Third Annual Walk-A-Thon Honors High School Guidance Councilor

CHRIS PAUL
LONDONDERRY TIMES

The memory of a beloved Londonderry High School guidance counselor, Kate Sherwood, will be honored during the Third Annual Kate Sherwood Foundation Walk-a-Thon at the LHS track on Sunday,

May 7, starting at 11 p.m. and ending at 2 p.m.

The event has been organized through the Kate Sherwood Foundation, the LHS Student Council, and Hannah Dailey, a LHS Student Council Advisor. The group is hoping for the event to be well attended this year.

Sherwood was remembered for her focus to help those in need and was a lifelong student, attaining two master's degrees and working on her doctorate when she lost her battle with cancer.

According to the Kate Sherwood Foundation **continued on page 5**

Assessor Presents To Town Council On Elderly Tax Exemption

ALEX MALM
LONDONDERRY TIMES

Londonderry Assessor, Steve Hamilton, went in front of the Town Council on April 10 to discuss the elderly tax exemption,

"On a regular basis we want to make sure we maintain and manage the asset and income limits for the exemptions that can be granted to the elderly and the disabled," Hamilton said.

He stated that the last time it was updated was in 2020 in the wake

of the 2019 revaluation.

It was explained by Hamilton that they did an analysis of how their maximum income levels for the exemptions compares to other communities and how it comes to the CPI.

Hamilton said the current single person maximum income to earn a tax exemption is \$40,000 in town, but the CPI adjusted amount is \$48,002. The SSI COLA adjusted amount is \$48,348.

For a married couple,

the current exemption level is \$50,300, while it's \$59,203 for the CPI amount and \$59,606 for the SSI COLA adjustment.

Hamilton said they also looked at the maximum amount of assets that people can have and qualify. The asset limit in town is \$137,000 compared to the CPI adjusted amount of \$161,249 and \$162,345 for the SSI COLA adjustment.

He said that includes **continued on page 3**

Expansion Plan of Woodmont Commons Linked to Utility Plan

PAUL CONYERS
LONDONDERRY TIMES

The Planning Board opened its meeting on, Wednesday, April 17, with the yearly update on the 600 acre parcel in Londonderry known as Woodmont Commons.

"This is an annual experience for us, Woodmont gives us an update," explained Planning Chair, Arthur Rugg. "They also have to show that they're also either tax positive or tax negative, if it is tax negative, they owe the town money."

Rugg added that Woodmont has not been tax negative following any update so far.

The update started with some connection difficulties, Lucy Gallo was online to give a fis-

cal impact statement. She noted that Woodmont Commons saw a period of growth from 2021 to 2022, with "approximately 229 new residents," mainly new apartment tenants "as opposed to 179 residents" in the last report.

Regarding property tax revenue from 2021 to 2022, the project "saw \$76 million in assessed value and that yielded an annual revenue of \$317,000," according to Gallo. "Based on the findings of this report, there are no amounts due to the town under the terms of the development agreement." Woodmont remained tax positive for another year, with an expected increase in property tax revenue for the 2022 to

2023 year.

Project consultant and past Town Manager, Kevin Smith, gave a quick update on current plans for Woodmont, having been involved in the complex since its initial approval in 2013.

"Woodmont is a project I'm intimately familiar with," said Smith as he outlined a few 2023 additions. "The first being Derry Medical Center, which is slated to open in May, and the **continued on page 6**

School Board Discuss Safety Concerns With Dress Code Policy

ALEX MALM
LONDONDERRY TIMES

A policy which would change the school dress code for both Londonderry Middle School and Londonderry High School had a second policy reading during the April 4 School Board meeting. It was explained previously that the discussion of changing the dress codes began during the summer when it was pointed out that the dress code hasn't been changed in a number of years.

As part of the pro-

posed dress code, one of the changes being proposed was to allow hoods to be worn when the students are in the hallways, but not in the classrooms or other academic settings.

One of the main concerns that was raised during the previous meeting was in regards to safety concerns from students wearing hoods.

School Board Vice Chair, Sara Loughlin, who proposed looking at changing the dress code originally, explained that she was concerned that there could be a safety

risk in identifying students if they were wearing hoods and asked that they confirm with the administrators and school resource officers that there were no concerns.

Superintendent, Dan Black, said they did just that.

"They went back and did their due diligence as requested," said Black.

He stated that all the groups responsible with enforcing the policies were comfortable with having hoods in the halls.

"I trust all those

groups, so I will support them," said Black.

Londonderry High School Assistant Principal, Crystal Rich, who co-chaired the dress code committee, said they are generally able to identify students easily.

"I think as a school, we have a really good grasp on our students," said Rich.

Loughlin said that while she appreciated an additional review of the policy, she still had concerns about hoods in the halls.

"I still have some concerns about the safe-

ty aspect of this," said Loughlin.

She explained that if they were going with hoods, she would feel more comfortable with them being allowed in the classrooms when they know who the students are.

"I still have some concerns," said Loughlin.

High School Principal, Jason Parent, said there are some other ways to identify students through things like student IDs.

In addition to hoods being allowed in academic settings, the dress code change

would allow hats to be worn as long as it doesn't cover students' ears. Other proposed changes in the policy include students needing to have their student ID on them at all times and all shirts needing to have two straps.

Rich said essentially the way the hat policy is being proposed would make it more difficult for students hiding things in their ears like ear pods.

The School Board unanimously voted 4-0 to advance the proposed policy to a third reading.

North School Temporary Classroom Decision Tabled by Board

ALEX MALM
LONDONDERRY TIMES

The School Board heard proposals for how to move forward with temporary classroom space at North School during their April 4 meeting.

"With the budget being approved, we can afford it," Superintendent, Dan Black, said about the budget passing, which includes funding for a temporary classroom space at the school.

Black said the decision now by the School Board is whether or not they should buy it outright or go with another financing route.

"What we are bringing to the School Board tonight is how we pay for it," said Black.

Black said they are proposing going with a "larger than planned temporary classroom" after finding one that is only about two years old and saying that it would provide more storage

space for the music classroom.

"North School is currently our 2nd most space-constrained elementary school and we have many parts of our music program stored in the hallways of the school," Black said in a memo.

Black said the three options are to either buy it outright, to go with a lease to own option, or to lease it.

It was explained by Black that they were

proposing going with the less than two years old 28x52 unit. New it would cost \$222,626, however, the unit refurbished is \$161,875. Reasons for going with that option is because it would save the district over \$60,000 and would give the school some area for storage. It would also be available for the beginning of school.

It was pointed out that for a new unit it would take approximately 18-20 weeks to get.

School Board mem-

ber, Kevin Gray, asked if they would be able to sell it after they no longer need it.

"Does it hold its value," said Gray.

Facilities Director, Alan Miller, said they have a life expectancy of about 30-50 years if they are maintained properly and they are up to International Building Code.

School Board Chair, Bob Slater, said he thought it made sense to go with the lease to buy option.

"I think this is a smart way to do it," said

Slater.

He said he had some concerns with a metal roof being on it and it causing a lot of noise for the surrounding classrooms. He requested they vote on it on April 18 in order to get more information about the materials and for the entire board to be there before making a decision.

The School Board ultimately agreed to table the matter until April 18 with the meeting starting at 7 p.m.

District Lay Out Recommendations For Special Education Study

ALEX MALM
LONDONDERRY TIMES

During the April 4 School Board meeting, the board heard an update regarding a third party study being done of the special education department.

Superintendent, Dan Black, explained that based on the feedback they received last meeting from the board him-

self and Director of Pupil Services, Kim Carpinone, were recommending that the outside program review focuses on a couple of different areas.

One of the areas that they suggested they look at is staffing specifically the different ratios they have for staff to the different programs they have as well as how dif-

ferent staff is used. Black pointed out that different school districts do things differently and it would be beneficial to have the outside group look at what they do.

Another area that was suggested they look at is how to "build capacity for more successful inclusion" for all the different programs the district has.

"Our students with IEPs have access to inclusion in the general education setting, but we believe we would stand to gain a more thorough analysis on how we could build capacity to make those inclusion practices more successful for stu-

dents," Black said in a memo to the School Board.

Black said they also suggested they look at how the district "should and should not support our students' using paraprofessionals in the classroom."

"Our adult support model plays out in both our special education and general education settings, and we would welcome a conversation on how to best use this staffing group to support our students in these settings based on students' long-term needs," said Black.

Black stated that there are areas they don't think they would benefit from having an outside perspective

because the district already has access to the information and it could be shared with the School Board.

Some of those areas include compliance, achievement results, and the specifics of how the programs work.

School Board Chair, Bob Slater, said that being educated on how the different programs in the district works and the rules for special education federally and in the state will be important so they can address concerns when they come up.

School Board member, Amanda Butcher, said she wants to see a list of exactly what the company doing the pro-

gram review would be looking at.

Black said the only issue with moving forward with the study is the cost and how to pay for it.

"We have found a few groups that could potentially do this program review for us, but the costs of this study were never planned for in the 2023-24 school budget," Black said. "To be ready earlier in the fiscal year, we would need to tap into fund balance to find the funding."

It was decided to have the administration come to a future meeting with the costs associated with having a consultant group or an outside group doing the study.

OBITUARY

Katina Geneveive Skotis

On April 13, 2023 we lost the beautiful Katina Geneveive Skotis to injuries sustained during a tragic motorcycle accident. She did not suffer & spent her last moments with her beloved boyfriend Adam of 2.5 years. Born on Sept. 18, 2002, 20 year old Katina resided in Litchfield, NH with her incredible, loving parents, MaryAnne Savani-Skotis & Bill Skotis. She was born & raised in Litchfield & graduated from Campbell High School in 2020.

Katina was the most kind, generous, & beautiful person inside & out. She was an avid hairstylist - always improving & always learning. She found her love for cosmetology in high school, successfully earning her license after an apprenticeship & starting her career at Mane & Muse Hair Studio. Her joy in helping people feel their best did not stay within the studio's walls - she worked with brides & wedding parties to create and perfect the most beautiful braids & up-dos. When not developing new cosmetology skills or doing other creative arts and crafts, she could be found around town with her boyfriend and friends, or at home cuddled with her puppies Jessie & Nugget.

Since Katina was little, she would brighten every room she entered; telling stories, joking, & laughing as she spread joy & smiles to everyone she interacted with. She was the kind of person that brought the brightest light & energetic spirit to any room she walked into. Her passion for living life to the fullest was inspiring, & she genuinely cared for everyone she interacted with. Katina had big dreams, was so talented, & had an incredible amount of life left to live.

Katina's kindness, creativity, & contagious laugh always made her presence so valued & enjoyed by her friends, family, & coworkers. While Katina's time in this world was unfairly taken from her far too soon, the spirited energy & joy that she brought to this world will stick with everyone who's ever crossed her path forever. The hole left in the hearts of those who love her is beyond repair, but her light, love, & smile will live on as we carry the happy memories of her with us forever.

In addition to her mother & father, she will continue to watch down on her brothers, Emanuel Skotis & his wife Veronica, & their son George of Burlington, MA; Robert Skotis of Cambridge, MA; Anthony Savani & his wife Diana, & their daughter Sofia of Windham, NH; & Billy Skotis and his long-time girlfriend Mackenzie of Windham, NH. She is also survived by a loving & supportive group of grandparents, aunts & uncles, cousins, coworkers, & friends. She joins her Nonno, YiaYia, Papu, uncle Sean, & uncle Mike who will welcome her with love in the afterlife.

Calling hours will be held on Thursday, April 20 from 4 - 7 p.m., in the Peabody Funeral Homes & Crematorium, 290 Mammoth Rd., Londonderry, NH 03053. Please come & share the wonderful memories you have of Katina with friends & family. To send a condolence, please visit, www.peabodyfuneralhome.com.

Tax Exemption

Continued from page 1

all assets, except for the equity someone may have in their home.

"That is an exempted amount of assets," Hamilton said.

It was pointed out by Hamilton that it is rare that people are denied because of asset levels and it's normally because of income levels.

Town Council Chair,

John Farrell, said he would like to see a presentation given of what the revaluation is going to look like before it goes public.

Hamilton said they would be able to give a preliminary presentation.

Farrell stated that at some point he would also like to see them look at expanding the

exemption for those around 85 and older.

"Once someone reaches that age I think they deserve more," Farrell said. "At least I would like to find out what that means," Farrell said.

Farrell said they have over 1,000 households with at least one person who is 65 years old or older.

Hamilton told the Town Council that there

were around 79 people over 80 years old in 2021.

Hamilton said he would like to get the changes to the exemption thresholds changed "as soon as practical."

"We would like to come back to the next meeting with an ordinance," Hamilton said.

Other potential changes Hamilton said would need to be done by the Fall.

Time to Think About Lyme

Are you like me? You came to NH for the wonderful outdoor quality of life here, and to have a relationship with the outdoors. This has all changed since Lyme disease. I still love the outdoors, but I check for ticks every time I go outside. Ticks can be found almost every month of the year, one should be especially aware of the risk of tick bites from early spring until late fall.

If you find a tick attached remove it as soon as possible. You should put the tick into a sandwich bag with a small piece of damp paper towel, and mark the date and the person who was bitten on the bag. Then, the tick can be identified by someone knowledgeable in tick appearance or be sent to a lab to see if it was a carrier of Lyme disease or other infections such as; Bartonella, Ehrlichia, Babesia, or Anaplasma.

Most people feel that you need to have a bull's eye rash (erythema migrans rash) to be diagnosed with Lyme disease, but this is not true. Rather, it can have an even red appearance across the entire area. Typically when a person first contracts Lyme disease, they will develop flu-like symptoms about 7 to 21 days after the tick bite. However, sometimes the onset is quite insidious and may take years to show.

Lyme disease can spread to most organ systems, including the heart and the central nervous system. More than a decade ago, Syphilis

was nicknamed "the great masquerader" since it could develop symptoms that mimicked most any other disease. Today, Lyme disease is the great masquerader. It may appear to be like other illnesses, such as cardiac arrhythmias causing sudden death, and neurologic symptoms that often appear like Multiple Sclerosis or Parkinson's disease. There is often a buzzing or tingling sensation in the skin, burning neurologic pain, a great amount of joint pain, muscle pain, and incredible muscle stiffness. A lot of "brain fog" results in poor memory, difficulty with language skills, and even outright dementia. There are symptoms of chronic sinus infections, migraines, and Lyme rage as well. I do not have the space to go on as to what it can look like.

With most diseases the best "treatment" for Lyme disease is prevention. Permethrin, a common synthetic insecticide, can be applied to clothing to make them tick-resistant. DEET or Lemon Eucalyptus Oil, to name a few, can be used as an insect repellent for the skin. Wearing light clothing makes it easier for you to spot ticks. Clothes should be put in a dryer for 10 minutes on high heat after coming in from outside to kill ticks. Tucking pants into socks can prevent the ticks from climbing up the leg. Enjoy the outdoors and protect yourself from Lyme disease by taking preventative measures from tick bites and seeking treatment if necessary.

Truth About ARPA

To the editor,

I have recently learned that the town is accepting Federal ARPA funds for such things as a new second drone for the LPD.

ARPA stands for American Rescue Plan Act and is not free money. This money comes with strings attached and can limit our freedoms if accepted. "how much is your freedom worth?"

Neither the Town Council, nor the Town Manager have presented these projects for approval by the taxpayers. Yet, accepting these funds can end up forcing Federal mandates on town citizens or can limit how the town handles property tax decisions.

ARPA contains some restrictions on how state and local governments can use these funds through Dec. 31, 2024, and failing to follow those rules can result in the aid being clawed back by the federal government. The bill language related to these restrictions is highly ambiguous at times. Specifically, in Section 9901 of the law, www.congress.gov/117/plaws/publ2/PLAW-117-publ2.pdf:

"(A) IN GENERAL. A State or territory shall not use the funds provided under this section or transferred pursuant to section 603(c)(4) to either directly or indirectly offset a reduction in the net tax revenue of such State or territory resulting from a change in law, regulation, or administrative interpretation during the covered period that reduces any tax (by providing for a reduction in a rate, a

rebate, a deduction, a credit, or otherwise) or delays the imposition of any tax or tax increase."

Also a condition in the US Treasury Department's guidelines for ARPA funds stating that recipients of the federal money must agree "to comply with all other applicable federal statutes, regulations, and executive orders, and Recipient shall provide for such compliance by other parties in any agreements it enters into with other parties relating to this award."

So basically, the President can implement an executive order at any time and we are forced to comply even if against State law. This is overreach of the Federal Government into the rights of the State.

In the US, the federalist system emerged because the states evolved from separate colonies, which had diverse populations and different needs. The Framers of the Constitution envisioned that state governments, not the national government, would be the main unit of government for citizens on a day-to-day basis.

Restricting a state's "indirect" activities for accepting federal funds becomes a constitutional question. The US Supreme Court's anti-commandeering doctrine is based on the 10th Amendment of the US Constitution. Essentially, this doctrine prohibits Congress from using federal funds to coerce states, but the doctrine has no basis in constitutional law, only in the court's rulings. That means a broad interpretation of ARPA's restrictions could become a legal matter for states and towns.

In conclusion, please reach out to your Town and State Leadership and request that Federal funds not be taken or utilized unless our Freedoms can be maintained. ESSER and ARPA funds have strings attached that remove our sovereignty.

Two Thoughts

To the editor,

I have two topics I would like to address; the first is: I shall first address Sharon Carson's statement on her anti abortion stance, but also applies to all the Republicans in NH. In a perfect world your stance would fly. Have you seen a miscarriage? Don't think you would say this is a person with a soul. I shall share our family's experience with a 7-month pregnancy. At 7 months the fetus was found to have no top of her head (thanks to modern medicine to be able to detect these abnormalities) and would not survive. Her obstetrician would not entertain an abortion. His expectation was that she should carry to full term and then deliver.

Our gal then went on a hunt, and all the while carrying the grief of having just lost her child, to find a caring obstetrician, which she did. The Dr. and the nurses were ever so loving and supportive during this time. Have any of you seen a dead baby without a top of her head, not just a skull cap size but a head that looks like a pheasant head? You know not

Walk-A-Thon

Continued from page 1

website, "Kate focused her career on building trauma-informed schools and passionately advocated for students who dealt with adversity in their lives. Kate's life was cut short when she passed away unexpectedly in February of 2021. Sadly, Kate was unable to finish the important work to which she was so dedicated."

Besides her students, Kate left her husband, Dougan, and sons, Ben

and Henry.

She is remembered as an unforgettable and real life hero with a smile that felt like sunshine and made everything brighter. Whether you met her once or you had the distinct honor of knowing her for a lifetime, Kate treated everyone with love, compassion, and kindness. She was a loving wife, mother, daughter, sister, educator, mentor, dog lover, and true friend to many.

A lifelong learner, with 2 master's degrees and a doctorate in the works, Kate focused her career on building trauma-informed schools and passionately advocated for students who dealt with adversity in their lives. Kate's life was cut short when she passed away unexpectedly in February of 2021. Sadly, Kate was unable to finish the important work to which she was so dedicated.

This event honors the mission of the late LHS guidance counselor,

Mrs. Sherwood, by raising money for the Kate Sherwood Foundation, which provides high school students who have faced adversities with the appropriate support and resources.

This year's walk theme is Hawaiian and participants are encour-

aged to wear their best luau attire and participate in walking and lawn games at the event. Raffle basket tickets, KSF t-shirts, and Kona Ice will be sold at the event. Bring your friends and family for a fun afternoon to support a wonderful organization.

According to the advisors, "It is a wonderful event to raise funds for an amazing cause, and we are hoping to spread the word to as many Londonderry community members as possible so that they can attend the event."

Assisted Living And Memory Care

We Put the Emphasis on *Living!*

We are a community in the truest sense of the word. Our foundation is built on a neighborhood of friendly people enjoying the ease of accessible services. From 24-hour onsite personal care staff to amazing dining and social programs, residents enjoy a wonderful new chapter in their lives! Please call Laurie Sienko, Director of Community Relations, to set up a tour so that you can see all that we have to offer.

Woodmont

Continued from page 1

Baldwin Living Community, which is looking to open the first phase of its project in October.”

The future of Woodmont will include a phase two for both the Baldwin and a second medical office to be leased by a “well-known” medical user. Smith did

not reveal the name of the new resident, saying plans would be submitted “very soon.”

Wood Partners is also going through the design review process for the town to build 260 new apartments on the west side of the complex.

Smith also added that Woodmont was “aggressively pursuing”

retail and restaurants as demanded by the community. Covid curtailed the initial plan for restaurants at Woodmont in 2020.

Smith pointed out that finding restaurants has been difficult due to staffing funding issues.

Smith also promised to continue with the development of new single-family homes and

townhouses north of Pillsbury Road. Currently, the overwhelming majority of the residential building in the complex consists of apartments, with few larger homes. There is no set date on when construction will begin for the homes.

Despite some of the members of the Planning Board being disap-

pointed with the progress happening at the site,

Jason Knights commented, “I’m kind of disappointed. We’re going on ten years now and we keep hearing, ‘We’re almost there, we’re trying.’”

Assistant Town Manager, Kellie Carron, commented that her, the Town Manager, and the

town’s Engineering Department have been working daily on looking for ways to provide a number of utilities to that area of town.

Sewer capacity has been a barrier to growth as existing infrastructure struggles to keep up with demand. A recent federal grant is expected to accelerate plans for a sewer expansion.

Letters

Continued from page 4

of what you speak.

The Second topic is: In reading The Londonderry Times recount of the council meeting and then reading of Esposito’s letter (of note I wasn’t at the meeting), where is the answer to Public Rules

change? With all the verbiage, I am left confused. Would it have been a hardship for the Council to have answered the question and then do what was needed? Seems a discussion and a vote was in order.

Jane Cooper
Londonderry

The 2nd Amendment

To the editor,
How can we break the stalemate on the topic of guns in our country? This stranglehold on our thoughts needs to be broken so that we can solve one of the biggest problems facing our country, gun violence.

The Braver Angels NH Alliance will be holding a forum (on Tuesday April 25, via Zoom) to help people understand both sides of this complex subject.

The objective of the forum is for people to understand the diversity

of thought amongst those who favor the right to own guns and to understand the choices and attitudes of those who oppose gun ownership.

Among the questions we will ponder are;

What is your per-

spective about guns and why do you hold that viewpoint?

How can we stop mass shootings?

Are Red Flag laws a valuable tool or a violation of due process?

Please join us for a lively but civil and courteous conversation about this contentious subject.

To register, go to: <https://braverangels.org/event/guns-society-and-the-2nd-amendment-nh-perspectives-online>.

Or you can contact the NH Alliance at: nh-alliance@braverangels.org.

Also, please visit braverangels.org for more information on the wide variety of ways that Braver Angels is working to bridge the political divide in our country.

OBITUARY

Karyl L. Nimmo

Karyl L. Nimmo, 79, of Londonderry, NH, passed away Sunday, April 2, 2023, in Frisbie Memorial Hospital, Rochester, NH, surrounded by her loving family. She was born on May 31, 1943 in Lawrence, MA, a daughter of the late Raymond and Dorothy (Wadlin) Wilde. She was raised in Methuen, MA and Salem, NH. She lovingly raised her family in Methuen, MA before finally residing in Londonderry, NH. Her pride and joy in life was being a wife, mother, grandmother and great grandmother.

She is survived by her loving husband of 62 years, Richard Nimmo, Sr., sons, Richard Nimmo, Jr., Jeffrey Nimmo and his wife Sharon, and James Nimmo and his wife Stephanie; daughter, Kristen Uliano and her husband Jamie; grandchildren, Richard, Ashley, Brandon, Courtney N., Joshua, Jaryd, Justin, William, Courtney L., and Anthony; great-grandchildren, Rhylee, Callum and Noa; sister, Denise Clarke; brother, Kenneth Wilde and several nieces and nephews. Karyl is predeceased by her son, Bryan Nimmo and brother, Raymond Wilde.

Following cremation there will be no services at this time. The Peabody Funeral Homes & Crematorium is assisting the family with arrangements. Memorial contributions may be made to the Alzheimer’s Association, MA/NH chapter at www.alz.org/manh.

Town Council Approve New Police Department Drones

ALEX MALM
LONDONDERRY TIMES

At the April 10 Town Council meeting, one of the agenda items was in regards to a request from the police department to purchase new drone equipment through ARPA (American Rescue Plan Act) funding.

Londonderry Police Chief, Kim Bernard, said they have been successful with their use of drones in the past, including being able to locate people, children and animals.

"From my standpoint (this) is a large success," Bernard said.

Bernard added they have been using them for a few years.

"We've had a drone program in the works since 2018," Bernard said.

He stated that they currently have three different main usages, and that their smaller ones are outdated and are becoming expensive to repair. For example, the batteries for them are \$1,000 each and they are going through a lot of them.

Bernard said they are looking for a newer version of the ones they have now.

"These things are time saving, they are really effective," Bernard said.

Bernard explained that they have used them in a number of different ways, including barricaded suspects, and for real time road mapping tools, saying its helpful for the town. He added that they would have 4K day and night

thermal vision sensors. They would also be able to mesh the capabilities with the old ones.

Town Councilor, Chad Franz, said one thing he liked about it is that its protected even if someone tries to strike it.

"I think this is an important tool," Franz said.

The Town Council approved purchasing new drones.

Another item during the meeting was in regards to an opioid between the state and opioid distributors, which includes CVS, Walgreens, Walmart, Teva, and Allergan.

Unlike a recent settlement that Londonderry was part of recently against opioid manufacturers, this one would be through the state.

"Londonderry does

not have its own litigation pending against the distributors; the state of New Hampshire is doing that," Malaguti said.

He said that it was recommended to do so by their local counsel and outside opinion counsel to sign onto the settlement.

Town Councilor, Jim Butler, asked where the funds are going to go.

Malaguti said they would bring it in front of the Town Council before deciding on where the funds should go. He added that he has met some groups so far.

The Town Council

approved signing on to the settlement.

Also during the meeting, the Town Council approved appointing Kayala Chase as Deputy Tax Collector.

The next Town Council meeting is slated to take place on April 24 at 7 p.m.

Annual Rabies Clinic will Help Benefit Band's Trip to London

The town's annual Rabies Clinic will be held on Saturday, April 29, from 10 a.m. to 1 p.m. at Town Hall, 268B Mammoth Road.

The clinic will take place in the Moose Hill Conference Room of Town Hall.

The clinic is being

hosted by the Londonderry Town Clerks Office and Londonderry Animal Clinic LLC. Pets must be on leash or in a carrier.

Anyone attending is asked to bring proof of previous rabies vaccination in order to get booster.

The proceeds from

this event will benefit the Londonderry High School band's trip to London for the 2024 New Years Day Parade.

There will be a payment of \$20 needed per vaccination and it should be made in the form of cash or a check made payable to "Town of Londonderry."

Glow Run Aids in Funding Playground Needs at North

The North Elementary School Parent Teachers Association (PTA) organized a "Glow Run" over the past month with a goal to raise \$20,000 to be used for upgrades to the schools playground area. The PTA enlisted the help of "Booster" to do the marketing for the event and to set up the actual run. Representatives attended school lunches prior to the event and helped motivate students for the fund raising efforts. Each grade was allotted a time slot on Wednesday, April 12, in the school's gym to run glowing laps. *Photos by Chris Paul*

Lancers Baseball Squad Starts Season With Big Wins

CHRIS PAUL
LONDONDERRY TIMES

The Londonderry High School Baseball team started the Division I Spring season off with a bang, outscoring two teams by a 19-2 margin.

The Lancers began the week at home, shutting out the Winnacunnet Warriors 8-0 and then traveled to Manchester where they walked away with an 11-2 victory.

In the squads start to the 2023 season, beating Winnacunnet High School 8-0 on Monday, April 10, in their home opener, the Lancers managed to force the Warriors starting pitcher off the mound by the fifth

inning, scoring three in that inning.

Londonderry senior, Connor Fennell, was the starting pitcher and got the win, pitching six innings, striking out nine batters and giving up just four hits with two walks.

Junior Ryan Williams was the relief pitcher and had one strikeout, one walk, and one hit.

Junior Owen Carey led the offense with three RBIs off two hits and crossed the plate three times with four at bats.

Brett McKinnon had two hits and two runs. Johan Pena and Liam Stott both had two RBIs and Jayden Hamilton had the teams only dou-

ble in the game.

Londonderry followed that game up with another gem, beating Manchester Central-West High Schools by nine runs.

All of their runs came in the first four inning, scoring four in each of the first two, then another three in the third and fourth.

Senior pitcher, Michael Crowley, went six innings, striking out nine, no walks and giving up just five hits for the 11-2 victory.

Kevin Rourke closed out the final inning with a ground out, pick-off play, and a strikeout.

The Lancers team had a total of 14 hits, led by junior Owen Carey

who had three.

Fellow junior Jayden Hamilton managed a double and a triple, while Johan Pena and Drew Heenan both had two hits in the one-sided victory.

Hamilton and senior Colin Parent finished the game with two RBI's each.

LHS is scheduled to play four games this week with two on the road and two at Lancer Park. They traveled to Exeter on Monday then to Timberlane on Wednesday.

The team will finish the week with home games on Friday against Trinity and Concord on Saturday. Both games start at 4 p.m.

Londonderry senior pitcher Connor Fennell got the opening day win. Photo by Chris Paul

Lancers Softball Settles for a Split to Begin Season

CHRIS PAUL
LONDONDERRY TIMES

The Londonderry High School Softball team suffered a tough loss to start the Spring season, but bounced back with an overwhelming victory in

the team's home opener. The Lady Lancers headed to the seacoast on Monday, April 10, to face the Warriors of Winnacunnet High School, falling in a close 4-2 game despite out hitting their opponent 8-6.

The Warriors got on the board with a run in each of the first two innings.

LHS tied the game in the top of the third, putting two across the plate with eight batters.

Winnacunnet went ahead for good in the third, capitalizing on a walk and a single for their third run of the game.

The Lancers were scoreless in the final four inning, while WHS tacked on one insurance run in the fifth.

Junior Olivia Cutuli suffered the loss, pitching five innings and giving up four runs on six hits and three walks.

Senior Nina Covino had three hits in the game, Cutuli had two doubles, while Makenna True, Lauren Laudani, and Kaitlyn McHugh had a hit each.

The Lancers turned things around two days later with a 16-1 victory over Manchester Central on their home diamond.

All 16 of their runs came in the first three innings of the game.

Cutuli got the win by pitching just two innings of a five-inning game, with no hits, four strikeouts and zero walks.

The pitcher helped her cause at the plate, hitting a homerun and a double to drive in three runs.

Covino and Laudani

each had three hits on four at bats. Corvino got two RBIs with three doubles and Landani managed three RBIs and crossed the plate three times.

Senior Mya Gaspie drove in four runners on two hits in three at bats.

The team was sched-

uled to play two more home games this week, starting on Monday against Exeter High School.

On Wednesday, April 19 the Lancers will face the Timberlane Owls and on Friday afternoon they travel to Manchester to face West-Trinity.

Junior pitcher, Olivia Cutuli, had a win and a loss to start the season from the circle and also had success at the plate. Photo by Chris Paul

Boys' Tennis Team Get Their First Win in Hudson

CHRIS PAUL
LONDONDERRY TIMES

The Londonderry High School Boys' Tennis team started its season with two losses, but snapped back with a big 6-3 win over the Alvirne Broncos.

Coaches, Roberta Davis and Alex Burbine, are working to re-establish a strong presence in the Division I rankings and took a step in that direction last week.

In the season opener, on their home courts, the team had three singles victories and one in doubles, falling 4-5

against Merrimack.

Londonderry started the second week of the season with a tough defeat at the hands of a very tough Bedford Bulldog contingent.

In that match, Bedford blanked the Lancers in an 8-0 match on Wednesday, April 12.

Two days later, on a near 90-degree day, the team traveled to Hudson on Friday, April 14, and the Lancers' rackets came alive for the teams first win of the season with a 6-3 outcome.

Number two starter, sophomore Aiden Board, was able to get

the Lancers on the board with an 8-6 win.

Fellow sophomore Logan Hunt had a long set victory with a 9-7 finish.

The number five and six players, Devon Pacheco and Brady Follansbee both had 8-4 victories to give LHS a 4-2 advantage heading into doubles.

In doubles, the team of Board and Connor Lord got an 8-2 victory to push LHS ahead 5-3 in the match. The doubles team of Hunt and Pacheco bested their opponents 8-4 for the final win of the match.

LHS Volleyball Take Six of Seven Sets in Season Start

CHRIS PAUL
LONDONDERRY TIMES

The Londonderry High School Boys' Volleyball team got off to a blazing start this season, capturing two victories while dropping just one set.

The Lancers started their season with a long road trip to Keene High School on Monday, April 10, and came away with a straight-set victory.

squad had most of the team adding contributions to their victory.

Junior Tyler Brown amassed nine kills, two blocks, 17 assists, and one ace in the win.

Senior Colin Ness knocked in eight kills with one block and two digs, while Cam Normand tallied four kills, one block, two digs, 10 assists and an ace.

Junior Ethan Munroe managed five kills, a

block, and two digs and senior Spencer Brassard had five kills.

Junior Matt Doyle finished with 15 digs as the team's libero.

Trevor Edmunds, Victor Elguezabal, and Brady Joncas each had two digs and Owen Evans got two digs and two aces in the victory.

On Friday night, April 14, the Lancers played a much tougher team. Coe-Brown Northwood Acad-

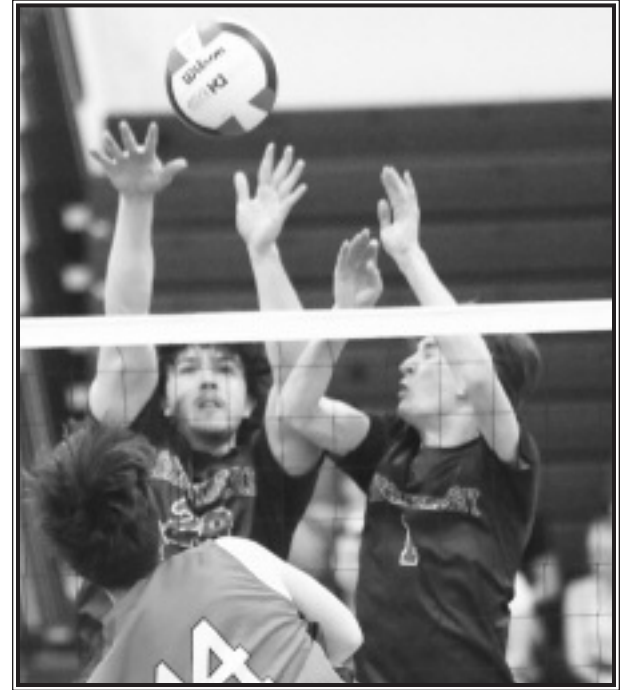

emy was coming off a 14-2 season, where they were the number three seed in the State Championship and Londonderry handled them quite easily.

Londonderry had an extremely strong start in the first set, leading by as much as 11-points and finishing the opening frame 24-14.

Coe-Brown came back in the second set, from an early 11-15 deficit, to get their only victory of the night. Londonderry held in sets three and four for the 3-1 victory.

Brown had eight kills, two blocks, four digs, and 15 assists, while Normand had six kills, two blocks, five digs, 11 assists, and one ace in the win.

Doyle had nine digs, three assists; Edmunds got four kills, eight blocks, and one dig; Ness had six kills, two blocks, and a dig; Brassard managed seven kills, five blocks, and two digs; Munroe got two kills, three digs, and

Trevor Edmunds and Spencer Brassard block the ball at the net against Coe-Brown.

an ace; Evans had seven digs; Joncas added three digs; and Elguezabal tallied one kill, five digs, and one ace.

Londonderry traveled to Winnicunnet on Wednesday, April 19, to try for their third win and will play Salem at LHS on Friday starting at 5:15 p.m. after that.

Lancer Girls' Tennis Drop Three

CHRIS PAUL
LONDONDERRY TIMES

The Londonderry High School Girls' Tennis team began its season with a strong 6-3 victory over Merrimack High School, but have dropped three consecutive matches since.

Head coach, Betty Wong-Mak, and her Lady Lancers faced three very tough squads last week and are still looking to claim their second win.

The LHS girls hosted the Bishop Guertin Cardinals on Monday, April

10, where they had just two wins. One in singles and the other in doubles.

Senior Lancer, Susan Kim, fell 5-8 to BGs number one starter, then LHS senior, Catie Brown, delivered a strong 8-3 victory in the number two spot.

In doubles, the team of Kim and Brown battled to an 8-7 victory for the only other win.

Two days later, at Bedford High School, the girls' were served a shutout by the Lady

Bulldogs, losing in eight straight games.

The team's week ended with having to face another tough challenger while also battling the extreme heat.

Londonderry hosted the Alvirne Broncos on Friday, April 14, where they only managed one set win in an 8-1 loss despite a number of close matches.

The lone win came off the racket of Shayana ElGhazal in the number six spot of the line-up.

Lancers Boys' Lax Start Season with Win and Loss

CHRIS PAUL
LONDONDERRY TIMES

The Londonderry High School Boys' Lacrosse squad started their season with a new coach, a tough game-one challenge.

Lancer 2016 graduate and multi-sport athlete, David Wiedenfeld, was named as head coach this year and the season started at home, on Tuesday, April 12, with

the difficult task of beating a very good Exeter High School squad.

The Blue Hawks are coming off a 20-2 season where they made it all the way to the Division I State Championship, only to be beaten by the Bishop Guertin Cardinals.

Despite that, LHS was able to keep pace with the State Champion runner-ups through much of the game, but

wound up falling 17-11 in the end.

Londonderry was down 2-0 when senior Nathan Pedrick got the Lancers first goal of the season.

The home team was down 4-1 when senior Aidan Huard posted the second LHS goal.

The Blue Hawks maintained their lead throughout the game, but Londonderry brought it to within two

by the seventh minute of the third quarter when Huard got another goal.

Exeter managed to pull away after that point to claim the win.

Aiden Huard led the team in points with four goals and two assists.

Junior Sam Melia finished with three goals and two assists; Pedrick had two goals and two assists; seniors Kyle McPhail and Brandon Robbins each had a goal

and an assist.

Two days later, on Thursday, April 13, the team traveled to Nashua South High School and commanded a one-sided contest, winning in a 14-0 shutout.

Goals came from a number of sources.

Aiden Huard led again, scoring five goals and getting two assists.

McPhail had two goals and two assists; junior Cam Brutus, a

defender, had a goal and two assists; Pedrick had two goals; and Ben Padykula, Brandon Robbins, A.J. Brathwaite, and John Patles each had one goal.

Lancer goal tenders, Colby Walden and Nathan Barrett, combined for the shutout, with just three shots on the LHS net.

Londonderry had 32 total shots on goal.

LHS Girls' Lacrosse Squad Opens with a Pair of Defeats

CHRIS PAUL
LONDONDERRY TIMES

The Londonderry High School Girls' Lacrosse team suffered two losses as they open up the Spring season under the guidance of a Lancer alumni.

This year's Lady Lax squad is being coached

by 2012 LHS graduate and multi-sport athlete, Kelsey Derhak.

Derhak is also coming off a six-year stint as an assistant Lacrosse coach at Southern New Hampshire University.

The start to the 2023 campaign has been a bit rough, as the girls are

still in search of their first victory.

The Lancers squad faced two teams in the first week and gave up 16-points in both contests.

In their first game, at Exeter High School, on Tuesday, April 11, LHS fell 16-9 to the Blue

Hawks.

Two days later, in the team's first home game, the Lancers suffered a 16-10 defeat to the Purple Panthers of Nashua South High School.

Despite keeping pace with South through much of the first half, the Lancers gave up a 4-

3 lead late in the first half and started the second half trailing 7-4.

The Panthers went ahead 12-6 to start the second half and LHS was never able to regain any momentum in what was an unseasonably warm afternoon.

Senior Meg Daileanes

and junior Ashleigh Leone led the team in scoring.

Ava Naar, Lilah Melia, Natalie Washington, Madison Wholley, and Lauren Allen all contributed goals.

Goaltender Abigail Cook made 12 saves.

Around Town Policy: This section is meant to be used to announce free events to the communities. If your group is receiving money for what they are publicizing, there will be a charge of \$40/week per paper. All Around Town/Calendar Items will be held to 100 words maximum. All free announcements in the Around Town/Calendar section can run a maximum of three weeks. Deadline for submissions is Monday at 5 p.m. Please send items to londonderrytimes@nutpub.net.

Book And Media Give-Away

Londonderry Presbyterian Church, 126 Pillsbury Rd., will be holding a book and media give-away Saturday, May 6, from 9 a.m. - 5 p.m. We have thousands of religious and non-religious books, DVDs, music CDs, VHS tapes, and educational materials to give away.

Early Childhood Educator Workshop

The Upper Room, is hosting "I See You! Embracing Diverse Family Structures," an Early Childhood Educator workshop that explores family make-up and structure to offer educators tools to make small but significant changes that they can communicate to each child and caregiver whose

lives they touch - that their family matters. The Workshop is on April 26 from 6:30 - 8 p.m. at The Upper Room, 38 Tsienneto Rd., Derry. Any Early Childhood Educator in the Southern NH Region is welcome to register and attend. To register visit <http://bit.ly/TUREducator-SignUp>. Learn more about NHCT at <http://nhchildrenstrust.org>

Republican Committee

Londonderry Town Republican committee will be meeting at 7 p.m., on Thursday May, 4 at the Londonderry Baptist Church, 368 Mammoth Rd., Londonderry. Members must be registered Republicans. Voters registered as independent are welcome to attend as the guest of an existing member. For questions please

contact lrc@londonderry-gop.org.

Meet Your Neighbors

The Londonderry Women's Club brings diverse women together; creating an environment that nurtures friendships while encouraging community involvement through volunteerism. If you would like more information about the Londonderry Women's Club or are thinking about joining a group that gives back to the community, check us out on Facebook, visit our website at www.londonderry-womensclub.org or email info@londonderrywomensclub.org.

Arts Café

The Londonderry Arts Council invites area residents who appreciate Music and Art to attend

the 9th Annual Art's Café on Saturday April 29, from 10 a.m. - 4 p.m. at the Orchard Christian Fellowship, 136 Pillsbury Rd., Londonderry. This event is FREE to the public. This family event is a day filled with art from local artists, activities for children and acoustic music by local musicians. Free coffee will be provided from Coffeeberries of Londonderry, hot chocolate, and some yummy breakfast pastries. Browse the artwork and talk with the artists; this is a great opportunity to learn more about their craft. Then you can sit for a spell, relaxing while your children are entertained so you can enjoy the musical performances. There will be a 50/50 raffle with proceeds to support local art events. Drawing to be at 3 p.m., and you need not to be present to win. For more information, visit: <https://londonderryartsco.uncil.org/arts-cafe/> Or email Karen Giguere at karen.giguere504@comcast.net

Library April Hours

Leach Library is open Monday through Thursday from 9 a.m. - 8 p.m. On Fridays and Saturdays, the library is open from 9 a.m.

- 5 p.m. The library will be closed on Thursday, April 13 for staff training.

Library Survey

The Leach Library wants to hear from you. A community survey will be available from April 1 - May 31. Survey participants can enter a raffle at the end of the online survey or at the library's main desk for a chance to win one of two \$50 Market Basket gift cards. Limit one entry per person. The link to the survey will be posted on the library's website and Facebook page. Paper copies will be available at the library. For more information, please call the library.

Vacation Week Activities

To kick-off school vacation week, Leach Library will host a fun magic show featuring Magic by George on Monday, April 24 at 4 p.m. Get ready for laughs and to be amazed. A marble run activity will be offered on Wednesday, April 26 at 10 a.m. Using pipe covers, cardboard tubes, and a few other supplies, children will be able to design fast and creative marble runs. This program is for children ages 5 and up. Thursday, April 27 at 7

p.m., come to Leach Library for an extra special Stuffed Animal Sleepover. Children will enjoy a couple of bedtime stories then have the chance to introduce a favorite stuffed animal friend. Stuffedies will then be tucked in for a fun night at the library. Be sure to bring a stuffed animal that children can sleep with out as pick-up will not be until the following day. Registration is required and begins one week prior to each event. To register, please visit the children's desk or call the library.

Jews in Baseball Movie

With the cry of "Play ball!" across the US, what better way to observe the national pastime than to come to Etz Hayim to watch the movie, Jews and Baseball: An American Love Story, narrated by Dustin Hoffman at 7 p.m. Thursday, April 13. Just in time for the opening of the baseball season it shows the stories of Hank Greenberg and Sandy Koufax. And, it includes our beloved Kevin Youkilis. Be there for the first pitch and first inning. And, yes, there will be peanuts and Cracker Jacks. The talk is in person at Etz Hayim Synagogue. **Continued on page 15**

Classified Advertising

READERS ARE CAUTIONED that we occasionally run ads that require an initial investment or money in advance. We urge our readers to **"do their homework"** before responding to any ad, check out the advertiser thoroughly and verify their claims to your total satisfaction. Only then should you proceed at your own risk. We try to screen ads that require you to send money before receiving a product or service. But these efforts are no substitute for your own investigation, and we don't endorse or guarantee any claims made in any of the ads we publish. If you want more information about claims made in ads on subjects such as work at home opportunities, travel or vacation specials, purchasing land or vehicles from government surplus or below wholesale, loans or other credit opportunities (including credit repair), or weight loss and other health products and services, we urge you to contact the Office of Attorney General, Consumer Protection Bureau, 33 Capitol Street, Concord, NH 03301 (603-271-3641) or the Better Business Bureau at 603-224-1991. Publisher is not responsible for any loss of business if an ad does not run, and we reserve the right to revoke any ad if deemed necessary. No refunds will be given for prepaid ads.
