Traffic Circle is Planned for Stonehenge Road Intersection

ALEX MALM LONDONDERRY TIMES

During the Sept. 12 Town Council meeting, one of the agenda items was in regards to the intersection of Route 28 and

Stonehenge Road and what should be put there to help with traffic safety.

Town Manager, Mike Malaguti, said they recently had a meeting hosted by New Hamp-

shire Department of Transportation to go over the plans for the traffic at the intersection.

"There was a pretty good turnout," said

13 Lot Housing Development Planned Near LAFA Complex

ALEX MALM LONDONDERRY TIMES

A conceptual discussion for a 13 lot subdivision at 11 Sargent Road was discussed at the Sept. 13 Planning Board meeting.

Representing the applicant DHB Homes was George Chadwick.

Chadwick said the property is about 18 acres in size.

"What we are proposing is a 13 lot subdivision," said Chadwick.

Chadwick stated they are proposing to have a 24 foot wide road that would have public water and septic.

It was explained by

Town Engineer, John Trottier, the regulation is 28 feet, which is based on 12 feet lanes and two foot shoulders.

"That's how they came up with that 28 foot wide," said Trottier.

Trottier asked if they were proposing to use the grass panels as a sidewalk.

Chadwick said they weren't planning on it.

Town Planner, Kellie Walsh, said she thought it was a straightforward proposal.

"Overall it's very straightforward," said Walsh.

Walsh stated it is a permitted use in the

zone and they will meet with the applicant and express their initial concerns with traffic increasing.

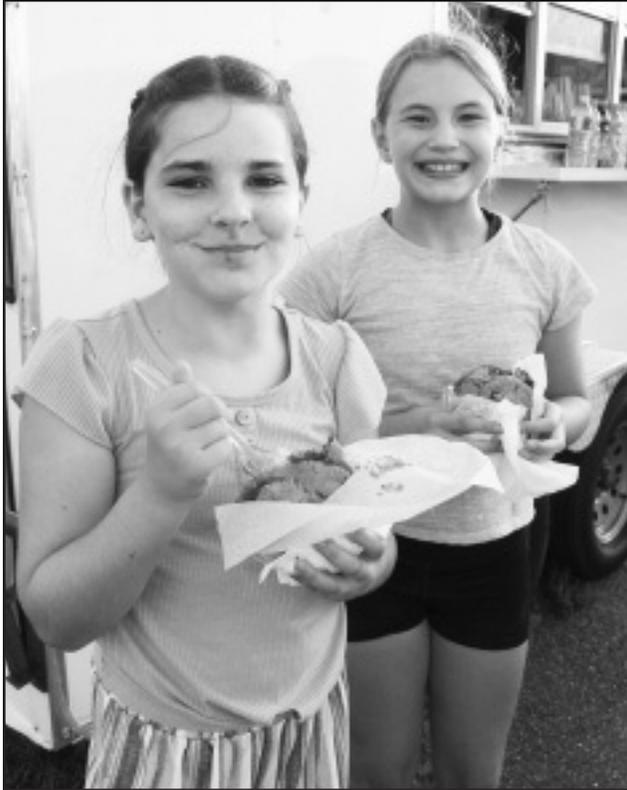

"Those are items we will need to look further into," said Walsh.

Planning Board member, Ann Chiampa, said she hopes the historical house on the property

Town Council Gives Direction For Waste Removal Increases

ALEX MALM
LONDONDERRY TIMES

An update for a proposed increased from Waste Management was discussed at the Town Council meeting.

It was explained by Town Manager, Mike Malaguti, that they previously received a request from Waste Management for a 10 percent increase. He explained that in the letter they

cite, all the compensation from the town keep pace with what the operational costs are.

Currently the contract with Waste Management runs through 2026 and the contract dues include inflation increases that are capped at 3 percent and are based on the CIP.

Malaguti stated that there is also a clause in the contract that allows relief from the contract

if one of the parties is losing money on the deal.

"The letter makes specific reference to the language in the contract," said Malaguti.

After working with Waste Management Malaguti said they were able to negotiate the price down to \$596,000.

Since the previous meeting, Malaguti stated they were able to negotiate it down even more to

about \$513,000. They were able to do it by frontloading the beginning of the contract.

The Town Council also asked Malaguti and staff members to get verification about the increases that other towns across the state are seeing due to the current market.

Malaguti explained that based on the communities they talked to they are currently pay-

ing vastly less than what other towns that recently went out for request for proposals are paying.

In some cases, Malaguti said communities are currently paying a significant percent more than what they are currently paying. Based on the information they received, it is a confirmation that prices have gone up dramatically.

Malaguti said the

Town Council had a decision to make about what direction they wanted to go in.

The Town Council ultimately agreed to have Malaguti go forward with the \$513,000 proposal.

Malaguti stated he had to come back for formal approval from the Town Council once the language is negotiated and added into the agreement.

Stonehenge

Continued from page 1
Malaguti.

Malaguti stated NHDOT favors a roundabout because it has fewer sight impacts for roundabouts. Based on the presentation he said they didn't hear anything to make them object to it.

"DOT does traffic improvement, they do roadway improvements," said Malaguti who said they are experienced with traffic related issues.

Town Council Chairman, John Farrell, said he heard from abutters who were against the traffic light.

"I can understand why," said Farrell.

Farrell asked John Trottier, the Engineer for the Town, what he thought the best option was.

"As the engineer for the town, what's your opinion," said Farrell.

Trottier said it made sense to have a roundabout.

"I think the roundabout fulfills the purpose and the need for traffic safety," said Trottier.

Trottier explained that right now the road is a 45 miles per hour speed zone and they would be reducing speeds with the new roundabouts.

"The speed limit will be reduced significantly," said Trottier.

Trottier stated they

also think there would be less conflicts in the traffic circle versus at a traffic light.

Town Councilor, Deb Paul, said she was against roundabouts.

"I am adamantly against the roundabout," said Paul.

Paul explained that she lives near the intersection and grew up with roundabouts and doesn't think it's a good solution.

She also thought they need specialized equipment for plowing.

"I don't think there's enough space there," said Paul.

Paul stated she felt it would make more sense to have a timed light there instead.

"I feel that a light

would be better," said Paul.

Fellow councilor, Chad Franz, said he used to live in Nashua near traffic lights and understands some of the concerns neighbors have.

"I can emphasize

with the residents that are close," said Franz.

It was pointed out that the state would be in charge of any repairs to it.

"I don't like rotaries, but I'm not a traffic expert," said Farrell.

He said it makes sense to go with it based on what the abutters want and what the experts are saying.

The next Londonderry Town Council meeting is slated for Sept. 26 at 7 p.m.

Housing

Continued from page 1

could be preserved. She hopes they would also be able to keep some of the stone walls.

"I hope the house can be preserved, but that's not what we're here for," said Chiampa.

Planning Board Executive, Deb Paul, stated she thinks the roads should be up to the Town's standards since they have to maintain

them. She also hoped they would be able to preserve the home and that they have a historical plaque in the entrance that explains the historical aspect of it.

Chadwick said he would go with the wider road.

"If you want a 28 foot wide road I will give you that," said Chadwick.

In terms of rock walls, Aaron Orso, the co-owner of DHB Homes, said their plan is

to keep as many of them as possible.

"We understand the historical integrity of these," said Orso.

Orso explained he would do a cost analysis of how much it would be for the historical house.

Orso also noted they would try to keep as much of a wooded buffer as possible for the abutters.

The next Planning Board meeting is slated for Oct. 5 at 7 p.m.

Orange Is The Color For This Season

When you think about fall, the color orange comes to mind. Pumpkins and turning leaves is the main thought, but the special hunter orange that becomes part of our attire in the outdoors this time of year is particularly important.

It's hunting season in the Granite State again, and that means those pristine woods in the back of your home or along your favorite path are likely to resound with more than the birds chirping.

The sounds of gunshots will soon be heard along that chirping. This means you should start exercising extra caution when you're in or near the woods, no matter if you're aiming the gun or taking a stroll in the woods. Don't take chances.

For hunters, always be sure of your target and make sure that what you see is really what you're hunting. In other words, identify your target before you fire. Always. Make sure you take seriously what you learned in hunter education. Know your weapon. The life you save may be your own or your neighbor's. Be certain you're not trespassing in pursuit of your hobby. Be respectful of the land where you hunt, and the neighbors around you.

Know the rules. If the land is posted "No Hunting" and you don't have personal permission to hunt there, go somewhere else. It is just

as important to leave the land as you found it or maybe better.

Each year, both private and town-owned land is trashed and vandalized. Whether it's someone's idea of a private shooting range, complete with spent cartridges and beer cans, trees cut down without permission, or ATV damage to trails, the "rotten apple" spoils it for everyone else. Hunter or non hunter, clean up after yourself.

For the rest of us, this is the season when we don't want to be crashing around in the brush. Make it easy for the hunters and for yourself by wearing hunter orange when you're in an area where hunting is likely, and make sure your faithful canine companion is sporting an orange scarf as well. It's advised to steer clear of camouflage clothing.

Fall is a beautiful time to be in the woods as long as we take literally the old adage that it's better to be safe than sorry.

We know the vast majority of hunters use common sense in the pursuit of their game, but in southern New Hampshire, woods and homes are close neighbors. On a clear fall morning, the sound of gunshots is a good clue that you're not alone.

Take care, and enjoy a beautiful fall.

Thank You from Kristine Perez

To the editor,
My name is Kristine Perez, and because of you, I am on the ballot running for State Representative for Londonderry.

The enthusiasm for my campaign, all the support, the kind words, and emails, and all your votes made this happen for me/us!

Please know I am humbled and forever grateful to you, the residents of this great town. I cannot thank you enough.

Now let's finish this in November so that I can speak to you, hear your needs and concerns and work to make things happen. I will continue to attend Town meetings and be your advocate in Concord. As I pledged, I will be committed, honest, and transparent and it will be my honor to serve.

Londonderry Lions Have a New Home

To the editor,
I am pleased to announce the new home of the Londonderry Lions Club as of Sept. 6, 2022 will be at the Londonderry United Methodist Church on 258 Mammoth Rd., Londonderry NH. The Londonderry Lions Club is happy to still maintain our presence in the Center Common vicinity with close proximity to the Dykstra Pavilion and our corral. We will be continuing our charitable endeavors within the Londonderry community with our biannual

yard sales and the annual highly successful Christmas tree sales. We are also in the process of initiating some other creative fundraising endeavors as we are no longer in the Lions Hall rental business. The Town of Londonderry's old Town hall that has been leased to the Lions Club for over 50 years has structural defects that need attention and prohibits the occupancy for group use. This, along with the loss of revenue during Covid has made it difficult for the Lions Club to maintain the operational expenses of this facility.

We are pleased with our new location and quite proud of our past history of community services including eight Londonderry High School scholarships, contribution to a variety of civic programs, eye exams and providing eye glasses, and the coordination of holiday baskets for distribution to the Town residents in need, local Londonderry food banks, Christmas turkeys, soup kitchens, Liberty House, guide dog programs, LAFA, Lions Camp Pride (a camp for handicapped children and adults in New Durham, NH), and much more.

At our June 2022 meeting we inducted the new slate of officers and Board of Directors.

Royal Passing

To the editor,
Like many of us, the death of Queen Elizabeth II sparked some memories. Some of you know that I used to be British. I have lived in the USA longer than I had lived in Britain and have been an American citizen about as long as I was a British one.

The announcement of her death was not unexpected, as soon as I read the statement issued by her doctors earlier that day. Although still a child, I recall my parents reaction when a similar announcement was made just before her father died. He had been ill with lung cancer

Continued from page 4 for some time.

Elizabeth's coronation in 1953 was widely celebrated. Every school child was given a die cast money box (a piggy bank) in the shape of a crown to encourage savings. It was painted in red and gold. I do not recall what happened to mine, like many childhood toys it was left behind when I left home. In those days, my allowance, subject to chores, was one penny a week. Not a lot until you consider England was still recovering from World War II. Meat was still rationed and sugar and candy had just come off a few months before. The small store across the street from my school now sold "sour dip" for one quarter of

one penny (a farthing). You licked your finger to make it wet and were allowed to dip it, once only, deep into the jar of sherbet on the counter in order to cover it in sherbet. (Sherbet is a fizzy, sweetish sour powder, usually eaten by dipping something in it or licking it from a finger. A mixture of sodium bicarbonate, powdered sugar and citric acid, it can also be used to make fizzy lemonade.) Inflation has been significant since then. A few years ago I obtained a transcript of my father's job. In 1953, he was paid 9 pounds and 3 shillings per week as a police officer with 15 years of experience. (There were 20 shillings in 1 pound and 12 pence in one shilling. 1 pound was worth about 3 dollars. That was about 27 dollars per

week to care for a wife and four children.)

King Charles has a tough act to follow.

What We Need

To the editor,
I am a business owner and lifelong resident of Londonderry.

I met and became friends with Kristine Perez several years ago. I have gotten to know her as an honest straight forward person who isn't afraid to fight for what's right and fair, no matter who she is up against. She says she will work for Londonderry at the State house in Concord. I know for a fact she will do just that. She is committed to asking the residents of all ages what is important and working with all the

Londonderry State Representatives and those on both sides of the aisle to make things happen.

Please vote Kristine Perez for State Representative on Nov. 8, 2022.

Tom Estey
Lifelong Londonderry Resident

Candidate Thank You

To the editor,
Friends, neighbors and citizens of Londonderry,

I am again humbled and honored by your continued support.

As I previously stated, I will continue to listen to you and work to solve the challenges that we face because YOUR voice matters. Again, I firmly believe that the people of NH are worth fighting for and I want to thank you for choosing me to be your voice. I thank you for your vote of confidence and look forward to representing you.

Sincerely,
David Lundgren

Candidate Thank You

To the editor,
I want to thank my

supporters for putting their confidence and trust in me for selecting me as a candidate for state representative again.

Londonderry voters know their state representatives made many effective changes last term that greatly benefited the town and state.

By advancing all our incumbent state representatives and choosing two new candidates, we have a solid Republican team to represent Londonderry in the NH House in the November general election.

Additionally, many thanks to all the Federal, County, and State candidates, especially to those who did not make it, who put their lives on hold to run spirited campaigns in the interest of democracy.

I say thank you to all and give special congratulations to all the winners in their respective races. Moving forward, it's important we concentrate on the most pressing issues of inflation, school choice and parental rights, energy costs, and taking care of those on fixed and low incomes.

NH State Representative/Londonderry

Dear Fellow Citizens of Londonderry

To the editor,
Thank you very much for your support in the primary on Sept. 13th and once again giving me the honor of being one of your seven Republican candidates in November. As I have said before and will continue to say, it has been a great privilege to represent our community in Concord these past two years and I hope to continue for two more. We all know that Londonderry and the State of NH as a whole are special and I will do everything I can to keep them that way and make them even more so, should I win in the general election.

If you should need to reach me, please call me at (603) 434-8191.

Thanks again!

Lancers Football Stays Perfect in Division with Win Over Jags

CHRIS PAUL
LONDONDERRY TIMES

Despite getting off to a rather slow start in the season's home opener against the Windham High School Jaguars, the Londonderry High School football team was able to shutdown the Jags in the second half to remain perfect in their division.

With the Lancers 30-14 victory over Windham on Friday night, Sept. 16, they will now prepare for the annual Mack Plaque game against Pinkerton Academy at Lancer Park this coming Friday night.

In the game against Windham, the Lancers took their opening drive to the WHS 22-yard line, where they were halted and had to settle for a field goal by Senior Kicker Jack Drabik.

The 3-0 lead only lasted four minutes, after Windham was able to advance the ensuing

Drew Heenan

drive to the LHS end zone for a 7-3 lead early in the contest.

Londonderry began their second quarter with another strong drive, which ended with Junior Running Back Jake Schena getting a two-yard run to pay dirt.

The 10-7 Lancer lead lasted until 4:44 of the second quarter, when the Jaguars had a strong drive of their own, ending with a two-yard TD to put the Lancers behind 14-10 after the

first half of play.

In the second half, LHS regrouped, and proved why they're the defending Division I champs.

Lancer Senior Quarterback Drew Heenan led his team to three unanswered touchdowns in the second half for the 16-point victory with the help of Junior Running Back Jake Schena.

Heenan had two rushing touchdowns in the third quarter. One from 16-yards out with four minutes left in the period and one for 15-yards as the clock expired.

Heenan finished the scoring that evening with a pass to Senior Nathan Padrick for a 15-yard pass completion.

Drabik kicked the extra point and the LHS defense secured the first home field win of the season.

Londonderry finished with 299 yards of

total offense, most of which was on the ground with 44 rushing attempts.

Heenan and Schena each carried the ball for 94-yards rushing to lead the team with Nathan Rosario getting 32-yards on to carries.

Heenan had five completions for 53-yards in the air.

The Lancers sit at 2-0 in the division and will face Pinkerton Academy (3-0) on Friday night, Sept. 23, in the Mack Plaque game starting at 6 p.m.

The Astros started the season with a slim 28-27 win at Windham, but have since had two wide-margin victories against Goffstown (59-6), at home, and at Alvirne (42-6).

Junior Jake Schena, above, and Drew Heenan, at left, both carried the ball for 94-yards in their first home win. Photos by Chris Paul

Lancer Girls Soccer Squad Tallies Two More Victories

CHRIS PAUL
LONDONDERRY TIMES

The Londonderry High School Girls Soccer squad had

a successful week following their tough 0-4 loss to the Bedford Bulldogs to end last week. The Lancers traveled

to Nashua to start the week, on Wednesday, Sept. 14 and were able to come away with a 3-1 victory over the Nashua South Purple Panthers.

The Lady Lancers had a slim 1-0 lead heading into halftime, but were able to score two more times in the second half for the 3-1 victory.

Londonderry goals were taken by Sophomore Reagan Anderson with an assist by fellow Sophomore Ali Von Pichl; Senior Olivia MacDonnell had a goal on a direct kick; and stand-out Senior, Mia Stowell, also scored with an assist by Freshman Lyndi McKinnon.

Nashua South's lone goal was scored by Soraya Ross, assisted by Tanvi Menghani.

Lancer Sophomore

goalie, Reagan Delude, had four first half saves and one in the second.

The next evening, on Thursday, Sept. 15, the Londonderry squad played host to the Dover High School Green Wave and beat that team in what turned out to be a close game.

Londonderry got off to an extremely quick lead, scoring within the

first 10 seconds of the contest, to start the game with a 1-0 lead.

The score remained there until six minutes remained in the half and Londonderry went to the sidelines with a 2-0 advantage.

In the second half, the Green Wave was able to get two back, but Londonderry was able to get the game winning goal for

the 3-2 win.

That victory put the Lancers season record at 4-2 to start the fifth week of the season,

This week they were scheduled to play Exeter High School on Monday, Sept. 19, and then host the Pinkerton Academy Astros in a Mack Plaque game scheduled for Saturday afternoon at 1 p.m.

Lancers Field Hockey Squad Suffers Three Close Losses

CHRIS PAUL
LONDONDERRY TIMES

The Londonderry High School varsity Field Hockey team began the season with a 3-2 record heading into the fourth week of the fall sports season, but the Lancers ran into some stiff competition and suffered three tight losses to finish the week at 3-5.

On Monday, Sept. 12, the LHS squad traveled to Dover High School, where they finished one-

goal shy in a 2-1 contest against the Green Wave.

Dover's record elevated to 5-1 after the one-goal win.

Two days later, on Wednesday, Sept. 14, the Lancers hosted the undefeated Windham High School Lady Jaguars and battled hard, but lost 3-1 in that game. The defeat left the LHS team at 3-4 on the season.

Londonderry finished the week with another tight loss, this

time at Timberlane Regional High School, where they fell to the Owls 2-1.

The Lady Lancers hope to reverse their direction this week with games against Manchester Central-West (3-3), Bishop Guertin (5-2-1) and Pinkerton Academy (4-3).

The game against the Pinkerton Astros is part of the annual Mack Plaque contest and is at home, starting at 11:30 a.m.

Lancer Boys Soccer Team Add Two to the Win Column

CHRIS PAUL
LONDONDERRY TIMES

The Londonderry High School Boys Soccer squad had a very successful week following their tough 4-3 loss to the Bedford Bulldogs to end last week.

The Lancers hosted the Keene High School team on Tuesday, Sept. 13 and handed the Blackbirds their sixth consecutive loss.

Londonderry evened out their season record

to 2-2-1 with the 6-1 win. The Blackbirds were able to maintain pace with the Lancers during most of the first half, trailing by one after Senior Cristian Levantovski Correa put LHS in front to start the game with an assist from Brady Joncas.

In the second half, Londonderry added five goals from four different sources.

Stefan Sandu scored at 40:42 with an assist from Levantovski Correa.

Sophomore Tim Desmarais got his first varsity goal at 53:50 and made it 3-0 with the assist coming from Brett McKinnon.

The Keene contingent got on the board at 63:40, but LHS added three more unanswered goals to finish.

Sophomore Zach Mantegari notched his first varsity goal from Sandu at 64:04.

Sophomore Brett McKinnon had goals at the 69:59 and 75:00 marks with one assisted by Levantovski Correa to end the game.

Londonderry Junior Jason Reilly only needed to make two saves in the game while the Keene tender made seven saves out of the 13 shots on net by the Lancers.

Head coach, Todd Ellis, was happy with the strong win, "This was our most complete game to this point of the season. I thought we defended better and had a more varied and balanced attack."

Two days later, Londonderry stayed in attack mode when they traveled to Dover High School and handed the Green Wave their third

loss of the season. The Lancers shutout Dover 4-0 and moved to 3-2-1 on the season.

Goals one and two came from Levantovski Correa assisted by Jackson Lewis at 31:50 and 35:15 in the first half.

In the second half, Mantegari got his second varsity goal at 57:36 from McKinnon.

McKinnon was able to get a goal of his own at the 58th minute of the game with the assist going to Tiago Keyes.

The Lancer defense kept the ball away from their keepers Reilly and Dover had to make three saves on seven shots on his goal.

Ellis commented after the game, "Dover is a tough place to play. I thought our young team did a great job of handling the physicality of the game, and showed

Lancer Senior Cristian Levantovski Correa has piled up a number of goals this season.

great maturity."

The team will have three games this week against some tough competition.

On Monday, Sept. 19, they will travel to Exeter to take on the Blue Hawks (4-2).

On Thursday, Sept. 22, they will host Bishop Guertin (5-1) under the lights, at 6 p.m.

On Saturday, Sept. 24, LHS is scheduled to host Pinkerton Academy (2-4-1) during Mack Plaque weekend at 3 p.m.

Londonderry Volleyball Squad Stays Perfect with Two Wins

CHRIS PAUL
LONDONDERRY TIMES

The Londonderry High School Girls Varsity Volleyball team is heading into the fourth week of the fall sports season with an undefeated 5-0 record

after defeating two more opponents last week.

The Lancers have only dropped two sets out of 17 thus far, adding two more shutout victories last week.

On Wednesday night, Sept. 14, the team took

the long bus trip to Keene High School where they improved to 4-0 on the season with a straight-set win over the Blackbirds.

Strong serving was the key to the win that night for the Lancers and they had plenty of players helping at the service line.

Juniors Olivia and Sarah DeFazio each had four aces. Senior Ashley Sarazin finished with three aces and Alison McGonagle and Madi Saucier both served two aces.

Following that long trip and short match, Londonderry returned home where they improved to 5-0 with another shutout victory, this time over the Winnicunnet Warriors on Friday night, Sept. 16.

Set scores the sea-coast team were: 25-18, 25-22, 25-18.

Standout players for the Lancers squad were: Senior Shannon Ball, with five kills and four digs; McGonagle had four kills and six aces; Senior Sydney Rankin finished with 11 assists

and four aces; and Sarah DeFazio managed 11 assists in the match.

The Lady Lancers will try to keep their winning streak alive this week with a match on the road against Man-

chester Memorial (0-6) on Monday followed by a Mack Plaque contest against the Pinkerton Academy Astros (2-4) on Saturday morning starting at 10 a.m. in Londonderry

Lancers Cross Country Teams Compete at Nashua Invite

CHRIS PAUL
LONDONDERRY TIMES

The Londonderry High School Cross Country teams competed over the weekend in the Nashua North XC Invitational at Mines Falls and two of the Lancer runners came in the top ten.

The Londonderry boys team placed sixth out of 14 teams in the 5K Race with Senior Ryan Fortin taking second place overall, just 12 seconds behind the win-

ner Matt Giardina from Bishop Guertin.

Fortin had a time of 16:27.84 and fellow senior Sean Clegg finished in ninth place with a time of 16:56.52.

The next highest LHS competitor was Carson Fitzgerald, who finished 44th in the field with a time of 18:28.67.

Nashua South High School was the race winning team for the boys with a score of 92. Pinkerton Academy was second at 105 and Con-

cord High School came in third with 113.

In the girls' race, the top finisher for the Lancers was Sophomore Sade White, who had a time of 22:30.82. Senior Emily Smith finished at 22:56.04 and Junior Amara Williams was right behind her at 23:10.52.

Bedford High School was the team winner with Pinkerton taking second and Concord took third.
