

# Budget Committee Chair Looks for a Hiring Freeze

**ALEX MALM**  
NUTFIELD NEWS

HAMPSTEAD – Tim Lovell, the Chair of the Hampstead Budget Committee, spoke to the Board of Selectmen about what he thinks would be something important for them to consider when making budget decisions this year at the Sept. 26 Hampstead Board of Selectmen meeting.

Lovell explained previously he met with the Selectmen to discuss the current state of the economy. He said things have not improved.

“Obviously over the last two weeks more has happened and it hasn’t gone in the right way, it’s gone in the opposite direction,” said Lovell.

One of the major suggestions he made is to not

consider making any new hires in the next budget.

“I think we need to look at not having any new hires,” Lovell stated.

One exception Lovell pointed to was the Public Works Director, which he said he is in support of because not only is it a needed position, they are also taking two jobs and making it one instead.

“I don’t think we should be adding any more staff anywhere in the organization,” said Lovell.

Lovell also told the Selectmen he thinks if they lose an employee or employees they shouldn’t replace them unless it is a critically important position.

“I think that’s what we need to look at,” said Lovell.

Lovell added that interest rates have gone up greatly, which he thinks for

people with variable interest rate mortgages it could be more difficult for people to afford things.

“We’re going to have those kinds of people this year,” said Lovell.

Ultimately Lovell stated he doesn’t want to put any more financial pressures on the people of Hampstead.

“We really have to push as hard as we can to hold the line,” said Lovell.

Also during the meeting, the Board of Selectmen accepted a highway grant, which is a 80-20 split meaning the town had to pay \$2,000 and the state will be paying \$8,000.

Police Chief, Joseph Beaudoin Jr., said the \$2,000 would come from the police department budget and would help pay for traffic and DUI enforcement.

# Chester Selectmen Look For More Time To Review Agendas

**ALEX MALM**  
NUTFIELD NEWS

CHESTER - At the Sept. 30 Chester Board of Selectmen meeting, a concern was brought up by Selectmen, Stephen Landau, regarding the fact they are getting a number of things to sign they never discussed.

He said his concern is they aren’t being presented with all the information that they should be getting.

As an example, he said recently there was a hiring for a department he is liaison on for that he knew

nothing about.

“I think that it would only be right as a liaison that I might know something about it so I can say something to the rest of the Board,” said Landau.

He added that he thinks they need to be able to see things beforehand.

It was pointed out by Board of Selectmen Chairman, Chuck Myette, that sometimes they don’t get things until the last minute and it would be good if they are going to have a presentation that they know about it ahead of time.

Selectmen, Steve Couture, said in the town he worked in before things were due a week prior so they could be reviewed and they could then discuss them. He added that they also had a summary sheet of the item, the rationale for it and the recommendation that a particular department had.

He said ultimately it allows for questions they have to be vetted ahead of time.

“A lot of those should be vetted ahead of time,” said Couture.

Couture said while they

# Derry School Board Approve Insurance Rate Increases

**ALEX MALM**

DERRY - An agreement to have maximum insurance increases for property and liability coverage along with worker’s compensation was in discussion at the Sept. 27 Derry School Board meeting.

Business Administrator, Jane Simard, explained it is similar to their Health Trust where they would have only a maximum amount for certain insurance claims.

Simard told the Board what it means is that no matter what the maximum

Primax could charge them as an increase is a certain percentage each year for three years. It would run from July 1 2023 until June 30 2026 at which time it would need to be renewed.

For property and liability insurance the proposal

# Hampstead School Board Get Update On Bus Issues

ALEX MALM  
NUTFIELD NEWS

HAMPSTEAD - Bus services has been an issue as of late and during the Hampstead School Board meeting on Sept 27, an update on the services was brought up.

During the previous meeting they had, a vice president from First Student, which is their bus company that they use, talked about the struggles they have been facing with

bus services.

One of the biggest issues they have been having is the lack of drivers due to a nationwide bus driver shortage.

"We have nine regular education school buses and started the school year with seven drivers," said Superintendent, Bob Thompson.

Thompson said on a positive note they have a new driver that will be starting and they also have a driver that should be done with training in the

next two weeks.

"At that point we will be fully staffed," said Thompson.

With that said, they are still struggling with their transportation needs.

"Everyday there is a challenge with our student transportation," said Thompson.

Thompson added that there have also been some communication issues they have been working on, specifically when it comes to backup buses.

"That has been a little bit of a challenge," said Thompson.

Thompson stated he is hoping they will have better news in the future.

"I hope at the next board meeting to come here with better news," said Thompson, noting he hopes they are fully

staffed by then.

Thompson explained they are also working on making sure the First View App works after having a delay in the set up. The app essentially allows a parent to track their child's bus.

Thompson told the School Board the feedback he and the rest of the Administration has received is that the app is working well.

"Parents are reporting to me that the app is helpful," said Thompson.

It was pointed out by Thompson that if a student is taking a backup bus then it wouldn't be able to track their child.

It was pointed out by Hampstead School District CFO, Geoffrey Dowd, they want to see if they can expand the app to Pinkerton for their students that

go there as well.

He said parents can find bus routing information for Pinkerton Academy on their website, but it

won't have live updates there.

The next Hampstead School Board meeting is slated for Oct. 11.

## Fire Safety All Year

October 9th-15th is the official Fire Prevention Week this year. Many fire departments are using the whole month of October to emphasize fire safety through public education events. Many Fire Departments maybe holding open houses, those are always good times to stop in. You can stop in at your local fire station almost anytime, you get to meet the crew and pick up some pointers on staying safe.

This year's Fire Prevention theme is "Fire won't wait. Plan your escape!" This is so important. It reinforces why everyone needs to have an escape plan and emphasizes the importance of having a smoke detector in every bedroom. Fire officials note that half of home fire deaths result from fires reported between 11 p.m. and 7 a.m., when most people are asleep. They also say that having a working smoke alarm cuts the chances of dying in a reported fire in half.

Other tips: Draw a map of your home with all members of your household, marking two exits from each room and a path to the outside from each exit. Practice your home fire drill twice a year. Conduct one at night and one during the day with everyone in your home, and practice using different ways to get out. Teach children how to escape on their own in case you can't help them. Make sure the number of your home is clearly marked and easy for the fire department to find. Close

doors behind you as you leave, this may slow the spread of smoke, heat, and fire.

Once you get outside, stay outside; you should never go back inside a burning building. Having a fire extinguisher is only the first step, knowing how to use it is the vital second step; smoke detector placement, use and testing, making a family escape plan, or the over-riding importance of getting out and staying out of a burning building, your local firefighters are ready to talk fire safety. With a fire doubling in size every 30 seconds, the importance of taking fire prevention seriously is a no-brainer.

Calling 911 is another focus of fire safety this month. With the prevalence of cell phones and the frequent absence of landlines, children and everyone else need to know where to they can get quick access to the phone in the middle of the night.

So whether your Fire Department is or is not having an open house go and talk with them. Firefighters love to explain their gear and air packs to children, so that the youngsters will have nothing to be afraid of if they encounter a firefighter during a fire.

As the saying goes, they're the ones running into a burning building as everyone else is running out.

Help them out and keep them as well as yourself safe by learning fire safety and fire prevention tips, and putting them into

path will try to cross Folsom Rd., at the intersection of North High St., (six lanes of traffic) to get to the bike path to avoid the "spaghetti" trail. This will be unsafe for both drivers and bike riders.

The DOT made its case that the "spaghetti" plan would save around \$900,000. I would like the DOT to consider two things. First, the Rail Trail is one of the cornerstones for economic development in Derry. Having a safe easy-to-use trail going through the town is essential. Second, since 1997 when the town of Derry approved the \$5 million bond for 4A, the price has

## Sandown Road Construction Has Begun Throughout Town

**SANDOWN** – The Sandown Highway Department in conjunction with Busby Construction, Inc. has begun several road construction projects onto begin the month of October.

The areas that will be impacted are listed below:

**Odell Road:**

The project involves reconstruction and paving of approximately 3,900 +/- feet of Odell Road from Pine Ridge Circle to Fremont Road. The work is expected to take approximately six to eight weeks, weather permitting.

**Cross Road and Phillips Road:**

The project involves reconstruction and paving a portion of Cross Road as well as replacing drainage starting at the intersection of Sargent Road and extending 1,500' down Phillips Road. The work is expected to take approximately 4-6 weeks, weather permitting.

**Intersection of Royal Range Road and Hunt Pond Road In The Vicinity Of 74 Royal Range Road:**

The project involves reconstruction of the drainage and repaving the intersection. The work is expected to take several weeks, weather permitting.

These roads may be

closed to all through traffic periodically throughout the projects.

During this process, there will be construction equipment in the area, so please take note of signage as road conditions and traffic patterns may change periodically during this time.

These projects involve major road work and although we will make every effort to complete this process as quickly as possible, we appreciate your cooperation and patience during this time.

Should you have any questions, please contact the DPW Director, Arthur Genualdo at 887-3484.

was a maximum of 7% per year.

"It would be a maximum of a 7% increase each of those three years," said Simard.

Simard stated for worker's compensation, the maximum amount would be 8% for each year over the three year period.

She added that she thought it was a smart move by the district to go with the agreement.

"It would be my recommendation that the board approves," said

Simard.

She explained with any of the insurance programs they have the amount they will ultimately have to pay is dependent on how many claims they have.

"The amount of the usage is going to affect our individual rates," said Simard.

Simard explained they work diligently to mitigate workers compensation claims and other things like trips and falls.

"We've been very lucky to keep our rates as low as possible," said Simard.

School Board Chair, Erika Cohen, asked if they

ever have gotten percentage increases that high.

"Have we ever exceeded those percentages before," said Cohen.

Simard said they haven't.

"Typically not higher than that," she said about the increases.

Another area that is taken into consideration when it comes to workers compensation is the amount of payroll a district has.

The School Board ultimately unanimously approved the three year maximum agreement.

work on the policy changes they may be able to improve on processes as well.

Also during the meeting, the Board of Selectmen were tasked with voting on a proposal to make Chester School Board member, Dana Theokas, an alternative member on the Planning Board.

Town Planner, Andrew Hadik, pointed out she served on the Planning

Board in that role previously.

"We would love to have her; she was a very good addition to the Board," said Hadik.

Myette, who currently serves on the Planning Board as an ex-officio, said she has been very helpful as a Board member in the past and also noted they need an alternative Board member.

"I appreciate that she's stepping back up," said Myette.

Another reason why Hadik said that it would be

important to have Theokas on the Planning Board is because currently they don't have any Chester Academy parents on the Board.

"We really need someone to represent the students and the parents of those students," said Hadik.

Landau stated it not only made sense to have a parent on the Board, but also someone from the School Board.

"It's an excellent idea," said Landau.

# Sandown Selectmen Hear Proposal for Upcoming Plow Rate Increases

ALEX MALM  
NUTFIELD NEWS

SANDOWN - Snow plowing prices for drivers this upcoming year was in discussion during the Monday, Sept. 26, Sandown Board of Selectmen meeting.

Public Works Director, Arthur Genuardo, explained that based on other proposals they are seeing from other towns in the area they know they have to the increase price. He added the main reason is because of costs for drivers going up for things like fuel, maintenance, and other factors.

"Obviously things are going up," said Genuardo.

Board of Selectmen Vice Chair, Tom Tombarello, asked how it would work within the budget.

"Where do we stand

with the budget aspect of it? What are we going to do budget wise for your budget," said Tombarello.

With the increases, Genuardo said if all the drivers they had were plowing for 100 hours they would still have about \$20,000 left over in their plowing budget. The 100 hours would be about a total of \$176,000.

Genuardo said all plows would have to be available from Dec. 1 to April 1.

Aside from the price increase, one of the major changes proposed for this year is for drivers to get 100 hours of guarantee pay no matter what.

One of the questions that was brought up was how they would be paid out for those guaranteed hours.

Town Administrator, Lynne Blaisdell, explained

they would calculate how many hours per week it is for the months of plowing and that is what a driver would get paid per week. If they drive more hours than that then they would get that amount instead.

Genuardo told the Board the guarantee is something they have wanted to put in place for a while as a way to help retain and recruit drivers.

Selectmen, Darren Hudgins, asked if there was any way they could require drivers to have insurance on their own.

Currently the town will either pay \$5 an hour for drivers to have their own workers compensation insurance, otherwise the town is required by law to have them on their plan.

Blaisdell said they could run the risk, but essentially someone would have to pay for it.

Blaisdell said she wanted to see all the information in writing first regarding what other towns are paying or are proposing to pay before she votes in favor of it.

It was explained by Tom Tombarello that depending on what kind of equipment someone has then they could be seeing increases for a total of \$45 per hour.

"I can't give a guy a \$45 an hour raise," said Tombarello.

Genuardo said he is hopeful to have the drivers in place soon.

"I would like to have them locked in pretty soon," said Genuardo.

It was decided to have Genuardo come back in front of the Board of Selectmen during a future meeting so they can have more information available before making a decision.

## OBITUARY

### George Burchell Chapman

George Burchell Chapman, Derry, NH, passed away on Tuesday, Sept. 20, 2022. He was born in Truro, Nova Scotia on Feb. 6, 1939, the son of Hazen Gerald & Beatrice (Wellwood) Chapman. George attended & graduated from Colchester County Academy in Truro. He was active in the Boy Scouts of Canada, a member of the High School football team, & enjoyed playing the bagpipes. After graduation, he drove a delivery truck (before trucks were fashionable) for a major bread & pastry company located in Halifax, NS, bringing supplies to the major grocery stores & outlying smaller stores around Colchester County, a full days run.

Returning home, he would park his truck in the yard & proceed to his room to do his bookwork, leaving his truck unsecured; some locals & "family" would sneak a few of the prized "Burlington Buns"; George would never know who any of "us" were, as there were no snitches (all guilty as charged).

He was a member of the Truro Auxiliary Police Brigade in Truro. George attended Perry F. Rockwood Church, where he was baptized & christened at age 9, which he later would jokingly refer to as "fire insurance", claiming that phrase for his own, (it was plagiarized).

The family grew up to respect all classes of life. There was no such thing as racial discrimination. We were never told to think of ourselves as "high & mighty" or "better than", & consequently didn't. Any race or creed could play on our ball teams, hockey or whatever sport we could make up as long as they were reasonably good at sports.

At Alice Street Grade School, there was a major pop ("soda" in American vernacular) factory directly across from the school, coincidentally named "Chapman's Beverage Factory". So, George claimed it, why not? Our name was Chapman. No one knew the difference, not even us. We thought we were rich & so did everyone else.

George was a gentle & kind man, generous to a fault (sometimes to his own chagrin), "we" were always well intentioned, but, sometimes "we" didn't always carry through. George loved to play pranks on unsuspecting victims so one always had to be watching him suspiciously as you never knew when it might be your turn. George was very much loved by all his family &, by all who knew him.

In 1962, George hired on in the running trades with the Canadian National Railways as Brakeman & later promoted to Conductor. He ended his career in Toronto, Ontario in 1995. In 2001, he married his long-time friend, Nancy Louise Eldredge of North Reading, MA. They lived in Richmond Hill, Ontario until 2003 when they moved to Derry, NH.

George is predeceased by his wife of 21 years, Nancy, who passed away in 2013; his former partner Aileen Burnett in 2017; by his parents in 1975 & 1976 consecutively; his sisters, Leona Tam, Aug. 2012, Donna Chapman, May 2018, Gail McKibbin, April 2021, brother Lloyd, Dec. 2020, nephews Ryan Tam, June 2011, Eddy McKibbin, April 2014, & Ainsley Chapman, Sept. 2019.

He is survived by his son Breeyn ("Mini-me") of Sudbury, Ontario & step-daughter, Amy Kenney, Hooksett, NH, two grandchildren, Matthew & Rachael Kenney; brothers David & Eldon; sisters, Shirley Henderson, Esther Hare, Geraldine Wheten, Nova Chapman, Doreen Trahan, & numerous nieces & nephews.

George was a lifelong member of the Order of the Free & Accepted Masons. He originally joined the order in Ontario in 1976 with the Royal Arch of Ontario. He served as Master of the St. Mark's Lodge, #44 in Derry, NH. He was a member of the Oddfellows Organization.

A Calling hour was held on Thursday, Sept. 29, burial followed with a Masonic Service at Forest Hill Cemetery, East Derry.

## Astros Football Squad Get Big Win Over Blue Devils

CHRIS PAUL  
NUTFIELD NEWS

After suffering the first loss season to the Lancers at the Mack Plaque competition, the Pinkerton Academy Varsity Football team bounced back with a dominating 27-0 victory over the Salem Blue Devils

in a home game on Friday night, Sept. 30.

It took just one set of downs after the opening kick-off for the Astros to get on the scoreboard.

Junior running back, Caden Michaud, took the first snap from the PA 36-yard line all the way to Salem's 9-yard line.

From there, two running attempts ended with the games first TD.

Senior running back, Jacob Albert, scored from the two-yard line.

With the 7-0 lead, the PA defense allowed a long Salem drive that ended with a fourth down play with one to go at the PA 20. The Blue Devils quarterback kept the ball, with a run up the middle, making it all the way to the one-yard line, where the Astros caused a fumble, where PA's Jackson Collins recovered the ball in the end zone.

The resulting PA drive ends with a punt successfully downed on the Salem one-yard line.

Two plays later, Pinkerton was on the scoreboard again, with an interception by Michaud and an open run into the end zone for the 14-0 Astros lead.

In first PA drive of the second quarter, the Astros were then the victim of a fumble at the one-yard line.

After a couple nice runs by senior Cole Yanacco, sophomore running back Matt Morrison looked like he was headed for a touchdown when Salem caused the fumble.

With the ball, SHS marched down to the PA end in two plays where they finished with a turn over on downs at the Astros 24-yard line.

On first down, Albert had another impressive run to the Salem 27-yard line.

From there, Yannaco got his first touch down on the second play of the series.

The Astros failed with the extra point with the ball being too wide of the field goal, giving PA a 20-point lead.

The following Salem drive finished with a short punt, giving the Astros excellent field position again, but an interception on the very first play put the ball back in Salem's hands where they promptly coughed up another fumble.

cos Centeno recovered the fumble for PA with 6.5 seconds left in the half. From the 17-yard line, the PA field goal attempt goes wide left to end the half at 20-0.

The final points of the

game came on another running play from Yanacco, who helped make it 27-0. His second touchdown of the evening was at the three minute mark of the third quarter.

# Pinkerton Boys' Soccer Squad Get Two Solid Victories

PA senior forward Cam McMahon ha the lone goal against Salem last week. Photo by Chris Paul

CHRIS PAUL  
NUTFIELD NEWS

The Pinkerton Academy Boys' Soccer team improved their season record to 5-4-2 with two victories last week. The Astros had a 1-0 win over the Salem Blue Devils at home followed by a 4-2 victory over Dover High School on the road. Starting on Wednesday, Sept. 28, Pinkerton was able to grind out a victory against Salem and handed the Blue Devils their sev-

enth loss of the season. The lone goal scorer of the game was senior forward Cam McMahon with the assist coming from fellow senior Gio Iob. Pinkerton head coach, Kerry Boles, commented that freshman Jack McNair, senior Noah Sands, and senior Gabe Konopka all put forth outstanding efforts in the victory that evened out the team's record to 4-4-2. The following day, the Astros traveled to the coast where they outplayed the Green Wave, with a score of 4-2 on that team's home turf. Astros junior Zack Smith had a big game for the Astros, scoring three times, while Sands added the other goal. Sands also had two assists in the contest. Other assists went to Zack Smith and Gio Iob. Also playing well for Pinkerton were sophomore Ethan Bellows, senior Zach Viger, and junior Sean Kelly.

Boles was happy with the effort and the two victories last week, "We have some injuries to contend with and had to play some players out of position, but they handled their opportunities incredibly well." The Pinkerton boys were slated to have two tough games this week. On Tuesday, Oct. 4, they have a home game against Manchester Central (7-2-1), and on Thursday they play Windham High School (6-2) on the road.

# Astros Girls' Soccer Team Remain Just Over the .500 Mark

CHRIS PAUL  
NUTFIELD NEWS

The Pinkerton Academy Girls' Soccer team had two games ending with a one-goal outcome last week, one went in the Lady Astros favor and the other resulted in a loss. The PA squad finished the month of September

sophomore middle, Verity Ungaro. Senior Astros tender, Libby Williams, had three saves in the victory. The Astros team was scheduled for just one game this week. They are scheduled to play at Manchester Central High School on Wednesday, Oct. 4.

# Astros Field Hockey Team Finishes Month with 5-0 Win

CHRIS PAUL  
NUTFIELD NEWS

The Pinkerton Academy Field Hockey team suffered their sixth loss of the season last week, but followed that up with a five-goal victory to finish the month of September at 5-6.

The Astros week started on Wednesday, Sept. 28,

hosting the Dover Green Wave (7-3).

The PA girls were shutout 1-0 in a nail-biter where the only goal of the game was scored by Dover, during a corner, at the end of the third period.

Pinkerton had one goal during the second half that was disallowed.

Standout performances

during the game were given by first-year varsity player, Anna Perkins on the front-line and goalkeeper, Elise LeBlanc, who had 18 saves and did very well against the talented Dover squad.

The Dover goalie made nine saves in the tight contest.

Two days later, the PA squad hosted Nashua North

High School who had yet to win a game this season.

The Astros kept the Titans winless with a 5-0 victory and each goal was scored by a different Astros player.

The first period had Julia Murgo get her first of season with the assist com-

ing from Gianna Rosa and Claudia Perkins at 6:46.

Hannah Lisauskas got the second goal at 2:50, from Abby Shawley.

In the third period, Ava Bennett added the third goal from Abby Shawley at 13:03.

Claudia Perkins got her first goal of season to take a

4-0 lead with an assist from Ava Bennett at 7:46.

The final goal of the game came from Isabelle Toupin from Abby Shawley at 8:14 in the fourth.

Pinkerton goalies Brenna Hines and LeBlanc combined for four saves and the Titans had 18 saves.

## Astros Golf Team Get Win, Megan Places Second at State Tournament

CHRIS PAUL  
NUTFIELD NEWS

The Pinkerton Academy Golf team hosted at match at Hoodcroft Country Club on Monday, Sept. 26, with Concord and Hanover High Schools, where they had a three shot win over Hanover, but lost by three shots to Concord.

Team Scores were: Concord - 207; Pinkerton - 214; and Hanover - 217.

Pinkerton Top 5 palyers were: Owen Doherty, with a two-over 38; Ethan Johnston tallied a 42; Tyler Morin shot a 43; Ricky Wong came

in with a 44; and Nathan Jasper finished with a 47.

In the 2022 NHIAA Girl's Championship over the weekend, Astros senior, Julianna Megan, finished two-over par at Campbell's Scottish Highlands in Salem and finished in a tie for sec-

ond place.

Megan's only birdie of the round came on the final hole, a 446-yard par five.

She also carded 14 pars and three bogeys.

The winner, Carys Fennessey, finished with a even par round of 71.

# Pinkerton Volleyball Squad Get Two Wins and a Loss

Astros junior captain Sarah Buldoc has been racking up the kills this season. Photo by Chris Paul

CHRIS PAUL  
NUTFIELD NEWS

The Pinkerton Academy Volleyball squad finished the last week of September with two wins and a loss and sat at 5-6 to end the month.

The Astros started their week, at home, facing Timberlane Regional High School on Tuesday, Sept. 27, where they came away with a straight set victory.

Pinkerton won 25-10, 25-21 and 25-21 for the team's fourth win of the fall season.

Junior outside hitter, Sarah Bolduc, had 15 kills and 11 digs in the game.

Senior Sophia Paneuf managed 14 service points, six aces and 11 digs, while setter Kara Porter dished out 21 assists against the Owls.

The following day, at Manchester Memorial High School, the Astros team tallied its fifth win of the sea-

son with a lopsided outcome against the Marauders.

Pinkerton was able to make fairly quick work of the contest, winning in straight sets: 25-6, 25-17 and 25-11.

Bolduc had 13 kills and seven digs; Lexi Heiser finished with 14 service points and seven aces; Kara Porter added 18 assists; and Aaliyah Gooden got two blocks.

In the final game of the month, at home against Nashua North, Pinkerton fell in a 3-1 match.

The Titans had only lost one match this year and shut down the Astros 25-20, 25-16, 21-25 and 25-13.

Bolduc had 10 kills, 15 digs, nine service points and four aces. Savannah Dunne and Gooden each got four blocks and Porter added 20 assists.

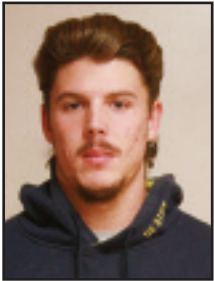

The Astros squad had two games scheduled to start the month of October.

They played Goffstown High School (4-5) at home on Monday, Oct. 3, and will play the Concord Crimson Tide (5-5) on Wednesday in the state capital.

## Athlete of the Week

Week of Sept. 26

**Matthew Feole**  
Senior, Varsity Football

In the home game against Salem on Friday night, Feole had two punts inside the 3 yard-line, 10 tackles and a 22-yard reception that led to a PA touchdown.

**Sarah Bolduc**  
Junior, Girls Volleyball

Bolduc helped the Pinkerton Girls' Volleyball team to a 2-1 record last week by contributing 38 kills, 33 digs, 24 service points, and 16 aces.

### Respect Life Essay Contest

The NH Knights of Columbus is once again sponsoring a Student Respect Life Essay Contest. The contest is open to any Jr-High (grades 6,7,8) and Sr. High (grades 9,10,11,12) student in NH. The NH Knights of Columbus will make up to six cash awards of \$100. You do not have to be a member of the Knights or a Catholic. The theme for this year's contest is: "Even though the Supreme Court ruled there is no 'right' to abortion in the Constitution (Dobbs), many mothers still experience fear and uncertainty. What can I do to help make abortion

unthinkable?" Deadline: Midnight, Dec. 15, Rules: Essays may not be longer than 500 words; typed, and submitted as a PDF or Word Document and emailed to [matu19@comcast.net](mailto:matu19@comcast.net). Include student name, age, grade, school, parent name and address, phone, parish and email. Students may obtain help & information, including from parents, teachers, friends, and internet, but the essay itself must be their own work. Further contest details may be obtained from K of C NH contest chairman John P. Matuszewski (603-434-4098) or K of C NH State Pro-Life Chairman Ron Distasio (603-595-7837).
