stop at “Happy Mother's Day,” but elaborates at least a little bit on the depths of their gratitude and the reasons for it. Maybe they could share an anecdote or two, whether the goal is to make you laugh, or cry, or both.

We hope you feel pride today. When you look at the child or the children, whom you have raised and influenced, you see the person you hoped they would become. It is fine to feel proud, not only of them, but of yourself as well. You, their mother, have played an important role getting them to where they are today.

Hugs. Always hugs.

“Because I feel that, in the Heavens above / The angels, whispering to one another, / Can find, among their burning terms of love / None so devotional as that of ‘Mother’”

— Edgar Allen Poe

Letters

Residents Please Listen

To the editor,
Londonderry has 18,920 registered voters, and only 2,946 saw fit to vote in the last election. The ballot had over \$1,000,000 authorized, and none of the ballot questions were voted down? Which will result in a tax increase.

I have heard many people complain about the increases in taxes. When asked if they voted, I get silence.

The town also continues to approve 55 and over communities. Most of these communities pay for their own services plus the services offered to the rest of Londonderry. Have we seen any tax relief for these communities because of this inequity?

Now we find that the town does not believe in doing business with Londonderry business's because they were offered a small discount to switch to an out-of-state company that does business with the town of Derry. This, in my opinion, was an act of revenge towards Deb Paul for having the gall to run for office that may have resulted in the loss of a seat of an incumbent.

It is your civil duty to vote, when only 15% of the registered voters vote, you will always end up with incumbents who have a self serving interest in the seat. Because of the low amount of voters, most of which have ties to the incumbents, we need term limits.

Dom Dirienzo
Londonderry

A Tale of Two Newspapers

To the editor,
“It was the best of times, it was the worst of

times, ...”

We've all at least heard of the story even if we have not read it.

On the one hand we have a newspaper that provided twenty pages of Londonderry news last week. It started on the front page with two detailed reports from a meeting of the Conservation Commission, one of which concerned very significant recommendations regarding a development. On page three was a detailed report from the Budget Committee meeting that discussed School Board projects that impacted the Town budget. Page sixteen saw the start of thirty-five announcements of upcoming activities. The full Police log was reported. Throughout the paper were news stories either from the Town or about people from the Town, including five pages of local sports news. All this was generously funded by the many local businesses that advertised in the paper and that we should all try to support whenever the need for their services arises.

On the other hand we have a newspaper that provided only four pages on which some Londonderry news could be found. A front-page news story was about the 603 Brewery. The single Londonderry page provided reports about the Kent Allen Forest and about substance abuse. Only eight announcements of upcoming activities were made (contrast to thirty five in the other newspaper). On later pages events from the Police log that resulted in arrests were reported but other events were omitted. There was no report from any of the various Town Boards or Commissions.

We do not know ALL the reasons why the pub-

lication of official Town Notices has been moved to that second paper and we probably will never know. As the foregoing shows, readership by local residents, drawn to the newspaper by local news, was apparently outweighed by other considerations. Perhaps the public notices are not considered sufficiently important that the local residents should see them. Perhaps they had inside information that the second paper might be going to send reporters in future to cover those Town Boards and Commissions whose decisions affect our daily lives. That would draw readership and might justify the change.

David Ellis
Londonderry

Two Obnoxious & Un-American Congresswomen

To the editor,
Incredibly, voters elected hate-filled Muslim women to the U.S. House of Representatives. Tlaib, Michigan and Omar, Minnesota have established platforms of Jew hating rhetoric. Is this typical of Muslim politicians?

It is not surprising the two women are Jew Haters because many Muslims hate non-Muslims. This is why we should continue to restrict immigrants allowed into the U.S. from countries which harbor potential enemies. A very high percentage of Muslims from the Middle East and North Africa and around the world hate Christians as evidenced by thousands of attacks by Muslims on Christians over the centuries, including the 9/11/01 attacks in the United states killing 3000 Americans, which Omar

Art in Action Event Brings Artist Studios to the Public

On May 18 and 19 the Londonderry Arts Council will present Art In Action. At the event artists in the area give free demonstrations of their techniques and discuss their artistic processes, as they create beautiful works of art on sight. Many artists travel to Londonderry from towns throughout New Hampshire and Massachusetts to attend this exciting event. The event,

free to the public, offers the community a chance not only to see finished artwork, but also to see the process. The event also provides the artists the benefit of exposure to show their artwork.

Artists and artisans will gather at Mack's Apples on Mammoth Road in Londonderry on May 18 and 19 to celebrate Art in Action. This unique event offers a peek into each artist's

process, as well as fun activities for the kids. The Inside of Mack's farm stand, is turned into a virtual gallery. The artists set up a studio space and demonstrate their creative process through two-dimensional, three-dimensional and digital mediums. Some artists work in oils, some in pastels, and new this year digital art, but all geared to demonstrate how they create their specific art-

work. The artists enjoy interacting and answering question from those who stop by to enjoy the art and learn about the artist and art they create. The participating artists will also be exhibiting and selling their works at this event.

Art in Action Chair, Barbara Scott, said of this year's event, "We opened it up more and we have a few new people participating this year." The

free, family-friendly event will cater to a variety of interests, including fiber arts, weaving, jewelry, clay garden figures and woodworking, as well as art in oil, pastel, acrylic, watercolor, colored pencil and pen and ink. Local participating artists will be on site at Mack's Apple Farm on May 18 and 19 creating their work from 10 a.m. until 4 p.m.

These professional artists will enlighten you

and get your imagination stimulated providing, for all who attend, the desire to create your own works of art. This is a great opportunity to meet some of the local artists in our area, so put this event on your calendar.

There's a lot of culture and talent in our town and this event is a wonderful opportunity to recognize the talent in our midst. Art is good for the soul.

Upper Room Offers Support, Education and Resources

The Upper Room is a non-profit Family Resource Center located in Derry. Offering programs for individuals, parents, teens and young adults, were staff, volunteers and board members are committed to improving people's lives and encourage your participation and referrals.

trivialized. She is un-American.

The United States was founded on Christian principles by persecuted Christians who emigrated from Europe, and most Americans believe in helping others in need, loving thy neighbors, and respecting other religions. My extended family includes Black Christians, Lutherans, Methodists, Unitarians, Jews, Catholics, Russian Orthodox, and Evangelical Chris-

tians; and we all respect and nurture each other.

The two ugly mouthed congresswomen are disloyal to our country's founding principles and are un-American.

Donald Moskowitz
Londonderry

I'm Stunned

To the editor,
The Londonderry Times is the only newspaper I read to know about the comings and goings in Londonderry.

It's a mistake for the

town to do away the personalization of the place where we live.

Now is a time of new beginnings, as a new town arises from the growth of increased condos and houses that is erasing our natural views. Soon there will be no distances to rest the eyes.

And as the new town arises here, the orchards and horses will only be found recorded in a history book found in the library, as just a book to read.

Historical Society's Host Second Annual Antiques Appraisal Day

Antique Appraiser Daniel F. Reidy, at far right will be on hand again this year to access the value of local treasures. Photo by Chris Paul

Have you ever wondered what your antiques, collectibles or family treasures are worth? Have you kept something from your childhood that you're curious to know more about? Do you enjoy scouring antiques shops or watching Antiques Roadshow on TV?

If your answer to any of these questions is a resounding yes, you'll be glad to know that on Sunday, May 19, the Londonderry Historical Society

will be hosting its second annual Antiques Appraisal Day. The event was such a great success last year, the Society has decided to make the event an annual fundraiser.

Once again, Daniel F. Reidy, an appraiser and antique dealer will provide the appraisals of information and approximate value of items brought in by the public.

Reidy has over 30 years of experience and is the owner of Discerning

Eye, an estate appraisal and disposition planning business. Before moving from Goffstown to Manchester, he also owned White Birch Antiques and was Curator of the Goffstown Historical Society.

The start time for the event is 1:00 p.m., but doors will open at 12:30 p.m. to begin pre-registering items.

Each item to be appraised will be regis-

tered and assigned a number, with appraisals done in order of arrival. Reidy will discuss and appraise each item in a forum where everyone in attendance can hear the information. According to Society Curator Ann Champa, "The goal of this format is to make it more of a learning experience for everyone in attendance."

Appraisals are \$10 per item, or 3 items for \$25. Any type of item can be evaluated; however, the public must be able to carry in their own items or provide photographs of very large items. A dolly and hand truck will be available for use on site. All proceeds from the event will go toward the Londonderry Historical Society.

The event will be held in the c.1859 Parmenter Barn on the grounds of the Londonderry Historical Society's Morrison House Museum, located at 140 Pillsbury Road in Londonderry.

This should be a fun day for all and light refreshments will be provided.

For more information, please visit the Londonderry Historical Society's Facebook page at: www.facebook.com/TownOfLondonderryNHHistoricalSociety

OBITUARY

Christopher Battles

It is with tremendous shock and profound sadness that the family of Christopher John Battles of Londonderry, NH announce that he passed away at home in the wee small hours of the morning on May 5, 2019, a mere four days after being diagnosed with cancer, his loving wife by his side.

Chris was born in Methuen, MA on Sept. 19, 1968, the only child of Nancy (Kaelin) Williams and Richard T. Battles. Chris moved to Salem, NH in his early teens, and was a graduate of Salem High School class of 1987.

Chris met his best friend and future wife in 1991 when he visited a friend at the convenience store where she was working. He became a devoted husband on St. Patrick's Day 1995, and a doting father to twin boys in 1997.

Chris loved the outdoors, especially hiking and camping along the Kancamagus, and weeks spent on Sebago Lake. Chris's appreciation for nature extended to a love of animals, large and small, including a chipmunk friend that he regularly fed, and his cat, Brak. He was passionate about history, politics, Boston sports, and was a voracious reader.

Chris enjoyed movie nights at home, music of every genre, especially Elvis Costello and the Beatles, old-time radio shows, and above all, spending time with his family. His friends and neighbors can attest to the countless hours he spent outdoors with his sons playing baseball, basketball, football, badminton, etc. Chris will be remembered for his unwavering dedication to his wife and sons; they will miss him deeply.

Chris is survived by his beloved wife of 24 years, Erin (Kirchner) Battles and his loving sons Declan Battles and Conor Battles, all of Londonderry, NH; his parents, Nancy (Kaelin) Williams and "Step-Dad" Norman Heinze of Windham, NH; and Richard T. Battles and his partner, Paris Girginis, of Tampa, FL; his in-laws Dennis and Patricia Kirchner of Salem, NH; his sister-in-law Bridget Kirchner of Atkinson, NH; his brother-in-law Benjamin Kirchner and Rachel Leblanc, and their children, Giovanni and Daisy, all of New Bedford, MA. Chris is also survived by his and his wife's extended families, and lifelong friends Jamey Gallagher of Baltimore, MD; Paul Bayliss of Leola, PA; and Ross DeHarpporte of Hopkins, MN.

Calling hours will be held on Wednesday, May 8 from 4 - 8 p.m. in the Peabody Funeral Homes and Crematorium, 290 Mammoth Rd., Londonderry. A Mass of Christian Burial will be celebrated on Thursday at 10 a.m. in St. Patrick Church, 16 Main St., Pelham, NH. Private burial will be in Holy Cross Cemetery, Londonderry. To send a condolence or for more information, please visit www.peabodyfuneralhome.com.

Military Graduate

PFC (Private First Class) Brandyn D. Proulx graduated February 22, 2019, with the 3rd Recruit Training Battalion, Platoon 3014, Parris Island, S.C. Proulx is a 2017 graduate of Londonderry High School. He attended Merrimack College, where he played on the Men's Lacrosse Team, winning a National Championship in May 2018. He decided to enlist in the Marine Corps. the summer of 2018.

Annual Toy Sale Hosted by Londonderry's Women's Club

The Londonderry Women's Club (LWC) will be holding its 17th Annual Community Toy Sale on May 18 at Matthew Thornton Elementary School. The toy sale is the LWC's largest fundraiser and the money raised supports the annual gift given by the LWC to a local community project. This year all of the proceeds earned by the LWC from the event will be given to the PTA's at the Londonderry elementary schools and the Moose Hill kindergarten.

This event is open to the public. It is a great opportunity to shop for toys, games, children's books, bicycles and baby items that are lightly used and still in very good condition. It is definitely

worth stopping by the Matthew Thornton gymnasium on May 18, at 9:30 a.m. to check out the wide variety of items on sale.

Anyone interested in selling or donating toys, games, children's books, bicycles and/or baby items (such as baby strollers) that are still in good condition can register and the LWC will sell their items at this consignment sale. Persons interested in selling items must pick up a registration packet at the Leach library. All items must be labeled by the seller with the price they want to get for the item. Bring the items and the completed registration form to the check-in on the day of sale on May 18 at 7:30 a.m. - 9 a.m. The check-in area is in the parking lot

next to the side door entrance to the Matthew Thornton Elementary School gymnasium. Doors open for the actual Toy Swap at 9:30 a.m. and the sale ends promptly at 2 p.m. The time for pick-up will be 3 - 3:30 p.m.

The Londonderry's Women's Club does the selling and you earn the money. This is a consignment type sale, where the seller determines sale prices of the items. The seller will receive 2/3rds of the sale price and the Londonderry Women's Club donates the remaining 1/3rd to a local community project. This year the money earned by the LWC will be donated to the PTA's at the Londonderry elementary school's and the kindergarten.

On the day of the toy

sale, the toys and other items are set up inside the school's gymnasium. Customers come and shop during sale hours and the goal is for the LWC to sell as many of the items that they can. After the sale comes to an end, those who sold toys return to the school to retrieve the profits from the sale and any remaining toys that were not purchased. At this year's Toy Sale the LWC is also conducting a raffle for a stainless steel gas two-burner grill (Nextgrill brand).

The Londonderry's Women's Club was established in 1970. The vision of the Club is to "bring diverse women together, creating an environment that nurtures friendships while encouraging community involvement

through volunteerism." The LWC's mission is "to commit to future generations by maintaining funds for scholarship and community projects, ensuring the Club's dynamic influence within the community." The Club gives three \$1500 scholarships each year to graduating Londonderry High School students, one annual adult female scholarship of \$1000, to a woman seeking to improve and continue her education, and an annual community project to provide a needed benefit to the Town, that would not otherwise be met. The LWC members also enjoy fun events throughout the year. This is a fun and great group of women, who enhance our community in so many

ways. If you are looking for a way to get involved, have fun and meet amazing women this is the group for you.

The LWC Toy Swap on May 18, is a great place to shop for toys for your own children, as well as, presents for birthdays, Christmas, and any special occasion. Please make a plan to come and shop on at the Matthew Thornton Elementary School Gymnasium. You will be surprised by the wide array of merchandise. This is a great event whether you are a seller or a buyer and you will be supporting a great cause.

More information about the toy sale and the LWC in general can be found at on the LWC website: londonderrywomenclub.com.

Intersection

Continued from page 1

claimed that the town should still pay for roughly 50 percent of the costs (same as before), which would be \$837,000 or \$318,000 more than the original amount the town committed to pay.

Mr. Smith said that he contacted some of the DOT officials and they all agreed that the town committed for \$519,000, not for 50 percent no matter the cost, but the letter that was received, more than a month ago, by Smith on March 29 asked for the larger sum.

"We are kind of in a

crossroad here", told Mr. Smith to the Town Council members on Monday night, before offering three options moving forward and asking for the council advice.

The first option, which was later accepted by Chairman John Farrell, was to send back the Project Agreement that was received, but cross out the increased amount and wait for the DOT's response, once they see that the town is not willing to add more money. The other options were to agree, pending an appropriation for an additional \$300,000 on the warrant in March of 2020 or to

hold off the entire project, study again the intersection and meanwhile, put the \$519,000 grant towards the improvement of a different intersection in the 10-year plan and go back to the Stonehenge Road / Route 28 intersection in the future.

Mr. Farrell suggested that if the DOT would not agree to the crossed out letter, Londonderry would have its town attorney contact the DOT.

After the agenda item was addressed, resident Reed Clark, who lives quite close to the intersection, was allowed to

speak on the subject, "This doesn't seem right, I think at any minute there could be an accident of some sort. It seems to me that you all should take careful note, and do something, other than what the three options discussed."

Farrell emphasized to Clark that they'll be doing all that they can, without going back to voters for more money. He agreed with Clark asking that the project the town really push the state to come up with the difference in cost.

"It's a Priority One Project," Farrell said to finish

the discussion.

Prior to that discussion, the Town Council approved unanimously two resolutions. The first was to use \$5,804.36 from the Maintenance Trust Funds for Various Projects for the Fire Station. The station needs to repair three doors and door locks that were installed in 2006 and upgrade its radio box, also installed in 2006, from the existing King Fisher to the King Fisher STAR Radio Box, the

newest technology in the market.

The Town Council also approved the spending of \$6,275.00 from the Distribution of Cemetery Acquisitions, Maintenance & Repairs Capital Reserve Fund to repair 28 headstones in the Valley, Sunnyside, Pleasantview and Glenwood cemeteries. Some of those headstones date back to the late 1700s and the town wished to fix them before the 300th anniversary this summer.

Londonderry High School Names Top 10 Senior Scholars

MIKE BYERLY
LONDONDERRY TIMES

Londonderry High School recently announced the top 10 seniors based on academic performance. In addition to academics, this group contributed to the school community in many other ways including leadership, robotics, music and athletics. Eight of the ten plan to major in engineering or the sciences.

All of them have weighted GPAs over 4.4 on a 4.0 scale. At the high school, honors and Advanced Placement (AP) courses have one point added to the grade to reflect their greater difficulty. For example, earning a B+ in a standard college prep course equates to a 3.3 GPA, whereas the same grade in an accelerated class yields a 4.3 GPA.

Jocelyn Mayo is the Valedictorian. Jocelyn is headed to West Virginia University where she will be studying forensic science with a goal to become a Crime Scene Investigator. West Virginia has one of the top programs for this focus. At West Virginia, she will be part of their Honor's College. She also considered going to the University of New Haven. Early in her time at LHS she played softball and

basketball, but she later transitioned to participating in the Unified Sports programs including basketball, soccer and track. She is the Secretary of the LHS National Honor Society (NHS) chapter, a class representative and Historian of the Community Service Club. She is also a member of Mu Alpha Theta, the math honor society.

Urvi Chakraborty is the schools Salutatorian. Urvi will continue her education at Georgia Tech in Atlanta, GA where she will study aerospace engineering. As a member of the Rocketry Club at LHS, she "fell in love" with aerospace leading to her major. She chose Georgia Tech over the University of Illinois.

During middle school, Urvi attended the Academy for Science and Design charter school in Nashua before enrolling at LHS. She has been a member of the PVC Pirates, the LHS robotics club throughout high school. She has also been on the math team all four years and has served as the VP and President of the International Club.

Outside of LHS, she has been taking classes in classical Indian dance for eleven years and karate for many years, achieving her

black belt.

Alyssa Jarvis took Third Honors. Alyssa is off to Cornell University in Ithaca, New York to study mechanical engineering. She opted for Cornell over Georgia Tech and Carnegie Mellon.

She was heavily involved with the PVC Pirates robotics team during her first three years of high school. For her senior year, she joined the robotics club based at Hollis-Brookline High School.

Beyond robotics, she was a clarinet section leader in the marching band and a member of the quiz bowl team. She was a member of the rocketry team serving as captain. In addition, she was a member of NHS, Tri-M music honor society, Mu Alpha Theta, and the French Honor Society.

Jack Brown - Fourth Honors. Jack is bound for George Washington University in Washington, DC to study mechanical engineering. He chose George Washington over the University of Maryland.

At LHS, Brown was heavily involved in athletics. He was a four-year soccer player with the last three on varsity. He was team captain as a senior. He also played lacrosse for three years.

Outside sports, Jack was an NHS, Mu Alpha Theta, and a Spanish

honor society member. In addition, he received the George Washington University book award.

Zachary Chau - Fifth Honors. Zack will be studying bioengineering at Northeastern University. He chose Northeastern over Tufts University and Worcester Polytechnic Institute.

Zack was a member of the football and track teams. He also was a member of the high school robotics team, the PVC pirates. In addition, he played the violin in the orchestra and was a class representative.

He is the NHS President, a member of Tri-M, Mu Alpha Theta, and Spanish Honors societies.

Jackelyn Harris - Sixth Honors. Jackie is enrolling at the University of New Hampshire - Durham where she will be in the Honors Program and one of about 30 incoming first-year students earning a Hamel Scholarship. She chose UNH over Clark University. She enters with an undecided major.

Harris was a trumpeter in the LHS band throughout high school and a member of the Community Service Club, serving as VP during her junior and senior years. She is a member of NHS, Mu Alpha Theta, Tri-M and the Spanish Honor societies.

Hailey Robbins - Sev-

enth Honors. Hailey is headed to the University of Virginia with an interest in political science and public policy. She is considering law school later. She opted for Virginia over George Washington University and Wake Forest University.

She started in the Londonderry school district in 9th grade. Prior to that she attended Hampstead Academy. She puts a lot of time into dance serving as the dance team captain at LHS and participating for many years on a Melissa Hoffman Dance Studio competitive dance team.

She is the Prom Chair for the class of 2019 and has participated in Unified track for the past three years. She is also member of the Blue Star Lancers, an LHS organization that supports students and staff who have a family member serving in the military. She is also a member of NHS and Mu Alpha Theta.

Ashley Lynch - Eighth Honors. Ashley plans to major in bioengineering at Northeastern University in Boston. She opted for Northeastern over the University of Miami.

At LHS, Lynch put a lot of time into running during all three seasons with cross country in the Fall and track in the Winter and Spring. Ashley is also a member of NHS and the Spanish Honor Society.

During her sophomore year, she was nominated

by the school to participate in the Hugh O'Brian state leadership conference based on her leadership potential. She was also a member of the Bio-Connect club and Heal The World club at LHS. The latter focuses on fundraising to build schools in Kenya.

Amanda Wells - Ninth Honors. Amanda is setting out this Fall to St. Anselm College to study biology on a pre-med track, hoping to eventually go to medical school.

Beyond academics, she is on the LHS tennis team, President of the Community Service Club and holds down a part-time job.

Amanda belongs to NHS, Mu Alpha Theta, and the Spanish Honors Society. She also received the Young Leaders Award from the University of Rochester during her junior year.

Madison Sanborn - Tenth Honors. Maddie is going to Worcester Polytechnic University to study biomedical and tissue engineering. She will also be playing on the varsity volleyball team there after being recruited.

Maddie is the captain of the LHS girl's volleyball team. She also played on the Latitude 42 club volleyball team for many years and worked at volleyball camps as a counselor.

She is also a member of NHS, Mu Alpha Theta, the LHS Community Service Club, and several miscellaneous clubs.

The Majestic Theatre Teens Will Present Aida: School Edition

Adapted from the Tony Award-winning hit, *Aida School Edition* is an epic tale of love, loyalty and betrayal, chronicling the love triangle between Aida, a Nubian princess stolen from her country, Amneris, an Egyptian princess, and Radames, the soldier that they both love.

An enslaved Nubian princess, Aida, finds her heart entangled with Radames, an Egyptian soldier who is betrothed to the Pharaoh's daughter, Amneris. As their forbidden love blossoms, Aida is forced to weigh her heart against the responsibility that she faces as the leader of her people. Aida and Radames' love for one another becomes a shining example of true

devotion that ultimately transcends the vast cultural differences between their warring nations, heralding a time of unprecedented peace and prosperity.

With an unforgettable score that features soaring ballads and rousing choral numbers, *Aida School Edition* is a modern crowd-pleaser that embraces exuberant dancing, staging and singing.

Aida will be performed on Friday and Saturday May 10 & 11 at 7 p.m., and on Sunday, May 12 at 2 p.m. Performances will be held at The Derry Opera House located at 29 West Broadway, Derry, NH. Tickets are \$18 for adults, \$15 for seniors 65 and above, and \$12 for youth 17 and under. Tickets can be purchased by visiting or calling the box office at 669-7469, online at www.majestictheatre.net or at the nity arts organization. Visit www.majestictheatre.net for more information.

Sammy O'Neil of Merrimack as "Amneris", Colby Willis of Hillsboro as "Radames" and Alyssa Beaulieu of Londonderry as "Aida".

Exit 4A

Continued from page 1

The planned design for the new Exit 4A is a diamond interchange that would provide access to the east side of I-93. The current design has a one-mile long connector roadway that would be built on new roadway from the exit interchange to Folsom Road, near the intersection of North High Street and Madden Road in Derry. The new plan would also upgrade the intersection of Folsom and Tsienneto Roads. The total length of the project, from the new Exit 4A from

I-93 to Tsienneto Road and Route 102/Chester Road would be 3.2 miles of new road.

The planning for this project took 22 years, beginning with a Draft Environmental Statement in 1985, which was completed in 2007, when a public hearing on this Environmental Statement was held. Eight years later, in 2015, the Governor's Office directed the NHDOT to accelerate the project. Derry and Londonderry entered into an agreement which states that the NHDOT will provide administrative oversight of the environmen-

tal review process and the project will transition fully to the NHDOT's control for the final design and construction stages. Per the NHDOT's website, construction is anticipated to begin this year and be completed by 2022. The projected cost of the project is nearly \$57 million, including preliminary engineering, right-of-way and construction costs.

Those interested in seeing the presentation will be able to view it on-demand through Derry Community Access Media at www.derrynh.org.

Londonderry Woman Charged With Overdosing While Child in Car

IDAN VINITSKY
LONDONDERRY TIMES

Amy James, 38, of Londonderry, was arrested on Saturday, May 4, by the Barnstead Police Department and is facing charges of endangering the welfare of a child and operating a vehicle with a suspended license.

According to the Barnstead Police Department, an officer named Patrick

Ryan stopped James' car on Province Road in Barnstead at 2:10 a.m. on Saturday for a motor vehicle violation and while conducting his roadside investigation, he immediately realized that James, who was operating the vehicle, was unconscious.

Officer Ryan quickly determined that James is suffering from a drug overdose and aided her, while also calling the

Barnstead Fire and Rescue Department and asking them to arrive at the scene for assistance. As assistance arrived, James was transported to the Concord Hospital, about 20 miles away from the spot her car was stopped, for further medical assistance.

In the back seat of the vehicle which was operated by James, officers found a four-year-old

child, who was later identified as belonging to James. She was placed, at the hospital, under arrest for endangering the welfare of a child and operating with a suspended license and police contacted the Division of Children, Youth and Families (DCYF) of New Hampshire.

Eventually, the four-year-old was released to a responsible relative and

James' car was seized and towed by the Barnstead Police Department. The officers investigating the case applied for a search warrant for the seized vehicle and during its execution, found, inside the vehicle, evidence of both drug possession and drug distribution.

The evidence found included a quantity of methamphetamine's packaging materials,

hypodermic needles, ledgers of transactions, pipes, spoons and other related items.

Police announced the James will appear before the Laconia District Court in a date which was not published yet. The Barnstead Police Department will continue the investigation of this case and more arrests and charges are expected.

LONDONDERRY SPORTS

Lancer Baseball Squad Starts Another Winning Streak

IDAN VINITSKY
LONDONDERRY TIMES

The Londonderry High School's Varsity Baseball team had a busy week, playing four times last week, including a big rivalry match at Pinkerton Academy, which ended with a 5-3 Lancer victory.

On Wednesday, May 1, Londonderry suffered its second loss in a row, falling to Nashua North 4-3. The Lancers led 2-0 in the third, and 3-1 in the fourth, but in the bottom of that inning the home team scored three runs and was able to maintain

that small lead until the end of the game.

Sean Cavanaugh, with a three-hit game, had one of Londonderry's RBIs and Reece Manor the others. Owen MacDonnell pitched for three innings (three strikeouts) and Evan Cormier for three more (one strikeout).

The next day, Londonderry was able to put an end to their two-game losing streak, with a very close 4-3 win at Keene High School. The Lancers scored once in the opening inning and three more times in the fifth and the game almost slipped

away when Keene scored three runs of its own in the sixth, but the visitors ended up getting the win.

Nolan Lincoln almost got the complete game, striking out eight batters in 6 2/3 innings. Luke Marsh faced two batters and closed the game, while also providing one of the RBIs. Zack Luongo had two more and Cavanaugh one.

At Pinkerton Academy, on Saturday, May 3, the Lancers quickly took a 5-0 lead after two innings, with the Astros slowly coming back, scoring twice in the bottom of the third and once more in the sixth. Eventually Londonderry got the 5-3 win in this very heated game between the two rivals. Manor was fantastic, especially in the early stages of the game. He pitched a complete game with one strikeout and one virtuosic out on a foul pop-up near the LHS dugout. He also had one of the RBIs, while Luongo had two and MacDonnell one more.

Manor said after the game, "It feels really good. Last year we lost pretty badly against them, both here and at home. It's nice winning a good team. Without the defense, we don't win this game."

Coach Brent Demas added, "The boys were looking forward all week to this game. It is one of the best rivalries in the state and was a hell of

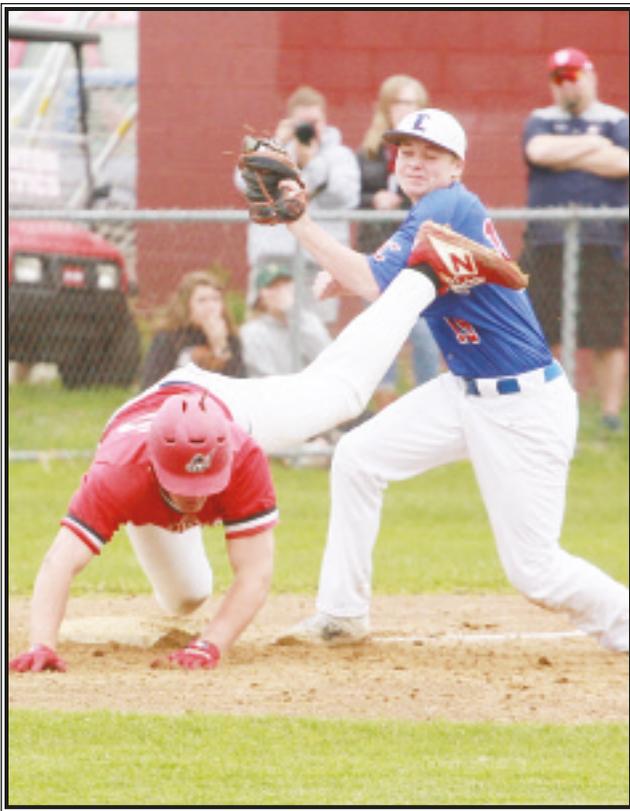

game. Emotions ran high and it was great."

The Lancers improved their record to 9-2 with a 6-1 home win over Nashua South on Monday, May 6. Once more, Londonderry jumped into a quick lead, 4-0 in the second inning. North scored in the next inning, but the locals got a couple of insurance runs in the sixth. Zack Rheault and Chris Tutt had two RBIs each. Luke Marsh pitched six innings, fanning nine batters and allowing only three hits. Brandon Fish closed out the game.

Londonderry plays Spaulding on the road on Friday, May 10, and then Concord at home on Saturday, May 11, at 4 p.m., before also hosting Portsmouth on Monday, May 13, at 4 p.m.

Londonderry senior pitcher Reece Manor makes a miraculous catch on a foul ball down the first base line at the Pinkerton game on Saturday.

Third baseman Ryan Killelea helps deny a Pinkerton hitter from stretching a double into a triple on Saturday afternoon. Photos by Chris Paul

LHS Boys Lacrosse Team Gets Big Win, Then Losses Twice

IDAN VINITSKY
LONDONDERRY TIMES

Londonderry High School's Boys' Varsity Lacrosse team has seen many ups and downs so far this season and last week was no different.

The Lancers' week started on a high note on Wednesday, May 1, with a huge 15-11 win in Portsmouth, against one of the best Division II teams in the state. A goal with only 40 seconds left

to play in the opening quarter gave Londonderry a 3-2 lead after 12 minutes of game. The second quarter was also very close, with Portsmouth equaling the score and Londonderry scoring another late goal, to take a 5-4 lead just before the break.

The home team opened the second half with two quick goals, but Londonderry answered by scoring five times in eight minutes, including

three straight Cole Keegan goals to end the quarter. His last one, with 19 seconds left on the clock, helped the Lancers enter the final quarter with a 10-7 lead. In the last 12 minutes, they scored five more times, to keep a good distance from Portsmouth and the victory. Keegan led the team with five goals, Anthony Federico scored four. Blake Melnik had two goals and Aidan Dennis, James Cranmer, Zachary

Lancer senior James Cranmer heads down field against a Pinkerton Academy defender on Friday night at home.

Lancer senior Thomas Fougere, center, tries to defend the Pinkerton onslaught his the team suffered a 15-7 defeat to their rivals. Photos by Chris Paul

Fawcett and Hunter Smith one each.

Two days later, Londonderry lost at home to their rivals, and state champions, Pinkerton Academy. The team suffered a 15-7 defeat in the annual Beeman Trophy game. The Lancers got off to a bad first half and after 24 minutes, Pinkerton was already leading 11-2. The rest of the game was a bit better for LHS and at some point they scored four straight goals and made it a six-goal

game (12-6), but they could not get any closer than this and only had two players, Keegan with four goals and Federico with three, scoring for them.

The Monday, May 6, the team was home again, this time against Exeter. That game had a 10-9 heartbreaking overtime loss for Londonderry. The locals led 2-1 after one quarter, but Exeter scored five unanswered goals in the second. Londonderry went on a run of their own

in the third and the teams entered the final 12 minutes tied at seven.

The Lancers opened the last quarter with two quick goals, but Exeter found a way back and tied it again, before scoring the winning goal in overtime.

Federico, Fawcett and Cranmer scored twice each in this game, while Keegan, Smith and Thomas Fougere had one goal each.

LHS Tennis Teams Go Through a Difficult Stretch of Games

IDAN VINITSKY
LONDONDERRY TIMES

Londonderry High School's Varsity Tennis teams each suffered two losses in the last few days, one after a

great fight and one against a much stronger rival.

Both boys' and girls' teams lost in a close meeting with Concord High School on Wednesday,

May 1.

The boys played in Concord and got singles wins from their number two and three players, Camden Poitras (8-5) and Jay Hayes (8-2). The

team's number one player, Cam Ness, lost a hard fought match, 8-6. Tanner Fortier (8-2), Ben Doris (8-1) and Jacob Escott (8-0) lost their games as well. In doubles, Ness and Hayes lost 8-3, Poitras and Fortier lost 8-6 and Doris and Escott won 8-3.

The girls played at the Skip Burbine Tennis Courts that day, losing 5-4. Mary Nicoli won 8-3, Amanda Wells 8-1 and Emily Hatem 8-3 in singles, while Rachel Cook lost 8-4, Rachel Court 8-2 and Sydney Martin 8-0. In the doubles matches, Nicoli and Cook lost 8-4, Court and Martin lost 8-2 and Londonderry's final point came from Wells and Hatem, who won 8-1.

On Monday, May 6, the girls were not able to win a match against the undefeated Bedford Lady Bulldogs on the road, losing 9-0. Nicoli, Cook, Court and Hatem all lost their sin-

Camden Poitras got a 8-5 win in Cord last week.

gles matches 8-0. Martin and Wells lost 8-2 and in doubles, Nicoli and Cook, as well as Court and Wells, lost 8-0 and Hatem, with Melanie Methot, lost 8-2.

The boys, at home, also did not win a match against the very strong, and undefeated Bulldogs. Ness lost 8-0, Poitras 8-2, Hayes dropped his match 8-1, Fortier 8-3, Doris 8-0 and Escott 8-1. In doubles,

Poitras and Hayes, as well as Ness and Doris, won one game, but lost 8-1. Fortier and Escott lost 8-2.

The boys are scheduled to host Keene on Friday, May 10, at 4 p.m., and play at Dover on Monday, May 13. The girls will be traveling to Keene on Thursday, May 9, and should host Dover on Monday at 4 p.m.

LHS Softball Team on a Tear, Win Eighth Cosecutive Games

IDAN VINITSKY
LONDONDERRY TIMES

After a bit of a rocky start this season, with three straight losses, Londonderry High School's Varsity Softball team caught fire in the last couple of weeks, winning eight games in a row.

Last week, the Lady Lancers started with a home game against Nashua North on Wednesday, May 1, and before the game, got a chance to celebrate with coach Wayne MacDougall his 300th career win.

MacDougall shared his thoughts on his achievement: "Obviously, longevity has a lot to do with it, based on the fact that this is my 23rd varsity season at LHS and 31st overall, including nine years as a JV coach. I have been very blessed to be able to coach at such a supportive high school. In addition to that, I have had the good fortune of having not only very talented athletes, but great kids as well."

On the field, his team got their seventh win in a row, with a 6-2 win against the Titans. The home squad scored twice in the first inning and once more in the second. North cut

the lead to one run with a two-run fourth inning, but Londonderry recovered and finished the job with a couple of runs in the fifth and one more in the sixth.

On Friday afternoon, the girls were scheduled to play a game against Pinkerton Academy, for the annual Beeman Trophy game, but rain spoiled that challenge. The new date has not yet been announced.

Londonderry then traveled to Nashua South High School on Monday afternoon, May 6, and started the week with a

12-7 win, and the team's eighth straight victory. The Lady Lancers build a comfortable lead, with three runs in the third inning and five in the fourth. They entered the bottom of the seventh and final inning up by 11 runs, 12-1, and survived a little scare, after the Panthers fought hard and scored six times.

The next game will be against Spaulding on Friday (May 10, 4 p.m.), followed by another home game, against Windham on Saturday at noon and a trip to Portsmouth on Monday (May 13, 5 p.m.).

Lancer Volleyball Wins Their First Game of the Season

IDAN VINITSKY
LONDONDERRY TIMES

A month into its season, Londonderry High School's Varsity Volleyball team got its first win of the 2018-19 spring on Monday, May 6 against Farmington High School.

The week started with the Lancers hosting the Winnacunnet Warriors on Wednesday, April 30, and lost in four sets. They began the match-up with a strong head of steam, and won the opening set, 25-21, but the rest of the evening did not go how Londonderry would have

liked, and the team lost 25-11 in the second set and 25-12 in the third, before improving slightly, but still dropping the fourth and final set, 25-16.

On Friday, May 3, as part of the day of games between Londonderry and Pinkerton Academy, the Lancers played at the Hackler Gym in Derry and lost in straight sets, 3-0, in a game that was counted for the Beeman Trophy. Just like Londonderry, the two-time state runner ups did not start the season well, but the game against the Lancers marked Pinkerton's third straight victory, as the Astros improved to a 4-4 record. The first set was the closest with Londonderry making a late push to end

by a 25-21 score, and a Pinkerton win. The home team went on to win 25-16 and 25-11 in the next two sets.

The teams first match win finally came on Monday, May 6, as the Lancers dominated the Farmington Tigers in the first set, by a 25-7 tally. The next set was much closer (25-21) and the third one went down to the wire, but Londonderry won 27-25 to complete a 3-0 victory. "It was a fun game, because a lot of guys earned their varsity letter and played for us the first time", coach Jon Buatti explained after the win. "Hopefully we can keep the winning going this week."

Pat Cohen, left, sets up Cameron Donovan during the teams match against the team's rivals, Pinkerton Academy, last week. Photo by Chris Paul

Athletes of the Week

Week of April 28

Cole Keegan,
Junior, Boys Lacrosse

Cole scored 10 goals and had six assists in the last three games. Displaying great vision and unselfish play.

Sammy Leclair,
Senior, Girls Lacrosse

Sammy had an outstanding performance against the number 2 Pinkerton Academy on defense, with nine caused turnovers and 11 ground balls. In addition she came up to take six draws, winning five.

Student Athletes supplied by Athletic Department

Pinkerton Leads LHS in Beeman Games

IDAN VINITSKY
LONDONDERRY TIMES

The Beeman Trophy games, between rivals Pinkerton Academy and Londonderry High School, began last week and after four games being played, the tally is currently at 3-1 in favor of the Astros, who are trying to win the competition for the fifth straight spring season.

Unfortunately, rain caused both the boys' and girls' tennis matches and the softball game to be pushed to a future date, but three matches were still held on Friday, May 3, and Pinkerton Academy was victorious in all of them.

Londonderry hosted the two varsity lacrosse matches, and the Astros were in full control of

both games, with the PA girls winning 17-7 followed by a boys 15-7 victory.

In Varsity Boys Volleyball, at Pinkerton, the home team got a clean sweep, winning 3-0 (25-20, 25-16, 25-11).

Londonderry was able to score its first point in this year's competition with a hard fought baseball win on Saturday, taking a 5-3 victory against their rivals.

The Track and Field teams will meet on May 14 and makeup dates for the

canceled matches from Friday had not been announced.

The Beeman Trophy games began almost three decades ago, along with the winter Ball Family Trophy Games (which were controlled this past winter season by Pinkerton), following the success of the Mack Plaque Games, a tradition that began back in 1983. The Beeman Trophy is named after Mike Beeman, who studied at Pinkerton and coached and taught at both schools.

Londonderry Girls Lax Squad Hits Low Spot this Season

IDAN VINITSKY
LONDONDERRY TIMES

Londonderry High School's Girls' Varsity Lacrosse team suffered two home losses last week against strong opponents, and then started

the week with a close loss to another tough team on the road.

The Lady Lancers' game against Portsmouth on Wednesday, May 1, in Londonderry did not go as planned for the home team, and the Division II

two-time defending champions got a lopsided road win, 15-2, at the expense of the Lady Lancers.

The game slipped away from Londonderry quite early, as the Clippers scored three unanswered goals in the opening five minutes and went on to lead 10-0 at the break. Maddy Walden and Lauren Doherty were the only scorers for Londonderry in the second half.

It was a closer match on Friday, May 3, when Londonderry hosted rivals Pinkerton despite the wet conditions. In this Beeman Trophy battle, the Lady Lancers trailing the Astros by just three goals at the end of the first half (8-5), giving the home team a chance to make it a close game in the second half.

Unfortunately, the Lady Lancer crew saw the visiting team take control of the game after the break and win 17-7.

Grace Chicko and Sarah Duarte scored two

The Lancer girls lacrosse squad had their troubles with controlling the ball this week. Pictured, they fight for possession against Pinkerton on Friday.

Lancer senior Sarah Duarte tries to get past PA senior Kiley Davis in the first half of Friday's Beeman Trophy loss. Photos by Chris Paul

goals each for Londonderry in the team's second home loss to Pinkerton this season. Walden, Jenna Stowell and Grace Holland also found the net.

Things were kept on a downward progression on

Monday May. 6 when the team traveled to the Bill Ball Stadium in Exeter to face the Blue Hawks, and despite making it a very close game, the Lancers suffered a 10-9 loss.

The half time score was 5-5 and in the next 25

minutes both teams stayed close, but Exeter to get the upper hand in the final seconds.

Chicko and Duarte scored three goals each for the Lady Lancers. Doherty, Stowell and Holland scored once.

This event is rain or shine. We hope to see you there! For more information visit: <https://stpeterslondonderry.org/ministry/craft-fair> or our Facebook page:

www.facebook.com/stpeterslondonderry

Child Passenger Safety Program

A Collaborative Effort of Londonderry Fire Rescue, Londonderry Police Department, and New Hampshire Child Passenger Safety Program. Car Seat Check Events The Londonderry Child Passenger Safety Program conducts inspection events to check your child's car seat installation. Trained technicians check for recall, proper installation and discuss with the caregiver how to improve the installation and therefore the child's safety. For the month of May these inspections will take place on Saturday May 11, from 9 a.m. - noon and Wednesday May 22, from 6 p.m. - 8 p.m. Appointments are required, please. Inspections are conducted at the Londonderry Fire Rescue South Fire Station 17 Young Road. For more information, or to make an appointment to have your seat(s) checked, please call 603-432-1104 ext. 4623 or via e-mail: cps@londonderrynh.org.

Summer Enrichment Programs

The Londonderry School District is pleased to announce that registration has begun for our Summer Enrichment Programs. Open to levels K-12, this self-supported program helps in promoting student strengths in academic areas and expose learners to new areas of interest not typically included during the regular school year. Classes offered are as follows. Break the Code (Entering grades 1-5) Camp Kindergarten (Entering K) Ropes Course 1 (Entering grades 6-8) Ropes Course 2 (Entering grades 7-9) Ropes Course 3 (Entering grades 7-10) STEM: Creating Kinetic Contraptions (Entering grades 6-9) Tabata: Morning Workout (Entering grades 6-8). Specific information about these offerings, fees, and registration can be found at the following: www.londonderry.org/School, Main Offices, Town Hall, Leach Library. Classes will be held mornings and afternoons at various times and dates in schools throughout the district from July 8 - Aug. 2. Registration deadline is Friday, May 31.

Creating with Pressed Flowers

The Leach Library will host "Art from the Garden - Creating with Pressed Flow-

ers" on Thursday, May 16, at 7 p.m. Ms. Roden will offer ways to preserve flowers, leaves, and other plant material and transform them into beautiful art. She will share some of her own work as well as various flower pressing techniques, tips, and ideas. The event is free and open to the public with seating limited to the first 90 individuals. It will be held in the library's lower-level meeting room. Light refreshments will be served.

Open House Sunday Camp

Etz Hayim Synagogue Invites you and your youngsters, age 4 to 6 years old to explore our wonderful program and join us for an Ice Cream Social on Sunday May 19, from 12:30 - 2 p.m. Our Sunday Camp is a program geared towards introducing children and their parents to Jewish culture, holidays and the Hebrew language, in a warm and fun filled way. Please R.S.V.P. to office@etzhayim.org or call 432-0004 by May 16. Etz Hayim Synagogue is located on 1 1/2 Hood Rd. Derry, NH.

Exchange Student Program

Greenheart Exchange has many wonderful exchange students. Would you like to enrich your family, community and school? Ask about hosting an exchange student. Want to know more? Contact Ginger Smith 603-397-2494 email grandmaginger15@gmail.com

Antiques Appraisal Day!

The Historical Society will hold Antiques Appraisal Day on Sunday, May 19, starting at 1 p.m. doors open at 12:30 p.m. Bring your antiques, collectibles & family treasures to the Londonderry Historical Society's second annual event featuring Daniel F. Reidy, appraiser/antiques dealer/auctioneer. Reidy has 30+ years experience and is the owner of Discerning Eye, an estate appraisal and disposition planning business. The Morrison House Museum, 140 Pillsbury Rd, Londonderry. See more at www.facebook.com/TownOfLondonderryNHHistoricalSociety

Hop into It!

Join us on Tuesday, May 28, from 4 - 5 p.m. for a program full of high energy fun at the Leach Library. During this program, participants

will hear stories of the many different animals that hop. From leaping frogs and hopping bunnies to bouncing kangaroos and jumping fleas, participants will enjoy these exciting tales. We will also learn some fun animal facts and will end our program with a race to see which animal can hop fastest. Each participant will leave with a bouncing plush bunny ball to help them keep the fun hopping along. This adventurous program is open to 90 participants of all ages, and advance registration is required.

Car Seat Check Event

The Londonderry Child Passenger Safety Program conducts inspection events to check your child's car seat installation. Trained technicians check for recall, proper installation and discuss with the caregiver how to improve the installation and therefore the child's safety. We conduct these inspections twice a month, the 2nd Saturday from 9 a.m. - 9 - noon and the last (sometimes 4th) Wednesday night from 6 p.m. - 8 p.m. Appointments are required, please. Inspections are conducted at the Londonderry Fire Rescue South Fire Station 17 Young Road. For more information, or to make an appointment to have your seat(s) checked, please call 603-432-1104 ext. 4623 or via e-mail: cps@londonderrynh.org.

Toy Swap

Save the Date! Saturday May 18 at Matthew Thornton Elementary is the Annual Community Toy Sale. It's time to start collecting all those used toys, games, and baby items. Let us sell your gently used toys, while you reap the rewards! Raffle tickets for a NexGrill 2 burner, stainless steel portable gas grill will be available during sale hours. Winner will be drawn at the end of sale. All proceeds from the Toy Sale will be donated to the Londonderry Elementary and Kindergarten PTAs. For consignment sale rules and to register, visit the Leach Library or www.londonderrywomensclub.org/toysale. The event is hosted by the Londonderry Women's Club. Go to www.londonderrywomensclub.org for information.

Classified Advertising

READERS ARE CAUTIONED that we occasionally run ads that require an initial investment or money in advance. We urge our readers to "do their homework" before responding to any ad, check out the advertiser thoroughly and verify their claims to your total satisfaction. Only then should you proceed at your own risk. We try to screen ads that require you to send money before receiving a product or service. But these efforts are no substitute for your own investigation, and we don't endorse or guarantee any claims made in any of the ads we publish. If you want more information about claims made in ads on subjects such as work at home opportunities, travel or vacation specials, purchasing land or vehicles from government surplus or below wholesale, loans or other credit opportunities (including credit repair), or weight loss and other health products and services, we urge you to contact the Office of Attorney General, Consumer Protection Bureau, 33 Capitol Street, Concord, NH 03301 (603-271-3641) or the Better Business Bureau at 603-224-1991. Publisher is not responsible for any loss of business if an ad does not run, and we reserve the right to revoke any ad if deemed necessary. No refunds will be given for prepaid ads.

Londonderry Early Education Program

Now accepting applications for the 2019-2020 school year! Are you considering preschool for your child? If your child turned 3 by Sept. 1 and is a London-

derry resident, consider enrolling your child in the Londonderry Early Education Program (LEEP) preschool program. We are a developmentally appropriate preschool that is respectful of the talents and needs of individual children. Our teachers are all certified educators and the program is provided by the Londonderry School District. Programs for three-year old preschoolers meet from 8:45 - 11 a.m. either 2 or 4 days per week and our program for our prekindergarten students meet from 12 - 2:30 p.m. either 3 or 4 days per week. Tuition rates are: Preschool: \$150 per month for a 2 day per week program and \$200 a month for a 4 day per week program. Prekindergarten: \$180 per month for a 3 day per week program and \$200 a month for a 4 day per week program. Applications are available online on the Moose Hill School website. We also have our LEEP Handbook available online on the Moose Hill School website if you'd like additional information on the program. For more information, contact Kathy Kelley at 437-5855 ext. 7223 Please email Kathy Kelley at kkelley@londonderry.org or Kim Speers at kspeers@londonderry.org.

Greater Manchester Lyme Disease Support

Hosted by David Hunter this group meets on the third Wednesday of every month at 6:30 p.m. at the: Bedford Presbyterian Church 4 Church Road Bedford. For more information call 660-3425 or email dhunter31@gmail.com

Women's Writing Group

Derry Women's Creative writing group meets the second and fourth Thursdays of every month at the Derry public Library at 6:30 p.m.

Bingo

The Londonderry Senior Center at 535 Mammoth Road in Londonderry, has Bingo every Tuesday, Wednesday and Thursday from 12 p.m. to 2 p.m. all seniors over 55 are welcome, come and enjoy the fun. Cash prizes, small fee per card. If you want more information call Senior Center at 432-8554.

Walking Together

A support group for widows and widowers meets every 1st and 3rd Tuesday of the month at 7 p.m., at the Manse at Londonderry Presbyterian Church, 128 Pillsbury Road, Londonderry. When we meet, we walk together our journey of grief. No need to do it alone. If you have any questions, please call 781-866-9976.

Journey of Hope

Healing through grief and loss due to addiction. Londonderry Senior Center 535 Mammoth Rd., Londonderry. We offer the group on the second and fourth Sundays at 6 - 7:30 p.m. Our mission is to promote healing in the grieving process for those who have lost a loved one through the unique circumstances and chaos of addiction; through education, encouraging support and compassion. Facilitated by: Jim Gamache, Julia Gamache, & Jerry Goncal, Journeyofhope@gmail.com

Greater Manchester Lyme Disease Support

Hosted by David Hunter this group meets on the third Wednesday of every month at 6:30 p.m. at the: Bedford Presbyterian Church 4 Church Road Bedford. For more information call 660-3425 or email dhunter31@gmail.com

National Model Railroading

Seacoast Division of the National Model Railroad Association is running their Fun Night program. The program is held the second Friday night of each month, 7 - 9 p.m., at the Marion Garish Community Center, 39 West Broadway, Derry. Using Molds to make resin parts Rich Breton will be on hand to show examples of various molds, including two part molds, and will

spend in time with an interactive discussion and a show and tell type format. Mold making/casting is a way to get small detail parts not otherwise available. Always a part of the program is Model Showcase where modelers bring in the latest project they are working on to show and discuss. We will set up a swap table so bring anything that you would want to give away, sell or swap. Remember, one man's junk is another man's treasure. If you are interested in model trains and would like to join other like-minded hobbyists from beginner to expert for a fun evening program come to Derry Fun Night the second Friday of each month. For additional information go to the Division's website at seacoastnmra.org/calendar.

Child Find

Free Community Child Find Program for all Londonderry residents ages two half years through five years, eleven months of age who are suspected of having vision or hearing problems or developmental concerns. The Child Find Program will be held at Londonderry early education program (LEEP) Moose Hill School located at 150 Pillsbury Rd., on April 4. we encourage parents of preschoolers to set up an appointment if they have any concerns. For more information, or to schedule an appointment, call: Kathy Kelley 437-5855, ext. 7223 between 9 a.m. - 3 p.m. No Child Will Be Seen Without An Appointment.

Lamplighters

A womans group with the goal of helping less fortunate woman and people in New Hampshire meets the fourth Thursday of the month at 7 p.m. at Londonderry Presbyterian Church at 128 Pillsbury Road, Londonderry. If you have any questions please call 781-866-9976.
