## Pickleball Task Force Gets Dissolved by Town Council

ALEX MALM  
LONDONDERRY TIMES

During the most recent Londonderry Town Council meeting, a number of agenda items were related to the acceptance of unanticipated revenue.

One of those was the acceptance of unanticipated revenue from the

Stanton Foundation.

It was explained by Finance Director, Justin Campo, that they received additional funding in the form of a donation from the foundation in order to help pay for the police dog for the town's police department.

The donation was for

\$4,500.

Another unanticipated revenue was from the Homeland Security Grant, for the amount of \$7,500, and another unanticipated revenue in the amount of \$9,000 from the 2022 Homeland Security Grant.

The final unanticipated

## Technology Hill Plan Runs Into Infrastructure Issues

PAUL CONYERS  
LONDONDERRY TIMES

The Planning Board met on June 26 for a special meeting to hear a formal review of the infrastructure needed to make the Village at Technology Hill site plan a reality, but that plan was met with some issues related to subjects on the towns checklist not being addressed.

Project co-developer, Dick Anagnost, was at the meeting with Nick Golan from TFMoran to outline the plan to install roadways, water, sewer, electric, and gas utility services to the mixed-use complex.

"When we first started this project and first

came before the Board, we essentially took the approach of 'how to eat an elephant,' and it's one piece at a time. We met with staff multiple times and before this Board we've presented twice now with various small bites of the project," said Anagnost.

After getting feedback from Londonderry officials and residents, the co-developer added that traffic was not a focus of the infrastructure presentation. The Technology Hill team promised to present a detailed traffic study at a future meeting.

One issue that came up right away was missing elements to the infrastructure application.

"The applicant has not provided utility clearance letters for telephone, cable TV, or water services," said John Trottier, Director of Public Works and Engineering. "The applicant has not provided bridge design plans and supporting information for the checklist, the applicant has not identified wetland impacts to deal with a proposed bridge crossing."

Golan stated that he had trouble getting a letter of confirmation from the telephone and cable provider and assured the Director there was a memorandum of understanding in place for their water services

## School Board Review LHS Policy For Alternative Credits

ALEX MALM  
LONDONDERRY TIMES

The Londonderry School Board had a first reading for a proposed policy related to alternative credit options during its most recent meeting.

It was noted by High School Principal, Rick Barnes, that it's a policy required by law.

In the memo he stated that the policy "provides broad language to support students earning credits through alternative methods outside of the classroom."

"It also indicates how

the board will direct the superintendent to establish regulations and procedures in support of this policy," he wrote.

Barnes said one of the key pieces as part of the proposed policy is giving them the ability to set limits for the number of credits that can be accepted.

"This policy gives us the authority to set limits," he said.

As part of the proposed policy, it states that credit "may be earned through alternative methods outside of regular classroom-based in-

struction offered by the district schools."

It also states that the awarding of credits going towards high school graduation "will be determined by the high school principal," and that it will only be granted if the request fulfill

# Conservation Discuss Trail System and Public Comment

PAUL CONYERS  
LONDONDERRY TIMES

The Conservation Commission met on June 25 and discussed their ongoing effort to improve the town's trail system information and taking public input.

"I have an estimate from Colonial printing of \$984.10 to print 2,000 trail maps," said Commission Chair, Marge Badois.

Members first wanted to double-check and confirm they had enough money in their line-item budget, before voting to confirm the expense. Badois promised to order the new maps without delay.

There was some confusion over the best way to add a public comment section to the agenda, a goal of the Conservation Commission for some

time.

"It was mentioned to me that people in the public, don't see public comment on our agenda so they don't even try and speak because they think they can't," said Badois. "To have it on the agenda, would kind of spur more input."

While meetings have always been open to members of the public, there has never been a formal, public comment section in writing, on the agenda. The Chair already had the authority to call on anyone at any time.

"We can just include in our procedures the statement that public comment will be invited at the beginning and end of each meeting," said Alternate, Mike Speltz. "That's in line with the town's effort to be as transparent as possi-

ble."

Existing policies and procedures were unclear on what to do with public comments. The Conservation Commission voted to add public comment while explicitly tasking the Chair with moderate any discussion from residents looking to speak.

The Commission received a request from a contact from the Sugarplum Hill complex. The condo association wanted help navigating Londonderry regulations that might come into play when removing fallen trees and invasive species from a stream buffer.

"I can get back to them if you want me to, I know them," said Speltz. "I'm just going to explain what the ordinance provides."

As the complex is

private property, tree removal is not the responsibility of the town.

There was a quick update regarding the winter handling of the proposed floating dock at Scobie Pond.

"There was a disagreement between the structures guy at DES [Department of environmental Services] and the vendor," said Speltz. "What they do for people that don't want to pull it out in the winter, is they pull the poles out, and then they tether the dock itself so it can't go any place."

However, the vendor did not indicate what such winterproofing would cost. Ice damage is not covered in the warranty. One possibility was to save money by having someone in town tie down the dock by removing the poles

every winter.

The next meeting of the Conservation Commission is scheduled for Tuesday, July 23, in the Town Hall at 7:30 p.m.

## OBITUARY

Arthur Hilton Trevorow, Jr.

Arthur Hilton Trevorow, Jr., 90, passed peacefully on Wednesday, March 6, 2024, surrounded by his loving family.

He was reunited with his parents, Arthur and Grace (Anderson); brother, William (Billy); sister and brother-in-law, Anice and Barry Smith; brother-in-law, Sanford Rich; and his sons, Mark and Kenneth.

Arthur, a man of strong, unquestionable faith, leaves to mourn his passing his lovely bride of 68 years, Justina; beautiful daughter, Christine Ann (Donald Binder); beloved daughters-in-law, Linda Trevorow and Isabela Sardas-Trevorow; devoted grandchildren, Christopher, Peter, and Mary Binder, Juliann (Walter) Doerschuk and Laura Trevorow, Zachary and Samuel Sardas-Trevorow, and Victoria Binder, his sweet great-granddaughter. He is also survived by his sister, Jean (Peter) Zeoli; sisters-in-law, Anna Rich and Melinda Trevorow; many nieces, nephews, other relatives, and dear friends.

Services with military honors will be held on Saturday, July 13, 2024 at 11 a.m., at St. Peter's Episcopal Church, 3 Peabody Row, Londonderry, NH 03053, where a luncheon will follow.

In lieu of flowers, Justina has requested memorials to St. Peter's Episcopal Church <https://stpeterslondonderry.org>. A complete obituary notice may be seen at [redmonfuneralhome.com](http://redmonfuneralhome.com). (REDMON FUNERAL HOME, STOW, OHIO, 330-688-6631)

## Unlock possibilities with the FAFSA

Planning to go to college or trade school in the fall? Still unsure about your plans? It's not too late to file your FAFSA and/or apply to school. The Free Application for Federal Student Aid unlocks different ways to pay for your education — including grants, scholarships, loans, and more. Filing is free, takes less than an hour, and almost everyone who files will be eligible for some federal financial aid. Don't miss out!

# Fire Department Get Water Tanks Fixed and CPR Devices

ALEX MALM  
LONDONDERRY TIMES

During the most recent Londonderry Town Council meeting, one of the agenda items was in regards to a withdrawal request of \$12,350 from the

Maintenance Trust Fund in order to purchase two hot water tanks for North Fire Station.

Director of Public Works and Municipal Facilities, Dave Wholley, explained that approximately two weeks prior

to the Town Council meeting, they had a water leak that developed in the Fire Station 1, and went into the mechanical and electrical room.

"It was quickly isolated," he said, noting that they were able to continue to have hot water with one of them.

He said they contacted their HVAC system company to get a quote, and they got another quote as well to compare the numbers.

Wholley stated that they were trying to secure a third quote but weren't able to do so on short notice.

Ultimately, he said they were able to get a better deal from their HVAC System Company regardless.

"The work was completed as of Monday,"

Wholley told the Town Council.

The Town Council unanimously approved the withdrawal request.

Also during the meeting, the Town Council was presented with a request to use some of its American Rescue Plan Act Funds to purchase an automated CPR device, and an automated ventilator.

Town Manager, Mike Malaguti, explained that they talk about equipping their public safety departments with the best training and the best equipment, and that this would be part of it.

"That is an ongoing process," Malaguti said.

He said the proposal was or the Town Council to come to a consensus to allow them to allocate up to \$60,000 in the ARPA funds to purchase

autopulse and ventilator equipment.

"My understanding is they are critical pieces of safety equipment, life saving equipment that are used every day," Malaguti told the Town Council explaining that it's important that they make the investments "as we pivot towards making enhancements to our provision of advanced life saving services to the community."

Londonderry Fire Chief, Bo Butler, explained that it's an automated CPR device, saying that they can put the device on a patient and it does CPR automatically and uninterrupted.

He explained, as an example, if they bring a patient to an ambulance the CPR would likely be interrupted while they are transporting the

patient.

"What the auto pulse allows us to do is hook the patient experiencing cardiac arrest into this machine hit play and it conducts the compressions at the right rate and the right depth without the providers having to do anything other than hook it up so it helps with blood flow to the heart and the brain," Butler said.

He said they currently have one now, saying "they're truly a critical piece of equipment."

The other piece of equipment, the automated ventilator, Butler explained is important for patients who need it for oxygen.

The Town Council ultimately agreed to allow the purchases of up to \$60,000 using ARPA funds.

## OBITUARY

### Sherry Frances Schultz Fraize

Sherry Frances Schultz Fraize, 60, of Londonderry, NH passed away peacefully at home with her husband and family by her side. Sherry is survived by her beloved husband, Donny; her cherished son Donald Jr. (Dew); her sisters, Jody, Tammy, Roxie, Brenda, and Trisha; and her brother, Joe. Sherry was the oldest daughter of Joseph F. Schultz and Patricia Schultz (deceased).

Sherry, originally from Pelham, NH and was a resident of Londonderry, NH, she loved her home and garden and looked forward to spending countless hours with her budding flowers. She was an Optician and worked at Manchester Bedford Eye Care for over 25 years and was a valued employee. Sherry had a larger-than-life personality with a deep love for her family, friends, and her patients. She always made sure we were ok!

She hosted countless family gatherings at her home where she showered us with love, food, and fun times. She will be sorely missed by her many nephews, nieces, and countless people whose lives she touched with her loving kindness. She was a friend to everyone she met. She was also a proud dog mom of her baby "Dozer". May she rest in eternal peace.

Following cremation, calling hours will be held on Friday, July 12, from 4 - 6 p.m., in the Peabody Funeral Home and Crematorium, 290 Mammoth Rd., Londonderry. To send a condolence please visit [www.peabodyfuneralhome.com](http://www.peabodyfuneralhome.com).

## Dangerous Summer Heat

We're in our first extreme heat wave of the summer, with expected temperatures to be in the 90s over the next few days, and then add the humidity well that makes it feel like 100+ degrees. Air conditioners are working overtime coupled with the pain of electric cost, ouch, and those without AC look for shade and cooling stations.

Take proper precautions to protect yourself, your family, the elderly, and pets from the hot weather. These extreme heat conditions could lead to heat exhaustion, or worse, heat stroke. Here are some tips that may help from the American Red Cross:

- Never leave children or pets in your vehicle.
- Stay hydrated and drink plenty of fluids. Avoid drinks with caffeine or alcohol.
- Wear loose-fitting, lightweight, light-colored clothing.
- Slow down, stay indoors.
- Avoid strenuous exercise during the hottest part of the day.
- Take frequent breaks if working outdoors.
- Check on family, friends, and neighbors who do not have air conditioning, or those who are more likely to be affected by the heat.

According to the American Red Cross, excessive heat can lead to:

- Heat Exhaustion; signs are cool, moist, pale, or flushed skin, heavy sweating, headache, nausea,

dizziness, weakness, and exhaustion, move to a cooler place, remove or loosen tight clothing, and apply cool, wet cloths or towels to their skin.

- Heat Stroke; signs are hot red skin that may be dry or moist; changes in consciousness, vomiting, and high body temperature.

Drink small amounts of cool water and drink slowly. If signs get worse, call 9-1-1.

Let's not forget about our pets, signs of heat stroke in your pet according to [www.akcchf.org](http://www.akcchf.org):

- Heavy panting and unable to calm down, even when lying down.
- Brick red gum color
- Fast pulse rate
- Unable to get up

If you think your pet may have heat stroke, try to cool the animal down with water. Stop cooling the animal when the temperature seems better, then bring your pet to a veterinarian.

In a few months, we'll be talking about how much we miss the summer and how short it was as we get ready for fall and winter.

Summer is the season of fun outdoors and there should be plenty of opportunities for that once these dangerous temperatures subside.

Until then, take the proper precautions to avoid the summer danger zone of extreme heat conditions.

## Blue/Red signs

To the editor,  
What is with the blue and red political signs?

Are we to think Kelley Ayotte is a Democrat. Are we to think that the red and blue signs signify a non partisan candidate. Why am I feeling that I am being tricked, and manipulated?

Jane Cooper  
Londonderry

## Biden's State

To the editor,  
If you were surprised by Joe Biden's debate performance, and you value the truth, I respectfully suggest it's time to reconsider your news sources.

Biden's frailty and mental decline have been plainly evident since 2020, when he ran most of his presidential campaign from his basement. It is obvious in nearly every public appearance; one need only view primary sources. The video (or audio) proof is widely available, and irrefutable.

Nonetheless, Biden's handlers have coordinated with complicit, hyper-partisan media to hush up and explain away his incapacity from the American public. They were remarkably successful for a long

time. If your sources were among those hiding the truth, they are propagandists who actively cultivate ignorance to grow and maintain power.

Now you know. The question is, will it change anything?

Laura El-Azem  
Londonderry

## Some Housing Options to Consider

To the editor,  
A significant issue for seniors wanting to remain in their home and retain as much control over our lives as possible is the dealing with the cost of housing. If we can no longer afford to remain in our home, finding an affordable alternative in town is challenging. Here are two options that may help if this is a problem for you.

The first is remodeling your current home to create a separate self-contained apartment. The technical name is an ADU (accessory dwelling unit). It is an efficiency, or 1-bedroom apartment located on the same property as a single-family, owner-occupied house. It is a self-contained, independent housing unit complete with a kitchen, bathroom, living space, and permanent utility con-

nections (water, sewer, electric). It can be attached or detached to the primary home. If you are considering this option, remember remodeling costs will require an initial investment. But the investment should increase your home's value while generating additional rental income. AARP has information that can be mailed to you or downloaded at their website at [www.AARP.org/livable-communities/toolkits-resources/library](http://www.AARP.org/livable-communities/toolkits-resources/library).

Home Sharing is a different approach where two or more people share a home for mutual benefit. A homeowner offers a private bedroom and shared common space in exchange for rent, help around the house or combination of the two. Central Vermont has developed a non-profit company that provides a thorough program of screening, trial period, and information. Information on this option is located at [www.home-sharevermont.org](http://www.home-sharevermont.org). They will let you download a copy of their do it yourself 24 page guide that explains the entire process including sample interview questions, reference check questions, and homesharing agreement.

# School Board Discuss Proposed Early Graduation Policy

ALEX MALM  
LONDONDERRY TIMES

At the June 18 Londonderry School Board meeting, one of the proposed policies up for a first review was in regards to early graduation requirements.

It was explained by Londonderry High School Principal, Rick Barnes, that he hasn't seen it offered too many times, but said "I think it's good to have in our toolbox."

Barnes explained that the proposed policy would allow for students "who wish to graduate early to do so."

For example, he said if a student was to be on an accelerated path, then they would have the opportunity to be able to graduate early

with the policy in place, as long as they get permission to do so, noting that it requires involvement by the superintendent and the principal in order for it to be approved.

The proposed policy states:

"The Board supports early graduation as a means to earn a high school diploma. Parental involvement for students under the age of 18 is required. The high school principal shall approve such requests if he/she determines that all state and local graduation requirements will be met, and that early graduation is related to career and/or educational plans of the student making the request. Upon approval by the high school principal,

the minimum 4-unit requirement per year for enrolled students shall be waived and the student shall be awarded a high school diploma."

On a unanimous vote, the School Board voted to send the proposed policy to a second policy reading, without any proposed changes.

Also during the

meeting, Superintendent, Dan Black, provided an update regarding the District's enrollment.

Compared to last May, the School District has a total of 101 less students, which is a 2.5% decrease.

Since January, which is the last time they had an enrollment update at the School Board meet-

ing, Black said there are three less students for a total of 4,019 students compared to January when there were 4,022 students across the District.

"You have three less kids than January," Black told the School Board during the meeting.

While the vast majority of the grade levels

had a decrease in the number of students across the District, according to the enrollment report, Londonderry Middle School saw an increase of 64 students in the 2023-2024 school year compared to the 2022-2023 school year.

The next Londonderry School Board meeting is slated to take place on July 16 at 7 p.m.

## Pickle Ball

continued from page 1

ed revenue that was proposed for the Town Council to accept was for \$9,000 from the Government Finance Officers Association (NHGFOA) inaugural "Fellowship Program Scholarship."

Campo explained that they were offered up to \$9,000 to bring a college intern on for the summer in the finance department.

"So we got it for free and I said yes, as long as

you guys said yes," Campo told the Town Council.

While there was little discussion about the different unanticipated revenue, one question raised by Town Councilor, Shawn Faber, was whether or not accepting the unanticipated revenue would have any impact on the Default Budget.

Campo explained that the only one that could potentially have an impact is the unanticipated revenue from the Stanton Foundation, but said that they already

have the police dog accounted for and essentially the extra funding, would be to just help pay for it.

It was unanimously approved by the Town Council to accept the revenue.

Also during the meeting, the Town Council also unanimously approved dissolving the Londonderry Pickleball taskforce.

The taskforce was created last April by the Town Council to help research and come up with recommendations

to the Town Manager and to the Town Council about how to proceed moving forward.

During the election in March, voters rejected approving funding for pickleball courts in town, with 2,688 voters saying no to approve the warrant article, and 1,564 voters in town voting yes in support of the warrant article.

According to the resolution approved by the Town Council, the task force could potentially be started up again in the future if needed.

# LHS Policy

Continued from page 1

certain requirements including if the “request is submitted with a plan to achieve competency that meets or exceeds the rigorous academic standards required by the school for students enrolled in a credit course offered by the school.”

Other requirements include the need for the plan to include “clear expectations for performance.”

Another requirement is for the plan to include “clearly defined methods and expectations for assessment,” as well as “Verification of the plan’s merit can be evaluated in a timely fashion and does not cause unnecessary burden of the

resources of the administration.”

“The Board encourages increased educational options for hospitalized or homebound students, dropouts, suspended or expelled students, young athletes, or other atypical students for whom regular classrooms are not practical or effective,” the proposed policy states. “It is hoped that such offerings will serve as a motivator for students with different learning styles.”

It also states as part of the proposed policy that “Students earning credit via alternative methods will participate in all assessments required by the statewide education improvement and assessment program.”

As part of the policy,

it also states that the Board “directs the Superintendent to establish regulations and procedures for implementing this policy,” including the following:

- Definitions of allowable alternative learning opportunities
- Reasonable limits on the number of approved alternative courses that can be administered each school year, both school-wide and per student
- The number of alternative credits each student may use toward graduation requirements
- Application and approval process**
- Criteria for determining which requests satisfy a particular subject area requirement
- Identification of

person(s) responsible for approval, supervision, and monitoring progress

• Requirements that alternative opportunities meet the same rigorous academic outcomes as traditional classroom delivery

• Assurance of student safety including physical and technological

**Assurance of equal access for all students**

• Assurance that approved alternative learning opportunities are consistent with all policies of this board.

The procedure will be made available to the public.

The proposed policy goes on to state that “It

is the policy of the Board that alternative methods for the awarding of credit may include:

• Competency testing in lieu of enrollment under the provisions of Board policy ILBAA

• Interdisciplinary credit

• Satisfactory completion of course requirements at: an approved school under the provisions of Board policy IK; an approved home education program(see Board policies IKan NH Dept. of Education Rule Ed 315).

• Demonstration of mastery of required coursework and material, pursuant to Board policy IK.

• Online/virtual learning

opportunities under the provisions of Board policy IMBA

• College Credit, including credit earned through Dual and/or Concurrent Enrollment under Board policy IHCD

• Early Graduation under Board policy IKFA

• 7th and 8th grade coursework meeting the standards of Board policy IMBD

“If a student demonstrates knowledge and abilities on a placement pre-test developed by the school district for a particular course, the student shall not receive credit for the course, but shall be allowed to take a more advanced level of the subject or an elective,” the proposed policy states.

In terms of funding, the proposed policy states “unless otherwise recommended by the Superintendent and approved by the Board, under ordinary circumstances students or their parents/guardians are responsible for all related expenses including tuition and textbooks.”

“The District may pay the fee for expelled students who are permitted to take courses in alternative settings. If paid by the District and the course is not completed, the student must reimburse the district for the expenses,” the proposed policy states.

The School Board unanimously approved sending the policy to a second reading.

## OBITUARY

### Arthur Joseph Franson

Arthur Joseph Franson, 77, of Londonderry, NH passed away Saturday June 29, 2024, at Granite VNA Hospice House in Concord, NH after a lengthy illness. Arthur was born Feb. 6, 1947, in Stamford, CT, a son of the late Joseph A. and Anna Marie (Fitzgibbon) Franson. He was raised and educated in Chelsea, MA. Arthur received a bachelor's degree from Northeastern University and his MBA from Babson College. Arthur has lived in Londonderry, NH and Harmony, FL for the past many years.

Arthur served his country as a member of the US Army in the Vietnam War. After returning to the private sector, Arthur focused on a career in business. He worked for several companies during his working life, specializing in International Manufacturing and supply chain concerns. During this time he lived overseas for 17 years, in Japan and other Asian countries. He was a devout Roman Catholic.

He is survived by his wife of 22 years, Janis Marie Mangino of Londonderry; two sons, Eric Franson and his wife Kim Robinson, and Kenneth Franson and his wife Megan Franson; a step-son Paul Mangino, Jr.; five grandchildren, Elizabeth Austin, Nicholas Franson, Rose Franson, Sonoma Franson and Bishop Franson; five step-grandchildren, Paul Zackary Mangino, Sofia Mangino, Nathan Taylor, Devon Taylor and Korey Parent; and one step great grandson, Jaxx Ready.

Following cremation, calling hours were held on Wednesday, July 10 at the Peabody Funeral Homes and Crematorium. In lieu of flowers, memorial contributions may be made to: St. Jude Children's Research Hospital.

# Technology Hill Plan

**Continued from page 1** plan. Based on feedback from the Conservation Commission, he assured the Board that the project's environmental impact received extensive attention.

"It's not something we would necessarily think of when talking about infrastructure, but it's really turned into one of the most important elements of this site overall," said Golan.

NH Fish and Game was involved in building wildlife passages through the Village complex. He also promised to implement town and state requirements related to storm water runoff.

Several members of the public were at the meeting with questions related to the project.

"There's certainly a lot to look at here, a lot of concerns, and what

the impact is going to be on the Fire Department, Police Department, DPW, water, sewer, and storm water runoff," said Ray Breslin of 3 Gary Drive.

Division Chief, Brian Johnson, of the Londonderry Fire Department added his concern to the project, especially regarding multistory buildings and whether water supply systems were equipped to handle a possible fire.

"I have seen multiple hydrant plans, not one of them meets our regulations as of yet. They have resubmitted, but none of them have passed," said Johnson.

Partial property owner, Ken Solinsky, stated to the Board and residents that all concerns would be addressed to the best of his ability.

"We have tried from day one, to design an

attractive development, that will be an asset to this town, I think we've tried to meet every desire that has been expressed by the Board," said Solinsky, who expressed frustration that he only received some comments on the project immediately before the meeting. "Why is it that we submitted infrastructure originally in January, and we didn't get comments until May? We responded to those comments, then we're getting comments

now!"

Assistant Town Manager, Kellie Caron, indicated that at least some of the delay was unavoidable.

"What we need to keep in mind, is that the PUD Master Plan, the regulatory document that we needed to have in place, meaning approved, was passed on May 9. So, a month and a half ago," she explained. "Even though we may have been in possession of plans for our infrastructure residential, we

couldn't fully conduct a throughout review until that piece was done."

Caron mentioned that third party comments were received by the Planning Department two days before the meeting, which didn't leave as lot of time to review them. She said, "Is there a solution to that problem? Probably, but we haven't found it yet."

Trottier clarified that the comments being referred to are not "third

party," instead, they are the town's comments. He added that there were 75 comments that weren't answered.

She added it would take a change in the town's regulations for a remedy.

The Planning Board voted to waive a regulatory requiring the applicant to identify every tree 15 inches or more in diameter and agreed to continue the application to their Aug. 7 meeting.

## OBITUARY

### Dennis J. Fox

Dennis J. Fox, 75, of Londonderry, NH, passed away peacefully on Sunday June 30, 2024, at home with his loving wife. He was born on March 3, 1949 in Bronx, NY, a son of the late James and Kathryn (Daly) Fox, and had been a resident of Londonderry for the past 30 years, formerly living in Syracuse, NY.

Dennis was a loving and generous husband, father and grandfather. He was a faithful Catholic man who loved his faith and was a devoted member of the Knights of Columbus. Before retirement he travelled the world from one catastrophe to another as an insurance adjuster. When Dennis was around there was always fun and laughter and we will all miss that sense of humor.

He is survived by his beloved wife of 52 years, Margaret "Peggy" (Tierney) Fox, one son, Kevin Fox and his wife Meg, one daughter, Caitlin Silver and her husband Dan, two grandsons, James and Thomas Fox as well as many extended family and friends.

Calling hours was held on Friday, July 5, in the Peabody Funeral Homes and Crematorium. A Mass of Christian Burial was celebrated on Saturday July 6 in St. Thomas Aquinas Church. Graveside services were held on Monday July 8 in the Holy Cross Cemetery, Gilcrest Road, Londonderry. In lieu of flowers, memorial contributions may be made to St. Gianna's Place, PO Box 725, Londonderry, NH 03053 or at <https://stgiannasplace.org/donate>.

## OBITUARY

### Robert A Peterson

Robert A Peterson of Londonderry NH passed away peacefully Friday July 5 at home surrounded by those that loved him. He was predeceased by his wife of 40 years Joanne (Briggs) Peterson. He leaves behind his sister Jane and her husband Richard Pieciewicz as well as his brother Fran and his wife Robin Peterson.

He also leaves behind his four children Leeann Paulson, his daughter Maria Gagnon and her husband Michael, his son Michael Peterson and his wife Kathleen, and his daughter Nicole Cox and her husband Kevin. He is also survived by his grandchildren Kerrick, Caden, Alexis, Annika and Sofie. He also leaves behind many nieces and nephews whom he loved.

In his life Robert served in the US Navy where he met his lifelong friend Joe Urban. He was active in the American Legion and had a love of golf. He enjoyed spending time on any field or court watching his children and grandchildren playing sports.

He will be buried in a private ceremony on Friday July 12 at the NH Veterans Cemetery followed by a celebration of love.

In lieu of flowers please consider a donation to the Disabled Veterans of America.

# Ovation Theatre Company Presents Legally Blonde

GABRIELE CROGNALE  
SUBMISSION

From the company that brought you Mamma Mia! and Newsies, get ready for Ovation Theatre Company's latest summer blockbuster, Legally Blonde, at the Derry Opera House starting Thursday, July 18, through Saturday, July 20.

Legally Blonde is very closely adapted from the wildly popular movie. Elle Woods appears to have it all. Her life is turned upside down when her boyfriend Warner dumps her so he can attend Harvard Law. Determined to get him back, Elle ingeniously charms her way into the prestigious law school. While there, she struggles with

peers, professors and her ex. With the support of some new friends, though, Elle quickly realizes her potential and sets out to prove herself to the world.

Sami Weis is excited about taking on the role of Elle Woods, even dying her hair blonde. "I have always looked up to Elle, as a character, since watching the movie when I was a kid. I always try to see the best in people, just like Elle. The fact that, no matter what life throws at her, she leads with kindness is really something that I try to live my life based off of. Weis also gets to act alongside the iconic Bruiser, portrayed by Katy, a Yorkshire Terrier from Derry. "Oh my God, it is already so much fun!

We've already had a few rehearsals and it makes my job so easy because, since I was little, I've loved dogs and it makes it very easy to feel like Elle when I'm holding the tiny little puppy in my hand. She is the best!"

Elle's biggest supporters throughout the show are her trio of Delta Nu friends, one of which is played by Chloe Ferraro of Londonderry, as Serena. "They definitely expand a lot on the Delta Nus in the musical, as opposed to the movie. In the musical, they act as a 'Greek chorus' and Elle's cheerleaders throughout the show. They're always there for her, and so it's a really fun like girl-power role to play. Regarding the chal-

lenge of playing that 'Greek chorus' role, Ferraro notes "It's definitely different. It is like you're playing two different characters. Both of your characters have the same essence, but one of them is a larger-than-life kind of thing."

Jillian Mastroberte plays the role of Kate and also serves as a dance captain for the show. She describes the choreography as "very upbeat, very fun. It's all about confidence, because lots of people doubt Elle and her abilities to get into Harvard, but she has her Delta Nu best friends to always hype her up and I think that that energy not only is prevalent in those dances, but in all of the different ensemble and different characters' numbers as well."

Legally Blonde features spectacular dancing and powerful singing, with a cast of predominantly adult actors drawn from all over southern New Hampshire. This production is led by veteran creative team Director Meg Gore, Music Director Sarah Herron, Dance and Fight Choreographer Katy Gore and Stage Manager Avenley Allen. The cast includes Chloe Ferraro, Katy Gore, Joseph Smith, Malia Smith, Krystal Timinski and Randy Williams of

Samantha Weis, left, who plays the lead character, Elle Woods, with Jonathan Kaplan and Erin Fehlau who play her parents. Photo by Chris Paul

Londonderry; Ella Burroughs and Jonathan Uber of Hampstead; Suzy Denu, Nick Ford, Kaylee Gifford, Alycia Leriche, Lorelei Stahl and Jenna Sullivan of Derry; Debrah Hernandez of Chester; Kevin Battistelli, Greer Danzey and Adbu Nessralla of Auburn, Allison Bialias, Erin Fehlau, Jonathan Kaplan, Ryan Kaplan, Jillian Mastroberte and Finn Roach of Windham, Samantha Rapaport of Salem, Lucas Ross of Plaistow, Samantha Weis of Hudson, Janet Sesay

of Manchester, Shane Gillis of Nashua, Camille Bishop, Dara Brown and Lauren Craven of Bedford, Kaitlyn Beauchemin of Goffstown and Dana Gastich-French of Exeter.

Legally Blonde will be presented on Thursday, July 18, Friday, July 19 and Saturday, July 20, with all shows at 7:00 pm, at the Derry Opera House (29 W. Broadway, Derry, NH). Tickets are \$20 through July 12 and \$25 beginning July 13 and are on sale at ovationtc.com.

## Competition Heats Up at Third Week of Fun Runs

CHRIS PAUL  
LONDONDERRY TIMES

The heat kept the number of participants down, but the watermelon consumption was up during the third night of races

this summer at the Greater Derry Track Club Kids Summer Fun Runs on Monday night, July 8, at the Londonderry High School track.

Area youngsters ages two-years and up took to

the track competing in seven age categories in a variety of distances.

The free event happens each Monday night at the track with the nine through 13-year old divisions being recorded for an overall winner at the end of the season.

Each participating family is asked to donate a non-perishable food item as part of the registration.

Some familiar faces were once again in the top three of the races being recorded.

**Nine-Year Old Results:**

Girls:  
Sasha Solovyev of Hudson took first for the third consecutive time; Second went to Vanessa Fongemie of Derry; and Mia Swenson of Londonderry was third.

Boys:  
First was Sam Smith

of Londonderry; Second was Ryder Sassone of Chester; Third was Trey Morse of Derry.

**Ten-Year Old Results:**

Girls:  
First was Sydney Kingsland of Derry, Ryla

# Post 27 Jr. Legion Baseball Squad Start July with Two Wins

CHRIS PAUL  
LONDONDERRY TIMES

After dropping two games to end the month of June, the Londonderry Post 27 American Junior Legion Baseball team turned things around with two wide-margin victories to begin the month of July.

Londonderry was able to come away with a ten run win over Derry Post 9 followed by a 11-run victory over Bedford's Post 54 to finish the week with a 6-4 season record.

The team started the week on Monday, July 1, two four-run innings and solid pitching led to an 11-2 win over Post 9, in Derry, for the teams first win of the week.

Cam O'Donnell earned the win allowing just four-hits against Derry

hitters, giving up just one earned run with five strikeouts and four walks.

The Londonderry bats were busy, finishing the game with 10 hits, four walks, and striking out just four times.

A single by Jace Ruggiero in the first inning got the scoring under way, driving home Liam Killelea, who had singled to start the inning.

Post 27 gave up one of their two runs in the second on a single, but finished the inning with a double play.

In the top of the third, Londonderry tallied two runs with a lead-off double followed by two walks and a fielding error at third, scoring two, followed by a single that plated another two.

In the fourth, a triple by pinch-hitter, Kevin Mackey, led to an additional run when the centerfielder misplayed a fly ball.

Londonderry scored had their second four-run inning in the sixth starting the frame with two singles, a walk and another error at third base.

Killelea and Ruggiero were two for four at the plate, with Killelea and Brady Fuller each getting doubles.

In the 12-2 win over Bedford's Post 54 team, at home on Tuesday, July 2, a 10-run second inning catapulted Post 27 to its sixth win of the summer season.

Bedford's only two runs of the game were put up in the first inning off of three singles.

Londonderry stormed back, hitting seven singles and a triple in the second to go ahead 10-2.

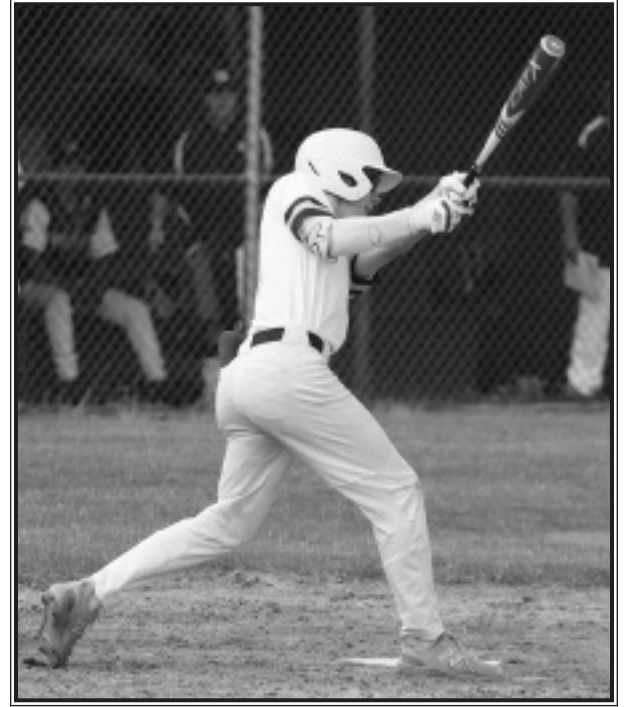

In the fourth, Post 27 batters got three singles and a sacrifice fly to solidify the 10-run mercy rule victory.

The home squad had four pitchers get some work in during the rather short game with Jonah MacArthur getting the win.

The pitching group gave up just five hits, struck out three, and walked one batter.

Nate Halko and Graham Killelea each threw shutout inning in relief.

Mackey, Sully Daron, Brendan Fitzgerald, and Connor Loughlin all had two hit games. In all, seven Post 27 batters had hits, totaling 12.

Liam Killelea

# Londonderry Lightning 10U Take State Championship

The Londonderry Lightning 10U softball team recently earned the title of New Hampshire Babe Ruth Softball 10U State Champions. The win marks the Lightning team's second consecutive state championship.

The New Hampshire Babe Ruth State Championship tournament was played the weekend of June 21 through the 23rd at the LAFA Field Complex in Londonderry.

Leading up to the championship game, the Londonderry team played three games in pool play, winning all three games, then played three games in single-elimination bracket play, again winning all three games.

A total of 15 teams from around the Granite

State participated in the tournament.

The squad had to fight through rain and high heat conditions all weekend, going undefeated against some strong competition. Londonderry ultimately defeated the Dover Attack with a shutout victory of 7-0 and securing the state title.

The team's pitching and defense were solid, but the bats were on fire, collecting a total of 50 hits and outscoring their opponents 66-9 overall on their path to victory.

The team is led by returning veteran players, Nora Daniels, Madeline Rivera, Hailey Raiche, and Madison Clement. Rounding out the team are Ava Folsom, Harper Carey, Layla LoPriore, Daniela DiCar-

lo, Molly Bacon, Sloan Smith, Brynn Lovell, and Emmalina Povio.

The team is coached by Brian Daniels, Erica Raiche, Steve LoPriore, Sam Carey, and Matt DiCarlo.

With such promising talent and determination at a young age, the future of the Londonderry softball program looks incredibly bright. Fans eagerly anticipate more successes and milestones from these young champions as they continue to grow and excel in the sport they love.

The Lightning has two other tournaments remaining this summer that are unrelated to winning state championship and hope to excel at those competitions also.

The Londonderry Lightning 10U softball team went 7-0 to win the New Hampshire Babe Ruth Softball 10U State Champions.

# Classified Advertising

**READERS ARE CAUTIONED** that we occasionally run ads that require an initial investment or money in advance. We urge our readers to **"do their homework"** before responding to any ad, check out the advertiser thoroughly and verify their claims to your total satisfaction. Only then should you proceed at your own risk. We try to screen ads that require you to send money before receiving a product or service. But these efforts are no substitute for your own investigation, and we don't endorse or guarantee any claims made in any of the ads we publish. If you want more information about claims made in ads on subjects such as work at home opportunities, travel or vacation specials, purchasing land or vehicles from government surplus or below wholesale, loans or other credit opportunities (including credit repair), or weight loss and other health products and services, we urge you to contact the Office of Attorney General, Consumer Protection Bureau, 33 Capitol Street, Concord, NH 03301 (603-271-3641) or the Better Business Bureau at 603-224-1991. Publisher is not responsible for any loss of business if an ad does not run, and we reserve the right to revoke any ad if deemed necessary. No refunds will be given for prepaid ads.

## Around Town

### Continued from page 13

Assorted supplies will be available to make your game including dice, pieces, and blank boards. This program is intended for ages 8-18. Registration is required and begins on Tuesday, July 16. To register, visit the library's online event calendar or call (603) 432-1132.

### Science of Slimy Things

What's the difference between snails and slugs? What makes them slimy? Come to the Leach Library on Wednesday, July 24 at 4 p.m. for answers to these questions and to make a batch of slime to take home. Registration is required and begins Wednesday, July 17. To register, visit the library's online event calendar or call (603) 432-1132.

### Stuffy Sleepover

On Thursday, July 25 at 4 p.m., the Leach Library will host an extra special Stuffy Sleepover. Children will enjoy a couple of bedtime stories then have the chance to introduce a favorite stuffed animal friend. Stuffedies will then be tucked in for a fun night at the library. Be sure to bring a stuffed animal that children can sleep without as pick-up will not be until the following day. Registration is required and begins Thursday, July 18. To register, visit the library's online event calendar or call (603) 432-1132.

### Family Fun Night!

After-hours experience for all ages at the Leach library, from 6:30 - 8:30 p.m. on Friday, July 26, play an assortment of classic and jumbo games in the Main Reading Room or a round of mini golf in the

Children's Room. Attendees may also head downstairs to the Meeting Room for a screening of a 1975 classic shark thriller (rated PG). Registration is recommended and begins on Friday, July 19. To register, visit the library's online event calendar or call (603) 432-1132.

### Children's Summer Craft

Come to the Leach Library on July 29 at 4 p.m., for a special summer children's craft, painting a fishbowl sun catcher. Crafts will be provided, and staff will be on hand to offer assistance. Registration is required and begins on Monday, July 22. To register, visit the library's online event calendar or call (603) 432-1132.

### Happee Birthdae Harry!

Teens and tweens are invited to stop by the Leach Library Meeting Room on Tuesday, July 30 from 2 - 4 p.m. for a Harry Potter-inspired celebration. During this birthday celebration, assorted games and activities will be available. Participants can enjoy a cupcake and take home their own owl stuffed toy while supplies last. All participants are encouraged to wear their favorite Harry Potter-themed outfits. This program is intended for ages 8-18. Registration is required and begins on Tuesday, July 23. To register, visit the library's online event calendar or call (603) 432-1132.

### Magic Fred

Magic Fred returns on Wednesday, July 31 at 2 and 4 p.m., at the Leach Library to perform his highly engaging and interactive magic show. Please register for only one per-

formance, as space is limited. Registration is required and begins on Wednesday, July 24. To register, visit the library's online event calendar or call (603) 432-1132.

### Beginner Birding

On Wednesday, July 31 at 6:30 p.m. at the Leach Library learn the basics of bird identification, the wide diversity of birds you might see in NH, and some tools of the trade to help you name the birds around you. This event will be presented by the NH Audubon. Registration is required and opens on Wednesday, July 24. To register, visit the library's online event calendar or call (603) 432-1132.

### Democrats Meeting

The next meeting of the Londonderry Democrats is scheduled for July 24 at 6:15 p.m., at the Leach Library Meeting Room. Local Democrats and Democratic-leaning Independents and Undeclareds are urged and welcome to attend. Please email ps kud@comcast.net or reach out to Londonderry NH Democrats on Facebook or Twitter for more details.

### Karaoke

On July 12, American Legion Post 27 will host Karaoke with DJ Sharon. Members and guest welcome to attend. Anyone considering joining is also welcome.

### Car Show

The Aviation Museum's annual Classic Car Show takes place on Saturday, July 13 from 10 a.m. - 2 p.m. (Rain date is Saturday, July 20.) Vehicles of all makes and eras are welcome, including odd or unusual conveyances. **continued on page 15**

## Around Town

Continued from page 14

Admission/ registration is \$10 per vehicle entry plus occupants, cash only. To facilitate orderly set-up, owners are asked to arrive between 9 - 10 a.m. at the grounds of the Aviation Museum, 27 Navigator Rd., Londonderry. Admission to the grounds for spectators is \$5 per adult; children 12 and under free. Admission is cash only. Only show cars will be allowed on museum grounds; spectators and visitors are asked to park on local streets outside the museum and walk to the car show. The event will have food trucks. Portable toilets will be available during the show. The Aviation Museum will be open to visitors with admission included with car show admission. Businesses or dealers wishing to attend as vendors at the car show should call Leah Dearborn at (603) 669-4877 to

reserve space. A limited number of vending spaces is available. For more information about the Car Show or the Aviation Museum, visit [www.aviationmuseumofnh.org](http://www.aviationmuseumofnh.org) or call (603) 669-4820. Follow the Aviation Museum on social media at [www.facebook.com/nhahs](http://www.facebook.com/nhahs).

## Voter Information

The Supervisors of the Voter Checklist will meet to correct the checklist and register voters at the Town Clerk's Office on: Aug. 12 & 28 From 6 - 7 p.m. To register to vote, one must provide: Proof of Londonderry residency; Proof of citizenship (passport, birth certificate, naturalization papers); Proof of age; and Photo ID. Applicants for registration who possess proof of identity, age, citizenship, and domicile should bring that proof when they come to register. Qualified applicants who do not possess proof or who do not bring

proof with them may register if they sign an affidavit attesting to their qualifications for identity, age, domicile and citizenship.

## Republican Meeting

The Londonderry Republican Committee will be meeting on Thursday, July 11, at 7 p.m., at Londonderry Baptist Church, 368 Mammoth Rd, Londonderry. Find more information at: [Londonderry-GOP.org](http://Londonderry-GOP.org), [facebook.com/LondonderryGOP](http://facebook.com/LondonderryGOP), or contact us at [lrc@londonderrygop.org](mailto:lrc@londonderrygop.org).

## Cookbook Potluck

Love to cook and bake? Then this is the perfect program for you! Join Leach Library staff on Wednesday, July 17 at 12:30 p.m. for an appetizer-themed potluck. Prepare and share a recipe from either Brilliant Bites by Maegan Brown or Martha Stewart's Appetizers by Martha Stewart. Registration opens on Wednesday, June 12 and is limited to 15

participants. To register, visit the library's online calendar or call (603) 432-1132. Copies of the books will be available to check out at the library's main desk.

## Summer Tennis

Don't miss the summer sign ups. Londonderry Tennis Camp is doing their first summer camp Aug. 19 - 24 from 9 - 11 a.m., for children, all levels, ages 7 and older. The camps teach tennis through activities and games, and build on balance, coordination and speed needed for long-term athletic development. Players will be grouped by age and/or ability. Camps will be held at the Londonderry Town Courts, at the LAFA fields on Sargent Road. Signups will begin the end of July. The cost for each session is \$150. Contact Roberta Davis at [londonderrytenniscamp@gmail.com](mailto:londonderrytenniscamp@gmail.com) to register.
