Carrying Onward

Reed Paige Clark III and his wife Phyllis will be leaving town at the end of October, moving to Washington D.C. The couple have lived in their four generation family home on Stonehenge and Perkins Road for the past thirty years and Reed grew up there before that. For many decades, Reed has volunteered for countless town, civic and church committees. The two will be sorely missed in town as they move to be closer to their family.

Planning Board Discusses Subdivision, School Population

ALEX MALM
LONDONDERRY TIMES

One of the agenda items discussed at the Sept. 7 Londonderry Planning Board meeting was in regards to a subdivision

plan for 106 Wiley Hill Road.

Representing the owner was Jeff Kevan.

"The proposal is to create two new lots," said Kevan.

He explained that the

current house would be on a lot that is over three acres, one would be for a little under three acres, and the other would be about five acres.

Town Council Moves Forward with Lithia Springs Purchase

CHRIS PAUL
LONDONDERRY TIMES

After a number of months deliberating on the merits, the Town Council finally voted to move forward with the Conservation Commission's proposal to purchase land that was once owned by the Lithia Springs Water Company off Nashua Road.

The council had been holding off making a decision until they could understand what may or may not be developed on the 54 acres of land. They also requested to see an appraisal of the land.

The land is currently owned by the Elwood family, of Elwood Orchards, and was purchased by them in 1949.

According to the Purchase and Sale Agreement, dated in May of this year, the purchase price will be \$1.5 million.

The proposal call for the land to be held in perpetuity for conservation, agriculture and recreation purposes.

The appraisal came in at \$2 million and Town Manager, Mike Malaguti, told the council the document suggested that, "this is a highly developable parcel that you can put a lot of develop-

ment onto."

Malaguti added that the town had received a number of letters in support of the purchase of the property.

The first councilor to speak was Deb Paul, who was all for moving forward with the purchase saying, "We're buying this property to protect the wetlands around the buildable areas of the property." She added that the property has significant wildlife connection lines. "I'm against putting a development on this piece of property."

School Board Discuss Infrastructure Concerns

ALEX MALM
LONDONDERRY TIMES

During the Sept. 6 Londonderry School Board meeting, Interim Superintendent, Dan Black, explained it is important the district begins to map out what they want to do in terms of renovations and repairs.

He said he feels they need to come up with a short term plan along with a longer term plan.

Black stated that right now they are in a good spot since they have nothing that is in interment failure right now.

During the meeting,

Black made four recommendations of what he feels are some of the most pressing concerns. Black said their most pressing issue are mechanical, including things like boilers that are past their life.

He said they are hoping to get a read of what needs to be replaced in one to three years for boilers.

"No one in this room wants a boiler to break in January," said Black.

Another major area that Black pointed to is the space at Moose Hill. He explained he feels bad the library for the school is in a staff room.

"We are out of permanent space in that building," said Black, who noted they need a long term plan for the school.

He stated one of the important things to look at is the future programming there; like all day kindergarten.

Another priority that Black recommended **continued on page 3**

Planning

One question that was asked was whether or not they are planning on widening the roadway at all.

"They are not," said Kevan.

It was also asked if there would be a lot of disruption to the stone walls on the property.

"They will all probably have to be relocated," said Kevan.

The Planning Board ultimately gave condi-

tional approval for the subdivision plan.

Also during the meeting, Planning Board Chairman, Arthur Rugg, pointed out that the school district numbers show they are likely to have a decrease in students this year. Rugg stated it's not only a trend in Londonderry, but also across the state.

"For over 20 years we've had a declining school population," said Rugg.

He said it was some-

thing they need to pay attention to.

It raised the question of how often they update their growth management plan.

Rugg explained they have to update it every year.

One concern that was brought up by ex-officio, Deb Paul, was the fact they need to get their water infrastructure under control, including whether or not they have big enough pipes for the growth of the town that

they are seeing.

Paul stated going forward she thinks they need to make sure they take into account their water and sewer infrastructure when it comes to the growth management plan.

"We really need to be careful in looking at this growth management to include water and sewer from now on," said Paul.

Paul also noted she thinks traffic control should also be included, including how much

traffic they can handle with the side roads they have now.

"We should really have a plan for growth like that," said Paul.

Rugg said he agreed with her.

"You are not wrong Deb," said Rugg.

It was also noted by Paul, who is the liaison for the ZBA, that they have on their agenda constantly things regarding sign regulations and asked if it was something they could look at in the future.

Rugg said it needs a comprehensive look by a consultant because of the complexity that comes with things like first amendment rights being protected.

Town Planner, Kellie Walsh, said it is something she has on her radar.

"That of course comes with some costs," said Walsh.

The next Londonderry Planning Board meeting is slated for Oct. 5 at 7 p.m.

Franz, wanted to confirm that the money for the purchase would be coming from two sources. One would be through Conservation Commission funds and the other would be

through a grant.

Malaguti responded that there were actually two grants being applied for and if for some reason, the town failed to get those grants, the town could opt out of the agreement. He added that the Conservation Commis-

sion's Land Acquisition Funds, which comes from land use change taxes.

Marge Badois, the Chair of the Conservation Commission, spoke in favor of the purchase, "This property is exceptional on many levels. It's environmental, his-

torical and ecological. It would be one of our top acquisitions."

She reiterated that there is no taxpayer money being used for the purchase and mentioned there are also many endangered species living there including some osprey.

Resident, Daniel Bouchard, asked the council what would happen if the grant funding aspect does not go through. He felt that if the remaining balance went to the voters it would more than likely pass as a Warrant Article.

Council Chair, John Farrell, thought that there wouldn't be

enough time at that point to get the acquisition done.

It was also pointed out that at the time of the meeting, the Conservation Commission has \$780,000 in their account and he was thinking there would be another \$200,000 added to the account this fall, leaving a grant amount of roughly \$600,000 needed for the purchase.

It was also stated that the sellers really want the purchase to happen, so if the total money for the purchase isn't raised by the end of the year, the contract would need to be amended.

Both Wayland Elwood and his attorney were present at the meeting and told the town they have every reason to work with the town, as long as the land is to be conserved.

Malaguti added "He should be commended for letting the property go for less than its worth."

Ann Chiampa spoke on behalf of the Londonderry Historical Society and said the society took a vote recently and were in 100 percent agreement on purchasing the property.

With that, the council voted unanimously to move forward with the purchase.

School Board Gets Update From Communications Committee

ALEX MALM
LONDONDERRY TIMES

The Sept. 6 Londonderry School Board meeting had an update regarding the newly formed Communications Committee.

Amity Small, the principal of Matthew Thornton Elementary School,

said they have been meeting and the meetings have been productive.

"It's a very dynamic group," said Small.

Small said everyone who is on the committee comes with a "different lens" on things.

One of the things

they have been able to do is get the new parent hub up and running. She explained that it will be able to get information to families in one place.

As an example of something they can put on the parent hub, Small said are fliers from out-side organizations.

Another thing that has been accomplished is having a new Youtube channel that will house all their videos and have it divided up by schools so the content is easier to navigate.

Small stated they also have some staff members who now have

Instagram accounts up. It is a way to promote what is happening in the schools. She said that-acting Superintendent, Dan Black, for example had 23 posts up at the time of the meeting.

Small also noted they would be posting more on Facebook as well. The most popular post they have so far is the "faces of principals."

"That is our most popular post," said Small.

It was explained by Small they are going to rely on feedback from families, staff, and students to see what their needs are.

Small said they are always going to be trying to improve their

communications especially as things evolve.

"We're never going to reach a point where we're done," said Small.

Also during the meeting, Black gave the School Board an update regarding the school district's enrollment.

Black stated that currently they have 4,149 students enrolled within the district, which is down four students compared to last year's school year. There is potential that more students may be added.

It was pointed out by Black that the official enrollment is Oct. 1, which is what they give to the state for funding and for budgetary purposes.

School

Continued from page 1
was the District office and whether or not they want to continue with their plan from last year, or go with a different one.

Black said they also need to address the older parts of the high school.

"We have some issues there," said Black.

Black explained that because of the supply chain issues they need to pay attention to how long things take. For example it would take about a year and a half to get a boiler right now.

"These things are going to take a long time," said Black.

Black thinks eventually the School Board should have a public comment period to discuss the tentative plan.

School Board mem-

ber, Bob Slater, said he wants to get a consensus from the Board for the four items presented by Black to make sure that is all their priorities.

If that is the case he said they should come back in two weeks to the next School Board meeting and then go with public forums.

To him, on the top of the list is addressing the mechanical issues.

"Mechanical is number one," said Slater.

Slater explained he is concerned about costs going up along with the bond rates potentially going up. Because of that he wants to see what the price for the district office is projected to be and if it's too expensive they could look at something else.

He said if they agree to move forward with trying to build a new district office then they should move it to the top of the list because of the uncertainty with

prices.

School Board Vice Chair, Sara Loughlin, stated she thinks Moose Hill should go ahead of the District office.

"I think we need to look at our students and what their needs are," said Loughlin.

School Board member, Amanda Butcher, said she also agreed that Moose Hill is important to look at, especially since the state may begin requiring all day kindergarten.

Think for Yourself

Would you rather be exposed to as many ideas as possible and make up your own mind as to what their worth is, or have someone else, sanctioned by the government, decide what you should or should not know.

That's the essence of what the American Library Association's Banned Books Week is about, and it takes place September 18-24. Its whole purpose is to celebrate the freedom to read and the importance of the First Amendment.

Banned Books Week reminds us of books that people have attempted to keep from the public for a myriad of reasons. The challenge is the attempt to keep a book from you and me, it involves people saying they have the right to tell others what they can or cannot read. We can't accept that.

Parents have the right and the duty to guide their children's moral values and oversee their reading. They do not have the right to dictate what anyone else's children read, that's what a request to ban a book means.

In simpler terms, what you like to read may not be what I like to read, but neither of us has the right to prevent the other from reading what we want.

Do you read the Bible? Did you enjoy *The Catcher in the Rye*, *The Grapes of Wrath*, *To Kill a Mocking-*

bird, *The Lord of the Flies*, *Brave New World*, *The Call of the Wild*, or *Native Son*? How about novels by Toni Morrison or Ernest Hemingway?

They all faced banning.

Society faces grave danger when restraints are placed on availability of information. That's why we cherish press freedom, and why our country's founders enshrined it in the Constitution. It's why we think you should be able to go the library and select any book you want without someone having censored the collection first.

Don't take your freedom to read for granted. There are people eager to tell you and libraries what they've decided should be kept away from us. That's called censorship, and there is no place for it in American society.

Of course some books contain viewpoints offensive to some readers. The solution? Don't read the book.

Banned Books Week celebrates open access to the expression of ideas, even those out of the mainstream.

We invite you to celebrate your right to think for yourself this week by visiting your local library and checking out a book. Your choice, choose any book you want.

Biden's Speech, Part II

To the editor,

It comes as no surprise to me the MAGA crowd is going wild as a result of President Biden's recent speech in Philadelphia. From my own perspective, about time! To be sure, the catch phrase MAGA has many connotations; from Make Attorneys Get Attorneys to that of being a Terrorist. You will have to forgive us on this one. After all, we were called every name under the Sun for 4 long years. Including a 2020 event with Air Force One as the backdrop, flanked by Air force officers (and two Teleprompters) in which the Orange Lunatic called everyone on the left (Democrats and Independents) Fascists!

For the record and before the Right-Wing washing machine spins this into outer space, here is the substance part of what President Biden said: "DJT and the Maga Republicans represent an Extremism that threatens the very Foundation of our Republic. Let me be clear, not every Republican, not even the majority of Republicans

are Maga Republicans. There is no question that today the Republican party is Dominated, Driven and Intimidated by DJT and the Maga Republicans and that is a threat to this Country".

Unfortunately, the main problem with these Maga republican's is they do not believe in the constitution (except for one amendment) or our Laws. Recent example would be, they have been told to say Abolish the FBI and DOJ, as they do not like the Search warrant regarding the Stolen Secret documents on their Cult leader's home. Like it or not, this is what the new Republican party is all about. The GOP (Grand Old Party) is no longer in existence. Those people who are in these extremist groups: Oath keepers, KKK, White Supremacist, etc., ALL identify as MAGA. There is an old saying: Show me who your friends are, and I will show you who you are!

I also have taken notice, whenever I had complained about "Modern Capitalism" regarding Health Insur-

ance costs, now more than a yearly mortgage cost, there were always a few who made it a point to label me a Socialist. I now find it laughable these same folks are complaining about the cost of chickens and eggs. Must have been closet Socialists all along? I understand the need for some to blame Biden for, well everything. Perhaps the anger is better placed on the chickens and cows representation at the Bargaining table?

Finally, I know the MAGA menace is upset about the student loan forgiveness of 500 billion +. There is still the pesky matter of the Historic 11 Trillion dollars run up in the last regime, with no way to pay for it, I might add. Let's work on that issue first. But you know those Former Republicans were only about reckless out of control Spending.

Some may hope that come Nov. Maga rules. I hope people will heed President Bidens warning of what the Maga connotation really means.

Ceremony Held To Honor Those Lost During 9-11 Attack

Members of the Londonderry Fire and Police Departments held a remembrance service at the memorial area in front of Central Fire Station on Sunday morning, Sept. 11 for those who lost their lives in the 2001 terrorist attack. A procession of First Responders led by Captain, Patrick Cheetham, on bagpipes began the service, with Call-Fire Fighter, Vinnie Curro, delivering introductions as the Master of Ceremony. High School senior, Rae Pizzi, sang the National Anthem and the invocation was given by LPD Chaplain, Gerald Goncola. Brigadier General, Matthew Kennedy, of the Massachusetts' Army Air National Guard was invited as the guest speaker. He highlighted Remembrance, Reverence and Respect in his speech that honored those who lost their lives during the tragedy. The Fireman's Prayer was delivered by Fire Fighter, Bryan Young, and the ceremony ended with LHS student, James Dooley, playing taps after the 5-5-5 ringing of the bell.

Civil Air Patrol Finds New Home at North Elementary School

CHRIS PAUL
LONDONDERRY TIMES

The Manchester Cadet Squadron – Civil Air Patrol has found a home for their

meetings at Londonderry North Elementary school, and last week, on Thursday, Sept. 8, the squadron had a change of command ceremony.

Captain Timothy Johnson relinquished his command to Captain Julie McAdoo of Salem.

Colonel Darin Ninness was on hand to assist with the change of command.

A number of cadets were present at the ceremony ranging in age from 12 to 18 living in the area.

CAP is a volunteer, non-profit organization that also serves as the civilian auxiliary to the U.S. Air Force. One of its three missions is developing youth through a cadet program. The program incorporates aviation and military customs and courtesies.

Young people develop into responsible citizens through their experiences as CAP cadets and become tomorrow's aerospace leaders.

The Manchester Cadet Squadron is one of nine squadrons in New Hampshire and traces its history to the inception of the Civil Air Patrol with a fully staffed squadron at the then Grenier Army Air Field.

Masked to be Presented by Ovation Theatre Company

Ovation Theatre company of Londonderry is gearing up for the world premiere of a play with a strong message about mental health. "Masked" is set during the early months of the pandemic, but is far less about physical masks and much more about the emotional masks.

It focuses on social media apps and the suicide rate for girls aged 10 to 14 increasing by 151 percent, compared to an increase of 107 percent for all age groups. Masked was written to try to help prevent those percentages from increasing.

Masked is directed by Dan Gore of Londonderry and Stage Managed by Ryan Kaplan of Windham. The cast is drawn from throughout the area, including Shani Lang and Hope Frost of Hampstead, Jacques Lopez of Windham, Kaz McGraw of Hooksett, John Jenks-Seymour of Brentwood and Lauren Legault and Bobby Garipey of Haverhill, Mass.

Masked will be performed Sept. 22 and 24 at Windham High School, 64 London Bridge Road, Windham. Tickets are available at OvationTC.com. Group discounts are available.

Pig Roast and Derby Held To Help Preserve Peterson Farm

A fishing Derby and Pig Roast was held at the Peterson Farm on Peabody Row on Saturday with families gather for a number of fun activities. The small pond was stocked with trout and bass, there were farm animals for children to pet, and there was plenty of pulled pork for people to enjoy. Also on hand was local woodcarver Andy Lefebvre who was creating a knome that would be finding a home on the property. The event was a fund raiser hoping to help raise money to allow the farm take advantage of a New Hampshire Easement Stewardship Program offered through the Southeast Land Trust which has helped conserve tens of thousands of acres in the state since 1980.

Lancers Field Hockey Squad Gets Two Solid Victories

CHRIS PAUL
LONDONDERRY TIMES

The Londonderry High School Field Hockey team bounced back from their

1-3 start in the first week of the fall season with two strong wins, one at home and one on the road.

The Lancers team

started their week at Merrimack High School, on Wednesday, Sept. 7, where they came away with a 3-1 win over the Tomahawks to even out their season record at 2-2.

Londonderry had nine shots on the Merrimack goal with nine offensive corners taken in the first half and three in the second half.

Scoring for the Lancers were: Senior, Maghan Daileanes; Senior, Kenzi Urquhart; and Sophomore, Ava Windisch.

Junior, Taylor McKinnon, assisted in two of the goals and Daileanes had one of her own.

The LHS defense kept the Tomahawks away from senior goalie, Kathryn Martin, for most of the game.

Following that victory, the Lancers added another notch in the win column with a rather lopsided 4-0 victory at home on Friday, Sept. 9,

over the Nashua South Purple Panthers.

Londonderry was able to force the ball into the visitor's side for much of the contest with a total of 14-shots on the Panthers.

Junior, Ashleigh Leone, put the LHS squad on the board with a goal in the first quarter. She was assisted by Senior, Julia Senus.

Junior, Maya Silvestro, gave her team a 2-0 lead with the first goal of the second half. Daileanes got the assist.

Sophomore, Keira Strike, added the third goal with just under four-minutes left in the third quarter, assisted by Windisch.

Daileanes added to her season total with one goal off five shots

against their opponents. Leone. She also had one assist.

Daileanes finished the scoring halfway through the final quarter with an assist from

LHS is scheduled to play three games this week, two on the road and one against Windham, at home.

Londonderry Girls Soccer Squad Splits in Home Contests

CHRIS PAUL
LONDONDERRY TIMES

The Londonderry High School Girls Soccer team had a successful home opener last week when they

shutout the Salem High School girls 2-0, but then dropped their second home game 4-0 against the Bedford High School team.

The Lancer squad

started their week with a home opening game against the Blue Devils on Wednesday night, Sept. 7, and were hoping to get their second win of the young season,

after losing 1-0 to Portsmouth to end the prior week.

The game was rescheduled from the night before due to rain.

Lancer Sophomore, Audrey Hughes, put her team on the board about 10 minutes into the contest with an unassisted goal from in front of the penalty area box.

Londonderry Senior striker, Mia Stowell, gave her team the second goal of the game with about 30 minutes left to play in the second half. Senior, Olivia MacDonnell, had the assist.

In goal, Londonderry had Hannah Nelson make four saves in the first half and Reagan Delude got two stops in the second half.

The Lady Lancers had a total of 17 shots on the Salem goalie in the victory.

Londonderry: 2-1

The following day, on Sept. 8, Londonderry played its second home game of the young season, but fell 4-0 to the tough Bedford Bulldogs squad.

With the loss, Londonderry fell to 2-2 and Bedford improved to 4-0.

The LHS squad was down by just one goal by the end of the first half, but gave up three unanswered goals in the second half.

Nelson had 10 saves

in the shutout loss.

Londonderry is scheduled to play at Nashua South (3-1) on Wednesday, Sept. 14 and will play Dover High School (1-2) at home on Thursday night, Sept. 15, starting at 6 p.m.

Lancer Boys Soccer Get Their First Win of the Season

Lancer junior goal keeper Jason Reilly made three stops in the win over Salem.

CHRIS PAUL
LONDONDERRY TIMES

The Londonderry High School Boys Soccer team got

their first win of the season last week, beating Salem High School 3-0 on the road.

Heading into the

game, Londonderry was sporting 0-1-1 record and the Blue Devils had a win and two losses.

The Lancers did all of their scoring in the first half of play against Salem.

Senior forward, Cristian Levantovski Correa, scored the first goal of the game with an assist from fellow Senior, Stefan Sandu, four minutes into the game.

Sophomore, Brett McKinnon, was positioned nicely as he knocked in the second point of the game, by following up a rebound on a shot taken by Junior, Aidan White, in the 21st minute.

Sandu scored at 37:05 with an assist from Levantovski Correa for the third goal.

Junior Keeper, Jason

Reilly, managed three saves while the Salem keeper was able to stop four.

Coach, Todd Ellis, commented after the game, "It was great to see the players come out quickly and play a solid first half. Things clicked for us today, but we will be put to the test with a quick turn around against Bedford."

That test didn't go Londonderry's way, dropping that contest 4-3 at Bedford High School.

The Bulldogs took the early lead in the contest scoring in the eighth minute.

Levantovski Correa was able to tie the game 12-minutes later, but Bedford scored again before the end of the half.

Each side scored two more times in the second half, giving Bedford the one goal victory as the buzzer sounded.

Brady Joncas scored at 69:44 assisted by Jackson Lewis on a set play and Levantovski Correa

got his second of the game when the Bedford goalie mishandled the ball.

Ellis felt the team did a good job overall, "We had a couple of miscues that we need to tidy up, and other defensive things to improve, but the team did not quit and competed hard the whole game."

Londonderry is scheduled to play Keene (0-5) at home on Tuesday of this week and Dover (2-2) on the road, two days later.

Lancers Football Squad Spends Bye-Week in Rhode Island

CHRIS PAUL
LONDONDERRY TIMES

The Londonderry High School Football squad was given a bye-week during the second week of the season and head coach, Jimmy Lauzon, chose to travel out-of-state to give the team some tough competition in Rhode Island.

The Lancers kept in shape by playing the

Bishop Hendricken Hawks in Warwick, RI, on Saturday and faced a team that boasts 17 state titles.

The LHS squad wound up losing 40-20 in the game, but brought home plenty of experience.

This year, the NHIAA has realigned the Division I grouping and Londonderry is now part of the seven-team Central Division.

The team's will be playing in eight games this season.

Londonderry will host its first home game on Friday night, Sept. 16, when they will play the Windham High School Jaguars.

Windham is coming off a big 44-13 win over Nashua South and nearly beat Pinkerton Academy in their home-opener in week one 28-27.

All State Honors

Londonderry High School varsity volleyball players Matt Doyle, left, and Tyler Brown, right, recently received their certificates naming them as Division I, Second Team, All-State players. They were named back on June 12.

Lancer Volleyball Squad Begins Season with Three Wins

Shannon Ball

Lexi Small

Ally McGonagle

CHRIS PAUL
LONDONDERRY TIMES

The Londonderry High School Girls Volleyball team is off to a good start this season, getting consecutive wins in their first three matches.

The Lancers improved to 2-0 on the young sea-

son with a 3-1 home victory over Merrimack on Wednesday, Sept. 7.

The LHS squad brought plenty of fans to the Lancer gym and the lone Tomahawk set win came in the third game that evening. Set scores were: 25-12, 25-11, 22-25 and 25-15.

Lancer team leaders in the match were: Senior, Madi Saucier, with nine aces and two blocks; Senior, Bella Elguezabal, had four aces and six digs; and Junior, Olivia DeFazio, went up for eight kills that evening.

Following that suc-

cess, the Londonderry girls improved their season record to 3-0 with a 3-0 win on the road at Dover High School Friday night.

The Lancers bested the Green Wave 25-19, 25-21 and 25-13 for the shutout victory.

Leaders for the Lan-

cers were: Junior, Ally McGonagle, with eight kills, four aces and five digs; Saucier got five kills, four aces and two blocks; Senior, Lexi Small, had 18 assists and three digs; while Senior, Sam Fortier, finished with six digs and three aces.

The Lancers will try to keep the winning streak going this week when they face two teams with 1-2 records, traveling west to play Keene on Wednesday night, Sept. 14, then hosting the Winnacunnet Warriors on Friday night starting at 6 p.m.

Food Drive

Derry Village Rotary helps support ending 68 hours of hunger which supplies weekend food bags for our Derry children to take home so they have meals over the weekend. Most of these students partake of the re-

duced cost breakfast/lunch program but have no other means for food while not in attendance at the schools. Rotary helps the Ending 68 Hours of Hunger program in town by distributing the food bags to the schools. Courtney Cashman and a group of volunteers bag the food that is needed. What's needed: Non-Perishables for all meals, including snacks, protein bars Their food supply is getting low and if you would like to help go to Ending 68 Hours of Hunger website: Derry-End68HoursOfHunger.org/find-your-community/new-hampshire/derry/
