

Derry ZBA Approves Variance on Land Locked House Build

CHRIS PAUL
NUTFIELD NEWS

DERRY - During the May 21 meeting, of the Derry Zoning Board, a property owner on Damren Road was given the go ahead for construction of a single-family home, despite not having any frontage to that road.

The meeting was held as a videoconference, due to the COVID-19 pandemic, and most of those involved in the discussion joined either by phone or video.

Barbara Albright, was asking for relief from a Derry Zoning Ordinance, to allow the construction of a single-family home on the property which does not have frontage on a

Town approved street, the home will be accessed over a 16-foot wide right-of-way at 97 Damren Road.

Attorney Patricia M. Panciocco, Esq. represented Albright in the case, and she started by explaining the Albright owns a 42 acre parcel located on Damren Road, and that the New Hampshire DOT issued a permit for this driveway back in 1972.

Panciocco pointed out that a plan prepared for her clients and the abutting property shows the first half of the 16-foot right-of-way is improved and was told by DOT that a permit could be issued for an additional single-family home, as well as two others.

She added that a turn-around would be installed at the end of the right-of-way, if the board granted permission for construction, and also that she checked with Derry Fire Department who confirmed they had no issue with servicing the home if it were constructed.

She finished by saying that there is an existing home using the access road for this construction, and the road actually begins in Chester.

Code Enforcement Director, Robert Mackey, said that he was pretty sure they'd need to update the driveway permit from the state, and get a permit from both Chester and Derry before construction could be done. He also men-

Hampstead Selectmen Keep Town Beach Area Closed

CHRIS PAUL
NUTFIELD NEWS

HAMPSTEAD - At the Hampstead Selectman meeting on Monday, May 27, board members struggled for a while but finally decided to keep the town beach officially closed, but opened the town tennis and basketball courts, but only allowing eight people to use them at a time.

Even though the board knew it would be impossible to keep people from using the town beach, they closed much of the parking area, there would not be a lifeguard manning the beach and ropes would not

be placed in the designated swimming area. They could not close access to the boat launch area.

Recreation Commission Chairman Matt Johnson addressed the board and asked for some direction on what to do in regard to scheduling for the summer. He said especially the beach, since there didn't seem to be any state guidelines for that.

Selectman Joe Guthrie opened the discussion by joking that he thought the beach was already opened, judging from a number of comments made on social media. Those comments mentioned that most of the

cars parked there were from Massachusetts.

He added that he knows it's not officially open, but was concerned that people think it is.

Johnson told the board he was concerned about staffing the beach if it ever does open this summer, saying they had trouble staffing last year, and doesn't want to lose the two candidates he has this year.

Another concern voiced by the Rec. Commission was the use of a Porta-Pottie, a whether the town would have the resources to keep it up to the new state standards.

Chester Selectmen Get Update from Emergency Management

KELSEY DERHAK
NUTFIELD NEWS

CHESTER - The Chester Board of Selectmen held a virtual meeting on May 21, and the meeting began with updates from the Emergency Management Team. As of Wednesday May 20, in the State of New Hampshire there had been 3,721 cases of COVID-19 reported, 182 deaths caused by the virus and about 105 people currently being treated for the virus in the hospital. The emergency management team also informed the board the State Emergency Operations Centers will be closed on Saturdays and Sundays and will resume regular business hours Monday through Friday.

The next agenda item was that of the GOFERR grant which allows the town to submit an application to be reimbursed for COVID-19 related expenses. The first deadline for

Derry Fire Department Has Life Jacket Loaner Program

Life Jackets aren't like clothes; children don't grow into them. The Life Jacket must fit the person properly in order to be effective.

The Derry Fire Department recently announced that they are once again partnering with Parkland Medical Center to help keep kids and all family members safe while on the water in 2020. They are offering loaner life jackets to the public for the day or weekend, at no charge.

Participating in the Life Jacket Loaner Program is fairly simple. If a boating family or a friend visiting your pool discovers they don't have

enough properly-fitting life jackets, they can simply visit one of the two designated Life Jacket Loaner Stations and sign out an infant, child, or an adult life jacket for the day or a week. When they've finished the water activities, they can return the jackets to the same location.

The Life Jackets for this program were received by the United Professional Firefighters of Derry Local 4392.

They were generously donated by Parkland Medical Center for the Life Jacket Loaner Program at the Derry Fire Department, who will oversee the distribution,

making everyone safer on the water.

If residents would like to borrow a jacket, simply go to the website: <https://derryfire.com/lifejacket-form>

Print and fill out the form and stop by one of the locations listed below. You can also call ahead at 603-432-6121 to make sure someone is at the station and to confirm the needed size Life Jacket is available.

The Fire Department asks that people fill out the form ahead of time, to minimize yours and our interaction exposure. To keep everyone as safe as possible, we are also deep cleaning and disinfecting

each Life Jacket upon its return.

Jackets are available at:

- Central Fire Station
131 East Broadway

- Island Pond Fire Station
190 Warner Hill Road
- The Derry Fire Department and Parkland Medical Center wish you

a great summer season and remind you to practice safety while enjoying your time in the water!

Town of Sandown Announces Vacant Budget Committee Seat

The Town of Sandown announced Thursday, May 28 that it is seeking applicants to fill one vacancy on the Budget Committee until the March 2021 town election. Each vacancy is to be filled by a Sandown resident and is a non-paying volunteer position.

The Budget Committee prepares the town budget, confers with the Board of Selectmen and Department Heads regarding budgetary items and conducts public hearings as required by state statute.

The committee meets on a weekly basis during budget season, which

runs from the end of August through mid-January.

Applicants can submit a letter of interest by 4 p.m. on June 11, 2020 to: Town of Sandown, Budget Committee, P.O. Box 1756, Sandown, NH 03873

Pinkerton Academy Plans for 2020 Graduation Events

After nearly three months of dealing with all the cancellations and postponements due to the Coronavirus Pandemic, Pinkerton Academy has announced that they will be holding a number of events next week to honor their parting 2020 graduating seniors.

On Monday, June 8, at 4 p.m. there will be a "Salute to Our Seniors" parade. This is scheduled on what would have been

the senior's original scheduled graduation date, and seniors are invited to return to campus in cars driving along a route lined by socially distant faculty and staff members cheering them on.

Then on Sunday, June 14, at 7 p.m., a "Virtual Graduation" event will happen. The ceremony will be streamed on Facebook Live, and will combine elements of the

school's traditional baccalaureate and graduation speeches.

Then on Monday through Wednesday, June 15-16 the senior's diplomas will be handed out. Students will be given a scheduled time to arrive in caps and gowns and walk across a stage on campus and receive their diplomas. Families will be able to watch from their cars, and social distancing will be practiced.

Hampstead Civics Club Organizes a Graduate Parade

CHRIS PAUL
NUTFIELD NEWS

The Hampstead Civics Club is organizing a parade for the Hampstead High School graduating seniors. The parade will be headed through town on Sunday, June 7, at about 3 p.m.

The Hampstead seniors are being asked to decorate their cars (responsibly), and line up at the Depot Road fields, starting at 2 p.m.

Beginning at 3 p.m., the parade will take a left out of Depot Road fields,

and travel along Depot Road, taking a left onto Main Street, the parade will follow Main Street, taking a left onto Emerson Avenue. The parade will cross over Route 111, and onto Central Street, following Central until taking a left onto East Main Street, then travel to Route 111. From there they will take a left on to Route 111 and then a right back onto Emerson Avenue; then a right onto Wash Pond Road until a right onto Kent Farm and then left onto Depot Road, back to the ball

fields.

The Civics Club is asking parents and community members to please come and support your graduates, and are urged to watch the parade along the route, as long as they are following social distancing guidelines, every six-feet.

The club also gives a big thank you to the town of Hampstead, the Hampstead Police Department, the Hampstead Fire Department, and to Dr. Earl Metzler for their support.

Eileen Grimmer of Derry Named Volunteer of the Month by Girl Scout Council

The oldest of eight children, taking care of others is part of Eileen Grimmer's DNA. She has given a lifetime of service to Girl Scouts, her church, and community. Girl Scouts of the Green and White Mountains is recognizing Grimmer's dedication to the wellbeing and positive growth of girls by naming her the council's Volunteer of the Month for June.

Grimmer, 72, of Derry, was a Girl Scout from second grade through high school, and has volunteered with Girl Scouts for 35 years. She leads three different troops in Derry

with girls in first through 12th grades with the help of dedicated co-leaders, helpers, and parent volunteers.

"She works very hard to give the girls the best Girl Scout experience possible and the Derry community has truly benefited from Eileen's ability and willingness to maintain these three troops," said Amanda Powell, Volunteer Support Specialist for the council serving more than 10,000 girls across New Hampshire and Vermont.

Jean Parady, a troop volunteer and cookie mom for many years for the

Eileen Grimmer

three troops, said Grimmer is personally involved with the many girls who have benefitted from her leadership. "She knows these girls individually," said Parady. "She knows their story, what's exciting in their lives, who their

parents are. She's always cheering them on. When she retired (from the work world), I thought she would retire from Girl Scouts, but she just ramped it up! With that many girls, all the time and planning activities for them, she always has something up her sleeve for them!"

Grimmer has retired from two careers, spending 24 years with the phone company and 15 years working for the state of New Hampshire working on IT contracts. And if leading Girl Scouts and working full time wasn't enough, she has been an indispensable volunteer at St. Thomas Aquinas Church, where she was professed as a Third Order Secular Franciscan in February 2019. She also spent the past 25 years volunteering an evening or two a week at Parkland Medical Hospital in Derry until April 2019, and was awarded the hospital's Frist Award, given annually to volunteers. She has also received the National Catholic Scouting Award Medal for leaders – the St. Anne Award – from the Diocese of Manchester.

Her relationship with the church has resulted in a strong partnership with her Girl Scout troops. "One example is their work is with the outreach at St. Thomas, providing monthly dinners for the seniors living at the Nutfield Senior Center in Derry," said Grimmer.

"Each month we coordinate with a different Girl Scout troop from Auburn, Chester, or Derry to prepare, and help serve the dinner under the leadership of the scout troops from St. Thomas. It is a wonderful experience for all the girls that the seniors look forward to as well".

"She was a history major in college," said Parady. "She never lost her love for history. So she'll take the girls to Sturbridge Village – cooking like colonial people did, doing some printing, doing different activities as they go through the Village. Every holiday, her girls are in the parade for Christmas and Memorial Day, and placing flags on graves." Parady quickly ticked off a long list of activities Grimmer's Girl Scouts are involved in – scrapbooking, a button auction, selling cookies, bake sales at the church fish fries, serving parish dinners, traveling to J&F Farms for pumpkins, and overnight trips to Vermont where they visited Ben and Jerry's, the Cabot Cheese factory, The Lake Champlain Science Museum, and Vietnam Veterans Memorial.

Though she doesn't consider herself a camper, Grimmer makes sure her girls learn camping skills. "Most girls camp with their parents anyway," she said. "They love coming to my house and putting the tents up. They spend

the night, make a fire, have s'mores, and cook breakfast."

She encourages her girls to make the effort to earn Girl Scouting's highest awards, but teaches them that it is up to them to actually make it happen. She currently has nine girls ready to earn their Silver Award (the highest honor for Girl Scout Cadettes, those in grades 6-8), and has decided to stick with Girl Scouts for another year or two to make sure they see it through.

Mentoring girls to become young women of courage, confidence, and character is important to Grimmer. "I see the girls growing. That's what makes it worthwhile to me", she said. "I enjoy working with the girls. They have such imagination and such energy. That's what's kept me young!"

Even with the pandemic, Girl Scouts are still active, working on badges and other activities, and continuing the Girl Scout mission to make the world a better place. Volunteers like Eileen Grimmer are the magic ingredient that makes the recipe work. Girl Scouts of the Green and White Mountains is proud to name her the June Volunteer of the Month.

Town Beach

continued from page 1

Both the Selectman and the Commission members have been waiting for the governor to address the way to handle beaches, but as of yet, don't have a guideline.

Guthrie expressed that when he took a trip to Hampton Beach recently, he noticed that the only control taking place, was in the amount of parking.

He added, "The only way we can control the beach is by controlling the parking."

The guidelines developed by the Rec. Commission on the town tennis court was to have no more than four people at each court, and try to keep six-feet apart. The basketball courts would need to be restricted to no more than 10 people.

During the discussion, Administrative Assistant Sally Theriault reminded the Selectmen that the town beach was not completely owned by the town, only half of it is. The rest is a right-of-way for the boat launch.

Theriault explained that the main issue with opening the beach would be the use of Porta-Potties or keeping the bathhouses clean.

Selectman Chairman Sean Murphy suggested that the basketball courts and beaches remain closed until the state opens things up.

Selectman Chad Bennett added to his suggestion by saying that a limited amount of people should be allowed to use the basketball courts. He added that people are just going down to the school courts and using them.

The discussion ended with a vote to keep the beach closed and limiting the tennis and basketball courts to eight people each.

After the vote, the board talked about what to do in regard to the playground on Depot Road. Johnson explained that the area was closed and signs went up, but people have taken down the signs, and are assuming the risk on their own at this point, "Technically they're closed, but people are still accessing the playgrounds."

Johnson expressed the main issue with the playground is keeping it clean. Say they can't have someone out there cleaning after each use.

Selectmen told Johnson another sign would be put up advising people to use at their own risk.

Getting the Full Story

How many of us find ourselves irritated or offended by comments on Facebook or other social media sites? It's important to be in the know about big traffic jams on I-93, sightings of multiple emergency vehicles, school busses stopped on the side of the road, and icy road conditions during the winter. However, this information is often followed by rumors, half-truths, and anonymous comments. Sometimes the facts are there, but the material we read is often based on opinion and speculation.

Depending where you click, you might get the story. Or, you might be treated to somebody's idea of the story, which lacks facts all together.

Although there has been talk about the internet being the death of the newspaper, we don't buy it. We know now that this will only be the case with the 'big ones' and their weeklies that only pretend to be local. Privately owned community and local weeklies will soon be the only reliable source of information.

Social media postings can catch and keep our attention by providing real-time content, but they create rumors, suspicions, and conspiracy theories, making it difficult to tell truth from fiction. This is not the case in community newspapers, though, which are based on facts, people, and places we all know. What you read in print may not be as exciting as the latest social media posting, but it's factual, and if we make a mistake, we correct it in the next edition.

The purpose of a community newspaper is to report the facts and educate rather than to speculate or start rumors, even though we're all tempted to sometimes. While reporters are asked to investigate rumors, readers will never see stories containing information that has not been proven to be true.

We do not create news. We cover what will happen and what has happened publicly.

While sites like Facebook don't have word count limitations, they cater to the short attention spans we've developed since the advent of the Internet. If you want to find out what really happened, pick up a community newspaper. You may not like what an article says, but it's based on the facts.

We also tend to forget about the personal aspect of community newspapers. Nutfield Publishing's publications are committed to reporting and photographing what happens in their respective towns. Our reporters, photographers, and owners live in the area and are familiar faces as they attend and support community endeavors. We aren't anonymous - you know where to find us. When you support us, you support a local business.

So, go ahead and check out social media. We all do it. We even have Facebook pages for our newspapers. But, if you want to read about what really happens in your community, you can't beat a community newspaper.

A message from our Executive Director...

To the editor,

The Upper Room is continuing to provide support for the community. Our food pantry is open Mondays 11 am - 1 pm and we have a second day on Thursdays from 3-4 pm or by appointment. Our staff is assisting in applications for resources, and continues to provide support, case management, programs,

and services remotely as we plan for re-opening this summer. We are making every effort to learn how to make a safe and comfortable return to business over the summer, with our hope for a successful re-entry late summer- fall

We are working to adapt our curriculum and programs so that we can make swift pivots if needed again in the future. We continue to work within the guidelines

being presented to make informed decisions that promote the health of our staff, volunteers, and customers. We appreciate your patience in matters that may take a little longer to manage at this time. As we kick off summer, don't miss out on the things we have planned for you!

Take care.

Sandown Zoning Board Reviews Two Recent Plans

CHRIS PAUL
NUTFIELD NEWS

SANDOWN - The Sandown Zoning Board of Adjustments met on Thursday, May 28, and discussed two applications that were being presented, and members went through their packets to make sure everything was included.

The first case was for a property at 9 Aruda Road, which was looking to put a 16x25 foot garage with storage room above on a non-conforming lot.

Chairman Chris True began by saying that he wasn't sure if the application he sent in was even the one he really needed.

True wanted to clarify what the applicant was looking for. He said they are looking for relief from a side setback.

The board also felt that the answers to the questions on his applica-

tion were not specific enough, which would make it difficult to approve the request.

Another issue was the fact that the plans did not seem to be to scale, making it tough on the board to understand. The rough drawing supplied did not give a good enough idea of what the setback was, and what is needed.

Members brought up the fact that there needs to be a buffer of eight feet between properties, and the plans provided did not seem to show that.

The board decided that the applicant should re-file for the correct variance before they could hear the case. The board also felt that more detail needed to be given in explaining the five points of law.

There was also some question as to whether the addition would have living space in the second

floor, is so, this would mean it would have to be looked at as a Accessory Unit Dwelling.

In the second case, they reviewed an application for a home on 30 Hemlock Circle. This plan is for a 1,100 square foot Accessory Dwelling Unit.

The new structure being built will be a three-story building, and would not be attached to the existing home according to the plan the board was looking at.

The board accepted the application with a few conditions. Providing a floor plan of one quarter inch to one-foot scale, showing the proposed changes to the building or accessory structure addition, a certified plot plan of the lot with existing and proposed structures, parking, location of septic system and well.

Upcoming Sugar House Will Bring Sweetness To Town

MELISSA BETH RUIZ
NUTFIELD NEWS

Plans for maple syrup season were interrupted for many granite-staters this year due to the emergence of coronavirus at the same time. Although stay-at-home orders hadn't taken full effect just yet, the concern was enough to make many families sit this year's festivities out.

But there is hope yet for next year's maple syrup season, as Hampstead resident Andrew Chisolm begins the construction of his brand-new sugar house

on Main Street, which he intends to have open to the public next year.

Chisolm began working with maple syrup at the age of 8, when he worked on a farm down the street from his childhood home in Massachusetts. In the mornings and afternoons, young Chisolm would go down to the property's sugar house and assist in production of maple syrup until he went to college at the age of 20.

Chisolm earned a degree in Aeronautical Science, and currently works as a pilot for Jet Blue Air-

line in Boston. However, maple syrup production has always held a special place in his heart.

Since Chisolm purchased his property in Hampstead, NH, it has been a goal of his to set up a sugar house. For the past five years, Chisolm has been working with local maple producers, taking notes, and has been carefully planning for the sugar house currently under construction by the 1740's colonial style home in which he resides.

The sugar house is currently being built as an

authentic post and beam house, to go along with the colonial aesthetic of the home, complete with wooden pegs.

The foundation for the sugar house has been completed, and post and beam construction will be taking place around the end of June or early July, said Chisolm.

Chisolm said that he plans on tapping his first trees on Main street of Hampstead beginning next February. He plans to have the sugar house operational for maple syrup season of 2021, when it will be open

to the public during certain times of the week.

"Hopefully the current situation with the virus will be away, and next year maple weekend in March we will be open the entire weekend," said Chisolm.

Chisolm has also been working with making honey, and has bee hives all across his property, as well as across the street from his home. His bees also help to pollinate the strawberry crop for J&F Farms, and his honey is sold at J&F along with East Derry General Store and Chester Center Market.

Last year the Department of Agriculture for New Hampshire paid Chisolm's honey production a visit and awarded it the Seal of Quality, making Chisolm the only honey producer in the state of New Hampshire whose product has the seal.

Chisolm weighed in on what sets locally produced honey and maple syrup apart from mass-produced or synthetic counterparts found at most grocery stores.

"Local honey is beneficial for allergies and in my opinion is a lot better," said Chisolm. "As with maple syrup, there is a certain amount of tradition and pride with locally produced syrup available a short distance from the home."

Aside from health and traditional benefits, locally produced products such as syrup and honey also help to benefit local economies.

Chisolm employs people of the community to help with his maple syrup production, and having extra bees allows for him to help other businesses like J&F farms to pollinate their crops. Chisolm also explained that opening a sugar house will help to inspire tourism to the small town.

"It puts money into the community," said Chisolm. "It gets people involved."

After the year that the people of New Hampshire and the world at large have been having, here is hoping that 2021 will be much sweeter, complete with delicious locally-made maple syrup and honey.

Selectmen

continued from page 1

the application is June 1st. The Board is confident in the Emergency Management teams breakdown on items that they can apply to the grant money, which Chester has approved for up to \$124,000. The GOFERR grant will be signed by three selectmen before being approved to go to the State for formal application for these funds. The board of selectmen will also be signing off on a blanket interest abatement, which will waive the inter-

est for Chester residents on any late property taxes.

The board continued with a discussion of the renovations to the Town Hall. It was brought up that they should extend the submission deadline for the updates to May 29. However, Selectman, Stephen D'Angelo, suggested that it would be better to let the maintenance crew handle the renovations as to not up the cost of the project. If any issues arise during the project they can bring it to the next meeting.

The Wason Pond updates were then discussed.

Present at the meeting from the Wason Pond Commission was Chris Hadik, who gave the Board updates on what is being done to safely open part of the area. There are now 32 parking spots available, which are 10 feet away from each other to help with social distancing. There will be a big sign that can be seen when anyone drives in notifying people that the beach is still closed. There will be signs issued from the state that will be put up around the area reminding people of good social distancing practices while they are at Wason Pond. Furthermore, there will be a dedicated area for kayakers to launch their boats in order to comply with social

distancing as the beach at Wason Pond is closed. Vice Chairman of the board, Chuck Myette, urges people planning on using Wason Pond to "stay home if you are sick and not to go to the pond if you feel ill in any way and to practice social distancing while using the area."

The meeting came to an end with a quote by Theodore Roosevelt read by Selectman Hagan. Reminding the town of Chester that "The officials are trying the best they can for the people."

The public meeting adjourned and went to a non-public session with announcements made of next important town meetings.

OBITUARY

Florence Torre

Florence Torre, 91, of Derry, NH, died Friday, May 22, 2020 in the Colonial Poplin Nursing Home in Fremont. She was born in East Braintree, MA on Jan. 27, 1929, a daughter of the late Wilbur and Evelyn (Glover) Griffin.

Prior to residing in Fremont, she lived in Derry since 1950, and Cambridge, MA. She was a communicant of St. Thomas Aquinas Church in Derry. She enjoyed NASCAR racing, playing Bingo, and crocheting.

She is survived by three sons, Philip J. Torre and his wife Linda of Hampstead, NH, Frank M. Torre and his wife Theresa of Londonderry, NH, and Martin J. Torre and his wife Kathy of Pembroke, NH; two daughters, Theresa Fletcher of Harrisburg, PA, and Marguerite Lewis and her husband Jeff of Bradenton, FL; twelve grandchildren; 20 great-grandchildren; two great great-grandchildren, as well as many nieces and nephews. She was predeceased by her husband Frank Torre in 1992, her sister, Evelyn Ryan, and her brother, Walter Ryan.

Private services will be held in the Peabody Funeral Homes and Crematorium. The burial will be in Forest Hill Cemetery in E. Derry.

tioned that a private well and septic system would need to be installed if the variance was approved.

There was also a clarification on the street number of 668 Haverhill Road in Chester, where the driveway would come out. There was some confusion on the location because of a typo in the request.

There was a question from the board in regard to the maintenance of the road also, where Panciocco presumed that those sharing the road would share the cost of maintaining it.

The property owner of

the other property using that access road, Robert Geary voiced a concern with the plan, saying that he has a building permit through the town of Chester in 2013, and he was concerned that there would be a hardship when it came time to build on his property, thinking that there may be a limit on the number of houses that can be put on the roadway that access his and Albright's property.

Attorney Andy Sullivan represented Geary, and brought out a few points. He explained that the roadway in question should be used for "the usual purposes of travel," saying that the proposed property

would not be able lay any new utilities on the right-of-way.

Sullivan also said that the 16-foot width of the road is all along the Geary property, and could not be expanded for a buffer, since it was not Albright's property. He also wanted to clarify that it was not a road, but a driveway, making the request a moot point, since the RSA speaks to a right-of-way.

Sullivan argued that Albright could use the lot,

but just couldn't build on it, since it not allowed by the state of the town. He also argued that it was inconsistent with the character of the neighborhood.

Zoning Chair Lynn Perkins asked Sullivan if the Geary's would deny access of the driveway to Albright if the plan moves forward.

He suggested that the Geary's would not allow access through their driveway unless it were to be used for harvesting timber

for the property.

Panciocco argued that the Zoning Board is allowed to make a judgment as to what is qualified as a street. She also argued that it was not inconsistent with the area, saying it may be a little different, but not inconsistent, adding that there would not be a loss to the public either.

She also argued that utilities wouldn't be allowed to be installed along the driveway, saying the decision would have to

be left up to courts, not the Zoning Board.

Panciocco reminded the board that they were not before the board about the road or access of it, but to grant a variance to build on the property.

The variance was allowed by the Zoning Board with the conditions that they obtain all permits and inspections by the town and there would be a waiver of all town liability and responsibilities prior to obtaining a building permit.

NH DMV To Resume Road Tests Monday

The New Hampshire Division of Motor Vehicles will resume road tests for eligible applicants starting Monday, June 1. Prior to scheduling a road test, applicants must complete all driver licensing requirements, including successfully passing a knowledge test. Go to www.nh.gov/dmv to

request a road test. "We are very happy to resume road tests starting Monday and to continue offering our other services by appointment and through our drop boxes and online systems," DMV Director Elizabeth Bielecki said. Applicants who need to complete a knowledge test can call 227-4000 to

request an appointment.

The following DMV locations are open by appointment: Concord, Dover, Keene, Manchester, Nashua, Newport, Salem, and Twin Mountain. The DMV would also like to offer the following important service reminders:

* Drop box services are available Monday through Friday from 8 a.m. until 4:15 p.m. at the following locations: Concord, Dover, Manchester, Newport, Twin Mountain, Salem, Nashua, Keene, Gorham, Tamworth, Epping, and Milford.

* The following DMV locations are open by appointment: Concord, Dover, Keene, Manchester, Nashua, Newport, Salem, and Twin Mountain.

* For licenses expiring by July 31, 2020, in-per-

son driver license renewal appointments are available. Call 227-4000 to schedule an appointment. Customers are encouraged to renew online if eligible.

* The REAL ID compliance deadline has been extended until October, 2021. REAL ID transactions are not currently conducted outside of renewal transactions.

* All previously extended 20-day plates will expire on May 31, 2020. Residents must reach out to their local city or town clerk's office for permanent vehicle registration options prior to May 31st. Customers should take advantage of the DMV's online services, including online driver license renewal (if eligible), ID renewals, and online ticket pay at www.nh.gov/dmv

OBITUARY

Edwin B. King

Edwin B. King, 74, of Derry NH passed away peacefully at home on Wednesday, May 20, 2020 following a lengthy illness. He was born in Portsmouth NH on June 11, 1945, a son of the late Paul and Louise (Bennett) King. He had been a resident of Derry for many years, but grew up in Londonderry and often reminisced about his very happy childhood there.

He was a graduate of Pinkerton Academy, class of 1963, and also earned a degree from Hesser College in the 70's. Edwin was a US Army veteran and served in Vietnam during the war. He had been employed in the electronics industry until his retirement, and traveled extensively for work. He attended Journey Church in Derry. Ed loved being retired and spending time with his family. He also enjoyed his time searching for the perfect fishing hole, playing cards, restoring old furniture and woodworking in general, and building things for his grandchildren. But he was most famous for his cooking, and was often referred to as Chef Boy O Boy. He loved nothing better than to spend a morning in the kitchen, concocting a vat of something delicious to pass out to family and friends. His chili was killer.

He is survived by his wife of 54 years, Sharon A. (Johnson) King of Derry; three children, Dr. Edwin B. King and his wife Leslie of Pittsburgh, PA, daughter Allison M. King of Derry, and son Jonathan M. King and his wife, Jenny, of Manchester; six grandchildren, Maya and Adam of Pittsburgh, and Delaney, Liam, Rowan, and Kiernan of Manchester, all of whom he adored. He is also survived by his brother Paul and his wife Mary, of Hopkinton, NH, and his sister Patricia Hauser and her husband Allen, of Londonderry, plus several nieces, nephews and cousins.

Following cremation, a memorial service will be held at a later date when families can gather safely. Memorial contributions may be made to the Salvation Army of Derry. The Peabody Funeral Homes of Derry and Londonderry are assisting the family with arrangements.

Pinkerton Academy Holds Virtual Winter Sports Awards Ceremony

KELSEY DERHAK
NUTFIELD NEWS

Pinkerton Academy held their Winter Sports Awards ceremony via Facebook Live this past Tuesday May 26, 2020.

The event was suppose to have happened back in

March but was cancelled at the last minute because of the COVID-19 pandemic.

Headmaster Dr. Tim Powers started the Facebook ceremony off by congratulated student athletes for their many hours of dedication to their sports and thanked the coaches

and athletes' families as well. "I hope you take the many lessons you have learned over this season with you to use later in life. Thanks for being the best ambassador of our school as you can be," Powers stated.

Athletic Director, Brian O'Reilly, gave a recap of the winter sports season, prior to announcing that individual teams would be meeting at a separate, virtual occasion.

Overall PA had over 500 student athletes participate in winter sports, which garnered four championship teams. As another notable accomplishment, about fifty percent of the athletes made the honor roll. The ceremony then transitioned into a recap of each team's accomplishments this winter. The Girls Basketball Team led by Coach Buskey ended with a 12-6 record and made the playoffs. Avah and Allison Ingalls scored 14 points each to beat Londonderry. The Astros also scored 66 points against Keene, which was their highest scoring game of the season. Both JV and Freshman teams combined for a 24-2 record to end the season as well.

Boys Basketball was up next with O'Reilly mentioning their high point of the season being their upset against Windham. Also mentioned was James Flynn scoring 18 points against Salem and Mike Packowski scoring 17 points against Merrimack. Special thanks was then given to Coach Peter Rosinski, who announced his retirement this year. Rosinski was responsible for leading the Astros Boys Basketball team to 17 playoff appearances in 19 years and earning two state championship appearances and a state title in 2010.

The Girls Ice Hockey team, only in their second

Pinkerton senior gymnast, Sophia Viger, was one of the team's biggest point getter this year.

Pinkerton Academy senior basketball forward, Jesse Ames was big on both offense and defence this year.

season of existence, earned a record of 10-5 and qualified for the post season. The team finished the year with two players being selected for All State Honorable Mention, Spencer St. Pierre and Molly Fahey.

The highlight for the Boys Ice Hockey team was beating undefeated Concord on their home ice 3-0. The team also had an incredible playoff performance by beating Hanover

7-0. O'Reilly also highlighted Mason Druin scoring a hat trick in the 3rd period on senior night to win against Londonderry 4-1.

Girls Track held an impressive record of 21-5. Mike Carthas led the team. Along with athletic achievements the team also had over 60 percent of the team making the honor roll. The team strength this season was in distance with leaders Macy Graves, Meghan Cross, Marisa

Preble, and Faith Mamos who set a new school record at New England's in the 4x800.

The Alpine Skiing team was successful under a new coach, Toby Frank. Girls placed first at Crotched Mountain beating 6 other teams and the Boys team placed 2nd in the home slalom. At the meet of champions Chris Bennet won a spot at the eastern high school championships.

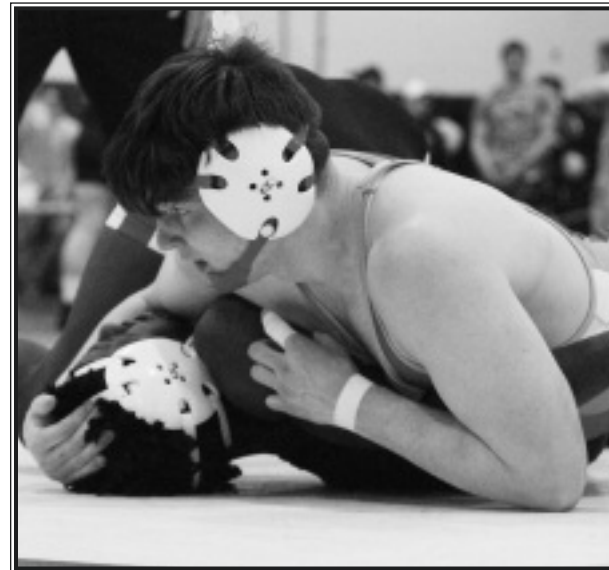

The Boys and Girls swimming program ending with the girls who finished 3rd, which is the highest ever in 20 years. The season also had 15 swimmers who qualified for the state meet. Coach, Ed Faszewski, also announced he is retiring this year having led the Astros to two state titles in 2008 and 2015.

Wrestling program finished its season with a

record of 12-3. The team holds about 45 athletes overall. Three of those athletes earned individual championships at the state meet. Those athletes being Dominic Robinson, Jack Mackierman, and Sterling McLaughlin.

Unified basketball also made a huge impact this winter in Astro sports. O'Reilly said, "sports teaches life lessons. Through sports we can find shared interests that allow friendships to form." A special thanks was given to Coach Brian Murphy and his staff for their work making the team relevant in the athletic department.

There were four Championship teams starting with Boys Indoor Track, coached by Ian French. It was the 3rd consecutive state championship for the track team. The team relied on many athletes and finished with a 29-6

Senior Sterling McLaughlin finished his year with his third consecutive first place state title.

record. The 4 x 8 team ran the fastest time in the state this year and the 4 x 200 team broke the NH state record and took 2nd in New England's.

The Astros Gymnastics team won their fourth consecutive state championship, but the New England meet was cancelled.

The team's regular season highlight being winning their senior night meet by 10 points and went undefeated with a record of 37-0 this year. This is the program's second four-peat.

Bowling team won their third state championship in seven years led by Coach Boyden. It is the first team to do so in the state of New Hampshire. The Astros entered the playoffs as the fourth seed and beat Goffstown for the championship.

The last but certainly not least team to be mentioned in the winter sports recap was Winter Spirit, which won its second championship in a row. The spirit team beat Dover by four points in the championship meet. The program also earned second place in Sportsmanship for the 2019-2020 season. Coach Michelle McCarty in her 18th year as Head Coach was selected as 2018-2019 Northeast Section Coach of the Year.

The virtual ceremony ended with the announcement that all awards and plaques will be given out to seniors with their cap and gown pick-ups.

All underclassmen will receive their certificates and awards when students return to school in the fall. All individual team meetings will happen virtually at a time specified by each coach.

Local Museum's Remote Learning Program Wins National Attention

A local aviation museum's new remote learning program is taking off in a big way.

The 'Around the World Flight Adventure,' an online education outreach program developed by the Aviation Museum of N.H., was recently featured by Newsweek Magazine as one of five ways in the U.S. to commemorate Memorial Day via livestream.

The program, which follows the adventures of a virtual flight from the Aviation Museum's home in New Hampshire as it circles the globe, was recently awarded a \$5,000 CARES grant from N.H. Humanities.

The virtual flight, staged on the museum's flight simulator, departed Manchester on May 1, heading to Europe via the historic "North Atlantic Ferry Route" that linked the U.S. with Britain during World War II.

New segments are posted twice a week at the museum's Web site; so far the route has taken students and teachers over such iconic sites as the mysterious ruins of Stonehenge, Buckingham Palace in London, and the Eiffel Tower in Paris. Future flight plans include Red Square and the Kremlin in Moscow, Mount Kilimanjaro in Tanzania, and India's Taj Mahal.

The flights are being made on the simulator in a virtual C-47 transport plane, a vintage two-

engine propeller aircraft from the 1930s that played a major role in World War II.

"At a time when teachers and students required to stay at home, we created this outreach program to be the ultimate field trip," said Jeff Rapsis, executive director of the Aviation Museum of N.H., a non-profit museum and learning center.

In addition to the science of flight and other STEM-related topics, the program touches on geography, history, culture, and even local cuisine as the program works its way around the world.

The program includes a continually updated Educator's Guide available to all public and private schools. It can also be downloaded from the Museum's Web site at www.nhahs.org.

The program, intended as a resource for Granite State students and teachers, has attracted attention from far beyond New Hampshire.

On Memorial Day, the Museum staged a two-hour livestream, using its flight simulator to fly from London, England over the English Channel and then low over the beaches at Normandy, France, where the initial D-Day landings took place on June 6, 1944.

Prior to the holiday, Newsweek magazine included the event as one of "Five Ways to Celebrate Memorial Day Via

Live Stream." The attention prompted nearly 1,000 viewers to join the livestream, which one viewer commented was "the best way to honor the men and women on Memorial Day that I have ever spent. I am privileged to fly along."

"The Newsweek mention put us right up there with the Grand Ole Opry and Kathie Lee Gifford," Rapsis said. "We were delighted our project was seen as a way to mark this solemn holiday in a year when many traditional events couldn't take place."

The two-hour livestream remains online at www.aviationmuseumofnh.org, where new segments of the 'Around the World Flight Adventure' are posted and all prior flights archived. Access is free and open to all.

The flight, which is currently exploring the nations of Scandinavia, will continue even after school lets out of the summer. The journey will continue until the museum reopens to the public, expected later this summer. After that, the flight will return to the Aviation Museum.

For the arrival at Manchester-Boston Regional Airport, the museum hopes to arrange for an actual C-47 aircraft to land in Manchester and for a public celebration to be held.

The program's success has prompted the Museum to seek support to improve and rerun it next fall, when

most schools are expected to be back in session. Depending on feedback, it may become a permanent part of the Aviation Museum's educational outreach efforts.

"In responding to the coronavirus pandemic, we may have invented something new," Rapsis said. "By taking cutting edge technology of today's flight simulators and creating an educational travel adventure program, we've come up with a new way to teachers and students to explore the world."

In addition to the grant from N.H. Humanities, the

Aviation Museum's 'Around the World Flight Adventure' program has received support from Wire Belt Co. Inc. of America; Terraflugia, Inc.; Signature Flight Services; Brady-Sullivan Properties; the Queen City Rotary of Manchester, N.H.; and Manchester-Boston Regional Airport. In-kind support is provided by Jay D. Carter Information Technology and SoManyAircraft.com.

The Aviation Museum of N.H., 27 Navigator Road, Londonderry, N.H. is a non-profit 501(c)3 tax-exempt organization.

Housed in the original 1937 passenger terminal at Manchester-Boston Regional Airport, the museum is dedicated to celebrating New Hampshire's role in aviation history and inspiring tomorrow's pioneers, innovators and aerospace professionals. The museum is currently closed to the public due to the ongoing coronavirus pandemic.

For more information, visit www.aviationmuseumofnh.org or call (603) 669-4820. Follow the Aviation Museum on social media at www.facebook.com/nhahs.

Chester Announces Winners of First Dandelion Contest

It was a very difficult decision to come up with the three winners for Chester's First Dandelion Contest.

With so many fabulous photographs and each one deserved to win the Chester Conservation Commission hadn't take into account how many different ways there are to showcase dandelions and their pollinators. However, after a long deliberation, the Conservation Commission announced the winners.

First Place went to Melissa Folini.

Second Place was awarded to Shannon Paltinavich.

Third Place went to Heather Dion.

The commission members loved all the entries, so every participant will receive a specially ordered coffee mug. The mugs are due to be shipped this week. Look for an email on coordinating the delivery of the mugs.

The commission will

also be creating a photo album of many of the best entries and posting it on this page.

Next year we will be expanding the contest with specific categories and more chances to win. We would like to say thank you to Folsum's Sugar House, Bittersweet Blessings and Chester General Store for being so helpful in coordinating prizes.

Latest NH DHHS COVID-19 Update as of June 1, 2020

The New Hampshire Department of Health and Human Services (DHHS) has issued the following update on the new coronavirus, COVID-19.

On Monday, June 1, 2020, DHHS announced 39 new positive test results for COVID-19. There have now been 4,685 cases of COVID-19 diagnosed in New Hampshire. Several cases are still under investigation. Additional information from ongoing investigations will be incorporated into future COVID-19 updates. Of those with complete information, all are adults with 69% being female and 31% being male. The new cases reside in Rockingham (8), Hillsborough County other than Manchester and Nashua (7), Merrimack (4), Carroll (1), and Strafford (1) counties, and in the cities of Manchester (12) and Nashua (6).

Five new hospitalized cases were identified for a total of 456 (10%) of 4,685 cases. One of the new cases has no identified risk factors. Community-based transmission continues to occur in the State and has been identified in all counties. Most of the remaining cases have either had travel to domestic or international locations or have had close contact with a person with a confirmed COVID-19 diagnosis.

Veterans BBQ Postponed

The Rotary Clubs of Derry have long supported the veterans in our community. Over the past several years we have proudly kept up a tradition of hosting a Memorial Day barbecue for our veterans. We are extremely disappointed that the Covid-19 outbreak has forced us to postpone the Memorial Day event this year. We want the veterans to know that they are very much in our thoughts and we salute them for their service and sacrifice for our country. We remain hopeful that we will be able to hold the event in late summer or early fall to maintain our tradition of personally sharing our gratitude for their service.

Touch a Truck Cancelled

Touch A Truck 2020 has been cancelled. The town regrets to announce that this

year's Touch A Truck event has been cancelled.

information can be found on our website hampsteaducc.org

Storytime Online

Hampstead Youth Services Librarian Devin continues to post Storytime videos on the Library's Facebook page as well as the Library website. This has been a great way for toddlers to continue to connect with Devin and add to their budding reader routines. Upcoming Storytime themes include rainbows, butterflies, bugs, and dragons.

Storybook Walk

The Hampstead Public Library has put out their Storybook Walk on the Library's front lawn. The featured book is We're Going On A Bear Hunt. It starts near the stone-wall. Thanks to the Hampstead Mothers' Club for funding this project. The page-poles are at least 8' apart and should allow space for families to take turns, if more than one should visit at the same time. The Library will try to keep the story-walk up for a couple of weeks, but the book pages may be taken down on rainy days, and put back up for sunny days. If a pole falls down, don't worry, we'll get there and fix it.

Online Spinning & Knitting

Librarian Nancy has taken her Spinning and Knitting group to Facebook. She created the Island Pond Knitters & Spinners group. Members share inspiration and photos of their latest creation. Look for it on Facebook, and ask to join. All needlework crafters are welcome.

SANDOWN

Plant Sale

The Sandown Garden Club is working diligently to host its annual plant sale. The main street location will not be possible this year in order for us to maintain safe social distancing guidelines. At this time, we are looking at a member's residence as the plant sale location and spreading it out over several weekends in June. We are also seeking plant donations. If you need perennials divided, members will come to your house and dig them up for the sale. We may not be able to accommodate all requests this

Classified Advertising

READERS ARE CAUTIONED that we occasionally run ads that require an initial investment or money in advance. We urge our readers to "do their homework" before responding to any ad, check out the advertiser thoroughly and verify their claims to your total satisfaction. Only then should you proceed at your own risk. We try to screen ads that require you to send money before receiving a product or service. But these efforts are no substitute for your own investigation, and we don't endorse or guarantee any claims made in any of the ads we publish. If you want more information about claims made in ads on subjects such as work at home opportunities, travel or vacation specials, purchasing land or vehicles from government surplus or below wholesale, loans or other credit opportunities (including credit repair), or weight loss and other health products and services, we urge you to contact the Office of Attorney General, Consumer Protection Bureau, 33 Capitol Street, Concord, NH 03301 (603-271-3641) or the Better Business Bureau at 603-224-1991. Publisher is not responsible for any loss of business if an ad does not run, and we reserve the right to revoke any ad if deemed necessary. No refunds will be given for prepaid ads.

Pinkerton Academy Holds Virtual Winter Sports Awards Ceremony

KELSEY DERHAK
NUTFIELD NEWS

Pinkerton Academy held their Winter Sports Awards ceremony via Facebook Live this past Tuesday May 26, 2020.

The event was suppose to have happened back in

March but was cancelled at the last minute because of the COVID-19 pandemic.

Headmaster Dr. Tim Powers started the Facebook ceremony off by congratulated student athletes for their many hours of dedication to their sports and thanked the coaches

and athletes' families as well. "I hope you take the many lessons you have learned over this season with you to use later in life. Thanks for being the best ambassador of our school as you can be," Powers stated.

Athletic Director, Brian O'Reilly, gave a recap of the winter sports season, prior to announcing that individual teams would be meeting at a separate, virtual occasion.

Overall PA had over 500 student athletes participate in winter sports, which garnered four championship teams. As another notable accomplishment, about fifty percent of the athletes made the honor roll. The ceremony then transitioned into a recap of each team's accomplishments this winter. The Girls Basketball Team led by Coach Buskey ended with a 12-6 record and made the playoffs. Avah and Allison Ingalls scored 14 points each to beat Londonderry. The Astros also scored 66 points against Keene, which was their highest scoring game of the season. Both JV and Freshman teams combined for a 24-2 record to end the season as well.

Boys Basketball was up next with O'Reilly mentioning their high point of the season being their upset against Windham. Also mentioned was James Flynn scoring 18 points against Salem and Mike Packowski scoring 17 points against Merrimack. Special thanks was then given to Coach Peter Rosinski, who announced his retirement this year. Rosinski was responsible for leading the Astros Boys Basketball team to 17 playoff appearances in 19 years and earning two state championship appearances and a state title in 2010.

The Girls Ice Hockey team, only in their second

Pinkerton senior gymnast, Sophia Viger, was one of the team's biggest point getter this year.

Pinkerton Academy senior basketball forward, Jesse Ames was big on both offense and defence this year.

season of existence, earned a record of 10-5 and qualified for the post season. The team finished the year with two players being selected for All State Honorable Mention, Spencer St. Pierre and Molly Fahey.

The highlight for the Boys Ice Hockey team was beating undefeated Concord on their home ice 3-0. The team also had an incredible playoff performance by beating Hanover

7-0. O'Reilly also highlighted Mason Druin scoring a hat trick in the 3rd period on senior night to win against Londonderry 4-1.

Girls Track held an impressive record of 21-5. Mike Carthas led the team. Along with athletic achievements the team also had over 60 percent of the team making the honor roll. The team strength this season was in distance with leaders Macy Graves, Meghan Cross, Marisa

Preble, and Faith Mamos who set a new school record at New England in the 4x800.

The Alpine Skiing team was successful under a new coach, Toby Frank. Girls placed first at Crotched Mountain beating 6 other teams and the Boys team placed 2nd in the home slalom. At the meet of champions Chris Bennet won a spot at the eastern high school championships.

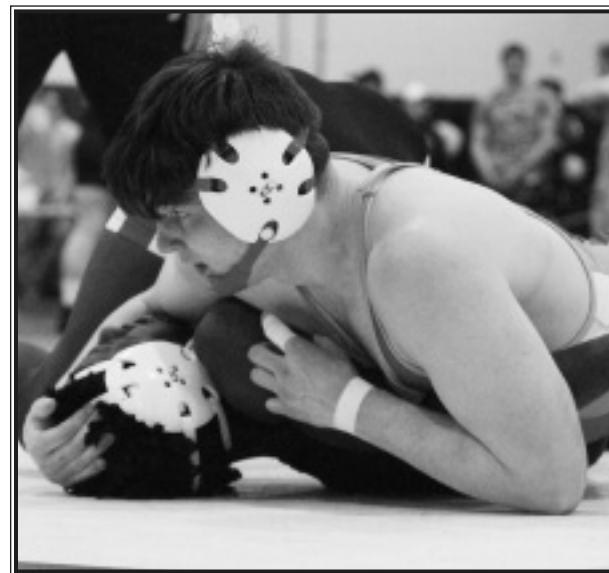

The Boys and Girls swimming program ending with the girls who finished 3rd, which is the highest ever in 20 years. The season also had 15 swimmers who qualified for the state meet. Coach, Ed Faszewski, also announced he is retiring this year having led the Astros to two state titles in 2008 and 2015.

Wrestling program finished its season with a

record of 12-3. The team holds about 45 athletes overall. Three of those athletes earned individual championships at the state meet. Those athletes being Dominic Robinson, Jack Mackierman, and Sterling McLaughlin.

Unified basketball also made a huge impact this winter in Astro sports. O'Reilly said, "sports teaches life lessons. Through sports we can find shared interests that allow friendships to form." A special thanks was given to Coach Brian Murphy and his staff for their work making the team relevant in the athletic department.

There were four Championship teams starting with Boys Indoor Track, coached by Ian French. It was the 3rd consecutive state championship for the track team. The team relied on many athletes and finished with a 29-6

Senior Sterling McLaughlin finished his year with his third consecutive first place state title.

record. The 4 x 8 team ran the fastest time in the state this year and the 4 x 200 team broke the NH state record and took 2nd in New England.

The Astros Gymnastics team won their fourth consecutive state championship, but the New England meet was cancelled.

The team's regular season highlight being winning their senior night meet by 10 points and went undefeated with a record of 37-0 this year. This is the program's second four-peat.

Bowling team won their third state championship in seven years led by Coach Boyden. It is the first team to do so in the state of New Hampshire. The Astros entered the playoffs as the fourth seed and beat Goffstown for the championship.

The last but certainly not least team to be mentioned in the winter sports recap was Winter Spirit, which won its second championship in a row. The spirit team beat Dover by four points in the championship meet. The program also earned second place in Sportsmanship for the 2019-2020 season. Coach Michelle McCarty in her 18th year as Head Coach was selected as 2018-2019 Northeast Section Coach of the Year.

The virtual ceremony ended with the announcement that all awards and plaques will be given out to seniors with their cap and gown pick-ups.

All underclassmen will receive their certificates and awards when students return to school in the fall. All individual team meetings will happen virtually at a time specified by each coach.

Local Museum's Remote Learning Program Wins National Attention

A local aviation museum's new remote learning program is taking off in a big way.

The 'Around the World Flight Adventure,' an online education outreach program developed by the Aviation Museum of N.H., was recently featured by Newsweek Magazine as one of five ways in the U.S. to commemorate Memorial Day via livestream.

The program, which follows the adventures of a virtual flight from the Aviation Museum's home in New Hampshire as it circles the globe, was recently awarded a \$5,000 CARES grant from N.H. Humanities.

The virtual flight, staged on the museum's flight simulator, departed Manchester on May 1, heading to Europe via the historic "North Atlantic Ferry Route" that linked the U.S. with Britain during World War II.

New segments are posted twice a week at the museum's Web site; so far the route has taken students and teachers over such iconic sites as the mysterious ruins of Stonehenge, Buckingham Palace in London, and the Eiffel Tower in Paris. Future flight plans include Red Square and the Kremlin in Moscow, Mount Kilimanjaro in Tanzania, and India's Taj Mahal.

The flights are being made on the simulator in a virtual C-47 transport plane, a vintage two-

engine propeller aircraft from the 1930s that played a major role in World War II.

"At a time when teachers and students required to stay at home, we created this outreach program to be the ultimate field trip," said Jeff Rapsis, executive director of the Aviation Museum of N.H., a non-profit museum and learning center.

In addition to the science of flight and other STEM-related topics, the program touches on geography, history, culture, and even local cuisine as the program works its way around the world.

The program includes a continually updated Educator's Guide available to all public and private schools. It can also be downloaded from the Museum's Web site at www.nhahs.org.

The program, intended as a resource for Granite State students and teachers, has attracted attention from far beyond New Hampshire.

On Memorial Day, the Museum staged a two-hour livestream, using its flight simulator to fly from London, England over the English Channel and then low over the beaches at Normandy, France, where the initial D-Day landings took place on June 6, 1944.

Prior to the holiday, Newsweek magazine included the event as one of "Five Ways to Celebrate Memorial Day Via

Live Stream." The attention prompted nearly 1,000 viewers to join the livestream, which one viewer commented was "the best way to honor the men and women on Memorial Day that I have ever spent. I am privileged to fly along."

"The Newsweek mention put us right up there with the Grand Ole Opry and Kathie Lee Gifford," Rapsis said. "We were delighted our project was seen as a way to mark this solemn holiday in a year when many traditional events couldn't take place."

The two-hour livestream remains online at www.aviationmuseumofnh.org, where new segments of the 'Around the World Flight Adventure' are posted and all prior flights archived. Access is free and open to all.

The flight, which is currently exploring the nations of Scandinavia, will continue even after school lets out of the summer. The journey will continue until the museum reopens to the public, expected later this summer. After that, the flight will return to the Aviation Museum.

For the arrival at Manchester-Boston Regional Airport, the museum hopes to arrange for an actual C-47 aircraft to land in Manchester and for a public celebration to be held.

The program's success has prompted the Museum to seek support to improve and rerun it next fall, when

most schools are expected to be back in session. Depending on feedback, it may become a permanent part of the Aviation Museum's educational outreach efforts.

"In responding to the coronavirus pandemic, we may have invented something new," Rapsis said. "By taking cutting edge technology of today's flight simulators and creating an educational travel adventure program, we've come up with a new way to teachers and students to explore the world."

In addition to the grant from N.H. Humanities, the

Aviation Museum's 'Around the World Flight Adventure' program has received support from Wire Belt Co. Inc. of America; Terraflugia, Inc.; Signature Flight Services; Brady-Sullivan Properties; the Queen City Rotary of Manchester, N.H.; and Manchester-Boston Regional Airport. In-kind support is provided by Jay D. Carter Information Technology and SoManyAircraft.com.

The Aviation Museum of N.H., 27 Navigator Road, Londonderry, N.H. is a non-profit 501(c)3 tax-exempt organization.

Housed in the original 1937 passenger terminal at Manchester-Boston Regional Airport, the museum is dedicated to celebrating New Hampshire's role in aviation history and inspiring tomorrow's pioneers, innovators and aerospace professionals. The museum is currently closed to the public due to the ongoing coronavirus pandemic.

For more information, visit www.aviationmuseumofnh.org or call (603) 669-4820. Follow the Aviation Museum on social media at www.facebook.com/nhahs.

Chester Announces Winners of First Dandelion Contest

It was a very difficult decision to come up with the three winners for Chester's First Dandelion Contest.

With so many fabulous photographs and each one deserved to win the Chester Conservation Commission hadn't take into account how many different ways there are to showcase dandelions and their pollinators. However, after a long deliberation, the Conservation Commission announced the winners.

First Place went to Melissa Folini.

Second Place was awarded to Shannon Paltinavich.

Third Place went to Heather Dion.

The commission members loved all the entries, so every participant will receive a specially ordered coffee mug. The mugs are due to be shipped this week. Look for an email on coordinating the delivery of the mugs.

The commission will

also be creating a photo album of many of the best entries and posting it on this page.

Next year we will be expanding the contest with specific categories and more chances to win. We would like to say thank you to Folsum's Sugar House, Bittersweet Blessings and Chester General Store for being so helpful in coordinating prizes.

Latest NH DHHS COVID-19 Update as of June 1, 2020

The New Hampshire Department of Health and Human Services (DHHS) has issued the following update on the new coronavirus, COVID-19.

On Monday, June 1, 2020, DHHS announced 39 new positive test results for COVID-19. There have now been 4,685 cases of COVID-19 diagnosed in New Hampshire. Several cases are still under investigation. Additional information from ongoing investigations will be incorporated into future COVID-19 updates. Of those with complete information, all are adults with 69% being female and 31% being male. The new cases reside in Rockingham (8), Hillsborough County other than Manchester and Nashua (7), Merrimack (4), Carroll (1), and Strafford (1) counties, and in the cities of Manchester (12) and Nashua (6).

Five new hospitalized cases were identified for a total of 456 (10%) of

4,685 cases. One of the new cases has no identified risk factors. Community-based transmission continues to occur in the State and has been identified in all counties. Most of the remaining cases have either had travel to domestic or international locations or have had close contact with a person with a confirmed COVID-19 diagnosis.

Veterans BBQ Postponed

The Rotary Clubs of Derry have long supported the veterans in our community. Over the past several years we have proudly kept up a tradition of hosting a Memorial Day barbecue for our veterans. We are extremely disappointed that the Covid-19 outbreak has forced us to postpone the Memorial Day event this year. We want the veterans to know that they are very much in our thoughts and we salute them for their service and sacrifice for our country. We remain hopeful that we will be able to hold the event in late summer or early fall to maintain our tradition of personally sharing our gratitude for their service.

Couch to 5K

The Greater Derry Track Club is adjusting as well. We are trying to be optimistic about summer activities. We are hoping to schedule our Couch to 5K programs this summer. However, it's up in the air as to whether the associated race will be the Run for Freedom on July 4. Thank you to those of you who sponsored the 2020 Couch to 5K program. We are grateful and hope to provide this program within the year. If you have any questions please send me an email: fdlay@gdte.org

CHESTER

Supervisors of the Checklist

The Supervisors of the

Checklist will be in session on Tuesday, June 2 from 7 - 8 p.m. in Town Hall at 84 Chester St., Chester You can register to vote or make changes to the checklist or change party affiliation. This is the last opportunity able to change your party affiliation prior to the Sept. 8, State Primary Election. If you do wish to change your party affiliation you may also do it by completing and returning the new Application to Change Party Affiliation form which is available on the Chester web sit at www.chesternh.org, the Town Clerks office or email diannacharron@comcast.net, kburkorealtor@aol.com or lpackard445@comcast.net and we will email a copy to you. Mail the completed form to: Town Clerks Office, Supervisors of the Checklist, 84 Chester St., Chester, NH 03036

HAMPSTEAD

Hampstead Senior trips

Scheduled for June and July have been canceled. The Mt. Washington Boat Ride scheduled for June 10, and the Oxford Casino, scheduled for July 15, have been canceled.

Kent Farm Transfer Station

The Kent Farm Transfer Station is open its regular schedule Saturday's, from 8 a.m. - 4 p.m. There will be new rules in place during the "State of Emergency- Covid 19" and we ask for your patience as we try to work through this. All residents must unload their own vehicle. All residents should wear some type of face covering and follow CDC guidelines regarding safe distances. No Socializing and only so many cars will be allowed to the top at a time and there will be an police officer directing traffic entering into the facility. Permits are still required and the permit application can be downloaded from the website (see Recycling page) and mailed in, or placed in the drop box outside the town office and it will be mailed to you and the same with any coupons that may be needed along with a return envelope.

Congregational Church

Hampstead Congregational Church will be holding online services on Sunday mornings at 10 a.m. Streaming on Facebook Live all

information can be found on our website hampsteaducc.org

Storytime Online

Hampstead Youth Services Librarian Devin continues to post Storytime videos on the Library's Facebook page as well as the Library website. This has been a great way for toddlers to continue to connect with Devin and add to their budding reader routines. Upcoming Storytime themes include rainbows, butterflies, bugs, and dragons.

Storybook Walk

The Hampstead Public Library has put out their Storybook Walk on the Library's front lawn. The featured book is We're Going On A Bear Hunt. It starts near the stone-wall. Thanks to the Hampstead Mothers' Club for funding this project. The page-poles are at least 8' apart and should allow space for families to take turns, if more than one should visit at the same time. The Library will try to keep the story-walk up for a couple of weeks, but the book pages may be taken down on rainy days, and put back up for sunny days. If a pole falls down, don't worry, we'll get there and fix it.

Online Spinning & Knitting

Librarian Nancy has taken her Spinning and Knitting group to Facebook. She created the Island Pond Knitters & Spinners group. Members share inspiration and photos of their latest creation. Look for it on Facebook, and ask to join. All needlework crafters are welcome.

SANDOWN

Plant Sale

The Sandown Garden Club is working diligently to host its annual plant sale. The main street location will not be possible this year in order for us to maintain safe social distancing guidelines. At this time, we are looking at a member's residence as the plant sale location and spreading it out over several weekends in June. We are also seeking plant donations. If you need perennials divided, members will come to your house and dig them up for the sale. We may not be able to accommodate all requests this

Classified Advertising

READERS ARE CAUTIONED that we occasionally run ads that require an initial investment or money in advance. We urge our readers to "do their homework" before responding to any ad, check out the advertiser thoroughly and verify their claims to your total satisfaction. Only then should you proceed at your own risk. We try to screen ads that require you to send money before receiving a product or service. But these efforts are no substitute for your own investigation, and we don't endorse or guarantee any claims made in any of the ads we publish. If you want more information about claims made in ads on subjects such as work at home opportunities, travel or vacation specials, purchasing land or vehicles from government surplus or below wholesale, loans or other credit opportunities (including credit repair), or weight loss and other health products and services, we urge you to contact the Office of Attorney General, Consumer Protection Bureau, 33 Capitol Street, Concord, NH 03301 (603-271-3641) or the Better Business Bureau at 603-224-1991. Publisher is not responsible for any loss of business if an ad does not run, and we reserve the right to revoke any ad if deemed necessary. No refunds will be given for prepaid ads.

Livestream concert

Saint Anne Parish will host a Livestream concert series via the parish website every Saturday night at 7 p.m. during May and June featuring a number of our talented parishioners who will sing and/or play music from a variety of genres including: Classical, Sacred/

Praise & Worship, Musical Theatre, and Folk/Popular tunes. All concerts will be accompanied by our Music Director Cindi Verrill on piano. Please join us at saintannechurchnh.org on Saturday nights at 7 p.m. for "A Night Out While Staying In!"

CART Essential Trips only

In an effort to keep drivers and the ridership of CART safe and healthy during the COVID-19 pandemic, CART will transition to essential only. CART will

communicate with all passengers who have current trips scheduled and make adjustments where appropriate. Essential travel will include medically necessary trips (dialysis, pharmacy, etc.) as well as trips to the grocery store. CART will work with passengers to accommodate the essential trips and will work on timing to be as flexible as possible. Service will remain available to all towns, 5 days a week. Any questions, concerns or comments should be directed to mwhit-

ten@mtabus.org or phone CART at 603-792-5151. CART looks forward to restoring regular service levels as soon as this crisis passes.
