Conservation Commission Hears Towing Company Plan

KELSEY DERHAK
LONDONDERRY TIMES

The Conservation Commission met on Tuesday, Oct. 27, to discuss a new site plan for a towing company off of Enterprise Drive.

Starting off the meet-

ing was Jason Lopez, the engineer for the new site plan, describing the lot in question which is located on Enterprise Drive. It is a 3.6 acre lot in the C2 district, it was previously reviewed in a site plan review in 2016.

The purchaser of the

property did not complete that site plan and is repurposing the site, which was previously approved as commercial use for a multi-unit building.

Town Council and School Board to Hold Joint Meeting

CHRIS PAUL
LONDONDERRY TIMES

During the latest School Board meeting held at the Londonderry High School on Tuesday, Oct. 20, Londonderry Town Council chairman John Farrell appeared during public comment to confirm that he and his fellow councilors would be attending the Tuesday, Nov. 17, for a joint meeting between the two government bodies.

The night before, during the Town Council meeting, Farrell had asked for a consensus on whether or not the council would like to attend a joint meeting between the two boards,

and was instructed that they would attend.

At the School Board meeting Farrell told the members that this was intended to be a meet and greet rather than a policy meeting, but added that the council's plan in the upcoming budget season would be to instruct all town departments reduce their budgets by two percent.

He added that the town is seeing early indications of revenue shortfalls, and out of an abundance of caution, we will be asking department heads for a starting point of two percent below the default budget.

He also added that he is learning about revenue shortfalls on a daily basis.

Farrell finished by saying, "I didn't want anyone to be to blindsided, if we just went out and did that and nobody knew why."

School Board member Steve Young was the only member to address the meeting agreement saying he doesn't normally address public comment issues, but asked Farrell how many employees the town currently has.

Farrell responded that he believed it was 199, but wasn't positive.

Young also asked

School Board Hears Updates On Winter Covid Procedures

KELSEY DERHAK
LONDONDERRY TIMES

The School Board held a meeting on Tuesday, Oct. 20, which included the discussion on the school's Covid procedures for the upcoming winter.

The Superintendent of Londonderry School's, Scott Laliberte, was there to jump start the discussion by first congratulating all students and staff in every school in the district for continuing to follow all the guidelines. While there have been cases of students testing positive,

"the cases have been from outside the building and there has been no transmission to anyone inside the buildings," says Laliberte.

Laliberte also mentioned that the students who have had to quarantine were able to continue their school work.

In regards to the school system or individual schools shifting to a remote model, it would heavily rely on two factors. Assistant Superintendent, Dan Black, notes that they are keeping an eye on two different things, how the virus

is moving through the community and how it is moving through the schools. "Basically as a county if you have 100 or more active cases per 100,000 people over a two week period they would consider that a substantial spread," says

Budget Committee Decides On Non-Profit Fund Allocation

KELSEY DERHAK
LONDONDERRY TIMES

The Budget Committee had its latest meeting on Thursday, Oct. 22, and one of the main topics of discussion was the allocation of funds for local non-profit organizations.

The committee recently changed its application process from in-person to online. This was to lessen the amount of exposure to multiple organizations who would normally have to come in and present in person.

Previously the applicant would fill out the application in-person

and have to provide a presentation to the Budget Committee over 2-3 meetings.

The application consists of around 12-13 questions to help streamline the process of decision making for the Committee.

The Budget Committee reviewed 13 organization's applications for the upcoming budget.

With 50,000 dollars to allocate, members weighted every application request, which totaled around 89,000 dollars, to the 50,000 dollars allotted. They agreed that this was the most fair way to oversee where the funds are

divided into.

During the meeting an issue did arise about a local Girl Scout Troop's application for a donation to their service project. Budget Committee member, Kirsten Hildonen, was in favor of the goal of this Troop's service project, even agreeing to donate privately, but was not sure it qualified for the Grant.

"If we approve this it does set a precedent that local organizations can get money for service projects from local organizations and this may go against what this fund is for," says Hildonen. Other Committee members agreed noting

that if community organizations want to do service projects that may be something different the town has to get involved in short of this where this is to help our most needy folks. Hildonen adds, "This could be done by a warrant article as there are other ways to get them their funding."

Members of the Committee are concerned for the Sunshine Soup Kitchen, an organization who doesn't get any money from the State or Federal Government. With Covid, they are in need of money to keep operations running throughout the entire

winter. The Sunshine Soup Kitchen, which is found in Derry, still sees about 25% of its visitors come from Londonderry.

The breakdown of the allocation was:

- Rockingham County Community Action Program-\$10,170
- YMCA- \$5,086
- Upper Room - Family Resource Center-\$9,485
- Sunshine Soup Kitchen - \$5,184
- Community Caregivers - \$5,765
- Rockingham meals on wheels-\$ 3,932
- Isaiah 58 - \$ 1,361
- Waypoint - \$2,274
- Home Health and Hospice-\$ 1,423

- Big Brother/ Big Sister- \$ 806
- CASA -\$605
- Girl Scouts -\$430
- RSVP Friends-\$888

The breakdown of the grant will then go to the Town Council for an official vote and if the Town Council decides to take the advice of the Budget Committee which is not to provide the money to the Girl Scouts, the Budget Committee will divide up the remaining money to the rest of the non-profits. The motion was then made to accept the FY 2020 with the weighted average for the Non-profit Community Caregiver Grant.

Schools

Continued from page 1

Black. The numbers have gone from 60 cases per 100,000 to 85 cases per 100,000 in Rockingham County at the current time of the school board meeting. Both Laliberte and Black would

like to see the school systems remain open as appropriate but agree that if the cases increase too much, all schools within the district would most likely go fully remote instead of shifting to a hybrid model. "We are trying to make our decision based on fact. There are people

who expect the worst to happen and we work very hard to remove that fear and make decisions based on science and in fact (referring to the decision to go remote)," says Laliberte.

School Board Member, Jenn Ganem, questioned what the contingency plan would be if

the school system were to see a large number of staff and student absences after the Thanksgiving holiday break. Concerned that there would be too many of those who traveled out of state and would have to quarantine for the recommended 14 days, she wanted to know what

options the schools would have. Laliberte answered Ganem's question by stating that if that were to happen the schools would go remote, but, "one of the things we are doing in the meantime is encouraging and working with our families to do the right thing and follow guidelines around travel throughout the holidays." Ganem mentioned the idea of surveying the families in the schools to see if the district could get a rough estimate of those who plan on traveling. Another major concern the district is facing is staffing the schools and being able to make sure

that if the number of staff out is too high from those who have to quarantine that they are able to get coverage for those who need it. This would also likely lead to the possibility of schools having to go partially remote for a day or two.

Chairman of the School Board, Michael Saucier, ended the meeting by reminding the public that "we don't want to go remote unless we absolutely have to." With School Board member, Bob Slater, challenging the community to "tighten up the belt" and continue with social distancing, mask wearing, and washing your hands frequently.

Annual Nutfield Holiday Parade Will Be Different This Year

CHRIS PAUL
LONDONDERRY TIMES

The holiday season is starting to get into full swing again, but this year, with the COVID-19 Pandemic restrictions in place, the approach to events that have not been cancelled will be much different.

The Greater Derry/Londonderry Chamber of Commerce recently announced that

the annual Nutfield Holiday Parade will be held on Saturday, Nov. 28, but the parade will not be celebrated in the traditional way, the event will be utilizing a stationary parade approach to maintain safety. The theme for this year will be "Unsung Heroes."

The 34th annual Nutfield Holiday Parade will start at 1 p.m. on Saturday, Nov. 28, at Pinkerton Academy. The "Unsung Heroes" stationary parade will have participants parked at Pinkerton Academy and spectators will drive through to view the bands, floats and other participants.

According to the Chamber, the Nutfield Holiday Parade is one of the largest parades in southern New Hampshire and typically features the sights and sounds of more than 80 festive floats, marching bands, comical clowns, and costumed characters. Organizers expect most participants to join this year's format and extend a special thank you to Pinkerton Academy for providing a safe space to host the festivities.

Participation in the parade is free for area businesses, community nonprofits and other organizations. Groups looking to enter a float, performance unit, or

other entry into the parade must complete an online registration form and an online organization biography form by Friday, Nov. 20. To register, people can visit the events calendar at gdlchamber.org.

This year's stationary parade will feature additional safety guidelines for participants and spectators to ensure it is an enjoyable experience for all.

Parade Committee Chair, and recently named Citizen of the Year, Steve Dente said,

"While participation in the parade is free, organizing the parade is not. Even with volunteer labor, parade costs can exceed \$10,000 each year. To make this community event a reality, the Chamber's Parade Committee seeks financial support from the community."

Those wishing information on parade sponsorship opportunities and benefits can email Chamber President, Ashley Haseltine, at ashley@gdlchamber.org.

Conservation

Towing, plans to have a garage for storage of tow equipment, an impound lot, and storage of vehicles on that property. The new proposed site plan has a smaller building which is a 3,900 sq ft garage, a gravel portion on the rear of the property will hold the non-motorized vehicles. This property will be used as an accessory site to Bachmann's main business site.

The plan was being brought before the Conservation Commission because of the expiration of both the site plan approval and conditional use permit.

There are currently two separate buffers on the property, a 50-foot buffer as well as 100-foot buffer which contains a perennial stream.

The 50-foot buffer is the area that will be impacted by the development on the property. The wetlands area on the site will not be

affected by the buffer due to the placement of the treatment swale. The current engineers are working alongside the previous site engineer from 2016. This is when the property was last being developed to keep the plans for the detention pond and treatment swale, which were previously approved for a conditional use permit. The current site plan meets pre- and post-drainage calculations and those have been submitted to the planning board for an engineering review.

The questions and concerns from the Conservation Commission start at the storage of vehicles on the property and any leakage of fluids that could affect the wetlands. Owner of Bauchmann's Towing, Brian Bauchmann, was there to answer their concern by telling the Commission, "all the cars when they get back to site have lost anything they

are going to lose, but if they do leak anything there are pads put underneath the vehicles to collect that." The other concern from the Commission was the view from the Rail Trail and if those who use the rail trail would be able to see the site from the trail. Lopez plans to duplicate ver badem what was previously approved for alongside the Rail Trail.

Because of the way the street is laid out, in order to develop the lot it needs stormwater management and mitigation. Due to the topography of the site in order to provide stormwater management controls they must outlet at a grade that puts it within the buffer.

Because of this, the Conservation Commission motioned to recommend the approval of the Conditional Use Permit to the Planning Board.

The motion was carried and will be presented to the planning board for final approval.

Editorial

Nov. 11th Veteran's Day

Veteran's day is fast approaching once again. This holiday was originally proclaimed in 1919 by Woodrow Wilson as "Armistice Day", during a time when the world had seen what they thought was the first and last major global conflict, what is now known as World War I, but was originally known as "The Great War" or the "War to end all wars".

Since then, American men and women have continued to distinguish themselves in the service of this great nation, from WWII, Korea "The forgotten war", Vietnam, Desert Storm, and the Global War on Terror, among others, which seems to have no end in sight.

Since the end of WWII most of us can remember growing up and being warned of the Communist threat in Eastern Europe and Asia. Our great Nation provided the global leadership necessary to overcome this threat - known as the "Cold War" because there were few actual shots fired between the United States and the Soviet Union - in the end we prevailed, but many veterans spent many years standing sentry against the threat, be it on a watch in West Berlin, aloft for the Strategic Air Command or supporting counterinsurgencies in Central and South America and elsewhere.

Veterans of all branches of the

armed services generally enjoy a great sense of camaraderie. As a 21-year retired Marine, I had the chance to observe this first hand very recently at my job. I often go to meetings where I do not know all of the participants, and as most former military do you always scan all of your surroundings when you enter the room and make a mental note. For all Marines and certain members of the other branches - like US Army Airborne, Rangers, Infantry, Special Forces, Delta, US Navy Seals, USAF Combat Controllers/Para Rescue, when your eyes meet it's often very instinctual to sense another operator. In my case I immediately made a new friend that day.

The United States is somewhat unique among world powers and history in that our Service men and women swear an oath of allegiance, not to the a King, but to the Constitution, which is the governing document by which our Government derives its power - a contract with our people. This is the root of "service", against enemies foreign and domestic.

Please take the time to thank a vet, and when you do, recall that he or she thought so much of your freedom and your rights that they swore an oath to the Constitution and service to the country, up to and including their life.

"It Is The Best Of Times It Is The Worst Of Times"

To the editor,

If ever anything summed up the way 2020 has gone (and still goin); Pandemic; Election etc, it was Halloween.

My wife and I have lived in Londonderry for over 18 years in a very nice over 55 community (Parrish Hills) and every year for Halloween, we would be at the door from 5 to 8 giving out candy and treats.

This was something that gave my wife and myself great pleasure as it reminded us every year of those happy times gone by.

This Year, we had Three children (my grandchildren) and not one other child. Sad would be an understatement, as it only intensified how this year has gone and that there are still darker days ahead.

Free and Reduced Lunch

To the editor,

More than just a free lunch, the Free and Reduced lunch program affects funding for all children. This valuable program has positive impacts on many children- here in Londonderry and across the United States. Any family that has an income below a certain level is eligible, and they are eligible based on their income when they apply. Income limits change depending on household size- a family of four can earn up to \$48,470. If you

recently lost a job or otherwise have had a reduction in your income, please apply to the Free & Reduced Lunch program at lunchapplication.com.

In Londonderry, and in many cities and towns across the state, the percent of families filling out their applications for free and reduced lunch has declined- down over 2% from the last school year. This decrease is occurring at the same time that we know many families are struggling with job losses and economic uncertainty.

Currently, all of Londonderry's children are receiving free and reduced lunch, but your application still matters. The percent of children who are eligible for free and reduced lunch impacts other forms of funding Londonderry receives, such as Title I funding, Federal Programs and Adequacy Grants. Other types of funding from the state are often linked to the percent of the school population that is eligible for free or reduced lunch. These funding sources give Londonderry the opportunity to offer academic programs that help all children succeed. Put simply, not applying for free and reduced lunch now impacts the ability of the district to offer programs and services that help ensure all of our students succeed.

Applications are completely confidential. Students receive their lunch the same as any other student, and no one- not your child's teacher, or their peers, or even the principal knows they are receiving

free or reduced lunch. If you or anyone you know needs this help, please apply!

Thank you,
Londonderry School Board

Remembering Veterans

To the editor,

On this Veterans Day, November 11, 2020, we extend our appreciation and thoughts to all Americans who are fighting the war against the coronavirus; and we also wish to acknowledge the veterans of the Jones and Moskowitz families who served during major wars from the Civil War to the War On Terror.

During the Civil War 1st Sargent John B. Jones (Elizabeth's grandfather) and Corporal William E. Jones (Elizabeth's great uncle) were in the 5th New York Cavalry Regiment from upstate New York within the period 1861 to 1865. They fought in many battles, including the Orange Court House, Brandy Station, The Wilderness, Spotsylvania Court House, Cold Harbor and Gettysburg.

Donald's grandfather, Pvt. Max Moskowitz, served in the U.S. Cavalry (Roughriders) in 1898 during the Spanish American War.

During World War I Alton Christmas Jones (Elizabeth's father) and William Howard Jones (uncle) served in the USMC and saw action at Belleau Wood, Chateau-Thierry, Aisne-Marne, and Meuse-Argonne. William Howard received the U.S. Silver Star and the French Croix De Guerre medals

Caregivers Move Back To Derry from Londonderry

CHRIS PAUL
LONDONDERRY TIMES

Community Caregivers of Greater Derry & The Loaner's Closet for Durable Medical Equipment has moved back to Derry after spending the past six years in Londonderry. The Caregivers last location in Derry was in the Masonic Temple, but space needs had them move to Londonderry. The new Derry location is right in the heart of downtown, accessible to all and open back to the public after seven months of only being able to provide curbside services.

The new location, in the historic Merchant Row Depot Square Office Building's basement floor, is complete with 4,100 square feet of office space, meeting spaces and Loaner's Closet showroom.

"Moving in the age of COVID-19 not only seemed impossible but overwhelming. As an essential service, the agency has hundreds of seniors and disabled individuals dependent on them so interruption of service was not an option," said Executive Director Cindee Tanuma.

The Caregivers pray-ers were answered with

more angels than they can count. An online giving campaign yielded nearly \$8,000 to pay for renovations and a grassroots paper campaign raised twice that much.

All the donors wanted to be part of the 32-year-old story that is Caregivers.

A community of volunteers and donors that see the value in People Helping People.

Benson's Hardware provided all the lumber and sheetrock, the Derry Village Rotary provided the labor to design, frame and construct the new offices which were formally an open concept daycare.

The Londonderry Rotary underwrote the cost of carpet and vinyl cleaning, Sherwin Williams and Steve Dente of Simpson Painting provided paint and supplies, Jackson Lumber donated all of the doors, Alpha Locksmith assisted with rekeying the facility, Valley Networks installed all data lines and security cameras, ServPro for VCT removal, New England Royal for post-construction cleaning, Harry Carter Master Electrician & Nusbaum Electric completed all electrical work, ReSource Office

Furniture in Salem provided office furniture and some carpeting, People's United Bank donated additional office furniture and Ed's Flooring and SNH Plumbing for completing their work in a very short time frame and Rig A Tony's provided food for the workers for one whole week.

Derry Village Rotary members Steve Dente, top, and Charlie Crompton put some finishing touches on the new home of the Community Caregivers of Greater Derry. Photos by Chris Paul

Close to 40 volunteers helped with construction, plumbing, painting, cleaning, packing and moving and unpacking donating a cumulative 500 hours of service.

Those who wish can visit the new facility at 6 West Broadway, Unit 6 in Derry Monday through Friday 9 a.m. to 3 p.m. Contact tracing system in place and mask use is

OBITUARY

Ernest G. Lancot

Ernest G. Lancot, 91, of Londonderry, NH, formerly of Everett, MA, was called to the Lord on Saturday Oct. 31, 2020 at Elliot Hospital in Manchester, NH after a period of declining health. He was born June 14, 1929 in Waltham, MA and was the son of the late Ernest N. and Anna O. (Rinaldi) Lancot. He was raised and educated in Everett, MA and had been a resident of Londonderry for the past 22 years.

Ernie served in the United States Marine Corps during the Korean War. He was employed at General Electric Corp. in Lynn and Everett, MA for 33 years as a Quality Control Inspector, retiring in 1992. Ernie and Tina enjoyed many years of camping with family and friends. Ernie's love of cooking was enjoyed by all throughout his life. He enjoyed traveling, gardening and was an able handyman, happy to help others in need. He was a longtime communicant of St. Jude Parish of Londonderry, a proud member of their choir and the St. Jude Senior Club. Ernie had many friends at the Londonderry Senior Center. Ernie will be remembered for his powerful voice. A man devoted to his catholic faith, he was involved from a young age singing in the church. For over 30 years he was a very active member of the St. Therese's Parish in Everett. Ernie will be remembered as a loving husband, father, and grandfather. His greatest joy in life was his grandchildren.

He is survived by his beloved wife of 65 years, Concetta "Tina" (Galante) Lancot, two daughters, Denise McEvoy and her husband Charles of Quincy, Ma, and Maureen Evangelou of Londonderry, three grandchildren, Olivia McEvoy, Karyn McEvoy and Derek Evangelou. He is predeceased by his sister, Marie McElveen.

The Lancot family would like to express a thank you to the caretakers at the All American Assisted Living in Londonderry that took such loving care of Ernie the last few years, as well as, the Fitch Unit at the Elliot Hospital as he began his final journey.

Calling hours will be held Friday Nov. 6, from 9 - 10:30 a.m., at the Peabody Funeral Homes and Crematorium, 290 Mammoth Rd., Londonderry. A Mass of Christian Burial will follow at 11 a.m. at St. Jude Parish, 435 Mammoth Rd., Londonderry and conclude with entombment in Mt. Calvary Mausoleum, 474 Goffstown Rd., Manchester, NH. Due to State of NH guidelines, all guests are required to wear masks, minimize contact and maintain social distancing.

John Jones and Edward Jones (Elizabeth's brothers) served in the late 50s and early to mid 60s, John U.S. Army and Edward, USMC. Donald Moskowitz was an E5 in the Navy in the 50s and then was a Vietnam era veteran in the 60s serving as a Navy officer on 13 ships. He continued his service to the country with

almost 20 years in the American Legion, including positions as Post Commander, Department (State) Treasurer and Department Vice Commander. Robert Nichol (Elizabeth's cousin) was a platoon leader in Vietnam from 1969 to 1970. He was in the 1st Infantry Division and the 101st Infantry Division. During his Vietnam service he was awarded the Silver Star, two Bronze Stars, and two Purple Hearts.

Michael Gerard (Donald's and Elizabeth's son-in-law) was an Airman First Class, USAF in the early 80s. Jeffrey Ammons (Donald's nephew) served as an Army officer during the

War On Terror.

Our families wish to pay tribute to the many millions of U.S. veterans who have served our country during the past 245 years.

Commanders

To the editor,

As a former Air force Officer, I applaud Donald Moskowitz and his many family members for service to country. True patriot's all, if the upcoming election was based on military contribution by either contender, we would have a sorry lot to choose from.

One in Donald M's word, a draft dodger (Trump). The other, in my word, a political hack who hid behind as important to the war effort. I say this with tongue in cheek. Would any one think a Politician is important to the war effort (Biden)? If we discussed governing the country, I would obviously differ with Donald M., a never Trump.

His letter and mine speak to military failures. Trump words directed to the military are way out of line, reprehensible! As to Biden, who can forget Benghazi? Under his watch which included Obama and Hillary. A U.S. ambassador and marine

guards were massacred. A contingent of marines were standing by and may have saved those under attack. Civilians ordered them to stand down. Thus the massacre. What I found especially galling was the scene in a military hanger. Flag draped coffins, family members and those responsible for their deaths. Obama, Hillary and Biden. While Donald M and I would differ on Presidential contenders, I think we would agree civilians should stay out of military matters whenever possible.

God bless America
God bless our Military

Lancer Football Squad Takes First Step to Defending Title

CHRIS PAUL
LONDONDERRY TIMES

Although the Londonderry High Football team got off to a bit of a shaky start on their way to defending their Division I title, but with the help of some strong defense, the Lancers were able to move past the Windham High School Jaguars in the first round of the playoffs at home with a solid 21-2 win.

The first possession for LHS Quarterback Dylan McEachern and his squad had them starting from their own one-yard line after the team had forced WHS to punt from midfield.

That very first play for the Lancers resulted in a sack by the Jags and a two-point safety result. Giving the Windham team the early lead and another ball possession.

Some of the first quarter problems could have been attributed to being tired from having to shovel snow from the field the night before, but the fourth quarter had the home team in true form, as they finished with two touchdowns.

Lancer senior, Nick Asadoorian, zeros in on the Windham Quarterback during Saturday's victory.

The ensuing drive almost resulted in six more points, but a fourth-and-nine holding penalty negated a touchdown for Windham.

Shortly after that, Lancer Wil Reyes came up big with a blocked field goal attempt by WHS.

The offensive problems continued for the Lancers when they got the ball back though, two high snaps resulted in a third and 33, forcing a punt to end the second drive by LHS.

In the Jags next drive,

a bad execution of a lateral resulted in a fumble that the LHS defense recovered.

That possession by the Lancer offense did not result in any points, as the Jags stopped the Lancers at the 30-yard line.

The LHS offense did however end the half on a high note, with a 14-yard pass from McEachern to Reyes for the Lancer's first points of the game. Zach Fawcett's extra point was good, and the home squad left the field with a tight, 7-2 lead.

The third quarter didn't result in points for either side, and the Lancer defensive squad was able to hold back the Jags to give the Lancers a last period push.

In the fourth quarter, the Lancers finally pulled away from Windham with a McEachern run from the 38-yard line for a TD and a Fawcett extra point.

Then with less than four minutes in the game, Trevor Weinmann had a 16-yard touchdown run. Fawcett added another sure-footed point and the Lancers

were on their way to another playoff game.

Londonderry wound up with 287 yards of total offense in this one with WHS getting 167.

McEachern was seven out of 13 in pass completions for 102-yards with Nick Asadoorian being the high receiver with two receptions and 32-yards.

Asadoorian was also big on defense with 6 tackles, followed by Riley Boles, Colby Ramshaw, Aiden O'Loughlin and Robbie Derhak with five tackles.

The Lancers next game will be a quarter-final game against the Salem High School Blue Devils on Saturday, Nov. 7, at 1 p.m.

Lancer junior, Colby Ramshaw, gets some yardage after a catch on Saturday.

Lancer Volleyball Squad Advances to DI Semi-Finals

CHRIS PAUL
LONDONDERRY TIMES

The Lady Lancer Volleyball squad will be advancing to the NHIAA Division I Semi-Finals this year thanks to two strong performances at home against Timberlane Regional and Windham High Schools.

In the preliminary game against the Timberlane Lady Owls, LHS was able to easily get three straight wins at home on Thursday, Oct. 29, and advance to the Quarter-finals.

In that match, the Lady Lancers won in three straight sets 25-21, 26-24 and 25-14 despite working from a deficit to start each game.

Lancer Sophomore, Lexi Small, had 30 assists, two aces and five digs, while junior Kelsey Sanborn managed 15 kills and seven digs.

Senior Jordan Galluzzo had 10 digs and seven kills, sophomore Madi Saucier got three blocks and three kills, while Sarah Joe tallied six kills.

The Lady Lancer's next playoff win came after a strong performance at Londonderry High School against the Windham High School Lady Jaguars at LHS on Saturday morning, Oct. 31.

During the regular season, the two teams had split victories, with

LHS winning on the road in the first match, then WHS returned the favor in the second meeting with a 3-0 win.

On Saturday, the Lancers girls took three of four wins. The first was a convincing 25-16 LHS win, the second was a closer 25-21 Lancer victory. In the third game, Windham turned the tide a bite with a 19-25 win, but the Londonderry girls finished the match with a slim 25-22 win to advance.

The first three games all had the Jags coming out of the gate strong, resulting in 9-2, 6-1 and 11-2 starts respectively, but despite that, the home squad was able to battle back for the overall wins.

Sanborn had a big game with 18 kills, seven aces and nine digs.

Galluzzo finished the morning with 14 kills and nine digs.

Small had 27 assists and 10 digs, while Emma Detellis got 13 digs and two aces.

Sarah Joe tacked on four kills, and three digs and Abby Sakellar had seven digs.

With that win, the

Lancer Sarah Joe goes for a kill during the teams quarter final match against the Windham Lady Jaguars on Saturday morning.

Lady Lancers advance to the Division I semi-finals on Wednesday night, Nov. 4, at Hollis-Brookline High School (HBHS) after the Londonderry Times went to press. The Lady Lancers faced HBHS during the regular season at home, on Oct. 17, and lost in straight sets.

Athletes of the Week

Week of Oct. 26

Riley Boles, Junior Varsity Football

Riley Boles has become a standout on defense this season. His efforts Saturday on defense and special teams helped pitch another shutout performance for the Lancers defense. Riley recorded six tackles and two tackles for loss in a playoff win vs. Windham

Emma Detellis, Senior Varsity Volleyball

Emma Detellis really responded to a new challenge this past week in the playoffs. Emma took on a new position on and off the court as a team leader. Her excellent defense, consistent serving and calming demeanor helped propel the Lancers through the first two rounds of the playoffs.

Lancer Boys Soccer Team Makes it to DI Quarter Finals

CHRIS PAUL
LONDONDERRY TIMES

The Londonderry Boys Soccer Team had two NHIAA Division I playoff games last week, both in rainy conditions, but only one having a positive outcome.

Londonderry finished this very abnormal fall season with an extremely strong 9-1-1 record and by outscoring opponents 36-5, and they headed into the postseason feeling very positive.

In the LHS boy's preliminary round game, against the Salem High School Blue Devils, the result was a 6-2 win, giving them a head of steam for the quarterfinals.

In that first game, the Lancers traveled to Salem High School and quickly controlled the game with three unanswered goals in the first half.

Just over two minutes into the games, LHS senior Aidan Dennis put the first goal into the net on a through ball from junior Tyler Kraft.

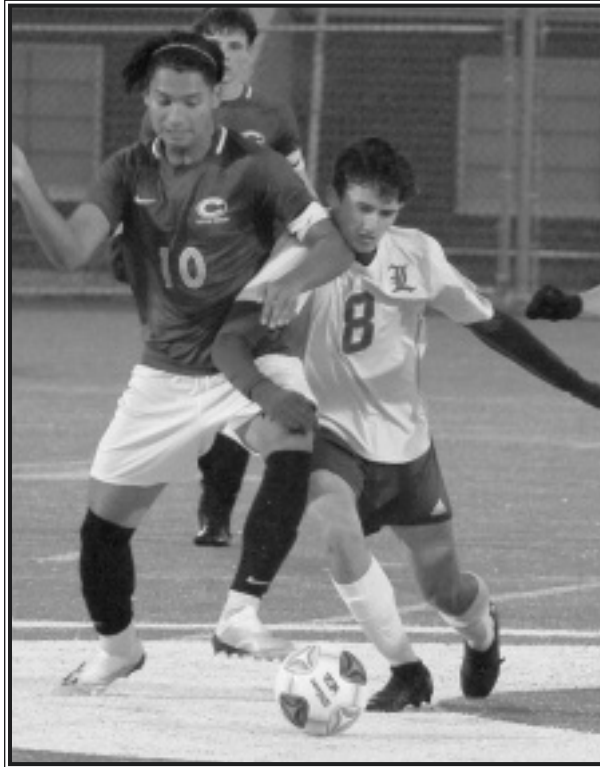

About 30-minutes later, sophomore Christian Levantovski-Correa celebrated his very first varsity goal with an assist from Hunter Smith.

Under three minutes later, Hunter Smith got his first goal of the game from Dennis.

In the second half senior Smith got his second goal with an assist from Dennis to make the score 4-0.

Salem responded with two goals giving them a glimmer of hope, but Lancer senior Braden Brassard made it 5-2 with an unassisted goal.

Hunter Smith tacked on another goal for his hat trick and the final goal of the game. Smith was assisted by Brassard

on that goal.

Londonderry senior keeper, Steven Swiderski, had seven saves, while

Salem got eight saves.

Coach Todd Ellis commented after the game, "It was great to win

today and get to play Central on Wednesday. We finished the ones we needed too, but to Salem's credit they did not quit and kept the pressure on us. Defense came up big today to clear some ball off of the line, and Swiderski had a nice tip over the crossbar."

In the quarterfinals, the Lancer boys traveled to Gill Stadium in Manchester to face an undefeated Manchester Central squad and the news was not good for the visitors.

The speedy Little Green team scored five unanswered goals against the Lancers in some wet slippery conditions.

The LHS boys managed to keep things close in the first half, only giving up one goal in the first half, but four more goals in the second half had

the Londonderry squad exiting the playoffs in the quarterfinals.

The Lancers were only able to penetrate the Central defense for one shot on goal.

After the game, Ellis said, "We came out and made it tough for them for most of the first half. However, they were relentless in the pressure that they put on us. We gave up some tough goals, and weren't able to maintain any meaningful full ball possession. Central is a very good team and deserved the win. Our kids never stopped playing though."

On the very odd season, Ellis commented, "Over all it was a good season, great group of kids to coach, and great to have a season at all. Thank you to the SAU, school board, LHS administration, and all that made this happen."

Lancer Boys Take Second In State Cross Country Meet

CHRIS PAUL
LONDONDERRY TIMES

The New Hampshire Interscholastic Athletic Association held the Division I Cross Country Meet at Derryfield Park in Manchester on Saturday, Oct. 21 and the Londonderry Boys team had four top 11 finishers, but trailed the Concord High School team by 22 points to take second place.

In the girl's competition, the Lancers top runner came in at 29th and help achieve an eighth place team finish.

BOYS

In the boy's race, 16 teams from across New Hampshire competed, and the Concord and Londonderry High School teams had most of the top spots filled.

Concord took first with 28 points, LHS had 50 for second, Bishop Guertin took third with a distant 105 points. Nashua North (139) was fourth, and Portsmouth (176) filled out the top five.

Individually, Concord got first, second, seventh, eighth, tenth, thirteenth and the twenty-second spots.

Londonderry captured the third fourth, ninth, eleventh, twenty-third, thirty-second and fifty-fifth spots.

Top 12 results: (1) Eben Bragg, Senior, Concord at 16:07.5. (2) Brayden Kearns, Senior, Concord 16:18.2. (3) Ryan Young, Senior, Londonderry -16:30.7. (4) Matthew Griffin, Senior, Londonderry - 16:34.8. (5) Tyler Sheedy, Junior, Dover -16:36.5. (6) Nate Fondakowski, Junior, Bishop Guertin - 16:51.2. (7) Ryan Ciesluk, Senior, Concord - 16:56.9. (8) Zachary Hooper, Junior, Concord - 16:57.1. (9)

Sean Clegg, Sophomore, Londonderry - 16:59.7. (10) Sam Hilt, Junior, Concord - 17:01.4. (11) Ryan Fortin, Sophomore, Londonderry - 17:06.3. (12) Matthew Allen, Sophomore, Exeter - 17:14.4.

Other Londonderry boy finishers were: (23) Will Plante, Junior, 18:02.5. (32) Cole Borovicka, Junior, 18:23.4. (55) Matthew Vogel, Senior, 19:03.1.

GIRLS

In the girl's battle for a Division I title, Concord

High School took the top spot also. The Crimson Tide girls had 52-point, and Exeter High School was a close second, with 59-points. The Bedford Bulldog girls came in third with 94 points. Londonderry finished in eighth place as a team.

Bedford senior, Carly Rinko, was the fastest girl in the state with a run of 19:54.8. Rinko was just 1.3 seconds in front of the Bishop Guertin junior, Marykate Finn, who took second place

at 19:56.1. Concord junior, Katherine Kennedy, was the third girl across the finish line at 20:10.8.

There were 100 racers who finished at the state event, and the Londonderry finishers were: 29th Grace McDonough, Junior, 21:47.5. 34th, Gabrielle Page, senior, 22:08.6. 50th, Alea Millis, junior, 22:47.9. 51st, Katie Kraft, sophomore, 22:48.6. 60th, Emily Smith, sophomore, 23:12.2. 70th, Adriana Nadeau, junior, 24:01.9. 79th, Rebecca Buckley, junior, 24:48.9.

Lady Lancers Bounced in First Round by Fast Central Team

Lancer Ashley Manor takes on the Central keeper Morgan Woods. Photo by Chris Paul

CHRIS PAUL
LONDONDERRY TIMES

The Lady Lancer Soccer Team had a fairly short encounter with the NHIAA Division I Tournament playoffs, as they were unfortunately saddles the unenviable task of facing and extremely quick and officiate Manchester Central Little Green Team in the first round.

In that game, that happened in Londonderry on Tuesday, Oct. 28, the Little Green girls managed a 4-2 victory on a rather damp night.

That night the LHS girls knew they'd have their hands full trying to contain Central Seniors Victoria Keyes and Erin Flurey.

After a very strong defensive stand by the Lady Lancers in the first half, the two teams exited the field scoreless. Although, Lancer senior Katie McCudden was inches away from giving her team a one-goal lead when she banged a long shot off the crossbar with two-minutes left in the half. Junior Ashley Manor also came close, with a breakaway

stopped by Morgan Woods, the Manchester keeper.

The second half had the Central girls come to life, with two goals; one by Flurey in the 44th minute and the second coming off the foot of Keyes, assisted by Mia Silveira five minutes later.

Two minutes later Manor gave the Londonderry fans some hope, when she scored on an open net after some confusion in front of the goal by Woods. The goal was assisted by junior Brynn Foster.

The Central girls sealed things up with two more goals by Keyes, giving her a hat trick, assisted by Ajlina Cehic and Darby Bailey.

Lady Lancer Mid-Fielder Manor got her second goal of the evening to end the scoring, and the Lancer season.

Londonderry had 9 shots on goal to Manchester's 13.

Londonderry junior goalie Liana Sawyer had seven saves, while Woods had to make five for Manchester.

After the game Head

Coach Derek Dane reflected on the season, "I am thrilled that the group got to play this fall. Kuddos to the school board and the administration at LHS for giving us the opportunity and guidelines to allow the athletes to safely do something that they love."

He added, "We took awhile to find our identity but once we did, we were fun to watch. Our home game with Nashua North was like no other game that I've ever been a part of in my 30-years of coaching. To be down 5-1 with 35-minutes to play and came back to win 7-5 was incredible."

Dane also said, "I feel as though we were just hitting our stride when the season ended. The random, post-season draw was a little harsh to us, but we gave it an honest effort. During the season, the group showed lots of resilience, perseverance and grit. I'm really proud of them. We have 15 players returning next year and I'm looking forward to see what they can do with a full season."

Classified Advertising

READERS ARE CAUTIONED that we occasionally run ads that require an initial investment or money in advance. We urge our readers to "do their homework" before responding to any ad, check out the advertiser thoroughly and verify their claims to your total satisfaction. Only then should you proceed at your own risk. We try to screen ads that require you to send money before receiving a product or service. But these efforts are no substitute for your own investigation, and we don't endorse or guarantee any claims made in any of the ads we publish. If you want more information about claims made in ads on subjects such as work at home opportunities, travel or vacation specials, purchasing land or vehicles from government surplus or below wholesale, loans or other credit opportunities (including credit repair), or weight loss and other health products and services, we urge you to contact the Office of Attorney General, Consumer Protection Bureau, 33 Capitol Street, Concord, NH 03301 (603-271-3641) or the Better Business Bureau at 603-224-1991. Publisher is not responsible for any loss of business if an ad does not run, and we reserve the right to revoke any ad if deemed necessary. No refunds will be given for prepaid ads.
