

Derry Town Council Updated by Parks & Recreation Staff

CASEY ELDRED
NUTFIELD NEWS

DERRY – The Derry Parks and Recreation staff presented an update on various projects and improvements throughout Derry, at the Town Council workshop meeting on Tuesday, June 9.

The presentation was led by Mike Fowler and included Kim Walsh, the new Derry Parks and Recreation Director, Dr. Bob Barcelona of the University of New Hampshire Department of Recreation Management and Policy, and Town Administrator Dave Caron.

In the past, the Town Council has supported measures to enhance recreation facilities and recreation tourism including approving a \$1.8 million bond in January 2019 and allocating \$39.9 thousand from the Parks Facility Funds to improve fields during the closures due to COVID-19.

According to Parks and Recreation Director Kim Walsh, the department has completed multiple successful improvement projects during COVID-19. Among these projects are every field or park in Derry being aerated and seeded, the opening of a new dog park on June 10, and various other improvements to the land at parks and fields throughout Derry.

The presentation included a report from Dr. Barcelona on the Recreation Needs Assessment survey completed in March 2020 by the University of New Hampshire, a resource matrix that details funding, an update on Hood Park and the Rail Trail, and a recreation facilities improvement report from Director Walsh.

Barcelona reported seven recommendations from the Recreation Needs Assessment for the consideration of the Council. The recommendations include revitalizing Hood Park with more

Chester Selectmen Discuss Re-opening of Wason Pond

KELSEY DERHAK
NUTFIELD NEWS

CHESTER – Last Thursday’s meeting of the Chester Board of Selectmen was focused on the re-opening of Wason Pond.

The major concern was opening up the athletic fields to the youth sports teams and recreational use. In a previous meeting of the Wason Pond Commission they agreed it was too early to open up the fields for use, but now that the state is moving on to phase 2 of re-opening they will reconsider.

The discussion then remained on the topic of the athletic fields. What is the problem with opening up the athletic fields? There are different guidelines for youth sports and general use of the facilities. The board heard from a few residents that would like to see the youth athletics be able to use the baseball/softball fields at Wason Pond. With the consensus from the residents being that they should be allowed to choose whether or not to participate in sports with the state guidelines. One resident, Ken Biel, stated, “I get to decide what my children do and do not do. There is data showing that there is no huge difference between the spread of the virus due to staying at home or not staying at home.”

Currently you are allowed in groups of up to 10 people. The suggestion was then made that they have a group of about eight kids with two adults coaching. Since there is a lot of space at the fields they could keep these groups spread out. There would also be a COVID-19 waiver for everyone to sign that would not hold the town liable if there was to be anyone who got sick from being at the fields.

The question of who

Hampstead School Board Highlights District’s Foreign Language Program

TIMOTHY CAIN
NUTFIELD NEWS

HAMPSTEAD – As the 2019-2020 school year winds down after months of remote learning, principals Dillard Collins and Maria DiNola began the June 9 meeting with praise for both teachers and students.

According to Collins, the Central School teachers have completed narrative report cards for each student; these multi-page report cards highlight students’ progress from the beginning of the year and through remote learning while noting next steps. Principal Collins stressed that “students found a way to learn” and teachers also learned something new throughout remote learning.

“It is our hope that at the Central School that students learned about resilience, kindness and understanding during an unexpected challenge,” said Collins.

Derry School Board Ends Year with Accolades and Remote Learning Planning

TIMOTHY CAIN
NUTFIELD NEWS

DERRY - Like school districts across the state, the Derry Cooperative School District has worked remotely for the last three and half months. During the June 2 school board meeting, board members and administrators recognized faculty and students for their hard work and efforts during remote learning. In particular, 14 retirees with a total of 296 years of service to Derry children were spotlighted to begin the meeting.

Brenda Willis, Derry School Board Vice Chair, said, "Derry is lucky to have had these 14 amazing, dedicated teachers and for all they have done for the Derry students."

While navigating during the Covid-19 health crisis, the administrative leadership continues to follow Governor

Sununu's Emergency Order 48 as it applies particularly to students who receive educational services. Director of Student Services, Jayne Boyle, explained that although no formal guidance at this time has come from the

department of education about providing services to students during the summer, the district is abiding by the governor's emergency orders that include determining by June 30 if a student needs an extended school year. Another aspect of the emergency orders requires students who receive educational services a meeting to assess their educational plans take place within 30 days once school starts in the fall. Boyle said those meetings might determine that some special education students may require compensatory services. As a result, this part of the emergency order could have a financial impact on the district.

Boyle also reported that Derry received an IDEA remote learning grant in the amount of \$20,000 to assist students with disabilities. Throughout this unprecedented time of remote learning, Boyle said, "The journey is not over."

Although remote learning with the students for the year has concluded, teachers will complete two days (12 hours) of end-of-school year pro-

fessional development from June 8-16. Director of Technology, Dr. Clifton Dancy, created a website with required tasks and choices for the teachers after consulting with mathematics coach, Lisa Long and literacy coordinator, Dr. Sarah Taylor.

Assistant Superintendent Austin Garofolo praised and thanked the entire school community - teachers, students and parents - for a job well done in remote learning. Moving forward, teachers and administrators will be working on identifying those students who need additional help. The goal of the summer professional development with subject area committees will be to determine the curriculum areas not covered adequately. According to Garofolo, the district is prepared to address all of this at the start of the 2020-2021 school year, regardless if students continue to learn remotely or face-to-face in the classroom. A voluntary summer learning plan [individualized learning path] is being developed and will be offered from July 6 - Aug. 10. The intent of this plan is primarily for students to practice skills in math-

ematics and literacy and to build a foundation so that they are better prepared when starting school in the fall. Garofolo stressed this learning plan is voluntary because he understands students and parents might need a break.

Because Garofolo had received a question about the change in the structure of the fifth grade PACE program, he, along with board chair Derick Anderson, thought it best to explain the decision. Garofolo stressed that this decision was foremost made in the interest of what was best for the students. Consultation with administrators, fifth grade teachers, students and parents over the past two years prompted the change.

A few years ago a decision was made to create a fifth grade PACE reading class in an effort to increase rigor for high achieving students. After a few years of data collection, the data does not reflect the intended goal. Garofolo explained the reason for this is two-fold. While teachers are instructing with the Core Tier 1 reading program and with feedback from middle school PACE teachers, a structured

writing program was needed to improve students' writing.

"There definitely will be fifth grade PACE ELA. It will be delving deeper," said Garofolo. "By allowing reading and writing taught as the core tier 1 instruction, PACE teachers will actually be able to go deeper level analysis and synthesis."

In order to provide the district with feedback about what worked and what can be improved with remote learning, Superintendent Connors-Krikorian is asking parents to complete an updated Derry Coopera-

tive survey about their family's remote learning experience, for it will inform future planning and practices as well as an opportunity for all stakeholders to celebrate their successes. Another survey will also be sent out in early July about returning to school in the fall.

Because of the current health crisis and the resulting uncertainties about the start of school, Dr. Connors-Krikorian proposed two school board meetings for both July and August. The next regular school board meeting will be July 16,

Sandown Man Charged for Child Sexual Images

According to a Derry Police Department Press Release, on June 5, at 12:15 p.m., Derry police arrested Raymond Ouellette of Sandown, alleging 10 counts of having Possession of Child Sexual Abuse Images, a Class A Felony.

Ouellette turned himself in after being notified of a warrant for his arrest. The warrant was obtained by Derry detectives after an investigation that began with a cyber-tip to the Internet Crimes Against Children (ICAC) Task Force of which Derry PD is a member. Sandown PD, along with several ICAC Task Force members assisted in the investigation.

Raymond Ouellette

Additional charges may be forthcoming as the investigation is ongoing.

Mr. Ouellette was released on unsecured appearance bond in the amount of \$5000.00 and is scheduled for an arraignment hearing on Aug. 6, 2020 at 1 p.m., at the Rockingham County Superior Court.

ZBA Hears Several Variance Requests at the June 4 Meeting

CASEY ELDRED
NUTFIELD NEWS

DERRY – The Derry Zoning Board of Adjustment met on Thursday June 4, to discuss and vote on applications for exceptions to Town Zoning Ordinances and regulations. The Derry Code Enforcement Officer, Robert Mackey also joined the meeting to offer his expertise.

Vahik Melikian presented his application for a variance to the Board. Melikian requested permission to construct a detached two-car garage that will be less than 15 feet from the side property line. The board unanimously approved the application, making it clear that this approval was subject to the applicant obtaining the appropriate town building permits and inspections.

Owners Robert and Anne-Marie Letourneau, had a variance request for a two-family home at 28 South Avenue, a vacant property. It was presented by Tim Peloquin of Promised Land Surveying.

The Letourneau's representative told the Board that he believes a variance is justified and reasonable because the new construction could raise property values in the neighborhood.

He also explained that the vacant property has been taxed as a building lot over decades.

The board questioned the applicant's request for a two-family home, rather than a single-family home. Peloquin explained that his client believes a two-

family home is more appropriate due to a demand for affordable housing and previous success with this design plan. Board Member Alan Virr was vocal about his view that the two-family home is too far outside Town Ordinances.

This opinion was echoed by other board members including Craig Corbet and Crystal Morin. Vice Chair Heather Evans, as well as Corbet mentioned that a single-family home may be more appropriate for the size of the property.

After deliberation, the Board denied the application from the Latouneau's.

The third case that evening was for property owners Stephen and Shannon Vadney requested to use their land for a duplex dwelling in an

area that only allows single-family homes. The application was presented by Kevin Hatch, of Cornerstone Survey Associates in Chester. According to Hatch, the neighborhood surrounding this property consists entirely of multifamily homes and the variance is only necessary due to a change in zoning.

"Changing the zoning recently to only allow single family kind of isolated this one individual lot... to only allow a single family seems out of character and against the whole spirit and intent of the ordinance to keep areas of town in similar use," Hatch explained.

The Board deliberated on the application considering the conditions subject to town permits and inspections, Planning

Board review and subdivision approval, and Town Council acceptance of cul-de-sac. Board member Donald Burgess advocated that this application went against the spirit of the Ordinance due to the town deeming the area for single-family homes only. Other members of the Board found the application for a duplex in the neighborhood to be reasonable.

The Board approved the application with a vote of 3-2 and it will advance to the Planning Board and Town Council as stated in the conditions.

David T. Dalton applied for a variance to a Zoning Ordinance prohibiting the construction of a deck on the lakeside of the home that is less than 15 feet from the edge of the property line. Dalton believes this is a reasonable request because it is a similar design to others on the street; it will increase the property value of the dwelling, and does not harm public interest. Dalton also included that the deck serves as an alternative exit from the home in the case of an emergency.

After discussing various specific details about the drawing of the deck and a short deliberative session among the Board members, the Board formed two conditions. The conditions are the applicant must acquire all town permits and inspections and obtaining a New Hampshire state shore land permit.

The Board approved the application with conditions in a unanimous vote of five to zero.

Hampstead

continued from page 1

Middle school principal DiNola echoed Principal Collins' remarks about how the students faced the challenge of remote learning. Efforts were made to honor all students both virtually and in a personal way. Students were allowed to come to campus to see their teachers. A special challenge was given to the 8th graders during the last two weeks of school called "Me in a Minute." This allowed the students to reflect who they are as they graduate from the Hampstead

school district. The students presented their project via Zoom on Wednesday, May 27, in a two-hour presentation.

"This class was so close and so tight and they celebrated each other. We just love this class of 2020," said DiNola.

Like other schools in the area, eighth grade graduates also had a parade on campus with next year's incoming middle students (new Hawks) joining the parade.

During the current business portion of the meeting, Beth Metzler, FLES consultant, updated the inaugural year of the

FLES (Foreign Language in Elementary School).

"It was an extremely successful program at the Central School with kindergarten students," said Metzler.

The approach used was interdisciplinary; the students showed that they not only learned the language but were also engaged while learning the content. Metzler praised Mrs. Elizabeth Kane, the FLES teacher who worked with the kindergarten students. The methodologies used focused on words and expressions in context; students received continu-

ous positive feedback and the environment was low stress. Kane spent two to three times per week working with the students. The model will continue in the fall with these students as first graders.

Kane, the former ESOL consultant for the district, commented on how friendly and welcoming the kindergarten team was. By all accounts, the students did their best and Kane was pleased by the support of the parents. Parents can continue to help their children learn Spanish by reviewing the

FLES website and instructional links and tools that Mrs. Kane has posted.

Ms. Terilyn Cheney, one of the kindergarten teachers, affirmed the success of the program. She explained how it matched the kindergarten program well and complimented the literacy program.

Superintendent Earl Metzler said the town of Hampstead School Board should be commended for supporting this program and others that provide a well-rounded education to the students.

School Board Chair,

Caitlin Parnell, remarked that instituting the FLES program was a no-brainer.

"We strive to provide a 21st century education and beyond for our students. This [program] was the most logical next step," said Parnell.

The continued success of this FLES program will require the middle school Spanish teachers to adjust their curriculum. As Dr. Metzler noted, these future students will have a competitive advantage at Pinkerton, as they will enter high school able to take level three Spanish.

Editorial

The American Flag Symbol of Freedom

In Honor of Flag Day last Sunday. On June 14, 1777, the Second Continental Congress passed a resolution to establish an official flag of the 13 United States. The flag would be 13 stripes, alternating red and white, with 13 stars, white, in a field of blue. The national flag of America was born. That flag would forever become the symbol of the United States, a symbol of a country forged in the fires of a revolution and tempered with the blood of its patriots.

The American flag stood firm and resolute above Fort McHenry through that perilous fight. Was raised on Mt. Suribachi, on the island of Iwo Jima, by men willing to give their lives for what the flag represented. It saw action on land and sea throughout Europe and the Pacific region during the Great War. It was in the mountains of Korea, the jungles of Vietnam, the deserts of North Africa and countries of the Mideast. It was raised above the rubble of the Twin Towers as an indication of America's strength and determination to survive and it shines down upon us from its place on the moon.

The flag represents those who have served this nation in the military, and those who now serve, and proudly salute that flag. Last week was Flag Day a day set aside to retire our flag

with honor and respect. For many people June 14, Flag Day will be like any other day, its importance and meaning being lost in the sands of time.

The American flag represents a nation dedicated to freedom, hope and opportunity. It represents the blood shed by those who served under that flag, and those that "gave their tomorrow's so we can have our today's."

It has been said, "In honoring our flag, we honor the American men and women who have courageously fought and died; patriots who set an ideal above any consideration of self. Our flag flies free today because of their sacrifice."

America rose from the ashes of a fiery revolution to become a sovereign nation against improbable odds. It created its own history, its own heritage, and its own flag. As President Teddy Roosevelt pointed out almost a hundred years ago, "We have but one flag, the American flag." Let us honor and respect that flag - "the star-spangled banner, o long may it wave, o'er the land of the free and home of the brave."

So, please do not just toss them out bring your old flags to your local post, legion, etc., and let them retire them in the honor they deserve.

Thank you.

Letters

Dispelling Rumors

To the editor,

The coronavirus will still be around this fall. No widespread vaccine will be available before next spring. That's why election officials are urging people to vote absentee. The NH Attorney General has decreed that anyone who fears for their health because of the corona virus may vote absentee by selecting the disability option on the absentee ballot application.

Rumors are flying around that voting absentee is not secure. Not so in NH. Let me address the most common rumors.

Rumor #1: When absentee ballots are sent out to every voters, some go to the wrong address or

to dead people. Not in NH. In order to receive an absentee ballot, a voter must complete an absentee ballot application with their current address. Ballots in NH are never sent out without a proper application.

Rumor #2: Unscrupulous people go door-to-door collecting ballots, promising to turn them into the Town Clerk. Instead, they simply throw them away. Or they collect blank ballots, fill them out, and then turn them. Not in NH. Every ballot is sent out with a self-addressed return envelope. This year it will be pre-stamped using CARES money provided by Congress. In addition, the Town Clerk will not accept a ballot from anyone who is not a relative of

the voter or special designee.

Rumor #3: Your ballot could easily be lost in the mail and you would never know that your vote has not been counted. Not in NH. You can track your ballot as easily as you track a UPS package. Just go to the Secretary of State's website and click Review Absentee Ballot Status. If something goes wrong, you can get it fixed right away.

I guarantee you that if you filled out your ballot, signed the inner envelope that contains your ballot, and dropped it in the mail, your vote will be counted. Don't risk having to stand six feet apart in long lines to vote this fall. Vote absentee.

Mary Till

Wason

continued from page 1

could enforce these rules was brought up next. There is a possibility of someone volunteering as a safety officer at the fields to make sure that all the guidelines set by the state and youth programs are being followed. If the guidelines and safety precautions were not followed they would lose the use of the field.

The issue the board brought up was it is

impossible to regulate everyone who uses the fields and tell the difference between people using the fields for general use or as part of a sport. The board and the Wason Pond Commission both do not want to rush the re-opening and want to make sure that the conservation area can handle the amount of people being there while also following social distancing rules and guidelines from the Governor.

Ultimately the board will "rely on the Wason

Pond Commission's recommendations as well as the insurance companies for a decision on how to re-open the fields," says Chairman Owens. The next Wason Pond Commission meeting is not scheduled until the first week of July, but will most likely hold an emergency meeting before that. A big factor in their decision will be based on what Governor Sununu says as of June 15 as to the rules and regulations regarding the next phase of opening the state.

Recreation

continued from page 1

focus on nature and less focus on recreation activities, renovating the Lodge and outdoor facilities at Alexander-Carr Park, increasing rectangular field space and adding one baseball diamond, completing the town's portion of the Rail Trail, exploring the possibility of a new indoor recreation facility for all age groups, and recruiting additional full-time employees to help with these improvements.

Town Administrator Caron presented on the status of Hood Park due to the recommendation from the UNH Assessment report.

"We have a large group of interested people that want to get involved and help steer the development of Hood Park," explained Caron.

These individuals will be interviewed to become shareholders on a Steering Committee that will be responsible for community outreach and events throughout the

summer to raise awareness of Hood Park. They will ultimately finalize, approve, and implement a development plan for the facilities of Hood Park by November.

The status of the Derry Rail Trail was also discussed. Town Administrator Caron presented a plan to improve the bike path in two sections, from Manning Street to North High Street and then from Madden Road to the Londonderry Town Line. Caron explained that in the past year there have been funding issues due to the estimated cost of improvements to the Rail Trail.

Councilman Jim Morgan expressed his concern with the need to acquire private property to achieve the proposed improvements to the Rail Trail. This property extends from the town line to Route 28 and is essential in connecting the trail from Derry to Londonderry.

Councilman Morgan advocated for solidifying the status of the property before advancing with

plans for financing the Rail Trail improvements.

Town Administrator Caron explained that there is support on the state level to complete the Rail Trail from Salem to Manchester; therefore the state will support the effort to connect Derry and Londonderry. Caron also clarified that in the event the property cannot be acquired, there is still value in compelling only the first section of the Rail Trail through the center of Derry.

Councilman Joshua Bourdon expressed concerns with long term costs involved with maintaining and staffing new and updated recreational facilities, for example, the suggested baseball field and indoor recreational facility. The Parks and Recreation Director confirmed that opening an indoor recreational facility would require additional staff.

Councilman Bourdon and the Director expressed the need to include upgrades to playgrounds throughout the town of Derry. Councilman Mor-

gan advocated for funding the Hood Park project over upgrading the lodge at Alexander-Carr. He believes many more citizens will utilize Hood Park, increase the value of downtown overall, and improve one of the town's playgrounds.

Various Councilors expressed concerns surrounding improvements to Alexander-Carr Park. One concern brought up Councilor Morgan was a lack of parking or space to expand parking. Other Councilors suggested that investing in an upgraded lodge at Alexander-Carr would be under-utilized due to social distancing restrictions and a general lack of interest by the community. Town Administrator Caron suggested that the Council fund improvements to the Park with the Alexander-Carr Trust Fund, instead of the bond funds.

There was a consensus in support for upgrading the facilities at Hood Park and the positive impact that will have for the community. There was widespread support

for continuing with the proposed plan described in the presentation. The Rail Trail also was prioritized as a top issue for many Councilors, including Councilman Neil Wetherbee, Councilman Brian Chirichiello, and

Councilman Morgan.

Town Administrator Caron concluded that a summarized resolution of the recommendations will be voted on by the Council at the next meeting on Tuesday June 16, 2020.

OBITUARY

Philip Emile, Jr.

Philip Emile, Jr., 85 of Derry, NH died Wednesday June 10, 2020 at his home. Dr. Emile was born in Indianapolis, IN on Dec. 10, 1934, a son of the late Philip and Luella (Robinson) Emile. A resident of Derry for the

past 17 years.

He is survived by his wife of 17 years, Kynnette R. (Newland) Emile of Derry, three children, Philip Emile, Jr. of NJ, Elizabeth Jackson of NJ, and Darrell Emile of PA, his adopted son, Demmene Emile of MA, three step-children, Valana Suarez of Manchester, NH, Sierra Bairett of Derry, and Cody Bairett of Derry, one granddaughter, Eva Suarez of Manchester, and his sister, Helen Lewis of Indianapolis, IN. He was predeceased by two children, Julius and Faith Emile, his sister, Luella Baxter and younger brother Robert.

A graduate of Crispus Attucks High School in Indianapolis, IN, Earlham College, a first Master's Degree at Catholic University, Washington, DC and a second from MIT, Cambridge, MA. Honored at The Cradle Of Aviation Museum in East Garden City, NY for his experience in aerospace and defense engineering. Most recently with Raytheon, he has also been part of teams at General Electric, Monsanto, Lockheed Martin, Weston Schlumberger and GASL. His patent work includes designs based on transistors and LEDs.

An avid golfer, he was also proud of his volunteer work with Mental Health and the United Way in the 70's and 80's.

Private services will be held in the Church of Jesus Christ of Latter Day Saints in Derry, with cremation to follow. The Peabody Funeral Homes and Crematorium, 15 Birch St., Derry is assisting the family with arrangements.

Sandown Selectmen Move Forward with Cemetery Expansion

CHRIS PAUL
NUTFIELD NEWS

SANDOWN - During the Sandown Selectmen meeting on Monday, June 15, the board heard from Carroll Bassett, a Cemetery Trustee on the RFP that is to be posted on the Expansion of Center Cemetery.

Members instructed Bassett and Town Administrator Lynne Blaisdell to move forward with finding a contractor to do the project.

The Selectmen's Office will receive sealed bid responses at the Sandown Town Hall, 320 Main St., P.O. Box 1756, Sandown, NH up until 3 p.m. on Monday, June 29. Sealed bids must be submitted bearing the name of the bidder, bid due date and bid title. Mistakes may be crossed out and corrections inserted adjacent thereto and must be initialed in ink by the person signing the bid.

The bid request reads, in part, as follows:

The Board of Selectmen and Cemetery Trustees shall accept all bids up to the time specified for receipt of bids in the Public Notice. All bids will be date stamped by the Selectmen's Office. Any late bids will be rejected. A bidder may correct, modify, or withdraw a bid by written notice received in the Selectmen's Office before the time and date set for the bid opening.

Bid Openings: Bids shall be delivered to the Selectmen's Office for the

Town of Sandown. Each bid shall bear the description of the bid and will be reviewed by the Board of Selectmen and Cemetery Trustees at the next scheduled Board of Selectmen meeting. The Board of Selectmen may authorize a designee to review the bids.

Bid Corrections: After the bid review, the bidder may not amend, correct, modify, or change in any fashion a bid which would be contradictory to the interests of the Town of Sandown or fair competition. The Board of Selectmen may waive minor informalities as long as the intent of the bid is not disturbed.

Bid Award: Bids meeting the specifications shall be reviewed by the Board of Selectmen and Cemetery Trustees and others as needed. A recommendation shall be made to the Board of Selectmen for approval. The Board of Selectmen shall award the contract to the successful bidder and be responsible for preparing Notice of Bid Awards and submitting same to the successful bidder as well as all other bidders.

Contractor Qualifications:

- Have adequate financial resources to perform the contract, or the ability to obtain them
- Be able to comply with the required or proposed delivery or performance schedules
- Have a satisfactory performance record
- Have a proven record of integrity and business

ethics

- Have the necessary organization, experience, technical skills, and support staff, or the ability to obtain them

- Have the necessary production, construction and repair equipment and parts required to fulfill the contract requirements

- Provide at least three (3) business references including name, address and telephone number

- Provide proof of insurance with bid proposal and to name the Town of Sandown as a certificate holder during the term of the contract

Payment Terms: 50 percent due upon acceptance of the proposal, 50 percent due upon completion of the project.

Inspection - All items furnished shall be subject to the inspection of the Town, and unsuitable items may be rejected. Defective items shall be made good by the vendor in a manner satisfactory to the Town.

Specifications:

The Town of Sandown is seeking sealed bids for the expansion of Center Cemetery.

Bid shall include all labor and materials as follows:

1. Stump and grub entire disturbed area and export stumps off site
 2. Re-grade per plan (Proposed Expansion of the Center Cemetery) Any excess material shall be removed off site
 3. Provide and install 12" processed gravel access roads
- Provide and install 6"

screened loam over all disturbed areas

Provide and install hydro seed over finely graded loam, and maintain until uniform growth

A copy of the plan is available in the Selectmen's Office. For a copy please call 887-3646 to make arrangements to pick one up or have it mailed to you.

Town Contacts:

Town of Sandown
Carroll Bassett, Cemetery Trustee
320 Main St., PO Box 1756, Sandown, NH 03873

(603) 505-1511 - abasett@gsinet.net

Bids will be opened and read aloud at the Monday, June 29, meeting of the Board of Selectmen.

No bidder may withdraw a bid within seven days of the actual date of bid opening.

A conditional or qualified bid will not be accepted.

The Town of Sandown reserves the right to reject any and all bids.

Additional requirement if hazardous materials involved:

Contractor's Pollution Liability in the amount of \$1,000,000 per occurrence and \$2,000,000 policy aggregate

Any deductibles or self-insured retentions

must be declared to and approved by the Entity. At the option of the Entity, either: the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects the Entity, its officers, officials, employees and volunteers; or the Contractor shall provide a financial guarantee satisfactory to the Entity guaranteeing payment of losses and related investigations, claim administration, and defense expenses.

The Worker's Compensation policy shall be endorsed with a waiver of subrogation in favor of the Entity for all work performed by the contractor, its employees, agents, and subcontractors.

Subcontractors shall require and verify that all subcontractors maintain insurance meeting all requirements stated herein.

For further information, please contact the Sandown Selectmen's Office at (603) 887-3646.

OBITUARY

Nancy B. Scott

Nancy B. Scott, 81, of Derry, NH died on Tuesday June 9, 2020 in Pleasant Valley Nursing Center, Derry. Nancy was born in Derry on March 28, 1939, a daughter of the late Albert and Edna (Purdy) Dick. She worked for many years in the fabric department for Ben Franklin Crafts in Derry.

She is survived by her six children, Christine Gagnon and her husband Jim of Sanbornton, NH, Michael Scott and his wife Pam of Candia, NH, Andrew Scott and his wife Andrea of North Carolina, Timothy Scott and his wife Nicole of Manchester, NH, Steven Scott and his wife Lisa of Derry, Jennifer Daneau and her husband Marc, Auburn, NH, and, 15 grandchildren, and nine great-grandchildren. She was predeceased by her husband, Robert E. Scott in 1992, and by her twin grandsons, Christopher Scott and Michael Scott.

Following cremation, graveside services will be held at a later date at Forest Hill Cemetery, E. Derry. The Peabody Funeral Homes and Crematorium, 15 Birch St., Derry.

Chester's 300th Committee Getting Ready for 2022

KELSEY DERHAK
NUTFIELD NEWS

The 300th Anniversary Committee of Chester held their latest meeting on May 20 with the task of planning and executing the celebration of the 300th year of the Town of Chester in the year 2022.

The group met to brainstorm ideas on how to do just that. So far the committee has decided on the following events; a Proclamation read, Historical Pageant, Parade, Antique car show, Geocaching, Spring Hill Farm Event, Time Capsule, and Fireman's muster.

Also being added to the list of ideas is having a driving tour of historical houses in town during October and hiring a group to do a historical re-enactment on the day that they read the proclamation. The idea of the driving tour of the houses came about after one member added that the town of Rye is currently doing something similar. There is also a portion of the printed program that is going out to residents that shows some of the historical houses in town and a brief history about them. The committee is also considering hosting an application for a grant for town based organizations to apply to host an event for the 300th Anniversary. It is the idea that this will help involve more of the town and its organizations in the celebration.

bration.

The committee is also looking for someone to direct the play for one of the celebrations and is hoping to give a grant of \$1,000 for their work.

Other items that were discussed in the meeting were including pictures of all the town employees in the program for the anniversary, and delegating a Proclamation Day Committee liaison. The 300th committee is hoping to draft someone from the board of selectmen to be in charge of the Proclamation Day Committee and 300th Committee member Jack Cannon, would be the liaison between the two.

Another discussion topic was where to hang the banners in town. As nothing can hang higher than the American flag the committee will have to come up with a solution as to how those banners can be made visible to the town.

It is the hope of the committee that the next

meeting they will be able to decide on sponsorship levels and what each tier of sponsorship would receive for their donation. Among talks is advertisement in the programs that will be made available for events pertaining to the 300th anniversary, other items might include VIP parking and seating at the events. Different tiers could also include sponsors on banners hung in the town. The sponsorship packages will be made within 30 days of when the events are finalized by the committee.

The meeting ended on a hopeful note as the Committee hopes its next meeting can be in person so they can figure out a lot of unresolved items as a group. They're next meeting is scheduled for June 20, 2020. If you would like to know more about the happenings of the 300th Anniversary committee you can visit their website at www.chester-nh300.org/about.htm.

Sandown Summer Rec Program Will Take Place with Changes

CHRIS PAUL
NUTFIELD NEWS

The Sandown Parks & Recreation program has announced that the annual summer program will take place for area kids, but things are very different this year due to COVID-19 and its restrictions.

Because of the pandemic, the Recreation Commission and the Parks and Recreation Department are able to offer a substitute program this summer. It will look different. It will not have all the same accommodations it has in the past.

Organizers believe that children in the community will benefit greatly from their time spent with the program and their friends and staff; and experiencing a routine outside of home. This is not the same program as has been offered every

year, however the things that remain the same are many familiar staff faces; a commitment to providing a fun and safe environment for your child and a chance to return to "being a kid"!

The program will offer many things, and will look different, but organizers are working out ways they can still have traditional camp fun such as baseball; kick ball; World Cup; dance clinics; cheer clinics; arts & crafts; parachute games; nature hikes; Volleyball; Basketball; Lemon Ball; science challenge; Four-Square and so much more! We are in the process of working out plans that would allow for the program to continue to use the town beach.

Registration form will indicate a place to sign for your child to be transported by school bus, back and forth between the recreation

building and the beach. The group still plans on Fridays being 'beach day' all day.

There will be no changing into bathing suits allowed. Please plan accordingly. Unfortunately, they will not be having the annual "Talent Show" during Week Six, however we will be having at least two 'in-house' talent shows that the campers will perform for one another.

The program will run Monday, June 22 to Aug. 7. The location will be the Ed Garvey Rec Facility on Pheasant Run Drive. The new hours will be 8:30 a.m. to 3:30 p.m. Due to Covid-19 registrations are limited to 50 percent of last year's enrollment. That means a max of 75 campers. This year, due to Covid-19 we do not have the use of an indoor space large enough to accommodate distancing

guidelines. Days of inclement weather will be like a school "snow day" and camp will be cancelled.

According to the information on the town website, the program will cost \$125 per week per camper. Registration will open first to children entering Grades One to Six only who will be registering for five to seven weeks. Registration will then open to those registering for 3-4 weeks and lastly to those registering for 1-2 weeks or any number of weeks. *Should space allow we will open it to participants entering Grades 7 and 8 after the initial registration dates.

No more than 75 participants per week will be allowed unless restrictions

are loosened. There will be reg. days for each category. Residents will need to provide proof-of-residency (ex: tax bill; license; recent utility bill etc. along with a birth certificate for your child who must be age six by no later than Aug. 30, 2020. No exceptions. No camper turning 15 prior to Aug. 30, 2020 or entering a grade higher than eighth grade may register. Anyone falsifying information will not continue in the program and there will be no refund of fees paid. *Due to the ever-changing environment of Covid-19 this program reserves the right to cancel the program should it become unsafe to continue running it.

Cost to non-residents is

\$135 per week per child. Payment will be in full.

Staff will be limited as to how much help they will be able to provide due to the limits of social distancing. Child needs to be able to carry their lunch and backpack to the beach and back from the Town Hall.

While many summer programs have cancelled for the summer, the staff was willing to return and plans to continue making the Sandown Summer Recreation Program the best it can possibly be. We all know it will be a challenge. They are willing to tackle it with enthusiasm and pride.

For additional information contact Deb Brown, Director Parks & Recreation at 887-1872.

Upper Room Announces Anna Willis Scholarship Winner

The Upper Room, a Family Resource center in Derry NH is delighted to share that it's scholarship committee has chosen this years Anna Willis Memorial Scholarship offering \$500 to Emily Lefebvre, from Salem High School. Upon the passing of Anna Willis, The Upper Room's former Executive Director and one of it's founders, the Board of Directors decided to keep Anna's spirit alive through a scholarship to be offered annually. Funds are raised through donations at the annual auction fundraiser and dedicated to this scholarship.

When discussing the character of a student who the Willis family

thought would represent some of the traits that Anna possessed, they agreed that students wishing to pursue education, who have an understanding of The Upper Room, and who have shared their own talents in volunteerism would be a good test to measure against for applicants. This year's winner, Emily Lefebvre will be heading to Rhode Island in the fall, to pursue her degree in veterinary medicine. Emily presented her application having donated to several local organizations that benefit our communities, in many areas.

"The Upper Room is a community agency, supporting families from across Southern New

Hampshire, and it is an honor to support students in their desire to continue their education", states Brenda Guggisberg, Executive Director of The Upper Room. "It is really interesting that this is the third year in a row that a Salem High Student has been selected to receive this scholarship, as Anna lived in Salem and was deeply invested in the school, and community there. She would be very excited to know her home town students are applying for this scholarship" states Guggisberg.

For more information about The Upper Room contact Brenda Guggisberg at 603-437-8477 x 11.

Summer Attractions Will Be Open, With Exceptions

MELISSA BETH RUIZ
NUTFIELD NEWS

As the official first day of summer approaches, New Hampshire residents might be wondering what summer break will look like for their families.

Previously, Governor Chris Sununu did not believe that state parks and other attractions would be open until late July. But in response to a decline in positive test results, the Governor felt optimistic.

Sununu has stated that the previously planned reopening date of June 29 for amusement parks, performing arts, and movie theaters still seems likely. Establishments and activities such as restaurants, gyms, and road races have been permitted to continue as of this week,

each with their own restrictions in the interest of safety.

NH State Parks also remain cautiously optimistic about an all-things-considered successful summer, provided potential patrons observe a few now-familiar guidelines.

"The future status of parks and the availability of facilities will be determined by whether everyone is following all of the precautions," reads the NH State Parks update on the COVID-19 situation.

Beaches and State Parks have been open as of the beginning of this month, and have seen a significant amount of activity.

Those planning on visiting a beach or state park this summer season should be

prepared to adhere to the following safety measures:

Anyone experiencing symptoms of COVID-19 should remain home until otherwise informed by a doctor.

Visitors and family groups should maintain a safe distance of at least six feet of one another.

Visitors should wear a cloth face covering over the mouth and nose to protect other visitors and staff when in locations where others might be present, such as bathrooms, shops, and other closed-quarter facilities.

As of June 5, beach patrons have been permitted to sunbathe and partake in traditional beach activities, according to NH State Parks.

However, parking has been limited to a 50%

capacity at Hampton beach, and sections of Oceanfront Blvd., have been blocked off for pedestrian traffic only. Dropping off passengers or items in parking areas is not permitted at this time, and anyone found violating this rule will be subject to a fine.

Campers can look forward to taking part in their summertime pastime, provided they plan ahead.

NH State Park has not been able to prepare campgrounds for the camping season this spring due to the pandemic. However, according to NH State Parks, the coming weeks will be spent preparing campgrounds to open at 50% of normal capacity.

Residents should call ahead to reserve time to camp at operating campgrounds. State Parks currently accepting reservations are available at

nhstateparks.org. The status of any existing reservations for summer 2020 can be checked by calling Reserve America at 1-877-647-2757.

All campers are expected to adhere to safety guidelines including remaining at home if exhibiting any flu-like or respiratory symptoms, keeping a distance of at least 6 feet between campers and family groups, and wearing a cloth face covering where other visitors may be present in closed quarters.

According to NH State Parks, reservations for pavilions and historic sites will be put on hold for the summer season.

Most playgrounds typically available at beaches, campgrounds, or state parks will also remain closed until further notice. However, the current status of individual parks will be available on

specific park informational web pages.

According to stateparks.org, much of hygiene safety will fall on park patrons.

Patrons are highly encouraged to bring their own hand sanitizer, wipes, masks, and other sanitizing and hygiene products. Patrons are also encouraged to use credit or debit cards for transactions to reduce social contact.

As the situation with COVID-19 continues to develop, guidelines for state parks and other attractions may be subject to change. So long as patrons continue to do their due diligence, Granite-Staters can safely enjoy the season.

For more information pertaining to NH State Parks and COVID-19, visit www.nhstateparks.org/covid-19.

HCC Holds Prayer Vigil

On Thursday, June 4, Hampstead Congregational Church congregants and community members gathered for a prayer vigil for racial justice in front of the church. The Peace and Justice Group of the church organized the vigil as a way to come together (socially distanced) to pray, remember, and stand for racial justice in our country, in the wake of the heartbreaking death of George Floyd. The vigil began with a prayer service, and then those present stood, with signs, in silent witness for all those killed in recent years. Rev. Kathy Youzwak, Pastor of Hampstead Congregational Church, shared, "This vigil was our way of standing in solidarity with our black and brown brothers and

sisters, and using our prayers and presence as a way to give witness in our community. The outpouring of support and gratitude from congregants and community members alike showed the importance of such a vigil. We see this as

an initial step in working for racial justice in our community and beyond." To watch the prayer vigil and learn more about the work of Hampstead Congregational Church, visit hampsteaducc.org.

IRS Warns Against COVID-19 Fraud; Other Financial Schemes

The Internal Revenue Service today reminded taxpayers to guard against tax fraud and other related financial scams related to COVID-19.

In the last few months, IRS Criminal Investigation (IRS-CI) has seen a variety of Economic Impact Payment (EIP) scams and other financial schemes looking to take advantage of unsuspecting taxpayers. IRS-CI continues to work with law enforcement agencies domestically and abroad to educate taxpayers about these scams and investigate the criminals perpetrating them during this challenging time.

"Criminals seize on every opportunity to exploit bad situations, and this pandemic is no exception," said IRS Commissioner Chuck Rettig. "The IRS is fully focused on protecting Americans while delivering Economic Impact Payments in record time. The pursuit of those who participate in COVID-19 related scams, intentionally abusing the programs intended to help millions of Americans during these uncertain times, will long remain a significant priority of both the IRS

and IRS-CI."

Criminals are continuing to use the COVID-19 Economic Impact Payments as cover for schemes to steal personal information and money. Scams related to COVID-19 are not limited to stealing EIPs from taxpayers, however. IRS-CI has already seen scams related to the organized selling of fake at-home test kits, offers to sell fake cures, vaccines, pills and advice on unproven treatments for COVID-19. Other scams purport to sell large quantities of medical supplies through the creation of fake shops, websites, social media accounts and email addresses where the criminal fails to deliver promised supplies after receiving funds.

"Criminals try to take advantage of our most vulnerable times and our most vulnerable populations. But because we have seen many of these criminals and schemes before, we know how to find them and we know how to expose them," said Don Fort, Chief of IRS Criminal Investigation. "And because COVID-19 is a global problem, it requires a global solution. Not only are

we leveraging our financial investigative expertise domestically, we are working hand-in-hand with our J5 partners on those COVID-19 cases that cross borders. There truly is no place for criminals to hide."

Other COVID-19 related scams involve setting up fake charities soliciting donations for individuals, groups and areas affected by the disease. Some criminals are offering opportunities to invest early in companies working on a vaccine for the disease promising that the "company" will dramatically increase in value as a result. These promotions are often styled as "research reports," make predictions of a specific "target price," and relate to microcap stocks, or low-priced stocks issued by the smallest of companies with limited publicly available information.

Finally, IRS-CI has also seen a tremendous increase in phishing schemes utilizing emails, letters, texts and links. These phishing schemes are using keywords such as "Corona Virus," "COVID-19", and "Stimulus" in varying ways.

These schemes are blasted to large numbers of people known by the bad actors in an effort to get personally identifying information or financial account information to include account numbers and passwords. Most of these new schemes are actively playing on the fear and unknown of the virus and the stimulus payments.

Coronavirus-related (COVID-19) scams should be reported to the National Center for Disaster Fraud (NCDF) Hotline at 1-866-720-5721 or submitted through the NCDF Web Complaint Form. The NCDF is a national coordinating agency within the Department of Justice's Criminal Division dedicated to improving the detection, pre-

vention, investigation and prosecution of criminal conduct related to natural and man-made disasters and other emergencies, such as the coronavirus (COVID-19). Hotline staff will obtain information regarding your complaint, which will then be reviewed by law enforcement officials.

Taxpayers can also report fraud or theft of their Economic Impact Payments to the Treasury Inspector General for Tax Administration (TIGTA). Reports can be made online at TIPS.TIGTA.GOV. TIGTA investigates external attempts to corruptly interfere with federal tax administration, including IRS-related coronavirus scams.

Also, taxpayers can al-

ways report phishing attempts to the IRS. Those who receive unsolicited emails or social media attempts to gather information that appear to be from either the IRS or an organization closely linked to the IRS, such as the Electronic Federal Tax Payment System (EFTPS), should forward it to phishing@irs.gov. Taxpayers are encouraged not to engage potential scammers online or on the phone.

Learn more by going to the Report Phishing and Online Scams page on IRS.gov. Official IRS information about the COVID-19 pandemic and economic impact payments can be found on the Coronavirus Tax Relief page on IRS.gov, which is updated frequently.

Playgrounds Are Open, Check Guidelines Before You Visit

Derry Playgrounds are now open as of June 16, Guidelines have been posted at each park for visitors to view.

Here's what you should know before your visit.

1. Playgrounds are open but not sanitized; use cautiously at your own risk.
2. Stay home if you or a family member are sick or if you've been exposed to Covid-19
3. Wear a face covering, if you can. Cloth face coverings should not be placed on

1. Children under age 2;
2. Anyone with difficulty breathing;
3. Anyone unable to remove the cloth face covering without assistance.
4. Maintain at least six feet away from others
5. Avoid large crowds and gatherings; call (603) 432-6136 for info. regarding parties and large groups.
6. Wash or sanitize hands frequently. We recommend bringing your own hand sanitizer with you.
7. A portable restroom is available at Alexander-

Carr Park, Derry Dog Park, Don Ball Park, and Hood Park.

8. Concession stands currently remain closed

Thank you for your understanding at this difficult time. We hope to see you at the parks, enjoying the summer safely and responsibly.

For more information Call the Recreation Office during office hours Monday- Friday from 8 a.m. - 4:30 p.m. at (603) 432-6136 or visit www.derrynh.org/parks-recreation for regular updates.

Story Walk

The Taylor Library in East Derry is giving residents the ability to take their children out for a walk and enjoy a book at the same time. A new Storybook Walk has been installed in the field behind the library, and a new story will be put out every two weeks.

1-2-3 Magic Workshop

Is your young child having tantrums? Join the Upper Room's 1-2-3 Magic Work-

shop on Saturday, June 27, from 9 a.m. - 1 p.m. Live on Zoom! \$35 fee (includes book).

Crossroads: Co-Parenting Workshop

Are you co-parenting after divorce or separation? Join the Upper Room's Crossroads: Co-Parenting Workshop on Saturday, June 27, from 9 a.m. - 1 p.m. Live on Zoom. \$80 fee (includes book).

Lean to Draw

The Upper Rooms On My Own Teen Series will host Learn to Draw Remotely from June 10 - July. It is 8 Four Video Lessons followed by LIVE Discussions on Zoom. This workshop is free.

Time to quit?

Vaping and Your Health Workshop Available remotely by the Upper Room during June. This workshop is for Teen & Young Adults up to age 24.

Notice to Businesses Regarding CGI

The Town of Derry is currently under contract with CGI to produce and maintain video tours that are accessible on the front of the town's website. Businesses are able to sponsor these videos. CGI is currently making calls to promote this opportunity. If you have any questions about this program, please reach out to beverlydonovan@derry-nh.org

Taylor Library Curbside Pickup Hours

Hours to allow curbside pickup for its patrons. Hours Monday, 10 a.m. - 3 p.m., Tuesday, noon - 7 p.m., Wednesday, 10 a.m. - 3 p.m., Thursday, noon - 7 p.m., Friday, 10 a.m. - 3 p.m., Saturday, Closed, and Sunday, 10 a.m. - 3 p.m. Please call (437-7186) or email us at taylorlibrary@comcast.net, to request books and we will pull the books and call you when they are ready for pick-

up in our parking lot.

Feeling Overwhelmed?

The Upper Room is offering supportive online counseling schedule a free one-on-one supportive counseling session. Email Seren at selizabeta@urteachers.org.

Food Pantry Open

The Upper Room's Food Pantry is open for contact-free pick up at 36 Tsienneto Rd., Derry. Hours are Mondays 11 a.m. - 1 p.m. (back entrance), Thursdays* 3 - 4 p.m., and by appointment (front entrance) *Please note that the food pantry will be closed Thursday, July 2.

Raising Another's Child?

Upper Rooms Grandparent & caregiver support group is on Tuesdays from 6 - 7:30 p.m. Free, live on Zoom facilitated by The Upper Room. Join this weekly meeting for resources, discussions and support. To access, visit: www.us04web.zoom.us/j/140218559, Meeting ID: 140 218 559 Contact Seren Elizabeth at selizabeta@urteachers.org.

Raising children ages 0-12?

Upper Room offers Parent & caregiver workshops on Wednesdays, from 6 - 7 p.m. Free live on Zoom, facilitated by The Upper Room. Tune into this new series for weekly workshops offering families information, discussion and support.

Yoga For Children

Do you have an active 3-6 year old? Upper Room offers Yoga for Children on Fridays from 9:45 - 10:15 a.m., May 8 - June 28. Free live on Zoom. Preregistration required, facilitated by the Childlight Education Company. Register at www.bit.ly/yogaconnect, Email skoza@URteacher.org with questions.

Couch to 5K

The Greater Derry Track Club is adjusting as well.

We are trying to be optimistic about summer activities. We are hoping to schedule our Couch to 5K programs this summer. However, it's up in the air as to whether the associated race will be the Run for Freedom on July 4. Thank you to those of you who sponsored the 2020 Couch to 5K program. We are grateful and hope to provide this program within the year. If you have any questions please send me an email: fdlay@gdte.org

Young Adult Programs

On Fridays 11 - 11:30 a.m., facilitated by The Upper Room, weekly free remote support programs are available. To access: Contact Beth O'Connell at eoconnell@URteachers.org or follow the Young Adults Strong Facebook page.

Raising a teenager?

Upper Rooms Parent & caregiver café (PaCC) is on Thursdays from 6 - 7:30 p.m. Free live on Zoom, facilitated by The Upper Room. These meetings are a wonderful resource for parents and caregivers raising teens. Discuss your concerns and learn new parenting strategies.

CHESTER

Lions Club Food Drive

The Chester Lions will hold a Food Drive on June 27, from 8 a.m. - 2 p.m., at the Chester transfer station. Bring non-perishable food items, on June 21 - 27, to the Chester transfer station, or the Chester General Store. All donations will benefit the Chester food pantry.

HAMPSTEAD

Red Cross Blood Drive

The Knights of Columbus Council #9058 of Hampstead, will be sponsoring a Red Cross Blood Drive on Friday, June 19, from 1 - 6 p.m. at St. Anne Church, 26 Emerson Ave., Hampstead. Appointments are strongly recommended. With an appointment, you can use "Rapid Pass" and speed your way through the donation process. Visit redcrossblood.org for further information on this time saving feature. For an appointment, please visit red-

crossblood.org or call 1-800-RED CROSS. For specific information on this drive, please contact John Cussen at 603-329-5207

Congregational Church

Hampstead Congregational Church will be holding online services on Sunday mornings at 10 a.m. Streaming on Facebook Live all information can be found on our website hampsteaducc.org

Storytime Online

Hampstead Youth Services Librarian Devin continues to post Storytime videos on the Library's Facebook page as well as the Library website. This has been a great way for toddlers to continue to connect with Devin and add to their budding reader routines. Upcoming Storytime themes include rainbows, butterflies, bugs, and dragons.

Storybook Walk

The Hampstead Public Library has put out their Storybook Walk on the Library's front lawn. The featured book is We're Going On A Bear Hunt. It starts near the stone-wall. Thanks to the Hampstead Mothers' Club for funding this project. The page-poles are at least 8' apart and should allow space for families to take turns, if more than one should visit at the same time. The Library will try to keep the story-walk up for a couple of weeks, but the book pages may be taken down on rainy days, and put back up for sunny days. If a pole falls down, don't worry, we'll get there and fix it.

SANDOWN

Pot Recycling Day

The Sandown Garden Club will hold a Pot Recycling Day on Saturday, June 27, starting at 9 - 11 a.m. Club members will be at the Sandown Train Depot to collect the pots. Following its successful Plant Sale, the Club asks anyone with used flower pots to drop them off for recycling. The pots will then be cleaned and stored for next year's Sale. Currently the Club is making plans for the upcoming summer which include holding its annual BBQ in August. Come join the fun and become a member. New members are always welcome

and one does not need to be a Sandown resident to join. Meetings are held the first Monday of most months from March - Nov., at 6:30 p.m. in the Ed Garvey Recreation Center on Pheasant Run Drive. For information on the Sandown Garden Club and membership, please visit its Facebook page or the website www.sandowngardenclub.org.

Old Home Day

Cancellation of Old Home Day Fall Festival the 2020 Old Home Days committee, regretfully announces that the 2020 Old Home Days Fall Festival to include the parade scheduled for Sept. 12, has been cancelled. This cancellation is being made due to the social distancing restrictions that are present now with COVID -19, and the unknown of what they may be in the future. We believe that the safety and the health of our participants, vendors, and our community is of the utmost importance. The committee will start planning for the OHD 2021 in January, and look forward to the OHD Fall Festival scheduled for Sept. 11, 2021. Thank you for your understanding in these unprecedented times.

Dog Licenses - Overdue

The deadline to license your dog was April 30. As of June 1, fines are being assessed. If your dog is not licensed by July 8, 2020, the civil forfeiture process begins which includes a \$25 fine, additional fees and potential court proceedings. Options to license your dog: online at www.sandown.us, via the locked drop box at the Town Clerk/Tax Collector's office entrance which faces the Fire Station or by first class mail to: Town of Sandown PO Box 583 Sandown, NH 03873.

Mother Goose On The Loose

Virtual Mother Goose On The Loose, will be held on on Monday mornings on YouTube this event has movement, reading, rhymes, and songs for ages 0-36 months. Mother Goose on the Loose is a brain-based program consisting of thirty minutes of fun, skill-building activities. Some benefits of the pro-

Classified Advertising

READERS ARE CAUTIONED that we occasionally run ads that require an initial investment or money in advance. We urge our readers to "do their homework" before responding to any ad, check out the advertiser thoroughly and verify their claims to your total satisfaction. Only then should you proceed at your own risk. We try to screen ads that require you to send money before receiving a product or service. But these efforts are no substitute for your own investigation, and we don't endorse or guarantee any claims made in any of the ads we publish. If you want more information about claims made in ads on subjects such as work at home opportunities, travel or vacation specials, purchasing land or vehicles from government surplus or below wholesale, loans or other credit opportunities (including credit repair), or weight loss and other health products and services, we urge you to contact the Office of Attorney General, Consumer Protection Bureau, 33 Capitol Street, Concord, NH 03301 (603-271-3641) or the Better Business Bureau at 603-224-1991. Publisher is not responsible for any loss of business if an ad does not run, and we reserve the right to revoke any ad if deemed necessary. No refunds will be given for prepaid ads.
