Serving the Derry Area

## Derry's Salvation Army Has Property Seized for Exit 4A

IDAN VINITSKY  
NUTFIELD NEWS

The progress that is being made recently, regarding the construction of the new Exit 4A on Interstate 93, is good news for many businesses, organizations and residents in the area, but might create a big problem for others.

The Salvation Army in Derry received a letter from the state of New Hampshire, saying that the organization's property on Folsom Road will be seized in the near future, in order to make the space for the Exit 4A project.

The organization recently purchased the Folsom Road property less than a year and a half ago, on December 2017 and staff members say they have been working very hard since then to improve

the location for people in need, but are now being forced to move.

In the letter received, state officials indicated that the state would acquire the property through eminent domain. Salvation Army Lt. Kimberly Clark, said the organization will now look for a new place for its food pantry, clothing closet and church services: "Really, we just want to be able to move to a place that we can be made whole", said Ms. Clark. "We do not want to fight about it. We just want to be in a place that we can serve the community."

Salvation Army Lt. Kathy Mayes, emphasized in a recent telephone conversation, the fact that the organization wants the move to be clean and quiet, but

admitted that the state announcement came as a surprise: "There were always rumors about it, but when we moved in, no one told us we might have to leave so soon," she said.

Mayes also pointed out the biggest problem with the move. While state officials said the Salvation Army would be compensated for the property seizure, the organization will only be receiving back \$500,000, the price that was paid for the current location. However, since receiving the notice from the State of N.H. the Salvation Army has been yet unable to find a new place for less than \$800,000.

"We have been looking", says Clark. "Everything that surrounds us that would be

## Town Council Approves Projects for Public Works Department

MACK LEATHURBY  
NUTFIELD NEWS

Mike Fowler, Director of Public Works for the Town of Derry, had multiple items on the Town Council's agenda to discuss at the May 7 Town Council meeting. Fowler pointed out that these items were based on actions that previously came before the Town Council, that were now ready for the final approval phase of considerations by the Council.

Fowler said, "These agenda items I am presenting are mainly housekeeping and are usually done at year end, so I wanted to take the opportunity here to knock these items out with the Council while they are still hot topics, and so we can

handle all of these at once."

Fowler began his discussion with an overview of the Drew Road bridge project. He requested that the project's fund balance be considered for transfer to the Bridge Improvement Fund in the amount of \$180,153.89. As part of this funding transfer, the Drew Road fund would also then be officially closed. This budget transfer will allow the town to continue to implement bridge maintenance as well as other public works replacement projects. A Bridge Improvement Fund had previously been created to fund future bridge and culvert repairs. The Council approved this funding transfer to take effect immediately.

Changing topics to another item, Fowler pointed out that over the past month, the Southern New Hampshire Regional Water Interconnection Project had been communicated to the Town Council. This project is now ready for authorization by the Council, as a part of the NH DES Drinking Water and Groundwater Trust Fund grant. It is anticipated that approximately 25% of the gross cash flow for this project will be expensed in additional operating costs. The projected value of the improvements to the Derry Water System is \$6.29 Million, all of which will be funded by this Drinking Water and Groundwater Trust Fund

## Town Council Approves Budget, Capital Projects, Legislative Committee Bylaws

MACK LEATHURBY  
Tri-Town Times

At the May 7 Derry Town Council meeting, the board unanimously approved a \$48,479,117 budget plan for spending, along with anticipated costs of capital improvement projects. The approved budget resolution will take effect on July 1, 2019.

Over the past month, the

Town Council, chaired by Neil Wetherbee, has conducted a series of department workshops and discussions with the town's department heads to refine the town's budget.

Derry department heads involved with presenting budgets included: Public Works Director Mike Fowler, Chief of Police Ed Garone, Fire Chief Michael Gagnon, IT/GIS Manager

Doug Rathburn, Planning Director George Sioras, Economic Development Director Beverly Donovan, Libraries Administrative Director Cara Barlow, Cable Division Coordinator Owen Provencher, and Parks and Recreation Director Eric Bodenrader among others.

During the budget process, Town Administrator, David Caron led many of the

# Zoning Board Re-elects Officers and Approves Variance Request

MACK LEATHURBY  
NUTFIELD NEWS

The Zoning Board of Adjustment (ZBA) met on May 2, and began their agenda actions with the election of officers for the coming year.

Michelle Navarro, ZBA member was the first to speak about nominating officers. She said, "I believe we are functioning perfectly well with our three current officers, and I would like to nominate each of them to continue on."

Randall Kelley followed up Navarro to also support the reelection of the current

officers. Upon further discussion and voting, all board members decided upon the reelection of Lynn Perkins as ZBA Board Chair, Heather Evans to continue as the Vice Chair and Stephen Coppola to remain as the Secretary.

After the board member reelection, Perkins said, "In the past year, this board continues to develop and we are like the New England Patriots, in that everybody can do anybody else's job here, and that's how we like to see it. Over the past year, we've had to move people around once in a while, and I'm happy to see that every time

we've had to do so, we've had competent people step up. Thank you members."

The first agenda item for the ZBA was a public hearing for an application requesting a variance from Brian and Gisele Mercier. Specifically the variance request was related to the Town of Derry Zoning Ordinance regarding building constructions near property lines for this type of zoning. The Merciers want to construct an attached 2 car garage less than 15 feet from the side property line at 42 Beaver Lake Avenue, which is nearby Beaver Lake and is, zoned MDR (Medium

Density Residential).

Mrs. Mercier spoke to the board members about this application request for the ZBA consideration, "Granting the variance will not be contrary to the public interest, because the proposed garage does not conflict with the purpose of the ordinance which is to ensure adequate separation between adjacent lots and there will be no threat to public health, safety or welfare with this construction. The proposed garage will be built within our fenced-in yard area and the garage will be aesthetically pleasing when seen from the lake or from the street. The encroachment would be 7 feet from the road and this construction would not adversely affect our abutters."

With regard to the variance, Mercier further stated, "The spirit of the ordinance will be observed because we intend to build with respect to existing buildings in the area and our garage will be built with the intention to enhance the area. Substantial justice will be done because allowing the variance is a reasonable use of the property without harm to anyone."

"Justice would be afforded as this will allow us to properly store our motorcycle, ATV, plow, riding lawn more, vehicles, our boat and

our tools instead of storing them indoors. The values of the surrounding property will not be diminished because we intend to build a quality structure that may enhance property values and since there is no one directly across the street, the view of the lake would not be altered. Enforcement of existing zoning ordinances would result in hardship to us. And the proposed use is reasonable because it is appropriate to have a proper place to store things and for us to have better access to our vehicles in the winter months."

The board discussed the situation and noted the encroachment of 7 feet into the side setback near the road that with the garage construction will be also within about 4 feet of the existing fence. The board pointed out to the Merciers

that this construction will take special permitting as their lake area property location requires approval by the N.H. DES (Department of Environmental Services) and must be aligned with the town's water services. In the public questioning time for the variance request, the Mercier's across the street neighbor, questioned whether the fence would be moved closer to the street and offered her support for the Merciers to build their garage, when she found out that the plan calls for keeping the fence in the same location.

The Board unanimously approved the variance application request, subject to all state and town regulations, permitting and inspections and with board support for the fencing to remain in place within 4 feet of the road.

## Rotary Clubs of Derry Have Annual Veterans Celebration

This is the community's way, through its Rotary Clubs, to say "thank you" to our veterans.

This year will mark the 12th consecutive year of honoring veterans with a dinner and gifts.

It all began in 2008 with flying sixteen World War II veterans and a guest to Washington, D.C. to view the newly constructed World War II Memorial. We had the honor of many one-on-one conversations with Senator

Dole, a major mover in getting the Memorial completed.

Each year our veterans show such appreciation to the community for showing our respect and gratitude for their service.

Derry area veterans and a guest are welcome to join us again this year at the Boys and Girls Club on 40 East Derry Road here in Derry on May 30 at 5 p.m.

We have served as many as 300 meals to guests in the recent past. Come and join

yours friends and even make a new one while enjoying our dinner and a beverage.

Our guest speaker this year will be a retired four-star Army General. Look forward to an interesting evening.

We would love to see every veteran in Derry make their way to this heartfelt occasion.

To help in planning, please respond (RSVP) to 432-3357 if you will be attending.

## OBITUARY

### James Noble

James A. Noble, 79, of Derry, passed away Monday May 6, 2019, at his home. He was born in Palmer, MA on Dec. 9, 1939, a son of the late Stanley and Stella (Maccum) Noble. James proudly served his country in the US Army. He worked at Gillette for over 26 years, retiring as a Process specialist. He loved to go fishing, watch westerns and spending time outside. James enjoyed boating and owned several boats. He was a long-time member of the Derry-Salem Elks Lodge where he would spend his time playing 45's and cribbage with his friends.

He is survived by his beloved wife Elaine (Sweezy) Noble, his children, Mark Noble and his wife Tammy, Theresa Hunt and her husband Steve, James Noble, Jamie Garrett and her husband Steven and AnnMarie Brescia and her husband William; step-children, Jim Bourdelais, Michael Bourdelais and April Bourdelais; as well as numerous grandchildren including Sarah Bourdelais and Nicky Bourdelais.

Graveside services will be held by the family on Monday May 13, at 2 p.m. in the Forest Hill Cemetery, East Derry. Following interment, everyone is welcome to join with the family at the Derry Salem Elks Lodge, 39 Shadow Lake Rd., Salem, NH 03079.

# Budget

continued from page 1

workshop discussions and provided recommendations, proposed budget specifics and the numbers to the council.

By town's charter, the council had to approve the budget by the end of May. The Council members were efficient with their workshops and finished the budget process before the dead-

line. The town charter requires that the town operate under a tax cap, restricting the amount of tax increase allowed during the budget planning process, based on calculations through the Northeast Region Consumer Price Index. The tax rate will be set officially in the fall. Town Administrator, Caron, projects the tax rate will be set at about \$7.72 per \$1,000 of assessed property value.

The Council also adopt-

ed and approved the FY 2020 - 2025 Capital Improvement Plan (CIP). David Caron, Town Administrator said, "As required by the Town charter, the council has a responsibility to adopt the capital improvement plan by May 31. This is a budget-planning document and by adopting the CIP, the Town Council and the town are not committed to funding these projects. This is simply a six-year

view of where we think the town should invest its capital infrastructure - so we recommend adoption."

The approved resolution for the CIP will also take effect on July 1, 2019. The amount of the overall town budget number as approved, includes these capital improvement projects, the general fund and cable and wastewater/water funding. Cable and wastewater/water however, are paid for

through user fees and therefore have no financial impact to the town's tax rate.

Some of the capital improvement projects included in the approved budget and paid for through various capital reserve funds include updated cardiac monitoring equipment for the fire department, funding to continue the town's roadway management program, replacement of mobile and portable radios for the fire department, and replacement of certain vehicles and equipment across Derry's Public Works department areas.

At this meeting the Town Council also adopted the new Legislative Committee bylaws. The Legislative Committee has been formed to allow discussions and collaboration, between the Town, School and local State Representatives, concerning issues at the State level, which may effect and are important to the Derry community and its taxpayers. A primary goal for the Legislative Committee in-

cludes maintaining an open line of communications between town government, the School District and the town's elected state delegation. This committee will Identify existing and proposed legislation, the impact upon the Derry community, and develop strategies and positions to advocate, amend, support or defeat the legislation, all in the best interest of the Derry community.

The concept for this committee is to provide a forum for all participants to better understand the challenges and opportunities faced by the participants, and develop strategies to address the challenges and maximize the opportunities for the town.

It is a goal for this body to create an atmosphere whereby elected state representatives, supported by town government and the school district, can take a leadership role at the State level, advocating for issues that are in the best interest and benefit for the Derry community.

# Public Works

continued from page 1

grant. There will be no cost to the Town, and Derry will also receive \$1.00 per 100 cubic feet of water sold to Salem.

The supporting resolution for this project was approved by the Council, so the Town can now move forward to construct water system improvements as a part of this state-funded initiative to provide additional drinking water to southern tier communities including Salem, Windham, Atkinson, Hampstead and Plaistow. The water will be routed through Derry's existing water system, with extensions that will support appropriate infra-

structure upgrades.

Fowler also brought forward another item that was approved by the Council. This request concerned the transfer of funds from the Department of Public Works Capital Reserve Fund to the General Fund for fiscal year 2019 capital. This was requested to cover expenses for truck and equipment purchases. Public Works purchased two pickup trucks and three salt/sand material spreaders as part of the fiscal 2019 capital plan. The total cost was \$129,929.20 and items were put in service this past winter. Due to the timing of the purchases, the trucks were not included in the lease package and were purchased outright from DPW Capital Reserve.

Rather than attaining five-year financing on the RAM trucks, the payment was made up front in Year 1, requiring this action by Town Council. There are offsetting reductions in the lease proceeds to accurately account for the transaction.

Fowler outlined another agreement to transfer money from the Hazardous Building Capital Reserve Fund to the General Fund, to cover expenses related to a building demolition at 40 Kilrea Road. The Town had become responsible for the dilapidated property in 2014 and the building was demolished late last year at a cost of \$13,018.60.

In the FY 2019 budget, the Town Council had created the Hazardous Building

Capital Reserve Fund to address such demolition projects of hazardous structures. Previously, these expenditures were taken from the general fund, which impacted other programs within the operating budget of the Department of Public Works. The Town Council approved the move of the \$13,018, regarding the Kilrea Road demolition, from the capital reserve to the operating budget, which is consistent with the intended purpose of the Hazardous Building Capital Reserve fund.

## Teen Driving This Prom Season

A driver's license mixed with a few drinks, texting, and pot is dangerous for anyone, but the reckless combination can be even more so for inexperienced drivers. Even when a parent trusts his or her own teenager to be conscientious, being certain that other teenagers will do the same is impossible.

As prom and graduation season approaches drunk-driving fears of parents escalate and school activism against such activity increases. Though teens will ultimately make the final decisions in terms of their own safety, it doesn't keep parents from waiting up at night. When it comes to teens and drunk driving, there is both good news and bad news.

The good news is that teen drunk driving nationwide has gone down. The bad news is that car crashes are the leading cause of death for teens, and about a third of those are alcohol related, according to Mothers Against Drunk Driving. Not every child makes it home safe, and only some live to tell about it. We hope that students are talking not only about the dangers of drinking and driving, but also about texting and driving and the importance of wearing a seat belt.

Still, motor vehicle crashes are the leading cause of death among U.S. teens. This is something many people live with and see on a regular basis, so the message must be spread.

I am a firm believer that if we can educate them at a young age, we are going to be able to save their future, as

well as our own. Start conversation with kids early. Every time you hear a story about the subject, share it. It's important for your children's safety. If nothing else, when your child goes to prom or graduation parties, try to find a little comfort in the transportation arrangements. Parents, be smart, be proactive, and have conversations constantly. It has to be in the forefront all the time, a priority.

The dangers of drinking and driving have heightened considerably due to the proliferation of cell-phones. Study after study has shown an increase in accidents connected with texting while driving.

Explain your own position concerning your teen's drinking and texting while driving. Discuss your family's rules about alcohol and agree on the consequences for breaking the rules. Discuss reasons for NOT drinking and the bad consequences that can result from drinking. Always tell you children that if they find themselves in an uncomfortable situation or they have made a poor decision about drinking or drugs that they can always call you and you will pick them up and bring them home. Mothers Against Drunk Driving offers a handbook on its website to help parents talk to their teens about alcohol.

Now, more than ever, local schools, parents, police and community members need to work together to make sure that no family has an "empty chair" after proms and graduations.

**New Officers** On Friday May 3, the Derry Garden Club installed their newly elected officers to the term 2019 - 2021. The installation was held at The Coach Stop restaurant in Londonderry, NH with 40 members in attendance, including two new members. The Derry Garden Club is a member of the NHFGC (New Hampshire Federation of Garden Clubs, Inc.) the New England Garden Clubs, Inc. and National Garden Club, Inc. New officers are: from left to right, Meredith Hatch, Assistant Treasurer; Susan Davis, Recording Secretary; Wanda Desaulniers, Corresponding Secretary; outgoing President Suzanne Dustin; incoming co-Presidents Sylvia Roberts and Alison Kennerly; Diana Hill-Lowenthal, Vice-president; Sharon Butterfield, Auditor. *Courtesy Photo*

## Salvation Army

**continued from page 1**  
able to make us whole is about \$800,000 or above, which makes it difficult." Mayes added that the organization's goal is to stay in Derry and continue serving the local community, but if they cannot find a new place with the amount they would

be receiving, the Salvation Army might have to move to a nearby town.

The organization serves nearly 200 people in the Derry area every month and recently invested money and renovated the basement at the Folsom Road location, for a new food pantry. More

renovations were already planned for the future, but now, everything was put on hold, "We are not trying to be upset with anyone," said Clark. "We are not upset. We understand that this is what is happening and that it will happen and really, all we want is to be able to move and to continue to serve and do what God has placed us here to do."

# EDAC Elects New Officers, Updates Community About New Business

MACK LEATHURBY  
NUTFIELD NEWS

The Derry Economic Development Advisory Committee (EDAC) met on May 6 with Vice Chair, Christina Gossel kicking off the meeting agenda that started with the election of new committee officers. Gossel noted that Liz Circharo, EDAC Chair was absent from the meeting,

though Circharo had spoken with Gossel, and she wanted to nominate Gossel to become the new Chair. Members John Potuchek and Gordon Graham supported Gossel's Chair nomination.

Gordan Graham was nominated for the position of Vice-Chair. In a final member polling, Gossel was selected as the new Chair, Graham was selected as the new Vice-Chair and Craig Cunningham was reelected as Secretary for the committee. Gossel also introduced the new Town Council liaison, Richard Tripp to the EDAC members and the public.

Gossel said, "Thank you to everyone for allowing me to serve as Chair this term. I have been on this committee since 2016 and since then we've seen some great things happen. I look forward to seeing what we're going to accomplish this next term."

Since George Sioras, Planning Director could not be at the meeting that night; he provided his Planning Department information for Gossel to discuss with the committee and the public.

Gossel reported, "There have been 3 new projects started in the last two weeks including a 32-unit townhouse development for Nut-

field Court on the rail trail, the 30-unit adult — 55+ single-family housing project on Tsienneto Road, and a new for-profit Rehab Facility on Ashley Drive. All of these projects have now broken ground."

The Planning Department has also received a plan from Walmart to add a grocery pick up service, and they will be making some façade improvements for that service. The Walmart plan is scheduled to go before the Planning Board on May 15.

Planet Fitness in Hood Plaza is expanding into the unit next door and the Amphora Restaurant also in Hood Plaza will be expanding to the adjacent unit. There is the new Sun Asian Bistro that has opened on West Broadway and Fodys Great American Tavern — on Route 28 and Ryan's Hill has recently opened as well.

Beverly Donovan, Economic Development Coordinator for the committee and the Town, was present at the meeting to provide her department's activity report.

Donovan said, "The beginning week of May is Economic Development week and it is also Small Business month. So, I want to make a shout out to all

the people who own small businesses, advise small businesses, work for small businesses, or supply small businesses in our area. Small businesses are the lifeblood of our economy and Derry has no shortage of small businesses, and we are lucky to have them in our community."

Donovan reports there are many economic development activities going on in Derry at this time. One important project is regarding further analysis for the Abbott Court concept plan boundaries. The boundaries for the plan need to be set up officially, before the project can move forward with traffic flow studies and additional project planning. As soon as these boundaries are worked out — hopefully over the next month, Donovan will be scheduling a presentation for the project with the Town Council.

There has now been façade work completed within the scope of the downtown façade program including Stevens Auto Services and Sun's Asian bistro. Sabatino's North — Italian Restaurant has also started their façade work, and Halligan's Tavern is working with the planning office on their plan as a part of the downtown façade program.

Donovan said, "There have been lots of nice changes coming to the downtown area and our downtown is looking better all the time."

Donovan pointed out that future façade program support is pending as the Town Council will need to be funding a replenishment of that program fund. She is hopeful for Town Council considerations to continue this project.

With regard to commercial real estate and development in Derry, there have been three business zone buildings that have gone under agreement as sold in the past month. As a result, there will be new businesses coming into town and some of them will be developing buildings that have been vacant — which is a good thing for the Town.

There is a lot of activity about the Opportunity Zone including educational discussions with an upcoming breakfast meeting supported by the Chamber of Commerce on May 15 at the Tupelo Music Hall at 7:30am. Donovan reported she had recently traveled to Washington DC to meet with Federal Administration officials, who are developing a second round of guidelines for Opportunity Zone programs in the U.S.

Donovan's department is involved a Town of Derry video creation project with a professional production company, that will be produced in June. The intention of this project is to develop marketing content about what the Town of Derry is all about. The Town has already recorded interesting Town sky view drone footage via IT and Geo tracking location efforts. The Derry Community Access Media team is engaged in this video project to help produce an appealing marketing video that can be used as support for engaging businesses or to attract key projects and people to come do business or visit Derry.

## OBITUARY

### Beatrice M. Goodrow

Beatrice M. Goodrow, 98, lifelong Derry resident, passed away Wednesday May 8, 2019, in the Elliot Hospital, Manchester. She was born in Derry, on Nov. 1, 1920, a daughter of the late Maglore and Mary Louise (Gallien) Blanchard. Beatrice worked for 35 years in the shoe industry at Klev-Bro Shoe and Chelmsford Shoe. She was a lifetime member of the VFW and the Derry Senior Center. She loved staying active, working out and swimming in the pool. She enjoyed playing cards on Wednesdays at the recreation center and going out to eat. Beatrice was an avid crafter, crocheting afghans and sweaters, making hook rugs and sewing Christening outfits. She also enjoyed reading magazines and watching TV, especially the Boston Red Sox.

She is survived by four children, Robert Goodrow of Wilburton, OK, twin sons, Donald Goodrow of New Boston, NH and Ronald Goodrow of Londonderry and Carol Charamut of Canton, CT, nine grandchildren, 12 great-grandchildren, many great-great grandchildren, as well as numerous nieces and nephews. She was predeceased by her beloved husband of 69 years, Norman E. Goodrow in 2008, her daughter, Norma Hansen and her three siblings, Robert J. Blanchard, Charlie Blanchard and Evelyn Roy.

A calling hour will be held on Monday, May 13, from 10 - 11a.m. in the Peabody Funeral Homes and Crematorium, 15 Birch St., Derry with a service to begin at 11 a.m. Burial will follow in the Forest Hill Cemetery, E. Derry Rd., East Derry, NH. Memorial contributions may be made to Salem Animal Rescue League, 4 SARL Dr., Salem, NH 03079.

# Aviation Museum Offers Vintage Hollywood-style Memorial Day Tribute

'The Flying Fleet,' MGM silent drama about U.S. Navy aviators, to screen with live music on Thursday, May. Get in the spirit of Memorial Day weekend with a vintage silent film drama about U.S. naval aviators that's a window into what it was like to serve one's country between the World Wars.

'The Flying Fleet' (1929), a star-studded MGM drama filmed on location at key U.S. Naval bases, will be screened on Thursday, May 23 at 7 p.m. at the Aviation Museum of N.H., 27

Navigator Road, Londonderry, N.H.

The movie, made with the full cooperation of the U.S. Navy and filled with scenes of vintage air and seaplanes in action, will be shown with live music provided by silent film accompanist Jeff Rapsis.

Admission for this special event is \$20 per person; \$15 for Aviation Museum members. The screening is a fund-raiser for the Aviation Museum's partnership with the Manchester School of Technology that will enable students build an actual air-

plane in the 2019-20 school year.

"As we approach Memorial Day weekend, this is a terrific way to remember those who served by looking back at what it was like for the generation between the two world wars," Rapsis said.

Starring MGM heartthrob Ramon Novarro, 'The Flying Fleet' follows the story of six graduates of the U.S. Naval Academy at Annapolis who make a solemn pact to all become Navy pilots.

The film follows the cadets through training with scenes filmed on location at bases in San Diego, Calif., and Pensacola, Fla. Scenes were also filmed aboard the USS Langley, the nation's first aircraft carrier. The Langley, an aging coal transport ship, was outfitted with an enormous upper-level deck in 1922.

But it's not just airplanes and ships. In 'The Flying Fleet,' two of pilots fall for the same gal (Anita Page) off base, causing a rivalry that plays out in dramatic plot twists and action both on the ground and in the air.

Page, a young MGM starlet who had appeared in Laurel & Hardy comedies, would soon retire from the screen, only to return late in life in several low budget horror films released after 2000. She died in 2008 at

age 98.

The teaming of up-and-coming Anita Page and heartthrob Ramon Novarro was considered good box office. In a 2002 interview, Page recalled that Novarro was "... something to dream about. I mean he was so good looking."

A highlight of 'The Flying Fleet' is an appearance of "The Three Sea Hawks," a famous aerobatic team of the era. Drawn from a U.S. Navy squadron at Naval Air Station North Island, San Diego, the team used three Boeing F2B-1 and F2B-2 fighters. Its first demonstration in January 1928 at San Francisco gave rise to a popular nickname: "Suicide Trio" although officially the team was called "Three Sea Hawks."

'The Flying Fleet' was made with U.S. Navy cooperation, with the note appearing in the opening credits: "Dedicated to the officers and men of NAVAL AVIATION whose splendid co-operation made this production possible." The film was the first major Hollywood production to use Naval Air Station North Island in San Diego.

Popcorn and drinks will be available for purchase, and the screening will mark the debut of the Aviation Museum's vintage candy concession counter.

The Aviation Museum of

The 1920s U.S. Navy aerobatics squadron 'The Three Sea Hawks,' also known as 'Suicide Trio,' appear in MGM's aviation drama 'The Flying Fleet' (1929), to be screened with live music on Thursday, May 23 at 7 p.m. at the Aviation Museum of N.H., 27 Navigator Way, Londonderry, N.H. Admission \$20 per person; \$15 for members.

New Hampshire is a 501(c)(3) organization dedicated to preserving aviation history in the Granite State, providing educational outreach programs that encourage student interest in aeronautics and related fields, and organizing programs that bring together the state's diverse aviation community.

The Museum is located at 27 Navigator Road, Londonderry, N.H. The museum is open Friday & Saturday 10 a.m. to 4 p.m. and Sunday 1 to 4 p.m. For more information, call (603) 669-4820 or visit the [www.aviationmuseumofnh.org](http://www.aviationmuseumofnh.org)

tionmuseumofnh.org 'The Flying Fleet' (1929) starring Ramon Novarro and Anita Page will be screened with live music on Thursday, May 23 at 7 p.m. at the Aviation Museum of N.H., 27 Navigator Way, Londonderry, N.H. Admission \$20 per person; \$15 for members. The screening is a fund-raiser for the Aviation Museum's partnership with the Manchester School of Technology that will enable students build an actual airplane in the 2019-20 school year.

## OBITUARY

### Douglas Hatem

Douglas J. Hatem, 67, of Derry, formerly of Lawrence, MA, passed away suddenly on Tuesday May 7, 2019 at Parkland Medical Center of Derry. Doug was born July 25, 1951 in Methuen, MA and was a son of the late John and Mary (Bove) Hatem. He was raised and educated in Lawrence. He received a bachelor's degree from Salem State College and was a longtime resident of Derry.

Doug was the owner of MBA Business Services of Londonderry, NH, which he owned and operated for over 35 years. He had a lifelong love of music, played the drums in the high school band and was a singer. Doug enjoyed helping out his friends at McQuesten Farms in Litchfield and was on the Board of Directors at Londonderry Square.

Members of the family include his wife of 40 years, Cynthia (Tanguay) Hatem of Derry, a brother, Mark Hatem, his aunt and uncle (as well as god parents), Wallace and Theresa Hatem, aunts, Bernice Spencer and Celia Hatem, uncle, David Mottoli and a niece, Cara Hatem.

After cremation, a memorial visitation will be held Saturday May 11, from 12 - 2 p.m. at the Peabody Funeral Homes and Crematorium, 290 Mammoth Rd., Londonderry, NH.

# Color Run Gets Students Raising Funds While Spattered with Color

Students and family members took to the fields at Gilbert H. Hood on Friday night to take part in a PTA sponsored "Color Run" fund raiser. Waves of participants ran through a course set up behind the school where colored chalk was thrown at them by parents and staff members who were set up along the route. After the run all the runners took part in a giant color blast.

# DERRY SPORTS

## Late Grand Slam Gives PA Softball Team Win Against Titans

**IDAN VINITSKY**  
NUTFIELD NEWS

Pinkerton Academy's Varsity Softball team is on a six game winning streak, and they collected four wins last week to improve to 9-4 for the season.

The Lady Astros needed some patience to get past both Bishop Guertin (1-11) and Nashua North (2-11) last week.

At BG, on Wednesday, May 8, they won 7-6, after coming back from a 5-2 Cardinals lead in the second inning. Pinkerton scored three times in the fifth inning, tied the game in the sixth and got the winning RBI from Danielle St. Peter in the seventh. Alyssa DiMauro led with two RBIs, Alyssa Ouellette got the win.

The hero against North,

Emma Hodgson was the reliever and won the game against the titans.

at home, on Friday, May 10, was sophomore Hannah Sundberg, who got a sixth inning Grand Slam, bringing the Lady Astros back from 3-0 down to a one run lead, on the way to

a 5-4 victory, after DiMauro scored the fifth run. Jackie Cerri had the fifth RBI, Caitlyn Lemay hit for a triple and Emma Hodgson was the winning pitcher.

Coach Kristen Abbott commented on the game, "The Grand Slam was huge. All of them did the job before Hannah got up. We keep saying that it takes only won inning. Everything is coming together and they never got defeated, no matter how we started and it's great for the girls."

Pinkerton won again on Saturday, May 11, 8-4 at Bedford High School. The Lady Astros came out of the gates firing and scored three runs in each of the opening two innings. Bedford fought back and cut the Astros lead in half,

but nothing more than that. Cerri drove in two runs, Sundberg, DiMauro and Ellie Cashman one each and Ouellette won for the second time in three days.

The team continued its good form on Monday, beating Spaulding 8-4 at home after scoring all eight runs in the sixth inning. "Huge win", commented Abbott. "We stayed determined and persevered to another team victory." Lemay had a base clearing triple in the sixth to tie the game at 4-4, before Pinkerton scored four more times. Sundberg finished with two RBIs, Lily Mason and Cashman with one reach and Ouellette was the winner pitcher again.

The team is headed into the home stretch of the season with only two weeks left before the playoffs.

PA Junior Alyssa DiMauro as been strong in both defense and at the plate this year for the Lady Astro Softball Squad.

# Pinkerton Baseball Team Fights Through a Busy Week

Asa Runge has been having a productive season on both the mound and at the plate for the Pinkerton Academy Astros Baseball Squad. Photo by Chris Paul

IDAN VINITSKY  
NUTFIELD NEWS

Game cancellations in the early stages of this season created an extremely busy week for Pinkerton Academy's Varsity Baseball team last week, and they had six games in the seven days.

Coming off the close home loss to Londonderry, the Astros answered well, with a four game winning streak in four days. It started Tuesday, May 7, in Concord, with a 7-2 victory. Each team scored once in the second inning and the game was tied until the sixth, where the visitors scored three runs, before adding three more in the seventh and final inning. Jacob McGill led the team with two RBIs. Derek Hiscox pitched five innings, allowing only one run.

The next day, the Astros ended Bishop Guertin perfect season with a tremendous pitching and hitting performance. Pinkerton scored twice in the fourth inning, one run in the fifth and three more times in the sixth, while Asa Runge was almost untouchable on the mound, pitching six innings and allowing just five hits and a run. He had nine strikeouts and Brady Day closed the game with two more for a 6-1 home win.

Connor Jenkins got two RBIs. Pinkerton had back-to-back games in Nashua, beating South 10-2 on Thursday, May 9, and a 15-0 win over North on Friday, May 10.

The Astros' big inning in the first game took place in the second, where they scored five times. Richard Marique, Frank Gulezian

and Kameron Levesque had a couple of RBIs each and Marique also pitched pretty well, finishing five innings with six strikeouts, walking four and allowing a single run.

The Astros got a no-hitter against North, as the game was shortened to five innings due to the mercy rule. Mat Albetski pitched those five innings, fanning five batters. Pinkerton scored six first-inning runs, four in the third and five more in the fourth inning. Runge had three hits and one RBI, Jenkins drove in four runs and Marique and Gulezian three each.

The winning streak ended at Hollman Stadium on Saturday, May 11, with a 4-3 loss to the Bedford Bulldogs. The Astros had a tough time against the Bulldogs pitcher, Trevor

Anibal, who finished with 15 strikeouts and a complete game. They almost came back with three runs in the bottom of the seventh inning, mainly thanks to Runge's two RBI triple, but it was not enough.

Then on Monday, May 13, the Astros suffered one of their biggest losses this season, a 17-9 defeat at Spaulding High School, with Spaulding scoring eight times in the third.

Trailing 15-3 after four innings, Pinkerton scored six runs, but any dreams of a wild comeback were cut short by two more Spaulding runs in the sixth. Marique led the team with three RBIs in the game, Jenkins had two. 14 runs were scored in Derek Hiscox's three innings on the mound.

# PA Track and Field Team Sweep Merrimack Invitational

IDAN VINITSKY  
NUTFIELD NEWS

As the season gets closer to its "money time," the Pinkerton Academy Track and Field teams continue to show good form, and last Thursday, May 9 they swept the Merrimack Invitational.

The boys took first place out of 16 teams, with 107 points (Merrimack finished second with 63). Pinkerton had junior Conor Seleny at the 100-Meter Dash final, finishing second with 11.35 seconds. He later won the

200-Meter Dash with 22.79 seconds, while John Brooks placed fourth with 23.34 and freshman Kyle Walker took the eighth place with 23.84.

Sophomore Alexander Gibeau (53.12) missed the placing in the 400-Meter Dash by two hundredths of a second and fellow sophomore Benjamin Fleming finished ninth (53.39). Nolan Preble was seventh in the 800-Meter (2:02.94) and Ethan Desmaris seventh in the Mile Run (4:34.15). Joe Gagnon placed second in the Two Mile Run (9:34.34) and

freshman Luke Brennan finished sixth (9:50.12).

Adam Spencer won the 110-Meter Hurdles, setting a new meet record with 14.44 seconds. He also won the 300-Meter Hurdles with 39.56, just ahead of Seleny (39.71). Brooks, Seleny, Patrick Cotnoir and Fleming (44.46) took second place in 4-100, while Spencer, Gibeau, Zach Plaza and Fleming won the 4-400 (3:31.21).

In the field events, Spencer won the High Jump (5'10"). Small finished third

with the same result and Jacob Spezzaferri was fifth (5'6"). Joron Harrell won the Triple Jump with 43'-3" and placed fifth in the Long Jump (19'9.5").

The girls finished with 78 points, besting Exeter's 67. Amelia Graves won the 200-Meter (26.48) and the 300-Meter Hurdles (46.13), where Megan O'Brien finished fifth (48.20). Macy Graves was second in the 800 (2:20.66). Meghan Cross took the Two-Mile-Run (11:13.30).

O'Brien, Sierra Edgecomb, Hannah Frazier and Zoe Vogel (51.71) placed third in the 4x100; Macy Graves, Edgecomb, Cross and O'Brien were third in the 4x400 (4:13.41). Emily Lesburt took fifth place in

High Jump (5') and sophomore Marisa Douglas was fifth in Triple Jump (33'1.5") an eighth in Long Jump (15'3.5"). Adrianna Buccieri finished fourth in both Shot Put (31'8") and Discus Throw (99'7") and in the Javelin Throw, Amelia Graves placed second (105') and Samantha Franks third (104'8").

Prior to the Merrimack Invitational, Pinkerton participated in a meet at Winnacunnet High School on Tuesday, May 7, against the Warriors and the Timberlane Owls. The Astros won the boys' meet with 77 points (WHS had 68, TRHS 24) and the PA girls' finished second with 59 points (WHS won with 85, TRHS had 25).

Event winners for the boys were Kyle Walker in the 100-Meter (11.72) and 200-Meter (24.18), the 4x100 Relay team (Walker, Spezzaferri, Colton Boursier and Ryan Iller - 45.74 seconds), Small in High Jump (5'10"), Harrell in both Long Jump (19'7.5") and Triple Jump (43'2.5"), Jake MacInnes in Shot Put (39'9.75") and Daniel Powers in Discus Throw (101'7").

Among the girls, winners for Pinkerton were Lesburt in High Jump, with a season Personal Best of 5'2" (A result that made her automatic qualifier for the State Meet), O'Brien in Triple Jump (32'4.5"). Buccieri in Shot Put (31'2") and Franks in Javelin Throw (100'2").

# PA Girls Lacrosse Keep Wins Coming and Improve to 12-1

**IDAN VINITSKY**  
NUTFIELD NEWS

A year after posting the school's best record ever (16-1), Pinkerton Academy's Girls' Varsity Lacrosse team has a great chance to top that. After last week, and with five games to go, the team improved its record to 12-1, thanks to three more wins.

On Tuesday, May 7, the girls were able to beat Souhegan at home 16-10, despite having an up-and-down game and thanks to another strong offensive performance. Pinkerton jumped into a 4-0 lead after just seven minutes, but the visiting team finished the half better and after 25 minutes, the score was 8-5 in favor of the Lady Astros.

Souhegan scored again to open the second half, before a few fantastic Pinkerton minutes made it a

seven-goal lead (13-6). Not giving up, Souhegan scored three times, but the locals managed to put the game away. Lauren Lisauskas, who led the team with five goals and three assists, reached 200 points in her high school career in this game. Lilly Auger finished with three goals and two assists, Zoe Howe had three goals and one assist. Madison Daziel and Kiley Davis scored twice each and Abby Jowett had another goal. Dani Martineau provided four saves and Lauren Sweeney one.

After the game, Coach Rob Daziel said, "So far, so good. We work on things that are still not going so well. We lost the game for a few minutes and I wasn't comfortable, but we regain focus. Everyone was a bit tired, but we finished strong."

Things looked much better defensively in Pinkerton's game on the road at Manchester Central on Friday, May 10, and the Lady Astros won 20-6, after leading 13-5 at the half. Davis scored four times. Daziel, Allison Lampere and Lisauskas had three goals each and Howe found the net twice. Auger, Hailey

Peredna, Jowett, Caitlyn Seleny and Amy Quigley finished with one goal, Martineau with four saves and Sweeney with three.

The Lady Astros' had another easy game at home on Monday, May 13, beating Dover 18-3. The home team scored the first 11 goals of the game, leading 11-2 at the half and did not

face any problems in the next 25 minutes either. Zoe Howe led the charge with four goals. Lilly Auger and Abby Jowett scored three goals each, Lauren Lisauskas, Hailey Peredna and Courtney Lamphere had two, Kiley Davis and Amy Quigley one. Lauren Sweeney made a single save.

PA junior Lauren Lisauskas, led the team with five goals and three assists against Souhegan, reaching 200 total career points. Photo by Chris Paul

## Athletes of the Week

Week of May 5

**Alyssa DiMauro,**  
Junior, Softball

Alyssa DiMauro was a strong offensive leader, going 2-4 at Bishop Guertin and helping her team to take the lead with two RBIs. In the Lady Astros' Win against Bedford she was 1-2 with one RBI, made a double play and threw a runner out at home to secure the lead.

**Mason Drouin,**  
Junior, Boys Lacrosse

Mason Drouin had a terrific week for the Pinkerton Boys Lacrosse team, scoring multiple goals in games against Souhegan High and a Hingham, Mass. team.

Athletes are chosen by Pinkerton Academy Athletic Office

# Volleyball Team Win Streak Ends in Dramatic Fashion

**IDAN VINITSKY**  
NUTFIELD NEWS

After turning their season over in the past couple of weeks, with four straight wins, Pinkerton Academy's Varsity Volleyball team saw its winning streak come to an end on Friday, May 10 against Coe-Brown.

The Astros who were 5-4 heading into the week, hosted Coe-Brown Northwood (4-7) at the Hackler Gym and lost 3-2, after a great battle. The surprising visi-

tors jumped into a two-set lead with 25-17 in the opening set and 25-23 in the second. Pinkerton stayed in the game with a big third set win 25-13 and the fourth set was the best in the game and ended with a 26-24 Astros victory.

Despite their impressive comeback, the Astros were not able to complete the job in the fifth and final set, losing it 15-11. Hunter Hazard played another good game, with 16 kills and 11 service

points, including three aces. Lucas Lizotte had 29 assists and the blocks leaders were Dan Collins and Andy Bolduc with five each, and Justin Dunne with four.

The now 5-5 Pinkerton Astros will have three road games this week as the play at Winnacunnet on Tuesday, May 14, after the Nutfield News went to print and will then travel to Goffstown on Friday, May 17, and Hollis Brookline on Monday, May 20.

# Pinkerton Boys Lacrosse Team Gearing Up For Playoffs

IDAN VINITSKY  
NUTFIELD NEWS

The 2018 Boys' Lacrosse State Champion Pinkerton Academy Astros are getting ready to defend their title, as playoffs are getting closer and the regu-

lar season will end next Friday (May 24).

Last week began well for the 8-4 Astros, as they collected their fifth straight victory, a decisive 19-7 win at Souhegan (5-5). Pinkerton was in full control in the first half, leading 7-2 after one

quarter and scoring nine unanswered goal in the next 12 minutes, to take a huge 14-goal lead (16-2) into halftime.

Souhegan played a bit better after the break, but the visitors had no trouble keeping their lead big enough and securing the win. Ryan Auger scored five and assisted for five more goals. Owen McCormack finished with five goals as well, while Connor McCormack scored three (and had one assist). Hunter Drouin gave the team two goals and five

assists, Mason Drouin had one goal and a couple of assists and Jacob McAdams, Aiden Price and Jeff Potvin scored one goal each. Genaro Marra assisted for two goals, Jack Ludden for one. Jack Sweeney made seven saves, Andrew Hassler four.

On Saturday, May 11, Pinkerton fell at a tournament in Massachusetts, after a hard fought game against a Hingham, Mass. team. The teams were tied at two after the opening 12 minutes and the locals took a 6-5 lead into halftime, but Pinkerton

did not give up and entering the final quarter, the score was tied again, 7-7, before Hingham scored two unanswered goals to win it, 9-7. The Astros got 12 saves from Jack Sweeney and two goals from Owen McCormack and Mason Drouin. Hunter Drouin, Marra and Jacob McAdams scored one goal each, Ryan Auger had three assists.

The Astros recovered quickly though, with an 18-5 road win at Dover on Monday, May 13, where Owen McCormack had six

goals. Hunter Drouin scored three and Auger two and both had five assists. Other scorers were Aiden Price, Mason Drouin, Patrick Last, McAdams, Jeff Potvin, Jack Ludden, Riley Spellman and Marra, with one goal each. Sweeney made two save, Andrew Hassler three and Pinkerton took care of business with an 11-1 first quarter.

The team will have a big celebration this weekend, with the first home game on the new turf at their home field, against Cohasset on Saturday, May 18, at 10 a.m.

Pinkerton senior, Owen McCormack, had a five goal game against Souhegan last week. Photo by Chris Paul

## PA Tennis Teams Split With South, Sweep Concord

IDAN VINITSKY  
NUTFIELD NEWS

The weather in recent weeks did not make this spring season easy for the local tennis players, but Pinkerton Varsity teams keep showing resilience and both the boys and the girls are in a good position as the postseason is quickly approaching.

Pinkerton split the meet with Nashua South on Wednesday, May 8, with the boys winning on the road 7-

2 and the girls losing 6-3 at home.

Seb Tonini (8-1), John Marineau (8-2), Henry Andrews (8-2) and Jeff Marquis (8-1) all controlled their singles games and sophomore Anthony Walters got the meet clincher with a come from behind 8-6 win in the last singles match. Alex Tveter lost his match 8-3. In doubles, Tonini and Marineau won 8-5, Andrews and Marquis got an 8-3 victory and Tveter, with Colby Day, lost 8-6.

The girls got singles wins from their number 1 Chloe Freedman (8-6) and number 4 Katie Allen (8-5). Julia Farnum lost 8-2, Madison Allen lost 9-7, Victoria Hodosi lost 8-1 and Maddie Frank lost 8-6. In doubles, Freedman and Farnum won 8-6, Madison Allen and Leah Sears won 8-5 and Katie Allen and Hodosi lost 8-6.

Monday, May 13, saw Pinkerton boys get a big 6-0 win over Concord (9-3). Tonini won 8-2, Marineau 8-

1, Andrews 8-4, Marquis 8-4, Tveter got a 9-7 dramatic win and Anthony Walters had a clean 8-0 victory. The doubles matches were cancelled due to rain.

The girls' team, at Concord, was able to play the entire meeting and also won, 6-3. Freedman won her number one singles match 8-3, Farnum got an 8-6 win, Katie Allen beat her opponent 8-4, Hodosi won 8-6 and Frank 8-0. Madison Allen lost a close match, 9-8 (7-2 in the tie break). In doubles, Freedman and Farnum lost 8-1 and Katie Allen and Hodosi dropped their match as well, 8-3, while Madison Allen and Leah Sears won 8-3 to complete Pinkerton's victory.

# Classified Advertising

**READERS ARE CAUTIONED** that we occasionally run ads that require an initial investment or money in advance. We urge our readers to "do their homework" before responding to any ad, check out the advertiser thoroughly and verify their claims to your total satisfaction. Only then should you proceed at your own risk. We try to screen ads that require you to send money before receiving a product or service. But these efforts are no substitute for your own investigation, and we don't endorse or guarantee any claims made in any of the ads we publish. If you want more information about claims made in ads on subjects such as work at home opportunities, travel or vacation specials, purchasing land or vehicles from government surplus or below wholesale, loans or other credit opportunities (including credit repair), or weight loss and other health products and services, we urge you to contact the Office of Attorney General, Consumer Protection Bureau, 33 Capitol Street, Concord, NH 03301 (603-271-3641) or the Better Business Bureau at 603-224-1991. Publisher is not responsible for any loss of business if an ad does not run, and we reserve the right to revoke any ad if deemed necessary. No refunds will be given for prepaid ads.

A story hour with a themed craft is available for children ages 2 - 5 years old on Wednesdays and Sundays at 1 p.m. at the Taylor Public Library. Space is limited so called the library at 432-7186 to register or with questions.

## Vaping Deterrent Workshop

Do you know someone who is looking to give up vaping? This workshop will show teens how to break the habit and replace it with healthier options. On Thursday, June 6, from 2:30 - 4 p.m. at the Upper Room, 36 Tsienneto, Rd. Derry. Participants will gain strength by being with other people also trying to quit. This event costs \$25. Call 437-8477 to register, ext. 15.

## UR Parents

A weekly Resource group for parents, grandparents and caregivers raising teens meets every Thursday, from 6:30 - 7:30 p.m. at the Upper Room, 36 Tsienneto, Rd. Derry. This is a free weekly group. Drop ins welcome.

## Community Garden

Broadview Farm Community Garden, sponsored by Derry Conservation Commission, is now taking requests for plots for people who want to grow their own fresh vegetables but lack the space. The plots are 10'x20', and are free to Derry residents. There are three ways to reserve a plot: 1. Online at [www.derrynh.org/ClickGovernment->ConservationCommission->TownOwnedConservationProperties->BroadviewFarm](http://www.derrynh.org/ClickGovernment->ConservationCommission->TownOwnedConservationProperties->BroadviewFarm). Scroll down to the link to the online form. 2. Send an email to [broadviewgardening@gmail.com](mailto:broadviewgardening@gmail.com) 3. Call Will Lowenthal @ 978-239-8025. In addition, we have created a Facebook page entitled "Broadview Farm Community Garden." "Like" the page and get updates and announcements.

## Teen Information for Parenting Success

A weekly support program for young parents ages 13 to 23 will meet every Wednesday, from 5 - 7 p.m. at the Upper Room, 36

Tsienneto, Rd. Derry. This is a free weekly group. Childcare available. Call 437-8477 to register, ext. 12.

## Evolve!

A group for young woman ages 13 to 18 to talk about today's challenges meets every Wednesday from 5:30 - 6:30 p.m. at the Upper Room, 36 Tsienneto, Rd. Derry. This is a free weekly group. To register, Call 437-8477 to register ext. 16.

## Transitions Young Adult Strategies

A new group where young adults can talk about things that are challenging meets every Thursday from 6 - 7 p.m. at the Upper Room, 36 Tsienneto, Rd. Derry. This is a free weekly group. Drop ins welcome. Call 437-8477 to register ext. 24 for more information/options for dates and times.

## Parents Support Group

Are you frustrated with your teenager or in need of support regarding your teenager? Does parenting your teenager mean you have new concerns about anger, defiance, motivation and trust? If so, you are not alone. Welcome to the club! Meet up with other parents at our Parents Support Group every Thursday night, 6:30 p.m. - 7:30 p.m., at The Upper Room, 36 Tsienneto Road, Derry. Meet other parents experiencing the same situations. No pre-registration is required. There is no fee, and all topics can be discussed. Call 603-437-8477 with any questions.

## Adult Tennis League Sign up

Registration has begun for the Adult Tennis League. This program is for adults 18+ with moderate to intermediate tennis skills (NTRP 2.0 - 3.5). The program takes place on Wednesday evenings at the Alexander-Carr Tennis Courts located on Birch St., Derry. The Adult Tennis League volunteer coordinator, Charlie Zoeller, will be on location to answer any questions. The Adult Tennis Program: Fees For Season: \$20 per person; participant must bring their own tennis balls, equipment, etc. Ages: 18 years and older League Dates: Wednesdays, May 1 - Sept. 25. League Time: Players may come anytime during the 5:30 - 9:30

p.m. reserved court time. Read more [www.derrynh.org/node/121653](http://www.derrynh.org/node/121653) Advance registration through the Recreation Office or online is preferred. Registration Forms can also be found on the Parks & Recreation Website here: [www.derrynh.org/parks-recreation](http://www.derrynh.org/parks-recreation) or at the Recreation Office at Veterans Hall, 31 West Broadway, Derry, on Monday through Friday from 8 a.m. - 4:30 p.m. For more information contact your Derry Parks & Recreation Department at (603) 432-6136.

## Walking Together

A support group for widows and widowers meets every 1st and 3rd Tuesday of the month at 7 p.m., at the Manse at Londonderry Presbyterian Church, 128 Pillsbury Road, Londonderry. When we meet, we walk together our journey of grief. No need to do it alone. If you have any questions, please call 781-866-9976.

## National Model Railroading

Seacoast Division of the National Model Railroad Association is running their Fun Night program. The program is held the second Friday night of each month, 7 - 9 p.m., at the Marion Garish Community Center, 39 West Broadway, Derry. Using Molds to make resin parts Rich Breton will be on hand to show examples of various molds, including two part molds, and will spend in time with an interactive discussion and a show and tell type format. Mold making/casting is a way to get small detail parts not otherwise available. Always a part of the program is Model Showcase where modelers bring in the latest project they are working on to show and discuss. We will set up a swap table so bring anything that you would want to give away, sell or swap. Remember, one man's junk is another man's treasure. If you are interested in model trains and would like to join other like-minded hobbyists from beginner to expert for a fun evening program come to Derry Fun Night the second Friday of each month. For additional information go to the Division's website at [seacoastnmra.org/calendar](http://seacoastnmra.org/calendar).

## *Get the Nutfield News Delivered to Your Home Again!*

### *Hometown News Delivered for Less Than a Dollar a Week.*

For over 10 years, the Nutfield News has delivered hometown news to Derry residents each week, free of charge. However, due to economic forces including the increasing costs of mail and changes in the way businesses advertise, Nutfield Publishing has changed its delivery model. To keep you informed of the local news you have come to trust, we will continue to make the Nutfield News available free of charge in many drop locations around Derry. For just \$49.99 per year you can have the paper delivered directly to your mailbox each week. Help us continue to keep you informed.

Call us at **537-2760** with your credit card or mail a check with your mailing address to ensure delivery of the Nutfield News.

Nutfield Publishing appreciates your continued support!
