Town Council Hears Conservation Commission Reports on Strategy

MACK LEATHURBY
NUTFIELD NEWS

At their Jan. 28 meeting, the Town Council set time for annual Town committee reports. Chairman Weatherbee said, "The Town of Derry charter requires us to meet with the chairs of the land use boards and committees." This is typically done yearly or on an as needed basis.

Chairman, James Degnan, from the Conservation Commission presented his report to the Town Council telling them, "I have been on the commission for a decade and this is my second year presenting in front of the council about the progress that we've had with conservation in 2019 and going forward into 2020." Degnan outlined the responsibilities of the

commission saying, "We are part of the TRC (Technical Review Committee in Derry) and we review subdivision plans, under construction plans and are focused on groundwater quality and we protect the conservation resources we have in Derry. We also monitor 20+ conservation parcels and easements throughout the town. And this is what conservation does on a day-to-day basis and what we deal with at our meetings."

This past year the commission dissolved their sub-committee - Go Green and integrated its responsibilities including "Town Clean Up Week" within the conservation commission member activities.

Degnan said, "One of our strategies at the top of the list the past year was to

work on trail maintenance and so this year the members on our board took an active role in maintaining some of our parcels with manual labor. For example - we made sure trails were cleaned down at the Shepherd picnic area which had not been touched in probably the last five years. We put in efforts in terms of cleaning it out, picking up the trash, making sure the trash bins and grill pits were open to the public and one of our members made a post that this parcel was open, cleaned and ready for usage. We got a lot of great feedback on that project and folks in the area are looking for more of that type of activity."

Degnan continued, "So, we also took an active effort over at the Lowe

Caron Looks at Funds for Fight Milfoil Invasion at Beaver Lake

MACK LEATHURBY
NUTFIELD NEWS

At the Jan. 28 Derry Town Council Meeting, Dave Caron presented a request for authorization to continue working with the Beaver Lake Improvement Association (BLIA) to provide support for milfoil treatments and removal at Beaver Lake.

Milfoil (or Watermilfoil) is an invasive plant species that has infiltrated Beaver Lake; certain exotic species of milfoil can be very aggressive, displacing native aquatic plant species. For example, a single piece of fragmented

Eurasian milfoil can multiply into 250 million new plants in one year. Left unchecked some species of milfoil can completely overtake a lake in 2-4 years' time. Large masses of certain milfoil species like Eurasian milfoil can also lead to flooding and interfere with fishing, swimming and boating. Eurasian milfoil "weed" mats can also increase mosquito habitat and decrease oxygen levels. This problem can also adversely affect property values in the area.

Caron told the council, "Fiscal Year 2020 was the first year in which the Town

Council voted to appropriate funds to assist with the control and future eradication of the plants. Previous to that date, BLIA exclusively assumed this responsibility, with grant assistance from the NH State Department of Environmental Services (DES). The Council - recognizing both the financial burden upon a private organization preserving a public body of water, and the potential adverse impact upon property values if the milfoil problem is not controlled - earmarked approximately \$6,600 in FY 20."

Caron further reported,

Town Council Agrees to Continue Household Hazardous Waste Day

MACK LEATHURBY
NUTFIELD NEWS

The Town Council heard from Craig Durrett, DPW Environmental Coordinator, about gaining authorization from the Town Council to apply for and enter into the agreement with NH DES in order to receive grant funds. These grant funds will be

used to offset the Town expenditures for an important waste collection program that supports town residents.

Specifically, this initiative supports continuance of NH State grant funding for Derry's Household Hazardous Waste Collection Program that sets up a special day each year for this

collection. Director of Public Works (DPW), Mike Fowler, also provided written support of Durrett's presentation for this initiative.

Durrette said, "Each year we apply for this grant from the state and it is used offset the town's DPW expenses to support this

continued on page 2

Waste Collection

continued from page 1

program.”

Town Administrator, Dave Caron, commented on his support for this program saying, “The Town has participated in this program for many years, which provides an avenue for residents to safely discard their haz-

ardous waste. Often times the program collaborates with the Town of Londonderry by alternating host locations. The Council’s continued support of this program is appreciated.”

The Town has access to various grant funds from

the New Hampshire Department of Environmental Services (DES) for environmental programs within the Town. In the past, grants have been received for Landfill Closure, Household Hazardous Waste Collection Day, Watershed Assessment, improvements to the Town’s Recycling Center

and Do-It-Yourself Used Oil Collection Center, and Municipal Sewer Improvement Projects.

Section 9.15 of the Derry Town Charter authorizes the Town Council to apply for and accept State, Federal and other governmental grants. NH DES requires such grant applications and contract agreements be signed by an authorized official of the Town such as by the Town Administrator. The Town must also execute a Certificate of Authorization stating that the official such as the Town Administrator, by vote of the Town Council, is authorized to sign such grant agreements on behalf of the Town.

So in order to proceed

with this process, NH DES requires that a Household Hazardous Waste Collection Grant application is signed by an authorized official of the Town and that it is then submitted to the State, and upon approval of the application, a Contract Agreement must be executed by the authorized official of the Town who is authorized by a vote of the Town Council. This also means that the Town must authorize by vote of the Council to apply for and enter into an agreement with NH DES to hold an annual Household Hazardous Waste Collection event in FY21, and that all authorizations are to be certified for the State. There is already a funded program in place that has been author-

ized for 2020 that will be organized later this year.

The Derry DPW is eligible for this grant and is in the process of applying for up to \$5,646.00 in matching grant funds from NH DES for the Household Hazardous Waste Collection program in FY21.

The Town Council voted unanimously to authorize the Town Administrator to sign the Grant Applications and Agreements with NH DES and that the Town Council authorizes the Town DPW via the Town Administrator to enter into a grant agreement with the NH Department of Environmental Services to receive funds and hold a Household Hazardous Waste collection event in the Spring of 2021.

The Derry Village Rotary Club honored December CTE Student of the Month Lily Mendes on Tuesday. Over the past year plus, Lily has always displayed skills as a driven, self-starter, motivated, and dedicated student whether in the classroom or in the kitchen. Last year, Lily attended nearly twice the number of required outside of school events. Lily has represented Pinkerton on our ProStart Restaurant Management Team and excelled both in the kitchen and in the classroom.

This year, Lily has already attended half of her required events for the year and has made the ProStart Culinary Team and ProStart Restaurant Management Team. She and a team of students represent PA in a MRE cooking competition against other Southern NH CTE centers and their team won first place! Lily has quickly become a classroom leader, continues to show the same, high level of motivation and drive, and also comes into class early as a program intern.

Her future plans include attending Lakes Region Community College for an associates degree and potentially operating her own food truck.

Conservation

continued from page 1

property and we went back to clean some of the Boy Scout trails that were back there and we did a little bit of manual trimming and cutting back overgrowth to open those trails back up to the public - new and fresh.”

“In terms of 2020 planning our first project in the spring is back at Broadview,” Degnan said. “We will go back to the large Oak and clean it up to let the public be able to go and sit underneath that tree and enjoy a picnic time with their family. That’s been a major call to action for us and we’re also going to design and fully implement a trail system from the Shepard family parcel past the East Derry store. The plan is that there will actually be a clear and market path.”

The Conservation Chairman noted that these path and recreation trail systems are a priority for support and that is a result of comments gleaned from the

Master Plan discussion in which the commission has been actively involved. He noted that the Commission wants to make the Broadview Farm a primary location in town for residents to enjoy. There has been overgrowth and invasive plant issues that have taken away some of the luster from the Broadview Farm area and the commission has been working to clean up these issues.

The commission has consulted with University of New Hampshire (UNH) experts and is in the process of developing a plan for a higher level of maintenance, as well as, supporting flora and fauna management efforts at Broadview Farm. The commission expects to leverage the planning process that is being developed for Broadview to further utilize and support other properties touched by the commission.

Degnan pointed out the community garden activities at Broadview are being

further tweaked by the commission since the gardening logistics were integrated with digital web site management support in 2018. Will Lowenthal, who manages that effort, has been through the Master Gardener Program at UNH. Degnan says last year’s success is something they want to continue with support, tweaking and repetition for the future. Garden signups will likely begin for this coming year in late February and the commission wants to further refine support for a very flourishing community garden plot.

Degnan said that the commission has a need for better signage and cohesive messaging for all of the managed parcels and that this was also noted in the Town’s master plan work. There is an opportunity to work with the NH State prison system to develop professional signage that could be utilized, and that project is now under consideration.

Beaver Lake

continued from page 1

"The Beaver Lake Improvement Association Board of

Directors met this week to discuss their approach for this year and agreed to continue paying \$3,000. For the herbicide treatment, the

cost to the Town would be slightly less than last year at \$6,257 versus \$6,585 in 2019. The NH DES grant for FY 21 was increased to provide additional treatment options."

In FY 20 a singular approach was used to deal with the milfoil, which was focused on an herbicide treatment," Caron said. "For Fiscal Year 2021 NH DES has requested bids for divers as well. Although the Town and BLIA will have a discussion on the selected methods and ultimate cost for the program, NH DES stipulates that the entire grant needs to be accepted if the Town decides on one or both approaches."

Caron reported that at the BLIA board meeting, members explored the possibility of using divers for the lake in addition or as opposed to focusing primarily on "The Meadows" south of Beaver Lake.

BLIA says all appropriate options will be explored with NH DES. BLIA and the Town can then collectively determine how to proceed with divers this year, which would be supplemental to the BLIA dive team.

BLIA has been documenting statistics of their work to mitigate milfoil in the lake. In 2018, there were 65 diver hours spent with a total of 127 volunteer hours that included diver and spotter time - to remove 173 gallons of milfoil. In 2019, 75 diver hours were spent with a total of 147 volunteer hours that included diver and spotter time - to remove 203 gallons of milfoil.

As these metrics indicate, BLIA spent more time in and on the water in 2019 removing more milfoil than they did in 2018. BLIA has now found milfoil in areas where it had not been seen

previously, as BLIA had the opportunity to dive in areas that had not been analyzed or worked on in 2018. This was also because the milfoil was removed in certain areas giving BLIA the opportunity to explore different places of the lake.

Caron reported, "We continue to be hopeful that the growth will be minimal in the areas that were focused on last year and we can continue to explore more of the lake. We would like to see the volume of milfoil removed and decrease year over year, which would tell us we are ahead of the growth."

The Town Manager overviewed the metrics for resolution requests to the Council, "Currently, the Town budgets \$6,600 as an approximate 40% match for the herbicide treatment. And this year, the maximum NH DES grant is \$8,171, which would be

divided between the Herbicide Treatment at \$6,171 and diver costs at \$2,000. Should the Town and BLIA decide to proceed with both options, a discussion will ensue regarding the supposition of the additional local share of the Diver program at \$3,000."

There were 2 resolutions that were unanimously approved by the council to support the Town Administrator to support efforts to eradicate Milfoil:

(1) Resolution #2020-006 which allows the Town to receive up to \$8,171 in NH DES Grant Funds, and

(2) Resolution #2020-007 which allows the Town to receive up to \$3,000 in funds from the Beaver Lake Improvement Association. These resolutions are immediately effective so the Town Administrator may take the appropriate actions.

OBITUARY

Anthony James Michael DeBonis

Anthony James Michael DeBonis, 15, of Derry, NH, passed away Thursday Jan. 30, 2020, at his home surrounded by his loving family. He was born in Salem, Mass. on Aug. 10, 2004, a son of John and Stephanie (McDonald) DeBonis, and older brother of Charlie DeBonis. Anthony was a student at Pinkerton Academy in Derry, Class of 2022 where he was an Honor student, and a member of the JLU club, which centered around kids with disabilities. When he attended Grinnell Elementary school in Derry the staff affectionately referred to him as the Mayor, because he talked to and was friends with everyone in and outside his grade level. He loved Boy Scouts, attending for a total of 7 years, starting as a cub scout in pack #402, achieved his arrow light, and graduated to Boy Scout Troop #402. He loved to read. He especially enjoyed The Hunger Games, and Wonder which he read 3 times.

Anthony was a huge Boston Sports fan, and especially loved the Red Sox. He had an uncanny ability to recall sports statistics. He also had an amazing sense of humor. He loved to make those around him laugh no matter how bad he may have been feeling. Anthony was overall an amazing young man, who truly believed that family always came first no matter what. He will leave a lasting legacy of love and laughter for all those lives he touched during his short life. Those he deemed his favorites were known as nuggets and he will remain their favorite nugget.

He is survived by his parents, John and Stephanie, his younger brother, Charlie DeBonis; paternal grandfather, John DeBonis, Sr. and his wife Connie; maternal grandmother, Priscilla McDonald; godparents, Michael and Kelly Papageorgiou; as well as several aunts, uncles and cousins. He was predeceased by his paternal grandmother, Janet DeBonis and maternal grandfather Robert E. McDonald.

Calling hours were held on Tuesday, Feb. 4, from 3 - 7 p.m. in the Peabody Funeral Homes and Crematorium, 290 Mammoth Rd., Londonderry. Funeral services were held on Wednesday Feb. 5, at 10 a.m. in the Londonderry United Methodist Church, Mammoth Rd., Londonderry followed by a luncheon at the Londonderry Lions Hall. In lieu of flowers, memorial contributions may be made to Dana Farber Cancer Institute, 450 Brookline Avenue, Boston, MA 02215 or at www.dana-farber.org/

Anthony always had to have the last words – Love you more!

Derry Residents Sign Up for March Election

The filing period to enter your name as a candidate for either a town or school elected position closed last week, with a number of residents signing up, but only one race on the town side will be contested, and the school board has four folks running to fill two seats.

Voting will take place on March 10.

TOWN

Councilor at Large: There is one, three-year term seat is available, and Joshua Bourdon, an incumbent, is

the one name on the ballot.

District #3 Councilor: There is one, three-year term seat is available, and incumbent Neil Wetherbee is the only one who signed up for that spot.

Town Moderator: There is one, two-year term position is available, and Cristina "Tina" Guilford is the lone name on the ballot.

Derry Public Library Trustee: There are three, three-year term seats available with nine people signing up. They are: Valerie Roche, Eric Walters, George

B. MacIntyre Jr., Linda Coate, Theresa Leney, Jeanne Roussel, Monica Cataldo, Margaret Ives and Rachael Armstrong.

Taylor Library Trustee: There are two, three-year term seats available, with Candice Westgard and Jil-lien Klok signing up.

Supervisor of the Checklist: There is one, six-year term position available,

and Dina Bourassa sined up for the position.

Trustee of the Trust Funds One, three-year term position had no one signing up.

SCHOOL

Derry School Board: Two, Three-year term seats available with Anne Copp, Derick Anderson, Jessica Ring and Paul Lutz signing up.

Editorial

Get the Full Picture

The right to vote is a hallmark of living in America. In patriotic speeches, politicians declaim that our military fight for us to defend that right, a right that residents of far too many countries can only dream of obtaining.

All too often, that right is not given the respect and care it deserves. It appears that Presidential elections are the only times when large numbers of voters come out for elections. Local elections may be even more important; yet many of us don't take the time before a local election to research issues behind each warrant article.

Researching the questions you are voting on is so important. These warrant articles effect your lives in a personal way. If you don't understand what you're voting for or against, you're treating the right to vote with disrespect.

What kinds of questions might you ask?

On a bond measure, find out what kind of financial obligation is imposed for each year of the bond. That's often unclear; you'll hear what it will cost the first year, but the money will come out of your pocket for the life of the bond.

How about a union contract? Sometimes a contract covers just one year, and if so, its costs are likely to be clear. But most contracts are for two or three years. Make sure you understand the costs attached to each additional year of

the contract - you won't be asked to vote for it in consecutive years, but the money will be added to the overall budget and will be part of your tax bill. Also, money isn't everything. Does the contract take into consideration the economic downturn? Get the full picture to fully understand the issues you are voting on.

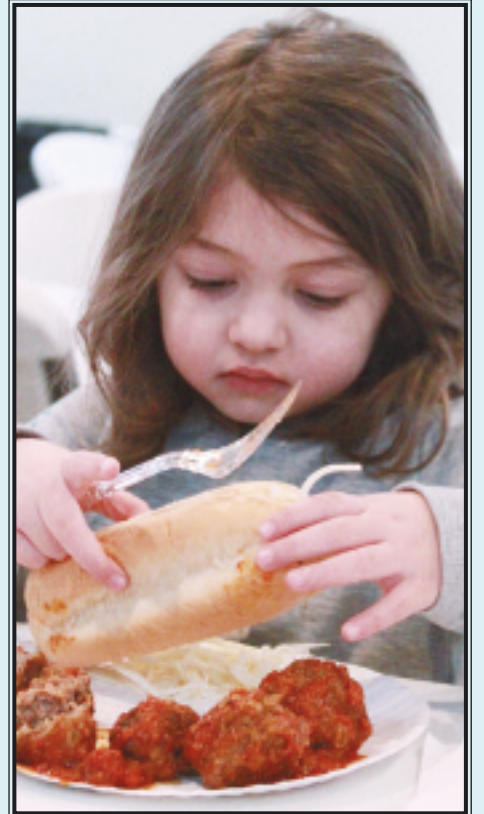

The choice is yours. Each warrant article has pros and cons - some may be harder to define than others, but it pays to listen, and not just listen but verify the information being told to you - understand both sides. If you're only hearing one side, you may be missing something.

For example, it shouldn't sway your vote that the budget committee - or your neighbor - recommends or doesn't recommend a warrant article. Get the facts yourself. Don't be persuaded by scare tactics, and make sure to consider the source. Get the facts behind the hype.

The taxpayer is the "forgotten third person" in budget discussions. Well, you're the taxpayer and all of us living in Town are "footing the bill".

The upcoming Deliberative Sessions for both Town and School are very important and some changes can be made at that time to the Warrants presented. Don't forget your right to get all the facts before you make your decision. And while you're at it, **DON'T FORGET TO VOTE.**

Eagle Scout Holds Meatball Sub Fundraiser

Gavin Holloway, a Pinkerton Academy senior and Derry resident, held a fundraiser recently to aid in his Eagle Scout Project efforts to clean up and categorize veteran gravestones in Forest Hill Cemetery. Gavin is a member of Boy Scout Troop 402 out of St. Thomas Aquinas Church in Derry, and has continued to work towards completing his Eagle Scout Project. Holloway rolled up nearly 400 meatballs and served Meatball Subs with chips and a beverage for \$5 at the fundraiser that took place at the VFW Post 1617 Hall on Railroad Avenue. Holloway and his team started this project back in August and hope to have it complete sometime next month. He organized his team of family and friends in groups of 2-4 volunteers to help cover the overwhelming 41 sections in the cemetery reserved for soldiers in need of help.

Annual Potters Bowl Sees Large Turnout for Caregivers

For the fifteenth consecutive year, the Community Caregivers of Greater Derry hosted their annual "Potter's Bowl" on Saturday evening, Feb. 1 at Pinkerton Academy. The organization services the communities of Derry, Chester, Londonderry, Windham, Sandown, Danville and Hampstead. There were a wide variety of soups donated for sampling from local restaurants and hundreds of pots donated for attendees to take home from over 15 potters. Pinkerton Academy Art Teacher Michael Gooden attended the event again this year to demonstrate the art of throwing. Also on hand, volunteering their time, were a number of Red Star Twirlers to help those attending. Over 60 items were presented in the Silent Auction with minimum bids ranging from \$10 to \$425.

Renters – Heads Up

To the editor,

Heads up to my Derry constituents who are renting their living facilities.

As I was sitting in my House Committee Hearing today (Commerce & Consumer Affairs), listening to testimony on HB1320, Establishing a renters insurance notification requirement, I got an inspiration. We heard from a few folks relative to this Bill, including someone from Salem who had been thru the “Cluff Crossing” fires in Salem from a while ago. NONE of the renters in this situation were even aware that they could have gotten

Renters Insurance to minimize the impact of the fire.. We in the Committee also heard from a few State-level Fire officials who support this Bill.

The crux of my PSA/editorial is to notify my “renting” Derry constituents that they DO NOT have any insurance coverage of their personal property through their landlord. Every one of my renting constituents should consider & purchase “Renters Insurance”. It averages from \$5 to \$10 per month, as was quoted to me. This small sum can prevent a catastrophic outcome, should anything really terrible ever happen to a renter and/or their property. It also

could prevent a renter from smaller losses, dependent on other situations.

SO, renters, and friends of renters, PLEASE, PLEASE, PLEASE look into getting yourself Renters Insurance to protect yourselves from catastrophic losses from any type of mishap which may occur in your apartment/condo/dwelling.

Thank you for reading my piece, & I hope that if I positively impact one person, I feel that I’ve done my job.

Representative

Voter Registration in Lunches PA Students Opportunity to Vote

KATHRYN ANDERSON
NUTFIELD NEWS

◆

On Thursday January 23rd, 81 Pinkerton Academy seniors from Derry, Hampstead, and Chester registered to vote with the help of school administration. The event was held in the senior cafeteria during

all lunch periods, and was a success for many students as well as school administrators.

With the 2020 elections right around the corner, many high school seniors are patiently waiting to be able to cast their first ballot this upcoming November. Throughout this school

year, with the help of Pinkerton faculty, students are able to take the next step in preparing to vote, some in the NH primaries next month.

“I am really glad the school offered this to students. It really encourages us to vote, which is so important for teenagers

because we often go unheard and unrecognized in elections,” said Pinkerton Academy Senior Jackson Chalmers.

The event was organized by the Pinkerton Academy Citizenship Committee as well as Judy Strakalaitis, Supervisor of the Checklist Chair. Not only were students excited for this opportunity, but faculty and staff also enjoyed seeing the students eagerness to participate.

“Today was fun. Such an exciting election to have for your first time voting, so the students were psyched,” said Strakalaitis.

Nya Trudelle, a senior from Derry, registers to vote.

Planning Chairman Reports Year's Actions to Town Council

MACK LEATHURBY
NUTFIELD NEWS

Planning Board Chairman, John O'Connor, was at the Jan. 28 Town Council meeting to provide an overview report to the council about the Planning Board's activities, actions and direction from 2019 and for 2020.

Before he presented his Town Council report, O'Connor said, "I am on the University of New Hampshire Extension Advisory Council. This week we met and there were a couple of things brought up tonight

in the Conservation Commission's report to the Town Council that are related to a discussion we had at our UNH meeting."

"UNH Extension teams are going around to all towns and communities to use GPS data and putting certain information on what's call Trailfinders.com for all of the trails in town areas. So, if Derry needs to do that, they can reach out to the UNH Extension in Rockingham County - down in Brentwood - and they will come out to go throughout all the trails in town." "And then when somebody wants to go

online at Trailfinders.com and hit Derry - all of Derry's properties that have trails, including the rail trail, will come up and people will be able to print out locations with the trail mapping. This means that if people come here, they will be able to easily go to those trail facilities. This is something new that has been started at UNH and it is being supported under the budget for Rockingham County."

O'Connor is also a State Representative from Derry and he reported, "I am involved with a lot of the pesticide legislation that is coming on committee and I recommend that someone from the community -such as from conservation come to those state sessions. Right now, we've already lost the battle against Emerald Ash borer, so most of our ash trees are being lost and though they might come

back in the future, we've currently lost that cause over the last five years." O'Connor noted support from conservation groups may provide insight for both town and State efforts regarding environmental situations.

O'Connor moved on to present his report and pointed out that the Planning Board had approved more applications last year than in the past years. The Planning Board approved 68,896 square feet of new commercial space and added 34,800 square feet of commercial redevelopment. O'Connor said, "We also approved the creation of two new commercial lots, 21 new single-family house lots and 30-unit independent adult communities. Fiscal year 2019 approvals that were made by the board resulted in a net gain of \$949,100 in appraised value for the Town of Derry. This figure does not include pending building permits. We held various public hearings to accept and recommend approval of changes."

O'Connor continued, "We updated requirements for accessories and provisions for the Central Business District and the Traditional Business Overlay District. We rezoned parcels to the Medium High-Density Residential Area. We also rezoned the Medium High-

Density Residential II area and added to the Central Business District and we amended the list of permitted uses for General Commercial II and the Office Business District zones. We also added a new district called the West Running Brook District."

"The board began work in the year 2018 on the update of the Master Plan which was last updated in the year 2010. The plan has now been finalized and the public hearing to adopt the Master Plan document will be held on February 5th 2020. The two-year master planning process was accumulated in a three-volume document plan."

The Planning Board Chairman announced actions planned for 2020 that include a continuation of actions and similar efforts as were accomplished in 2019. The Planning Board has put a sports betting rezoning amendment forward for Town Council consideration and approval that will put sports betting to Town vote in March. There is also expected to be rewording of the town code to clarify the difference between public or private nuisance situations and disputes.

O'Connor reported that the Planning Board will meet to discuss and set additional goals for 2020 in April.

OBITUARY

Terry Alan Carter

Terry Alan Carter, 66, of Derry, NH, passed away on Friday Jan. 24, 2020, at Parkland Medical Center, in Derry. He was born in Millinocket, ME on Feb. 1, 1953, a son of Melvin and Beulah (Hartley) Carter.

Terry loved spending time with his grandchildren, he was an avid motorcyclist and enjoyed spending his free time riding and also a founder of the Derry/Salem Elks Freedom Riders. He greatly enjoyed watching wrestling, listening to music, working on cars and admiring various forms of art, including tattoos.

He is survived by his beloved wife of 41 years, Janice Carter who took great care of him; two sons, Eric and Joshua Carter; grandchildren, Chloe, Hannah, Kaison and Rene; brother, Randy Carter, Melvin (Skip) Carter and several nieces and nephews. Terry is predeceased by his siblings, Gail Kennison, Carol Ruggier and Lynn Brousseau.

Following cremation, a service were held upstairs at the Derry/Salem Elks Lodge, 39 Shadow Lake Rd., Salem, NH 03079 on Friday, Jan. 31 from 2 - 7 p.m. The Peabody Funeral Homes & Crematorium is assisting the family with arrangements.

OBITUARY

Elizabeth S. Callahan

Elizabeth S. Callahan, 95, of Derry, NH, died Wednesday Jan. 29, 2020 in Pleasant Valley Nursing Center in Derry. She was born in Somerville, MA on April 22, 1924, a daughter of the late Frank and Sarah (Garland) LoSciuto. She had been a resident of Derry since 2005, formerly living in Windham, NH. Elizabeth had been employed as a bookkeeper for Belotti Oldsmobile in Somerville, MA for many years. She was a member of the Londonderry Senior Center, and enjoyed knitting.

She is survived by three sons, John Callahan, Jr. and his wife Christine of Lewiston, ME, Stephen Callahan and his wife Mira of Gorham, ME, and Daniel Callahan and his wife Jean of Londonderry, NH; nine grandchildren, Janice, Annissa, Stephanie, Kristen, Robert, Jeffrey, Ryan, John and predeceased by Karolina; thirteen great grandchildren; one great great grandchild; and her niece, Irene DeCata of Woburn, MA. She was predeceased by her husband, John "Jack" Callahan, Sr. in 2014.

Calling hours were held on Monday, Feb. 3 from 1 - 4 p.m. in the Peabody Funeral Homes and Crematorium, 15 Birch St., Derry. Funeral services were followed at 4 p.m. in the funeral home. The burial will be in Pillsbury Cemetery, Londonderry in the Spring.

Pinkerton Boys' Hockey Team Hands Concord First Loss

MATT TRITTO
NUTFIELD NEWS

The Pinkerton Academy Boys' Hockey had two shutout wins followed by a two-goal loss last week and now stand at 7-5 with six games left in the regular season. During that three-game stretch, the PA squad was able to hand Concord their first loss.

The Pinkerton boys' team started their week of play on Monday, Jan. 27, at Conway Arena in Nashua when they faced off against Nashua South High School and beat them with ease, 5-0.

Pinkerton defenseman Brett Levesque was the one

to get his team on the board first, with a first period goal off an assist from captain Mason Drouin.

In the second period, Mason Drouin added to that assist by notching two goals of his own, one with help from his brother Hunter Drouin, and the other goal was unassisted.

Mason's offense didn't stop there, as he capped off a hat trick performance with a third period goal assisted by Ethan Burgess and Hunter Drouin. The final goal of the shutout victory came from Ethan Burgess, and it was unassisted.

Goaltender Matt Gilli-

land was a brick wall in net as he had 18 saves and kept Nashua South scoreless.

Two days later, the Astros found more shutout success when they hosted the undefeated Concord High School team at the Ice Den in Hooksett on Wednesday, Jan. 29.

Pinkerton continued to the offense going, and managed to contain a very fast Crimson Tide team, 3-0 and improved to 7-4 on the season.

The Astros had a first period goal with just under ten minutes to play as Hunter Drouin and Scott Cavan set up Ethan Burgess for a power play

goal to give the Astros a 1-0 lead.

It was a scoreless second period, as it was a lot of back and forth play.

In the final period, defenseman Jack Normand found the back of the net with an assist from Mason Drouin and Ethan Burgess on a power play goal.

The third and final goal of the game came from Hunter Drouin, off an Ethan Burgess assist to give Concord their first loss of the season. Pinkerton goaltender Matt Gilliland had his best performance of the season as he earned another shutout and this time with 38 saves.

Over the weekend, Pinkerton saw its modest two-game winning streak come to an end, as they lost, 4-2 to Bedford High School (7-3-1) on Saturday, Feb. 1.

Pinkerton was able to score first when Hunter Drouin scored on a power play off an assist from brother Mason Drouin. After that, Bedford went on to score two goals to end the first period and led 2-1.

In the second period the Bulldogs had full control, as they scored two more goals and took a commanding 4-1 lead heading into the final intermission.

Senior captain Mason Drouin racked up the points for his team over the past three games with three goals and four assists.
Photo by Chris Paul

Pinkerton was able to find the back of the net one more time as Hunter Drouin tallied his second goal of the game with another assist from Mason Drouin. Other than letting up four goals Matt Gilliland had 33 saves.

Head coach Samuel Littlefield was not too pleased with the chances they had and didn't capitalize on.

"Pinkerton failed to capitalize on power plays. We had six power plays, and only scored on one and gave up a shorthanded goal. We can't miss out on those kinds of opportunities."

The squad took the ice again on Wednesday, Feb. 5, at Skate3 in Tyngsboro, Mass. as they faced the Bishop Guertin Cardinals (8-3).

Pinkerton Bowlers Had Tough Match To Start New Month

The Pinkerton Academy Bowling team traveled to Merrimack Ten Pin as they played against host Merrimack High School, and Coe-Brown Northwood Academy on Saturday, Feb. 1.

Pinkerton started their day by taking the first seed for the baker round with a score of 1,806, while Merrimack had a 1,755, and Coe-Brown had a 1,187.

Astro Colby Wong

bowled games of 172 and 158, while Matt Gagnon rolled a 149 and 172. Bryant Nourse had two games of a 157, 169, and Lance Lemieux bowled a 159 and a 185.

Harry Michaud brought his best stuff to Merrimack, as he rolled an impressive 278, and was one strike away from a perfect game with 11 strikes and one spare. Michaud then went on to a roll a 207

in his second game.

The Astros then took on Merrimack, and the Tomahawk bowlers were able to beat Pinkerton in two games with scores of 184-136, and 191-151. Pinkerton left Merrimack with a total of eight points.

The Astros bowlers will be back in action on Saturday, Feb. 8, at Maple Lanes in Claremont New Hampshire.

Astros Girls Hockey Team Moves to 6-4 After Two Big Wins

MATT TRITTO
NUTFIELD NEWS

In just their second year in the league, the Pinkerton Academy Girls' Hockey team has made great strides in becoming a real force against other squads. With five games to go in the regular season, the PA girls have tied the number of wins they had in their inaugural season.

Last week, on Tuesday, Jan. 28, the Lady Astros faced off against the Bishop Guertin Cardinals, then 2-5, at Skate3 in Tyngsboro, MA.

The PA girls skated to a 7-5 win, after coming back from a 3-2 deficit in the final period of play. Kelsey Levesque scored first for the Astros with an assist from

Madison Gibeault. Shortly after that, Gibeault assisted Captain Jordyn Wasiejko on a power play goal.

Pinkerton allowed three goals in the second period, and struggled on offense to go scoreless while trailing the Lady Cardinals heading into the final intermission.

Spencer St. Pierre struck first for Pinkerton in the final period to tie things up, and Gibeault followed that up with a goal of her own. Gibeault didn't stop there, as she scored the next goal, and right after that, St. Pierre scored her second goal of the game to put her squad up by two goals. The Cardinals then scored a goal of their own to cut the deficit to just one as Pinkerton had a 6-5

lead.

Gibeault then notched her final goal of the game for her hat trick to secure the 7-5 Pinkerton win.

The girls then finished their week of play with a home game against the Bedford High School Lady Bulldogs and went on a scoring frenzy to take a 10-0 win.

The Lady Astros came out firing as soon as the puck dropped when Molly Fahey scored 15 seconds into the game off a Jordyn Wasiejko assist.

Not too long after that, Kelsey Levesque scored off an assist from Madison Gibeault, and then Wasiejko scored one of her own with the help from Chloe

LaBorgne.

At this point Pinkerton was already up 3-0, but they didn't slow down as Fahey capped off four-goal performance by scoring three in a row to end the first period.

Two more Pinkerton goals came in the second period as Chloe LaBorgne found the back of the net with help from Wasiejko, and then Wasiejko scored her second goal of the game off an assist from Hailey Sauer.

In the final period of play Astro Spencer St. Pierre scored an unassisted goal 12 seconds in, and the final goal of the game came from LaBorgne again off a Molly Fahey assist.

The squad took the ice again on Wednesday Jan. 5 as they hosted Kingswood Regional High School at Tri-Town Ice in Hooksett after the Nutfield News went to print.

Junior Chloe LaBorgne scored twice and had an assist in the team's 10-0 victory over the Bedford Bulldogs last week.

PA Skier's Control the Slopes

MATT TRITTO
NUTFIELD NEWS

The Pinkerton Academy Boys' and Girls' Ski teams competed in a six way meet on Friday, Jan. 31, at Crotched Mountain. The girls' team dominated the slopes, as they skied away with first place with a score of 367. Goffstown placed second (365), Exeter third (364), Kearsarge fourth (363), Keene fifth (351), and Merrimack came in sixth with 159 points.

The PA boys tied for fourth place with a score of 343. Goffstown came in first (370), Kearsarge second (363), Keene third (354), Exeter fourth (343), and Merrimack sixth with 312

points.

Starting with the girls, Katelyn Bennett led the way once again placing first for the Astros and second overall with a time of 1:07.59, along with Ava Sezgin following in second and fifth overall with a 1:09.80. Annabel Veale placed third and 12th overall (1:15.63), Teagan Stinson fourth and 20th overall (1:18.12), Madeline Frank fifth and 24th overall (1:18.60), Hannah Flagg sixth and 26th overall (1:19.45). Astro's Linda Pelletier came in seventh and 32nd overall (1:27.79), Danielle St. Peter eighth and 34th overall (1:31.51), and Emily Hatch finished ninth and 39th overall with a time of 1:38.57.

As for the boys' team, Chris Bennet led the way for Pinkerton by placing first overall with a time of 1:02.80. Coming in second and 19th overall was Colton April (1:13.82), Ethan Hatch third and 20th overall (1:14.54), and Jackson Kuncik placed fourth and 28th overall with a ski time of 1:17.74. The last of the Pinkerton skiers were Ilya Bochkov fifth and 44th overall (1:26.54), Ryan Bright sixth and 46th overall (1:27.32), Sam Palmer seventh and 51st overall (1:34.79), Noah Marquis eighth and 52nd overall (1:37.41), and Max Parenti placed ninth and 55th overall with a time of 1:45.61.

Pinkerton's Girls Hoops Now 6-4 After a Win and a Loss

MATT TRITTO
NUTFIELD NEWS

The Pinkerton Academy Girls' Basketball team had another up and down week as they split in two road games last week, one for a 18-point win and the other for a eight-point loss.

The week started with a road trip to the state capital where they beat the Lady Crimson Tide at Concord High School in a fairly con-

vincing manor.

After their tough loss to the defending DI Champs, Bishop Guertin, the Lady Astros turned things around to get back into the win column with a 48-30 victory.

The always dominant Avah Ingalls led the way in this one with 19 points, and Samantha Franks was the next highest scorer with eight. Kristina Packowski scored seven, Alyssa DiMauro five, Jesse Ames

four, Sofia Riccio had three, and Allison Ingalls had two points. Pinkerton was consistent throughout the whole game as they had four double-digit quarters, but played even better on the defensive end. They held Concord to just 15 points through the first three quarters. The PA girls controlled three of the four quarters in this one, 13-3 in the first, 15-6 in the second, 10-6 in the third, and 10-15 in the final quarter.

The Lady Astros then traveled to take on Goffstown High School and lost a close one to the Grizzlies 48-40.

Pinkerton scored a consistent 11 points in the second, third, and fourth quarters but Goffstown had a strong 24 point first half and scored 15 points in the final quarter.

Avah Ingalls was PA's top scorer once again with 16 points, while Sofia

Riccio and Jesse Ames both had six points. Samantha Franks and Allison Ingalls both had four points, and Kristina Packowski had three. Avah Ingalls, Samantha Franks and Sofia Riccio each had a three pointer of their own.

The girls along with head coach Lani Buskey had some conversations during practice about the tragic death of NBA Legend Kobe Bryant and his 13-year old daughter Gianna Bryant. "I did have some small conversation with a few of them about the impact he was making on the women's game because of his love and push for Gigi. It would have been nice to see if she could have changed the game for us with the support and legacy of her father behind her," Buskey said.

The Pinkerton girls' played Nashua North on Monday, Feb. 3, at home

Junior Samantha Franks has been a offensive contributor for the Lady Astros *Photo by Chris Paul*

and were scheduled to take Saturday afternoon in on the Lady Lancers on Londonderry at noon.

Athletes of the Week

Week of Jan. 26

Mason Drouin
Senior, Boys Ice Hockey

Mason scored a hat trick and had an assist in Pinkerton's win over Nashua South last week. According to the coach, Mason has done a great job leading the team as the captain and holds his teammates accountable.

Stephen Connelly
Junior, Boys Indoor Track

Stephen Connelly ran on the 4x800 relay team over the weekend which ran a state leading 8:09 and then came back and won the 600 in the third fastest time this year and finished it up with a 4x400 team that took second.

Athletes are chosen by Pinkerton Academy Athletic Office

First Win Eludes Pinkerton Boys' Hoops Squad by Two Slim Points

MATT TRITTO
NUTFIELD NEWS

The Pinkerton Academy Boys' Basketball team hit the halfway point in the winter season and was so close

to securing their first win of the season this past Friday, Jan. 31, as the team hosted the 4-4 Goffstown High School Grizzlies.

It was a battle from start to finish, but unfortunately the Astros suffered their ninth straight loss in close fashion, 48-46. The loss left the PA squad at 0-9 for the season.

It was a slow start for the Astros as they only scored six points in the first quarter, but then exploded for 22-

second quarter points.

Goffstown's 17 point first quarter allowed them to hang onto the lead since the Astros outscored them in the second half 18-10.

Justin Dunne was the Astro's leading scorer with 16 points, while Jimmy Flynn scored eight, and Declan Conroy had seven. Mike Packowski scored seven as well, while Andy MacDonald had six, and Miguelangle Mejia scored three points.

Dunne nailed three from behind the arc, while MacDonald, Conroy, and Mejia all had one each. The squad traveled to Nashua North High School and faced the Titans (7-1) on Tuesday, Feb. 4, after the Nutfield News went to print.

The team will then travel next door to face rival Londonderry Lancer's (2-7) on Saturday Feb. 8, and will try to earn another point toward the Ball Family Trophy.

Pinkerton Wrestlers Edge Out Windham on the Road

MATT TRITTO
NUTFIELD NEWS

The Pinkerton Academy Wrestling squad was able to notch another mark in the win column, and go 8-2 with their 43-36 dual meet victory over Windham High School on Wednesday night, Jan. 29, at Windham.

The match didn't start well for Pinkerton, with two PA wrestlers getting pinned, the Astros found themselves down 12-0 early. In the weight class of 120 lbs Dominic Robinson turned things around with a 1:52 pin over Jayson Clementi.

Pinkerton trailed Windham 24-6 heading into the 138 lbs weight, where David Hammond started the Astros comeback with a 13-9 decision win over Kylan Cole.

Marcus Sconza (145 lbs) followed that up with a 10-2 decision win over Nicholas Antonucci and Pinkerton was now down 24-13. Moving up to the class of 160 lbs Jack Mackiernan pinned Noah Afonso in 1:07 and then William Brown (195 lbs) grinded out a 3:27 pin over Joel Nyonga, which made Windham's lead only 36-31. The meet went down to the wire and Pinkerton was able to power through for the win with the help of Ben Colson (220 lbs) delivering a huge 35 second pin over Matthew Schaff which gave them their first lead 37-36. The night ended on a rather anti-climactic way, as the Astros sealed their comeback win with a forfeit for Jake Scarelli.

The Pinkerton Wrestling squad then competed in the

Capital City Classic up in the state capital where the competed against 28 New England teams and place fourth.

State champ Sterling McLaughlin (182 lbs) took first place in that one, while Jack MacKiernan came in second at 160 lbs. David Hammond (138 lbs) won fourth place. Dominic Robinson (120 lbs), William Brown (195 lbs) and Jake Scarelli (285 lbs) all earned fifth place honors. Issac Cohen (170 lbs) came in sixth place.

Sterling McLaughlin pinned Buffagna of Central Catholic in a quick 1:52 to start his day, and then won a 3-0 decision over his Holliston competitor. He wrapped up the first-place title with another pin, this time in 1:21 over Woolf of Boston College High School.

Mackiernan also had a good day, as he started with a 1:29 pin over Armes of Holliston High School, and then won a 3-2 decision over Jack Carrozzi of Bedford. He then pinned Plymouth Regional's Joe D'ambrosio at 1:38, but then Mackiernan lost in a 12-2 decision to Fine of Bishop Hendricken. To finish up Mackiernan pinned Fisher of Haverhill in 56 seconds.

William Brown started off with a 4:10 pin over Jarret Henault of Goffstown, and then he won another pin this time when the clock showed 2:43 over Alex Linke of Alvirne. He then lost a 4-2 decision to Bishop Hendricken's Joel Nyonga, but answered back with a 3-

2 decision over Forest Pribernow of White Mountains Regional.

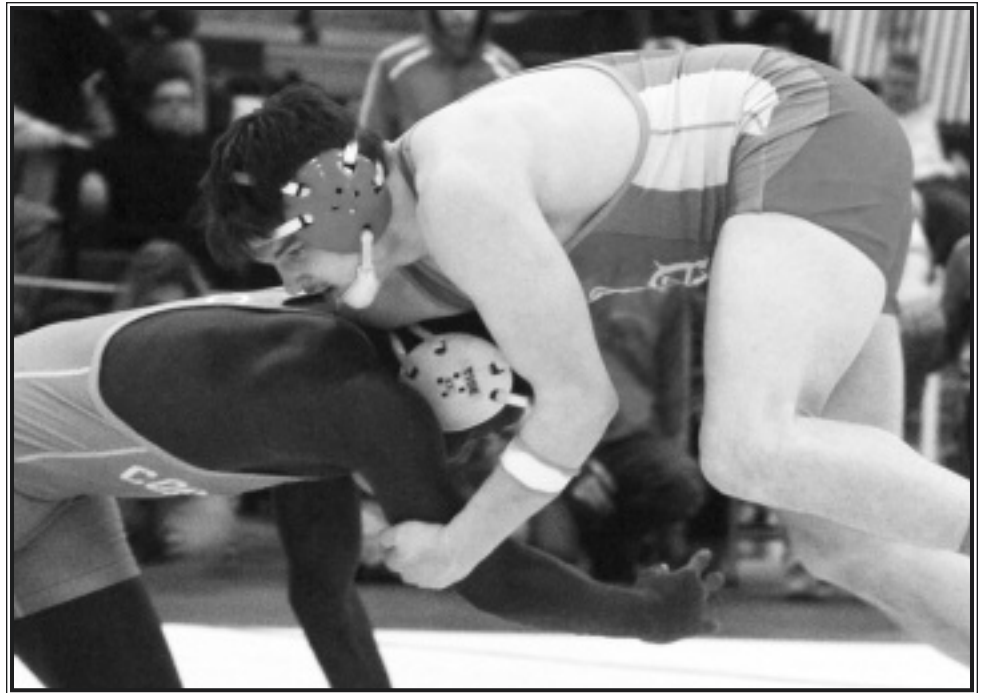

Issac Cohen started slow, by getting pinned in 1:36 by Concord's Joesph Gimaranzi. After that he beat Gavin Gruber of Keene by disqualification. Cohen then won a 8-7 decision over Miguel Reyes of Bishop Hendricken and then won another decision this time 7-3 over Windham's Hunter Tornquist.

David Hammond won a 10-9 decision over Ceballos of Souhegan, but then was pinned by Central Catholic's Mike Glynn in 1:51. Hammond was then beaten 0-5 by Concord's Jack Sargent. Hammond then pinned Jayden Vashaw of White Mountains Regional in a fast 47 seconds.

Dominic Robinson started with a bang as he pined Bastis of BC High School in a quick 27 seconds, but then he was pinned by Charles Comeau of Plymouth Regional in 57 seconds. After that, Robinson pinned White Mountain Regional's Charles Coy in 1:01, and followed that up with a 4:19 technical fall over Jac Dehney of Central Catholic. He ended things with a 10-5 decision win over Troy Moscatelli of Hollis-

Brookline High School.

Jack Scarelli pinned Ryan Allard of Bedford in a lightning fast 19 seconds, and then pinned Goffstown's Matthew Dalton when the clock ticked 2:09. After that he earned a 56 second pin

over Concord's Hunter Jeffers, but was then pinned by Levy of Haverhill in 1:46. Scarelli finished his day with a 1:32 pin over Joesph Streeter of Concord. The PA squad traveled to Hudson as they competed at

Alvirne High School on Wednesday, Feb. 5, after the Nutfield News already went to print. They will then compete on Saturday Jan. 8, in a quad meet at Concord High School as they prepare for the State Championships.

Astro Boys' Indoor Tracksters Set High School Records

MATT TRITTO
NUTFIELD NEWS

Over the weekend, the Pinkerton Academy Indoor Track teams competed against seven other teams at Philips Exeter Academy on Saturday, Feb. 1. It was a last chance meet for runners to get their best times and marks before competing in the State Championship next weekend.

Girls

The Lady Astros had a great day as there were six

top finishers.

In the 600-meter run, Macy Graves placed first with a time of 1:40.33, and then in the 1,000-meter run, Mariesa Preble came in second with a run time of 3:09.25.

In the 1,500-meter run, Pinkerton's Meghan Cross came in first (5:01.06), Olivia Welch fifth (5:24.38), and Molly McGaffigan came in sixth with a final time of 5:26.26.

In the high jump, Emily Lesburt placed first (5'4"),

and in shot put Adrianna Buccieri came in fifth with a score of 31'0".

In the 4x400 relay, the team of Madison Connors, Mariesa Preble, Sierra Edgecomb, and Macy Graves finished third with a time of 4:19.63.

Then in the 4x800 relay, the Pinkerton squad of Olivia Welch, Meghan Cross, Molly McGaffigan, and Mariesa Preble finished in first place with a relay time of 10:15.13.

Boys

The Astros boys' they had some success in a variety of events also, starting with Benjamin Fleming taking first place in the 55-meter dash with a time of 6.61. Ryan Dane placed third (6.84), Patrick Cotnoir fourth (6.87) and Kyle Walker came in fifth with a time of 6.92.

In the 300-meter dash, Conor Seleny finished first (36.19), and Benjamin Fleming second (36.67).

In the 600-meter run, Stephen Connelly came in first with a final time of 1:25.29.

For the 55-meter hurdles, Conor Seleny's placed first with a time of 7.60, and in the 4x200 Relay, the team of Patrick Cotnoir, Ryan Dane, Benjamin Fleming, and Conor Seleny came in first with a time of 1:32.62.

For the 4x400 Relay, the

Pinkerton squad of Luke Brennan, Stephen Connelly, Zach Plaza, and Nolan Preble came in second with a final time of 3:43.94.

In the 4x800 Relay, the team of Zach Plaza, Luke Brennan, Stephen Connelly, and Nolan Preble placed second as well with a time of 8:09.76.

For the high jump, Jacob Spezzaferri placed third (5'10"), and Nick Tagalakakis came in fifth with a score of 5'8".

In the long jump, Ryan Dane came in third (20'7.5"), and Nick Tagalakakis finished sixth with a jump of 19'2.75".

In the shot put, George Nigro III placed third for Pinkerton with a throw of 42'2".

The Astros boys' team had some records set that day, as Conor Seleny now

holds the leading hurdle time in New Hampshire with a 7.60 and is now second all-time in Pinkerton history.

The 4x800 team ran the fastest time in division one this season, and is now the second fastest time in school history. Benjamin Fleming ran a career best in the 55-meter dash and now holds the top spot in the state. In the 600-meter run, Stephen Connelly ran the third fastest time in division one this season and Ryan Dane had his best high jump of the year. Along with that Jacob Spezzaferri tied his best score in the high jump as well.

Pinkerton will now prepare for the Division State Championship on Sunday, Feb. 9, taking place in Hanover at Dartmouth College.

COMMUNITY EVENTS

This section is meant to be used to announce free events to the communities. If your group or non-profit is receiving money for what they are publicizing, there will be a charge of \$40.00/week per paper. All Around Town/Calendar Items will be held to 100 words maximum; anything over will incur a charge of \$40.00/week for up to another 50 words. All free announcements in the Around Town/Calendar section can run a maximum of 3 weeks. **Additionally:** We will run the full versions of any calendar items online free of charge at www.nutpub.net. Please send submissions to nutfieldnews@nutpub.net.

Exchange Students Program

Exchange students program of academic exchange "Pax" is currently seeking families to host for the 2020-2021 school year. There are students coming in from over 60 different countries both male and female ages 15-18 the students come with good English skills own spending money/medical insurance. Families would provide a bed for the student to sleep in, place to study, share meals together occasional rides to and from after school activities once the student make friends carpooling is wonderful. For more information on the program Contact linda_coffey@hotmail.com or go to pax.org.

Renew Clothing

Renew will be open Saturday, Feb. 8, from 8 - 10:30 a.m. at Calvary Bible Church, 145 Hampstead Rd., Derry. Arrive by 10 a.m. Renew will also be open every Thursday 9 - 11:30 a.m., please arrive by 11am. Now open second Wednesday every month 6:30 - 8 p.m. NH residents only. Winter Parking Ban

The Town of Derry seeks to remind residents of the Winter Parking Ban in effect from now - April 1. The Town Ordinance prohibits parking on all street and all municipal parking lots between midnight - 6 a.m. Violators are subject to ticketing and/or towing of their vehicle. Any questions

may be direct to the DPW Office at (603) 432-6144.

Teen Talk

An after-school group for teens ages 13-18 years old to talk, connect, relate and support each other on on Tuesdays from 3 - 4 p.m., at the Upper Room in Derry. Drop-ins are welcome! For more information, call 437-8477 ext. 29

Snow & Ice Policy

The Department wishes to remind residents of the Town's Ordinance regarding parking and the placement of snow on the street. The Winter Parking Ban is in effect from now - April 1. During that time, no person shall park any motor vehicle on any public road between midnight and 6 a.m. Any vehicle parked in violation will be towed. Vehicles towed shall be stored and released to the owner only upon payment of the cost of towing. No person is allowed to place any snow or ice upon the surface of the traveled portion of any Town maintained portion of road or highway. Blowing, shoveling or plowing snow into the street creates a very dangerous situation that can cause accidents. Any person violating this ordinance will be subject to a fine. Location of Mailboxes: As a friendly reminder, all mailboxes and newspaper boxes are allowed to be located within the Town right-of-way at the owner's risk. The removal of snow around mailboxes and maintenance of the mailbox and post are the responsibility of the owner. Residents are asked not to place any permanent or temporary structures, sprinkler heads or landscape items within the Town's right-of-way. The Town does not repair mailboxes damaged

during snow removal operations. In addition, stakes, delineators or rocks placed at the edge of pavement can not be guaranteed for protection during the winter season.

Story Hour with a Craft

A story hour with a themed craft is available for children ages 2 - 5 years old on Mondays at 10 a.m., Wednesdays and Sundays at 1 p.m. at the Taylor Public Library. Space is limited so called the library at 432-7186 to register or with questions.

Get the Nutfield News Delivered to Your Home Again!

Hometown News Delivered for Less Than a Dollar a Week.

For over 10 years, the Nutfield News has delivered hometown news to Derry residents each week, free of charge. However, due to economic forces including the increasing costs of mail and changes in the way businesses advertise, Nutfield Publishing has changed its delivery model. To keep you informed of the local news you have come to trust, we will continue to make the Nutfield News available free of charge in many drop locations around Derry. For just \$49.99 per year you can have the paper delivered directly to your mailbox each week. Help us continue to keep you informed.

Call us at **537-2760** with your credit card or mail a check with your mailing address to ensure delivery of the Nutfield News.
